- Proposal 1: FOR the election of the Class I director nominee to serve until the 2019 Annual Meeting of Stockholders and until his successor is duly elected and qualified;

How do I vote?

You may grant a proxy to vote your shares by any one of the following methods:

- By mail: Mark your votes, sign and return the proxy card or vote instruction form in the postage paid envelope provided.
- By Internet: Log onto the website indicated on your proxy card or vote instruction form and follow the instructions provided.
- By telephone: Call the toll-free number shown on your proxy card or vote instruction form and follow the voice prompts.

Alternatively, you may attend the Annual Meeting in person and use a ballot to cast your vote. If you grant a proxy by the Internet or by telephone to vote your shares, you do not need to send in the proxy card or vote instruction form. The deadline for Internet and telephone proxy authorization will be 6:00 p.m., Eastern Time, on June 8, 2016. If your shares are held in the name of a bank, broker or other nominee, and you wish to vote your shares at the Annual Meeting, you will need to contact your bank, broker or other nominee to obtain a legal proxy form that you must bring with you to the meeting to exchange for a ballot.

What vote is needed for the proposals to be adopted?

As of the close of business on the record date, March 30, 2016, there were 12,631,627 shares of the Company's Class A Common Stock and 31,938 shares of the Company's Class B Common Stock issued and outstanding, representing the only classes of voting stock of the Company issued and outstanding as of such date. Each holder of Class A Common Stock and each holder of Class B Common Stock is entitled to cast one vote per share of Class A Common Stock or Class B Common Stock held on each matter that properly comes before the Annual Meeting. Holders of shares of Class A Common Stock and Class B Common Stock vote together as one class in all matters, except that matters that would adversely affect the rights and preferences of only one class must be separately approved by the holders of the adversely affected class.

- **Quorum:** In order to conduct the Annual Meeting, the presence, in person or by proxy, of stockholders entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting is required. This is referred to as a quorum. Pursuant to Maryland law, abstentions and broker non-votes are counted as present in determining the presence of a quorum. If you submit a properly executed proxy card or authorize a proxy by telephone or by Internet, you will be treated as present at the Annual Meeting for purposes of determining the presence of a quorum. Proxy cards marked as abstaining and broker non-votes on any proposal to be acted on by stockholders will be treated as present at the Annual Meeting for purposes of determining the presence of a quorum.
- **Proposals:** The vote of a plurality of all of the votes cast at a meeting at which a quorum is present is necessary for the election of directors. For purposes of the election of directors, abstentions will not be counted as votes cast and will have no effect on the result of the vote. The affirmative vote of a majority of all of the votes cast at a meeting at which a quorum is present is required to ratify the appointment of BDO USA, LLP, to approve the Rights Agreement and to approve the executive compensation proposal. For purposes of the votes on these proposals, abstentions and broker non-votes will have the same effect as votes against the proposal.

Who will count and certify the votes?

Representatives of Broadridge Financial Solutions, Inc. and the inspector of elections will count the votes and certify the election results. The inspector of elections is our Controller and Vice President, Jerry Sintes. The results will be published in a current report on Form 8-K to be filed after the Annual Meeting.

What does it mean if I receive more than one proxy card?

It means you have multiple accounts registered with our transfer agent or with stock brokers or other nominees. Please complete and provide your voting instructions for all proxy cards and vote instruction forms that you receive.

Will my shares be voted if I do not sign and return my proxy card?

Possibly. If your shares are held in street name and you do not instruct your broker or other nominee how to vote your shares, your broker or nominee may either use its discretion to vote your shares on "routine matters" considered at the meeting, including the ratification of BDO USA, LLP as our independent registered public accounting firm, or leave your shares unvoted. For any "non-routine matters" considered at the meeting, including the election of our Class I director, the Rights Agreement proposal and the executive compensation proposal, your broker or other nominee would not be able to vote on such matters. We encourage you to provide instructions to your nominee by completing the vote instruction form or proxy card that you have received. This will ensure that your shares are voted at the Annual Meeting as you direct.

How can I change my vote?

You have the right to revoke your proxy at any time before the Annual Meeting. If you are a holder of record, you may contact our corporate secretary and request that another proxy card be sent to you. Alternatively, you may use the Internet or the telephone to authorize a new proxy and revoke your old proxy, even if you previously mailed in a proxy card. The latest-dated, properly completed proxy that you submit, whether through the Internet, by telephone or by mail will count as your vote. Please note that if you submit a later proxy authorization by mail, your re-authorization will not be effective unless it is received by our corporate secretary prior to the start of the Annual Meeting. If your shares are held in street name, you must contact your bank, broker or other nominee and follow their procedures for changing your vote instructions.

How can I attend the Annual Meeting?

Admission to the Annual Meeting is limited to stockholders who are entitled to vote or their authorized representatives. If you are a holder of record and wish to attend the Annual Meeting, tear off the Admission Ticket attached to the top half of your proxy card and bring it and a photo ID with you to gain admission to the meeting.

If your shares are held in the name of a bank, broker or other nominee, and you wish to attend the Annual Meeting, you must bring other proof of ownership, such as an account statement, that clearly shows that you held Bimini Capital Management, Inc. common stock on the record date, or a legal proxy obtained from your bank, broker or other nominee. You must also bring a photo ID. Alternatively, you may obtain an admission ticket by sending your request and a copy of your proof of ownership to our corporate secretary at Bimini Capital Management, Inc., 3305 Flamingo Drive, Vero Beach, Florida 32963 provided that your request is received by the Company before the meeting.

What proxy solicitation expenses will be incurred in connection with this meeting?

Our Board of Directors is asking for your proxy and we will pay all of the costs of asking for stockholder proxies. We can ask for proxies through the mail or personally by telephone or the Internet. Our directors, officers and employees of the Company may solicit proxies. These people do not receive additional compensation for these services. We will reimburse brokerage firms and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding solicitation material to the beneficial owners of the Company's common stock held of record by them. Broadridge Financial Solutions, Inc. assists us with certain administrative functions related to the distribution of the proxy, but is not acting as a solicitor.

How can I submit a proposal for consideration at the 2017 Annual Meeting?

