Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

Camden National Corporation (the Company) amended and restated the Supplemental Executive Retirement Program (SERP), which is a nonqualified, noncontributory, defined-benefit, SERP for certain highly compensated officers. It is designed to make up the shortfall (when compared to a non-highly compensated employee) to replace income at retirement due to IRS compensation and benefit limits under the Company's 401(k) Plan and Social Security. The purposes of the amendment and restatement to the SERP were to (i) comply with Section 409A of the Internal Revenue Code, (ii) clarify the termination of payments under the SERP if an executive competes with the Company (as defined in the SERP) and (iii) to allow a participant to make an up front election to defer benefits under the SERP for up to 5 years after retirement. No other material changes were made to the terms and conditions of the SERP.

The Company entered into the amended and restated the SERP Agreement with the following named executive officers, all of whom were participants in the previous SERP: Robert W. Daigle, president and chief executive officer, Gregory A. Dufour, Chief Banking Officer, and Laurel J. Bouchard, Chief Administrative Officer.

The description of the terms of the SERP is qualified in its entirety by reference to the form of SERP Agreement attached hereto as Exhibit 99.1.

Item 9.01. Financial Statements and Exhibits.
