AMERICAN CAPITAL HOLDINGS, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
SIX MONTHS ENDED NOVEMBER 30, 2004

NOTE A - NATURE OF OPERATIONS

American Capital Holdings, Inc. (the "Company") was incorporated in the State of Florida on January 27, 1999 as U S Amateur Sports Company, a wholly owned subsidiary of eCom eCom.com, Inc. ("eCom") which trades on the OTC/Bulletin Board under the symbol 'ECEC.' On March 19, 2003, the Company changed its name to USA SportsNet Company, and on December 12, 2003 changed its name to American Capital Holdings, Inc. in connection with its spin off by eCom and its acquisition of certain assets of a company formerly known as American Capital Holdings, Inc. (now known as ACHI, Inc.) The Company's main office is located at 100 Village Square Crossing, Suite 202, Palm Beach Gardens, Florida 33410, and the telephone number is (561) 207-6395.

IS Direct Agency, Inc. ("ISDA"), a wholly owned subsidiary of the Company, was incorporated in the State of Florida on May 20, 2004. On May 21, 2004 ISDA acquired the assets of IS Direct Agency, Inc., a New York Corporation. ISDA provides internet based term life insurance quotes.

While a wholly owned subsidiary of eCom, the Company developed an e-commerce Internet infrastructure. This product provided an affordable, user-friendly technological platform and professional resources to facilitate web business development. It also operated an on-line business as a test model using Company developed e-commerce concepts to sell sports products.

THE SPIN-OFF. The Company was one of ten wholly owned subsidiaries of eCom, with varying business plans. In recent years, eCom concluded that it did not have the financial resources necessary to develop all of its ten business units collectively. eCom decided to spin off its subsidiaries into independent companies in the belief that independent companies, each with a distinct business, would be better able to obtain necessary funding and develop their business plans. This belief was based in part on eCom's experience with potential business partners which sought involvement with only one of eCom's subsidiaries, rather than involvement with the multi-faceted eCom.

On December 1, 2003, the Board of Directors of eCom approved the spin-off of the Company. They voted to issue to the shareholders of eCom one share of the Company for every one share of eCom owned as of the record date of January 5, 2004. Fractional shares will be purchased by the Company. No payment was

Edgar Filing: AMERICAN CAPITAL HOLDINGS INC - Form 10QSB/A

required of the eCom shareholders.

ACQUISITION FROM AMERICAN CAPITAL HOLDINGS. After the spin off of the Company was completed, the Company was presented with an opportunity to acquire certain assets of American Capital Holdings, Inc. (now known as, and referred to hereafter as ACHI). On January 12, 2004, the Company entered into an Asset Purchase Agreement with ACHI whereby the Company acquired certain assets, and assume certain liabilities of ACHI in return for the issuance of common stock of the Company in an amount equal to 84.1% of the total ownership of the Company. In order to accomplish this transaction, the Company effected a 20 to 1 reverse stock split, which reduced its outstanding stock to 2,497,756 shares, and agreed

to issue to ACHI 49,955,112 shares. ACHI agreed to accept the issuance of 13,561,804 shares at closing, and assigned its right to receive the 13,561,804 shares to its principle, Barney A. Richmond, now the President of the Company. The remaining 36,393,308 shares were reserved for issuance by the Company in connection with future acquisitions and financings. The Company then changed its name to American Capital Holdings, Inc., and ACHI changed its name to ACHI, Inc. Of the 36,393,308 shares reserved for future issuance, 2,162,099 shares have now been issued to the shareholders of Spaulding Ventures, LLC, in replacement of shares of ACHI to be issued to Spaulding in connection with a prior acquisition of assets by ACHI from Spaulding.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation, Use of Estimates

The Company maintains its accounts on the accrual basis of accounting. The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition

Revenue and dividends from investments are recognized at the time the investment dividends are declared payable by the underlying investment. Capital gains and losses are recorded on the date of sale of the investment.

Cash

Allowance for Doubtful Accounts

It is the policy of management to review the outstanding accounts receivable at year end, as well as the bad debt write-offs experienced in the past, and establish an allowance for doubtful accounts for uncollectible amounts.