To be considered for the 2017 Annual Meeting of Stockholders, stockholder proposals must be submitted in writing to our corporate secretary at Bimini Capital Management, Inc., 3305 Flamingo Drive, Vero Beach, Florida 32963. No proposal can be included in our proxy statement for the 2017 Annual Meeting of Stockholders unless it is received by our corporate secretary no later than December 30, 2016 (120 days prior to the anniversary date of our proxy statement for our 2016 annual meeting). The proposal must also meet the other requirements of the rules of the Securities and Exchange Commission relating to stockholder proposals.

Any stockholder whose proposal is not included in our proxy statement relating to the 2017 Annual Meeting of Stockholders and who intends to present a matter for consideration at such meeting must give notice to our corporate secretary in accordance with Section 1.11 of our Amended and Restated Bylaws and such matter must otherwise be a proper matter for stockholder action. For our 2017 Annual Meeting of Stockholders, any such notice must be received by our corporate secretary no later than April 10, 2017, and no earlier than March 11, 2017 (not less than 60 days, or more than 90 days prior to the anniversary date of our 2016 annual meeting).

PROPOSAL 2: TO RATIFY THE SELECTION OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

Our Audit Committee has selected the accounting firm of BDO USA, LLP to serve as our independent registered public accounting firm for the year ending December 31, 2016, subject to ratification of this appointment by our stockholders. Action by stockholders is not required by law in the appointment of an independent registered public accounting firm, but this appointment is submitted by the Board of Directors in order to give the stockholders a voice in the designation of auditors. If the appointment is not ratified by the stockholders, the Board of Directors will reconsider its choice of BDO USA, LLP as our independent registered public accounting firm. BDO USA, LLP has advised us that neither it nor any member thereof has any financial interest, direct or indirect, in our company or any of our subsidiaries in any capacity. BDO USA, LLP has served as our independent registered public accounting firm since April 17, 2008 and audited our consolidated financial statements for the years ended December 31, 2008 through 2015.

The Company anticipates that a representative of BDO USA, LLP will be present at the annual meeting, will be given the opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions.

THE BOARD RECOMMENDS A VOTE FOR
THE RATIFICATION OF THE SELECTION OF BDO USA, LLP
AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

PROPOSAL 3: TO APPROVE THE RIGHTS AGREEMENT DATED DECEMBER 21, 2015.

Our shareholders are being asked to approve the Rights Plan (“Rights Plan”) that our Board of Directors adopted on December 21, 2015 in an effort to protect against a possible limitation on the Company’s ability to use its net operating loss carryforwards (“NOLs”) under Sections 382 of the Internal Revenue Code of 1986, as amended (the “Internal Revenue Code”). As of December 31, 2015, the Company had approximately \$21 million of net operating loss carryforwards (“NOLs”), and the Company’s wholly owned subsidiary, MortCo TRS, LLC (“MortCo”), had approximately \$261 million of NOLs. The Rights Plan is intended to reduce the risk of a substantial loss of potential tax benefits arising from our NOLs and certain other tax attributes. Our Board has unanimously recommended and declared advisable that our shareholders approve the Rights Plan.

Background and Purpose of the Rights Plan

Due to the growth of its investment advisory business during 2015, in December 2015 the Board of Directors (the “Board”) of the “Company conducted an evaluation of the Company’s assets and business to determine whether the Company qualified to be taxed as a real estate investment trust (“REIT”) for federal income tax purposes. As part of this evaluation, the Company engaged ValueScope, Inc. to provide the Board with a valuation of Bimini Advisors, Inc. (“Advisors”), which conducts the Company’s investment advisory business. Advisors is one of the Company’s taxable REIT subsidiaries (“TRSs”). Based on this evaluation, the Board concluded that the valuation of Advisors relative to the Company’s total assets exceeded 25% as of September 30, 2015, with the value of Advisors likely to increase in the future. To satisfy the REIT requirements, the value of the securities of the Company’s TRSs relative to the Company’s total assets cannot exceed 25% at the end of any calendar quarter. As a result, the Company did not satisfy this REIT test as of September 30, 2015.

As of December 31, 2015, the Company had approximately \$21 million of net operating loss carryforwards (“NOLs”), and the Company’s wholly owned subsidiary, MortCo TRS, LLC (“MortCo”), had approximately \$261 million of NOLs.

These NOLs can, subject to the discussion below regarding an “ownership change,” be used by the Company and MortCo to reduce their federal income tax liabilities. By filing a consolidated federal income tax return and completing certain internal restructurings, these NOLs can also be used to offset income from Advisors. Because Advisors is a C-corporation, if the Company was a REIT for 2015 it would have been responsible for federal income taxes and would have paid additional taxes in the future if the income of Advisors’ investment advisory business continues to grow. Because the Company no longer satisfies the REIT test described above and to reduce the amount of taxes to be paid by Advisors and the Company, the Company completed certain internal restructurings in order to maximize its ability to take advantage of the NOLs. As a result, the Company does not anticipate that it or its subsidiaries, including Advisors, will incur a significant federal income tax liability until the expiration of the NOLs.

In order to protect against a possible limitation on the Company's ability under Section 382 of the Internal Revenue Code of 1986, as amended (the "Code"), to use its and its subsidiaries' NOLs to reduce potential future federal income tax obligations, on December 21, 2015 the Board adopted the Rights Plan and declared a distribution of one preferred stock purchase right ("Right") for each outstanding share of the Company's Class A common stock, par value \$0.001 per share ("Class A common stock"), Class B common stock, par value \$0.001 per share ("Class B common stock") and Class C common stock, par value \$0.001 per share ("Class C common stock"). The distribution was paid to stockholders of record as of the close of business on December 21, 2015.

The description and terms of the Rights are set forth in the Rights Agreement dated December 21, 2015, by and between the Company and Broadridge Corporate Issuer Solutions, Inc., as Rights Agent. No stockholder approval is required for adoption of the Rights Plan. However, the Company is submitting the Rights Plan to our stockholders for approval as a matter of best practice. The ability to use these NOLs would be limited if there was an "ownership change" under Section 382 of the Code. This would occur if stockholders owning (or deemed under Section 382 to own) 5% or more of the Company's stock increase their collective ownership of the aggregate amount of outstanding shares of the Company by more than 50 percentage points over a defined period of time. The Rights Plan was adopted to reduce the likelihood of an "ownership change" occurring as defined by Section 382 of the Code.

The Rights Plan is intended to act as a deterrent to any person or group acquiring 4.9% or more of the Company's outstanding Class A common stock (an "Acquiring Person") without the approval of the Board. Stockholders who own 4.9% or more of the Company's outstanding Class A common stock as of the close of business on December 21, 2015 will not trigger the Rights Plan so long as they do not (i) acquire any additional shares of Class A common stock or (ii) fall under 4.9% ownership of Class A common stock and then re-acquire additional shares so that they own 4.9% or more of the Class A common stock. The Rights Plan does not exempt any future acquisitions of Class A common stock by such persons. Any Rights held by an Acquiring Person are void and may not be exercised. No Person shall be an Acquiring Person unless the Board shall have affirmatively determined, in its sole and absolute discretion, within ten (10) business days (or such later time as the Board may determine) after such person has otherwise met the requirements of becoming an Acquiring Person, that such person shall be an Acquiring Person.

Description of Rights Plan

The Rights. The Board authorized the issuance of one Right per each outstanding share of the Company's Class A common stock, Class B common stock and Class C common stock payable to stockholders of record as of the close of business on December 21, 2015. Subject to the terms, provisions and conditions of the Rights Plan, if the Rights become exercisable, each Right would initially represent the right to purchase from the Company one ten-thousandth of a share of Series A Preferred Stock (as defined below) for a purchase price of \$4.76, subject to adjustment in accordance with the terms of the Rights Plan (the "Purchase Price"). If issued, each fractional share of Series A Preferred Stock would give the stockholder approximately the same distribution, voting and liquidation rights as does one share of the Company's Class A common stock. However, prior to exercise, a Right does not give its holder any rights as a stockholder of the Company, including without limitation any distribution, voting or liquidation rights.

Exercisability. The Rights will generally not be exercisable until the earlier of (i) 10 business days after a public announcement by the Company that a person or group has become an Acquiring Person and (ii) 10 business days after the commencement of a tender or exchange offer by a person or group for 4.9% or more of the Class A common stock.

The date that the Rights may first become exercisable is referred to as the “Distribution Date.” Until the Distribution Date, the Class A common stock, Class B common stock and Class C common stock certificates will represent the Rights and will contain a notation to that effect. Any transfer of shares of Class A common stock, Class B common stock and/or Class C common stock prior to the Distribution Date will constitute a transfer of the associated Rights. After the Distribution Date, the Rights may be transferred other than in connection with the transfer of the underlying shares of Class A common stock, Class B common stock or Class C common stock.

After the Distribution Date and following a determination by the Board that a person is an Acquiring Person, each holder of a Right, other than Rights beneficially owned by the Acquiring Person (which will thereupon become void), will thereafter have the right to receive upon exercise of a Right and payment of the Purchase Price, that number of shares of Class A common stock, Class B common stock or Class C common stock, as the case may be, having a market value of two times the Purchase Price (or, at our option, shares of Series A Preferred Stock or other consideration as provided in the Rights Plan).

Exchange. After the Distribution Date and following a determination by the Board that a person or group is an Acquiring Person, the Board may exchange the Rights (other than Rights owned by such an Acquiring Person which will have become void), in whole or in part, at an exchange ratio of one share of Class A common stock, Class B common stock or Class C common stock, as the case may be, or a fractional share of Series A Preferred Stock (or of a share of a similar class or series of the Company’s preferred stock having similar Rights, preferences and privileges) of equivalent value, per Right (subject to adjustment).

Expiration. The Rights and the Rights Plan will expire on the earliest of (i) December 21, 2025, (ii) the time at which the Rights are redeemed pursuant to the Rights Plan, (iii) the time at which the Rights are exchanged pursuant to the Rights Plan, (iv) the repeal of Section 382 of the Code or any successor statute if the Board determines that the Rights Plan is no longer necessary for the preservation of the applicable tax benefits, (v) the beginning of a taxable year of the Company to which the Board determines that no applicable tax benefits may be carried forward and (vi) the close of business on June 30, 2016 if approval of the Rights Plan by the Company’s stockholders has not been obtained.

Redemption. At any time prior to the time an Acquiring Person becomes such, the Board may redeem the Rights in whole, but not in part, at a price of \$0.001 per Right (the “Redemption Price”). The redemption of the Rights may be made effective at such time, on such basis and with such conditions as the Board in its sole discretion may establish. Immediately upon any redemption of the Rights, the right to exercise the Rights will terminate and the only right of the holders of Rights will be to receive the Redemption Price.

Anti-Dilution Provisions. The Board may adjust the Purchase Price, the number of shares of Series A Preferred Stock or other securities issuable and the number of outstanding Rights to prevent dilution that may occur as a result of certain events, including among others, a stock dividend, a forward or reverse stock split or a reclassification of the preferred shares or Class A common stock, Class B common stock or Class C Common Stock. No adjustments to the Purchase Price of less than 1% will be made.

Anti-Takeover Effects. While this was not the purpose of the Board when adopting the Rights Plan, the Rights will have certain anti-takeover effects. The Rights will cause substantial dilution to any person or group that attempts to acquire the Company without the approval of the Board. As a result, the overall effect of the Rights may be to render more difficult or discourage any attempt to acquire the Company even if such acquisition may be favorable to the interests of the Company’s stockholders. Because the Board can redeem the Rights, the Rights should not interfere with a merger or other business combination approved by the Board.

Amendments. Before the Distribution Date, the Board may amend or supplement the Rights Plan without the consent of the holders of the Rights. After the Distribution Date, the Board may amend or supplement the Rights Plan only to cure an ambiguity, to alter time period provisions, to correct inconsistent provisions, or to make any additional changes to the Rights Plan, but only to the extent that those changes do not impair or adversely affect, in any material respect, any Rights holder and do not result in the Rights again becoming redeemable, and no such amendment may cause the Rights again to become redeemable or cause this Rights Plan again to become amendable other than in accordance with the applicable timing of the Rights Plan.

This summary description of the Rights does not purport to be complete and is qualified in its entirety by reference to the Rights Plan and the exhibits thereto, filed as Exhibit 4.1 to the Current Report on Form 8-K filed by the Company on December 21, 2015.

Certain Considerations Relating to the Rights Plan

The Board believes that attempting to protect the NOLs is in the best interests of the Company and the stockholders. We cannot, however, eliminate the possibility that an ownership change will occur even if the Rights Plan is approved. You should consider the factors below when making your decision.