Depreciation

Property and equipment are recorded at cost and depreciated over the estimated useful lives of the related assets. Depreciation is computed using the straight-line method.

Edgar Filing: AMERICAN CAPITAL HOLDINGS INC - Form 10QSB/A

Amortization

The accounting for a recognized intangible asset acquired after June 30, 2001 is based on its useful life to the Company. If an intangible asset has a finite life, but the precise length of that life is not known, that intangible asset shall be amortized over management's best estimate of its useful life. An intangible asset with a indefinite useful life is not amortized. The useful

American Capital Holdings, Inc. owns approximately 90% of the outstanding common shares of Air Media Now, Inc. Management determined that the fair value of the common stock of Air Media Now, Inc., which is traded on the pink sheets, was \$1,239,874 (\$0.02 x 53,910,922 shares) at November 30, 2004 and, therefore, recognized the ownership of this common stock as a marketable security and available for sale. NOTE Q - RECENT ACCOUNTING PRONOUNCEMENTS

The FASB issued SFAS No. 143, Accounting for Asset Retirement Obligations with an effective date for financial statements issued for fiscal years beginning after June 15, 2002. The statement addresses financial accounting and reporting for obligations related with the retirement of tangible long-lived assets and the costs associated with asset retirement. The statement requires the recognition of retirement obligations which will, therefore, generally increase liabilities; retirement costs will be added to the carrying value of long-lived assets, therefore, assets will be increased; and depreciation and accretion expense will be higher in the later years of an assets life than in earlier years. The Company adopted SFAS No. 143 at January 1, 2002. The adoption of SFAS No. 143 had no impact on the Company's operating results or financial positions.

The FASB also issued SFAS No. 144, Accounting for the Impairment or Disposal of Long-Lived Assets and is effective for financial statements issued for fiscal years beginning January 1, 2002. This statement addresses financial accounting and reporting for the impairment or the disposal of long-lived asset. An impairment loss is recognized if the carrying amount of a long-

lived group exceeds the sum of the undiscounted cash flow expected to result from the use and eventual disposition of the asset group. Long-lived assets should be tested at least annually or whenever changes in circumstances indicate that its carrying amount may not be recoverable. This statement does not apply to goodwill and intangible assets that are not amortized. The Company adapted SFAS No. 144 in the first quarter of 2002. The adoption of SFAS No. 144 had no impact on the Company's operating results or financial position.

In April 2002, the FASB issued SFAS No. 145, "Rescission of the FASB Statements No. 4, 44 and 64, Amendment of FASB Statement No. 13, and Technical Corrections" ("SFAS No. 145"). SFAS No. 145 eliminates the requirement to classify gains and losses from the extinguishment of indebtedness as extraordinary, requires certain lease modifications to be treated the same as a sale-leaseback transaction, and makes other non-substantive technical corrections to existing pronouncements. SFAS No. 145 is effective for fiscal years beginning after May 15, 2002. SFAS No. 145 was adopted on June 1, 2003 and did not have a material effect on the Company's financial position or results of operations.

The FASB issued SFAS No. 150, "Accounting for Certain Financial Instruments with Characteristics of both Liabilities and Equity" and is effective for financial instruments entered into after May 31, 2003. This Statement

Edgar Filing: AMERICAN CAPITAL HOLDINGS INC - Form 10QSB/A

establishes standards for how an issuer classifies and measures in its statement of financial position certain financial instruments with characteristics of both liabilities and equity. It requires that an issuer classify a financial instrument that is within its scope as a liability because that financial instrument embodies an obligation of the issuer. The Company has adopted SFAS No. 150 and the adoption has had no impact on the Company's operating results or financial position.

Goodwill and intangible assets acquired prior to July 1, 2001 will continue to be amortized and tested for impairment in accordance with pre- SFAS No. 142 requirements until adoption of SFAS No. 142. Under the provision of SFAS No.142, intangible assets with definite useful lives will be amortized to their estimated residual values over those estimated useful lives in proportion to the economic benefits consumed. Such intangible assets remain subject to the impairment provisions of SFAS No. 121. Intangible assets with indefinite useful lives will be tested for impairment annually in lieu of being amortized. The impact of adopting SFAS Nos. 141 and 142 will not cause a material change in the Company's consolidated financial statements as of the date of this report.