- **Future Use of the NOLs is Uncertain.** Our use of the NOLs depends on our ability to generate taxable income in the future. There can be no assurance that we will have taxable income in any applicable period, or if we do, that we will have NOLs in an amount equal to our taxable income.
- **Potential Challenge to the NOLs.** The amount of the NOLs has not been audited or otherwise validated by the Internal Revenue Service (“IRS”). The IRS could challenge the amount of the NOLs, which could result in an increase in our liability in the future for income taxes. In addition, determining whether an ownership change has occurred is subject to uncertainty, both because of the complexity and ambiguity of the Section 382 provisions and because of limitations on the knowledge that any publicly traded company can have about the ownership of its securities on a timely basis. Therefore, we cannot assure you that the IRS or another taxing authority will not claim that we experienced an ownership change and attempt to reduce the benefit of the NOLs available to us at such time, even if the Rights Plan is in place.
- **Continued Possibility of Ownership Change.** Although the Rights Plan is intended to diminish the likelihood of an ownership change, there can be no assurance that an ownership change will not occur. In addition, our Board of Directors may determine that it is in our best interests, taking into account all relevant facts and circumstances at the time, to permit the acquisition of common stock in one or more transactions that constitute an ownership change. In each such case, we may lose all or a portion of the tax benefits associated with our prior losses.
- **Potential Effects on Liquidity.** The Rights Plan is intended to deter persons or groups of persons from acquiring beneficial ownership of our common stock in excess of the specified limitations. A stockholder’s ability to dispose of our common stock may be limited if the Rights Plan reduces the number of persons willing to acquire our common stock or the number of shares they are willing to acquire.
- **Anti-Takeover Effect.** The Board adopted the Rights Plan in order to protect the Company’s ability to use its NOLs. However, notwithstanding its purpose, the Rights Plan may have the effect of inhibiting or impeding a change in control that is not approved by our Board of Directors, thereby adversely affecting our stockholders’

ability to realize a premium over the then-prevailing market price for our common stock in connection with such a transaction.

THE BOARD RECOMMENDS A VOTE FOR APPROVAL OF THE RIGHTS PLAN.

PROPOSAL 4: TO APPROVE, BY A NON-BINDING VOTE, THE COMPANY'S 2015 EXECUTIVE COMPENSATION.

We are asking our stockholders to provide a non-binding "say-on-pay" advisory approval of the 2015 compensation of our Named Executive Officers, as we have described in the "Executive Compensation" section of this Proxy Statement.

Our Board unanimously recommends you vote FOR the following resolution regarding the "say-on-pay" vote approving executive compensation:

RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company's Proxy Statement for the 2016 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables and any related material disclosed in this Proxy Statement.

Our Board believes that we have an executive compensation program that has allowed the Company to retain top-quality executives who have been appropriately motivated to act in the best interests of our stockholders. We believe our executive compensation program encourages executives to act in the best interest of the Company and its stockholders. Our executive compensation program is described below under the headings "Compensation of Executive Officers" and "Analysis of Executive Compensation."

Accordingly, our Board requests that our stockholders vote to approve our 2015 executive compensation. While this vote is not binding on our Company, it will provide information to our Compensation Committee and our management regarding investor sentiment about our executive compensation philosophy, policies and practices. We will consider this information when determining executive compensation for 2016 and beyond.

THE BOARD RECOMMENDS A VOTE FOR APPROVAL OF THE 2015 EXECUTIVE COMPENSATION.

CORPORATE GOVERNANCE

Board Composition

The Company's business, property and affairs are managed under the direction of the Board of Directors. The Board is currently comprised of three directors divided into three classes, with one director representing each class. Terms of the classes are staggered, with one class standing for election each year. The Board is elected by stockholders to oversee management of the Company in the long-term interests of all stockholders.

Director Independence

Pursuant to Item 407(a)(1)(ii) of Regulation S-K of the Securities and Exchange Commission, the Board is required to affirmatively determine and disclose the independence of each director, and nominee for election as a director, based on the director independence standards of a national securities exchange or an inter-dealer quotation system having certain director independence requirements notwithstanding that the Company is not currently listed on any such exchange and the Company's securities are not currently quoted in any such inter-dealer quotation system. The Board has determined to use the definition of "independent director" as set forth in the Marketplace Rules of The Nasdaq Stock Market, LLC. Based on such definition, the Board has affirmatively determined that the following directors are "independent" within the meaning of Rule 5605(a)(2) of the Marketplace Rules and have no relationship with the Company which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director:

Robert J. Dwyer
Frank E. Jaumot

Notwithstanding the determination described above, the Board has determined that Mr. Jaumot is not "independent" under the stricter definition of that term that is contained in Rule 5605(c)(2) of the Marketplace Rules and Rule 10A-3(b)(1) of the Securities Exchange Act of 1934. That stricter definition of "independent" is applied for purposes of service on the Company's Audit Committee. Services provided to the Company by Ahearn, Jasco & Company, P.A., a CPA firm in which Mr. Jaumot is a shareholder, cause Mr. Jaumot to not be "independent" for Audit Committee purposes. In addition, the Board has determined that Robert E. Cauley is not "independent" for purposes of the Marketplace Rules because he is an officer and employee of the Company.

Board Meetings and Committees

The Board currently has three standing committees: the Audit Committee, the Compensation Committee and the Corporate Governance and Nominating Committee. The charter of each Board committee is available on the Corporate Governance section of the Company's website at www.biminicapital.com and will be made available in print to any stockholder upon written request delivered to our corporate secretary at Bimini Capital Management, Inc., 3305 Flamingo Drive, Vero Beach, Florida 32963. The following table reflects the composition of each of the Board's standing committees as of March 30, 2016:

Audit Committee	Compensation Committee	Corporate Governance and Nominating Committee
Robert J. Dwyer*+	Robert J Dwyer* Frank E. Jaumot	Robert J. Dwyer* Frank E. Jaumot

* Current Committee Chair.

+ Audit Committee Financial Expert.

During 2015, the Board held eight meetings, the Audit Committee held six meetings, the Corporate Governance and Nominating Committee held two meetings and the Compensation Committee held three meetings. During 2015, no incumbent director attended fewer than 75% of the aggregate of the total number of meetings of the Board (held during the period for which such person was a director) and the total number of meetings held by all committees of the Board on which such person served (during the periods that such person served). It is the Company's policy for Board members to attend the Annual Meeting of the Stockholders. In 2015, all three Board members attended the Annual Meeting of the Stockholders.

Board Structure and Role in Risk Oversight

Board Leadership Structure

The Board has not separated the positions of Chairman of the Board and Chief Executive Officer. Robert E. Cauley holds these positions and he leads the Company's Board meetings. The Board believes Mr. Cauley's extensive experience and knowledge regarding the Company's business positions him to provide the most effective and competent leadership of the Company and the Board. Given his experience with the Company, Mr. Cauley has the familiarity and expertise to best understand opportunities and risks facing the Company, and the Board believes that he is in the best position to lead both the Company and the Board. The Company's lead independent director is Robert J. Dwyer. Mr. Dwyer is the chair of the Company's existing Board Committees, and in that capacity, he is able to call meetings, set agendas and direct the attention of those Committees on a wide range of corporate matters. Given the nature and scope of the Company's current operations, the Company's small management team and the limited number of Company employees, the Board believes that the Company's current leadership structure is appropriate.

Board Role in Risk Oversight

The Board as a whole has responsibility for risk oversight, with reviews of certain areas being conducted by the relevant Board Committees. The Audit Committee oversees management of financial risks and risks relating to potential conflicts of interest, the Compensation Committee is responsible for overseeing the management of risks relating to compensation arrangements, and the Nominating and Corporate Governance Committee manages risks associated with the size, composition and independence of the Board. These Committees provide reports periodically to the full Board. The oversight responsibility of the Board and its Committees is supported by management reporting processes that are designed to provide visibility to the Board about the identification, assessment, and management of critical risks. These areas of focus include strategic, operational, financial and reporting, compensation, legal and compliance, and other risks. The management reporting process includes regular reports from the Chief Executive Officer, which are provided with input from the senior management team.

Audit Committee

The Audit Committee's charter, which may be accessed on the Corporate Governance section of our website at www.biminicapital.com, describes the composition, purposes and responsibilities of the committee. Among other things, the charter provides that the committee will be comprised of at least one director as appointed by the Board, who shall meet the independence and audit committee composition requirements under applicable law and stock exchange listing standards as in effect from time to time and shall be free from any relationship that would interfere with the exercise of his or her independent judgment as a member of the Committee.

The functions of the committee are primarily to review with our independent registered public accounting firm their reports concerning audit findings related to the Company's annual and quarterly financial statements, internal controls and procedures and disclosure controls and procedures. The committee also appoints our independent registered

public accounting firm and assists the Board in oversight of our compliance with legal and regulatory requirements related to financial reporting matters.

The Board has determined that the Chair of the committee, Mr. Robert J. Dwyer, is an “audit committee financial expert” within the meaning of the applicable rules and regulations of the Securities and Exchange Commission and an Independent Director according to the Marketplace Rules of The Nasdaq Stock Market, LLC. Mr. Dwyer is also independent in accordance with the applicable law and stock exchange listing standards.

Service Fees Paid to the Independent Registered Public Accounting Firm

The Audit Committee has selected BDO USA, LLP as the Company’s independent registered public accounting firm for 2016 and such firm has audited the Company’s annual consolidated financial statements for 2008 through 2015. The Company anticipates that representatives of BDO USA, LLP will be present at the Annual Meeting and, while they do not plan to make a statement (although they will have the opportunity to do so if they desire), they will be available to respond to appropriate questions from stockholders.

Fee Disclosure

The following table lists the fees for services rendered by BDO USA, LLP, our independent registered public accounting firm, for the years ended December 31, 2015 and 2014:

Fee Category	2015	2014
Audit Fees ¹	\$275,000	\$901,643
Audit Related Fees	-	-
Tax Fees	-	-
All Other Fees	-	-
Total Fees	\$275,000	\$901,643

¹ Fees related to the audit of the consolidated financial statements, consents, quarterly reviews, consultations concerning financial accounting and reporting standards arising during the audits. During 2014, Orchid Island Capital, Inc. (“Orchid”) was a variable interest entity of the Company. As a result, the financial statements of Orchid were consolidated with the financial statements of the Company. The 2014 fees set forth above therefore include \$425,000 for the quarterly reviews and audit of Orchid’s financial statements during and for the year ended December 31, 2014 and \$124,243 for the audit related services performed in connection with Orchid’s filing of registration statements during 2014 with the SEC.

Pre-Approval Policies and Procedures of our Audit Committee

Our Audit Committee must pre-approve, to the extent required by applicable law, all audit services and permissible non-audit services provided by our independent registered public accounting firm, except for any de minimis non-audit services. All of the fees reflected above were approved by our Audit Committee and the Audit Committee of Orchid, as applicable.

Transactions with Related Persons

Pursuant to its committee charter, the Audit Committee of the Board of Directors is responsible for reviewing and approving related person transactions. Related person transactions include those transactions required to be disclosed by Item 404 of Regulation S-K under the Securities Exchange Act of 1934, as amended. As the Company is currently a “smaller reporting company” within the meaning of Regulation S-K, Item 404 requires disclosure of any transaction, since the beginning of the Company’s fiscal year immediately preceding the Company’s last fiscal year, or any currently proposed transaction, in which the Company was or is to be a participant and the amount involved exceeds the lesser of \$120,000 or one percent of the average of the Company’s total assets at year end for the last two completed fiscal years, and in which a related person had or will have a direct or indirect material interest. The term “related person” is defined in Item 404 and includes the Company’s directors, nominees for director, executive officers and each of their respective immediate family members, as well as any person that beneficially owns more than 5% of any class of the Company’s voting stock and each such person’s immediate family members, where applicable.

In fulfilling its responsibility, the Audit Committee will review the relevant facts of each related person transaction or series of related transactions and either approve, ratify or disapprove such transaction or transactions. The Audit Committee will take into account such factors as it deems necessary or appropriate in deciding whether to approve, ratify or disapprove any related person transaction, including any one or more of the following:

- The terms of the transaction;
- The benefits to the Company of the transaction;
- The availability of other sources for comparable products or services;
- The terms available to unrelated third parties or to employees generally; and
- The impact on a director’s independence in the event that such director is a party to the transaction or such director, an immediately family member of such director, or an entity in which such director is an executive officer or has a direct or indirect material interest is a party to the transaction.

No director may participate in any consideration or approval of a related person transaction with respect to which such director or any of such director’s immediate family members is the related person or has a direct or indirect material interest. Related person transactions will only be approved if they are determined to be in, or not inconsistent with, the best interests of the Company and its stockholders.

On an annual basis, the Company solicits information from each of the Company’s directors and executive officers to identify related person transactions. If a related person transaction that has not been previously approved or previously ratified is identified, the Audit Committee will promptly consider all of the relevant facts. If the transaction is ongoing, the Audit Committee may ratify or request the rescission, amendment or termination of the related person transaction. If the transaction has been completed, the Audit Committee may seek to rescind the transaction where appropriate and may recommend that the Board or the Company take appropriate disciplinary action where warranted. In addition, the Audit Committee will generally review any ongoing related person transactions on an annual basis to determine whether to continue, modify or terminate such related person transactions.

Mr. Jaumot is the Director of Accounting and Auditing and a shareholder of the certified public accounting firm Ahearn, Jasco & Company, P.A. Ahearn, Jasco & Company, P.A. has provided tax, accounting, and SEC consulting services to the Company since its founding in 2003 and is expected to continue providing such services in the future. Mr. Jaumot has been directly involved with services provided by Ahearn, Jasco & Company, P.A. to the Company. During fiscal years 2015 and 2014, the Company paid Ahearn, Jasco & Company, P.A. approximately \$82,000 and \$83,000, respectively, and from January 1, 2016 through March 31, 2016, the Company has been billed approximately \$40,000 for services performed in 2016. The Audit Committee has reviewed the engagement of

Ahearn, Jasco & Company, P.A. and Mr. Jaumot's position on the Board of Directors, and determined that the engagement of Ahearn, Jasco & Company, P.A. is in the best interests of the Company. The Audit Committee will annually review this engagement.

Compensation Committee

The Compensation Committee's charter, which may be accessed on the Corporate Governance section of our website at www.biminicapital.com, describes the composition, purposes and responsibilities of the committee. Among other things, the charter provides that the committee will be comprised of at least one director as appointed by the Board, each of whom shall meet the independence requirements under applicable law and stock exchange listing standards as in effect from time to time and shall be free from any relationship that would interfere with the exercise of his or her independent judgment as a member of the committee. The Compensation Committee reviews and establishes or recommends to the Board the compensation and benefits of all of the Company's executive officers, administers the Company's incentive compensation plans and establishes and reviews general policies relating to compensation and benefits of the Company's employees. Recommendations regarding compensation of other non-executive officers are made by our Chief Executive Officer.

The Compensation Committee has the sole authority under its charter to select, retain and terminate a compensation consultant and to approve the consultant's fees and other retention terms. The Compensation Committee did not engage any compensation consultants during 2015. Rather, the Compensation Committee reviewed certain publicly available information concerning executive compensation paid by companies in our peer group, as well as information provided by the Company.

Compensation Committee Interlocks and Insider Participation

No member of the Compensation Committee was at any time during 2015 an officer or employee of the Company or any of the Company's direct or indirect subsidiaries nor is any such person a former officer of the Company or any of the Company's direct or indirect subsidiaries. In addition, no executive officer of the Company currently serves as a director or member of the compensation committee of any entity that has one or more executive officers serving as a director of the Company.

Corporate Governance and Nominating Committee

The Corporate Governance and Nominating Committee's charter, which may be accessed on the Corporate Governance section of our website at www.biminicapital.com, describes the composition, purposes and responsibilities of the committee. Among other things, the charter provides that the committee shall be comprised of at least one director as appointed by the Board, each of whom shall meet the independence requirements under applicable law and stock exchange listing standards as in effect from time to time and shall be free from any relationship that would interfere with the exercise of his or her independent judgment as a member of the committee. The charter also provides that the committee shall be responsible to identify and recommend to the Board of Directors persons to be nominated by the Board to stand for election as directors at each Annual Meeting of Stockholders and persons to be elected by the Board to fill any vacancy or vacancies in its number. The committee also recommends to the Board actions to be taken regarding the structure, organization and functioning of the Board, and the persons to serve as members of the standing committees of, and other committees appointed by, the Board. The charter gives the committee the responsibility to develop and recommend corporate governance guidelines to the Board, and to recommend to the Board the process and criteria to be used in evaluating the performance of the Board and to oversee the evaluation of the Board.

In identifying potential candidates for Board membership, the Corporate Governance and Nominating Committee may consider candidates proposed by management, but is not required to do so. The committee also relies on suggestions and recommendations from current directors and stockholders and does not distinguish nominees recommended by stockholders from other nominees. A stockholder who wishes to recommend a candidate for director of the Company may write to Chair, Corporate Governance and Nominating Committee of the Board of Directors, in care of our corporate secretary at Bimini Capital Management, Inc., 3305 Flamingo Drive, Vero Beach, Florida 32963.

In evaluating candidates for members of the Board, the Corporate Governance and Nominating Committee has not established specific minimum qualification standards, but rather takes into consideration such factors as it deems appropriate. These factors may include judgment, skill, diversity, experience with businesses and other organizations of comparable size, the interplay of the candidate's experience with the experience of other Board members, and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board. We do not have a formal policy concerning diversity, but the Corporate Governance and Nominating Committee does consider certain types of diversity when nominating director candidates to the Board, including differences of viewpoint, professional experience, education, skill, other personal qualities and attributes, race, gender and national origin. The nominee for the Board of Directors in this proxy statement was nominated by the Corporate Governance and Nominating Committee.

Corporate Governance Guidelines

The Board has adopted Corporate Governance Guidelines. These guidelines are revised from time to time to better address new or changing needs and regulatory requirements. The Corporate Governance Guidelines may be accessed from the Corporate Governance section of our website at www.biminicapital.com, and will be made available in print to any stockholder upon written request delivered to our corporate secretary at Bimini Capital Management, Inc., 3305 Flamingo Drive, Vero Beach, Florida 32963.

Corporate Conduct and Ethics

The Company has adopted a Code of Business Conduct and Ethics that is applicable to all officers, directors and employees of the Company and its subsidiaries. The Company has also adopted a Code of Ethics for Senior Financial Officers that is applicable to our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. The Company's Code of Business Conduct and Ethics and the Company's Code of Ethics for Senior Financial Officers may be accessed from the Corporate Governance section of our website at www.biminicapital.com, and will be made available in print to any stockholder upon written request delivered to our corporate secretary at Bimini Capital Management, Inc., 3305 Flamingo Drive, Vero Beach, Florida 32963. The Company intends to disclose any waivers from, or amendments to, our Code of Business Conduct and Ethics and our Code of Ethics for Senior Financial Officers required to be disclosed by applicable law or stock exchange listing standards by posting a description of such waiver or amendment on our website at www.biminicapital.com.

Stockholder Communications

Stockholders and other interested parties may communicate with any director, including the Chairman of the Board and the chairman of any committee of the Board or with the non-management directors as a group, by sending a letter to the attention of the appropriate person or persons (which may be marked as confidential) addressed in care of our corporate secretary at Bimini Capital Management, Inc., 3305 Flamingo Drive, Vero Beach, Florida 32963. All communications received by our corporate secretary will be forwarded to the intended recipient(s). Any such communications may be made anonymously.

AUDIT COMMITTEE REPORT

The Audit Committee reports to and acts on behalf of the Board of Directors of the Company by providing oversight of the financial management, independent auditor and financial reporting controls and accounting policies and procedures of the Company. The Company's management is responsible for preparing the Company's financial

statements and systems of internal control and the independent auditor is responsible for auditing those financial statements and expressing its opinion as to whether the financial statements present fairly, in all material respects, the financial position, results of operations and cash flows of the Company in conformity with generally accepted accounting principles. The Audit Committee is responsible for overseeing the conduct of these activities by the Company's management and the independent auditor.

In this context, the Audit Committee has:

- Met and held discussions with management and the independent auditor. Management represented to the Audit Committee that the Company's consolidated financial statements as of and for the year ended December 31, 2015 were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditor.
- The Audit Committee has discussed with the independent auditor matters required to be discussed by the applicable Auditing Standards as periodically amended (including significant accounting policies, alternative accounting treatments and estimates, judgments and uncertainties).
- The Audit Committee has received the written disclosures and the letter from the independent auditor required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditor's communications with the Audit Committee concerning independence, and the Audit Committee and the independent auditor have discussed the auditor's independence from the Company and its management, including the matters in those written disclosures.
- The Audit Committee considered any non-audit services provided by the independent auditor and the fees and costs billed and expected to be billed by the independent auditor for those services (as described on page 17 of this Proxy Statement). All of the non-audit services provided by the independent auditor since April 17, 2008, and the fees and costs incurred in connection with those services, have been pre-approved by the Audit Committee in accordance with the Audit and Non-Audit Services Pre-Approval Policy, as adopted by the Audit Committee. (This policy is discussed in further detail on page 17 of this Proxy Statement.) When approving the retention of the independent auditor for these non-audit services, the Audit Committee has considered whether the retention of the independent auditor to provide those services is compatible with maintaining auditor independence.
- In reliance on the reviews and discussions with management and the independent auditor referred to above, the Audit Committee believes that the non-audit services provided by the independent auditor are compatible with, and did not impair, auditor independence.
- The Audit Committee also has discussed with the Company's internal and independent auditors, with and without management present, their evaluations of the Company's internal accounting controls and the overall quality of the Company's financial reporting.

Based upon these reviews and discussions, the Audit Committee recommended to the Board that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2015, for filing with the Securities and Exchange Commission.

The Audit Committee:

Robert J. Dwyer (Chair)

Notwithstanding anything to the contrary set forth in any of our previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that incorporate future filings, including this Proxy Statement, in whole or in part, the foregoing Audit Committee Report shall not be incorporated by reference into any such filings.

COMPENSATION OF DIRECTORS

Overview

Directors who are not also employees of the Company are paid compensation in exchange for their service as a director. Director compensation is reviewed periodically by the Board to ensure such compensation is reasonable and appropriate.

Annual Retainer

During 2015, we paid an annual director's fee equal to \$85,000 to each director who is not an officer or employee. Each of the Company's non-employee directors had the option to receive between one-third and one-half of their director compensation in the form of shares of the Company's Class A Common Stock, subject to applicable limitations on ownership as described in the Company's charter. Beginning January 1, 2016, the non-employee directors will receive 100% their compensation in cash. Director's fees are paid in advance on January 1, April 1, July 1 and October 1 of each year. We also reimburse all directors for costs and expenses for attending these meetings. Directors who are also employees of the Company are not separately compensated for their service as directors.

Additional Retainers

In addition to the annual retainer described above, non-employee directors were entitled to the following additional retainers during 2015:

Nature of Retainer	Retainer Amount
Audit Committee Chair	\$27,500
Corporate Governance and Nominating Committee Chair	\$12,500
Compensation Committee Chair	\$12,500

ANALYSIS OF EXECUTIVE COMPENSATION

As discussed herein under the caption “Compensation Committee,” the Compensation Committee of the Board of Directors is responsible for reviewing and establishing or recommending to the Board of Directors the compensation and benefits of the Company’s executive officers, administering the Company’s incentive compensation plans and establishing and reviewing general policies relating to compensation and benefits. At the beginning of each year, the Compensation Committee sets general performance goals and objectives for the named executive officers. Through-out the year, the Compensation Committee monitors the overall performance of the Company and the success of the executive officers in achieving the designated goals. At the end of the year, based on the overall performance of the Company and the extent to which it has achieved the designated goals, the Compensation Committee makes a determination with respect to the executive officer salaries and bonuses.

For 2014, the Compensation Committee set the following general corporate goals to measure executive officer performance: (i) completion of additional public offerings of Orchid or of the Company, (ii) improvement in net income, (iii) improvement in book value, (iv) improvement in market price per share, (v) execution of a financing transaction at MortCo TRS, LLC that allows the Company to utilize available NOLs, (vi) development of alternate means to increase assets under management and thereby improve profitability of the Company and Bimini Advisors, (vii) material reduction in year-over-year expenses, or (viii) execution of other joint ventures or strategic alliances that enhance profitability of the Company. Based on the Company’s success during 2014 in achieving certain performance goals that had been set for the year, the Compensation Committee awarded the cash and stock bonuses described in the table above. Specifically, Orchid raised \$171.3 million in capital, net of fees, thereby increasing management fee revenue to the Company from approximately \$0.664 million in 2013 to approximately \$2.013 million in 2014. The Company’s stock price increased from \$0.2759 at December 31, 2013 to \$1.90 at December 31, 2014, and during the same period the Company’s book value per share increased from \$0.15 to \$0.75.

For 2015, the Compensation Committee set the following general corporate goals to measure executive officer performance: (i) completion of additional public offerings by Orchid or the Company, (ii) improvement in net income, (iii) improvement in book value, (iv) improvement in market price per share (which may be measured against the results of other entities in the Company’s peer group), (v) execution of a financing transaction at MortCo TRS, LLC that allows the Company to utilize available NOLs, (vi) development of alternative means to increase assets under management and thereby improve profitability of the Company and Bimini Advisors, (vii) execution of strategic alliances that increase the capital base of Orchid, (viii) material reduction in year-over-year expenses, or (ix) execution of other joint ventures or strategic alliances that enhance profitability of the Company. Based on the Company’s success during 2015 in achieving certain performance goals that had been set for the year, the Compensation Committee awarded the bonuses described in the table above. Specifically, Orchid raised \$72.4 million in capital, net of fees and shares repurchased, thereby increasing management fee revenue to the Company from approximately \$2.013 million in 2014 to approximately \$3.978 million in 2015. The Company’s book value per share increased from \$0.75 at December 31, 2014 to \$5.54 at December 31, 2015 and the Company executed certain restructuring transactions to position the Company to be able to utilize the NOL’s of both the Company and its subsidiary, MortCo TRS, LLC.

For 2016, the Compensation Committee has set the following general corporate goals to measure executive officer performance: (i) completion of additional public offerings by Orchid or the Company, (ii) improvement in net income, (iii) improvement in book value, (iv) improvement in market price per share (which may be measured against the results of other entities in the Company's peer group), (v) execution of a financing transaction at MortCo TRS, LLC that allows the Company to utilize available net operating losses, (vi) development of alternative means to increase assets under management and thereby improve profitability of the Company and Bimini Advisors, (vii) execution of strategic alliances that increase the capital base of Orchid, (viii) material reduction in year-over-year expenses, or (ix) execution of other joint ventures or strategic alliances that enhance profitability of the Company.

At the 2013 Annual Meeting of the Stockholders, the stockholders held a non-binding advisory vote on the Company's 2012 executive compensation. While 3,646,931 voted in favor and only 584,062 voted against the proposal, there were 41,180 abstentions and 5,014,328 Broker Non-Votes. Accordingly, despite the approval of 86.2% of the stockholders who voted on the proposal, the proposal was not approved due to the large number of abstentions and Broker Non-Votes. The Compensation Committee considered the results of this vote, and it did not make any material change to the Company's compensation structure at that time. The Compensation Committee will continue to set annual goals to gauge executive officer performance and to adjust compensation as necessary to reward achievement of these goals as described above.

Also at the 2013 Annual Meeting of the Stockholders, the stockholders held a non-binding advisory vote on the frequency of future advisory votes on executive compensation. The stockholders approved a frequency of once every three years. The Compensation Committee agrees with this recommendation and will conduct future votes on executive compensation once every three years.

POTENTIAL PAYMENTS UPON TERMINATION OR A CHANGE OF CONTROL

Mr. Cauley and Mr. Haas entered into severance agreements with the Company on December 18, 2008. Those agreements were replaced by new agreements entered into on June 30, 2009. Mr. Cauley's agreement and Mr. Haas' agreement contain substantially the same terms and conditions. The term of each new agreement expires June 30, 2018, but is automatically extended by additional twelve month periods each July 1 unless the Company provides written notice otherwise at least 90 days prior to the renewal date or in the event of a change of control during the term of the agreement.

The qualitative and quantitative information below reflects the amount of compensation payable to Mr. Cauley and Mr. Haas under their respective agreements with the Company in the event of termination of such executive's employment under several different circumstances. Amounts disclosed assume that such termination is effective as of December 31, 2015, and thus include amounts earned through such time and are estimates of the amounts that would have been payable to the executives had their employment terminated effective December 31, 2015. The actual amounts, if any, to be paid out under the executive's respective agreement can only be determined at the time of such executive's separation from the Company. Upon expiration of these agreements, the termination payment provisions contained in the agreements, as described below, will automatically terminate and will have no further force or effect.

Potential Payments and Benefits upon Termination without Cause or for Good Reason

Under the agreements, an executive shall be entitled to receive termination benefits if during the term of the agreement (i) the Company terminates executive's employment with the Company without Cause, (ii) executive resigns from the employment of the Company and executive has good reason to resign from the Company, (iii) the executive dies or becomes disabled, or (iv) because of a change of control of the Company. No amounts will be

payable under this Agreement unless Executive's employment with the Company is terminated as described in the preceding sentence. If executive's employment is terminated in accordance with the above, the executive will be entitled to receive the following payments and benefits from the Company, subject to the terms and conditions of the severance agreements:

27

- Payment of any accrued but unpaid salary from the Company through the date that employment terminates;
- Payment of any bonus that has been approved by the Compensation Committee of the Board but which remains unpaid as of termination of employment;
- Reimbursement for any expenses that the executive incurred on behalf of the Company prior to termination of employment to the extent that such expenses are reimbursable under the Company's standard reimbursement policies;
- Payment for the cost of continued health plan coverage for the executive and his qualified beneficiaries through the term of the agreement;
- Payment for any benefits or payments that the executive is entitled to receive under any employee benefit plans or other arrangements or agreements that cover executive;
- Nonvested phantom shares or restricted stock, stock options and other stock-based awards will become automatically vested on the date of the executive's termination of employment;
- Indemnification if certain liabilities are incurred by the executive pursuant to Internal Revenue Code Section 4999; and
 - A severance benefit equal to the amount described in either (i) or (ii) below, as applicable:
 - (i) If the Company terminates the executive's employment without Cause within six months before or after a change of control or the executive resigns from the Company within six months after a change of control with Good Reason, the executive will receive a severance benefit equal to three times his "current cash compensation," which shall be equal to one year of the executive's annual base salary from the Company as in effect on the date the executive's employment terminates and the average of the annual cash bonuses, excluding extraordinary bonuses, paid to the executive for the Company's two fiscal years ending before the date the executive's employment with the Company terminates; or
 - (ii) If the Company terminates the executive's employment without cause or the executive resigns from the Company with Good Reason, in each case not in connection with a change in control, or if the executive dies or becomes disabled, the severance benefit payable is equal to the executive's current cash compensation multiplied by the quotient of (a) the number of days remaining in the term of the agreement and (b) 365.

The following table presents the potential post-employment payments our named executive officers would be entitled under their severance agreements and assumes that the triggering event took place on December 31, 2015.

The initial term of the management agreement expired on February 20, 2016, at which time it was automatically renewed for an additional one year term.