HISTORY AND BUSINESS STRATEGY

History

The Company was incorporated in the State of Florida on January 25, 1999 as US Amateur Sports Company, a wholly-owned subsidiary of eCom eCom.com, Inc. ("eCom") which trades on the OTC/Pink Sheets under the symbol 'ECEC.' On March 24, 2003, the Company changed its name to USA SportsNet, Inc., and recently changed its name to American Capital Holdings, Inc. in connection with its spin-off by eCom and its acquisition of certain assets of a company formerly known as American Capital Holdings, Inc. (now known as ACHI, Inc.) The Company's main office is located at 100 Village Square Crossings, Suite 202, Palm Beach Gardens, Florida 33410, and the telephone number is (561) 207-6395.

While a wholly-owned subsidiary of eCom, the Company developed an e-commerce Internet infrastructure. This product provided an affordable, user-friendly technological platform and professional resources to facilitate web business development. It also operated an on-line business as a test model, using Company developed e-commerce concepts to sell sports products.

The Company was one of ten wholly-owned subsidiaries of eCom, with varying business plans. In recent years, eCom concluded that it did not have the financial resources necessary to develop all of its ten business units collectively. eCom decided to spin off its subsidiaries into independent companies in the belief that independent companies, each with a distinct business, would be better able to obtain necessary funding and develop their business plans. This belief was based in part on eCom's experience with potential business partners which sought involvement with only one of eCom's subsidiaries, rather than involvement with the multi-faceted eCom.

Edgar Filing: AMERICAN CAPITAL HOLDINGS INC - Form 10QSB/A

On December 1, 2003, the Board of Directors of eCom approved the spin-off of the Company. They voted to issue to the shareholders of eCom one share of the Company for every one share of eCom owned as of the record date of January 5, 2004. Fractional shares will be purchased by the Company. No payment was required of the eCom shareholders.

After the spin-off of the Company was completed, the Company was presented with an opportunity to acquire certain assets of American Capital Holdings, Inc. (now known as, and referred to hereafter as ACHI) On January 12, 2004, the Company entered into an Asset Purchase Agreement with ACHI whereby the Company acquired certain assets of ACHI in return for the issuance of common stock of the Company in an amount equal to 84.1% of the total ownership of the Company. In order to accomplish this transaction, the Company effected a 20-to-1 reverse stock split, which reduced its outstanding stock to 2,497,756 shares, and issued to ACHI 13,226,147 shares. The Company then changed its name to American Capital Holdings, Inc., and ACHI changed its name to ACHI, Inc.

In addition, the Company agreed to reserve 25,000,000 of its authorized, but unissued shares, for issuance pursuant to a public offering, and to issue 2,162,099 shares to Spaulding Ventures, LLC, or its shareholders, in replacement of the shares of ACHI issued or to be issued to Spaulding in connection with a prior acquisition of assets by ACHI from Spaulding (see "Acquisition of Spaulding"). The proceeds of the public offering are to be used to acquire additional interests in some of the companies in which the Company currently holds an ownership interest, to provide capital to those companies, and to acquire interests in other businesses of interest to the Company, which have not yet been identified.

The assets acquired from ACHI consist primarily of approximately \$10.8 million of investment interests in ten developing companies (described below), approximately \$5.3 million of restricted securities, approximately \$233,000 of marketable securities, approximately \$100,000 in cash, and proprietary investment programs known as Energy Tax Incentive Preferred Securities ("ETIPS") and Guaranteed Principal Insured Convertible Securities ("GPICS") which ACHI had developed and specifically designed to facilitate investment in oil and gas exploration in the United States, and in developing companies. See the American Capital Holdings balance sheet included in the Financial Statements section of this report.

On December 30, 2003, prior to the Company's acquisition from ACHI, ACHI entered into a letter agreement with Spaulding Ventures, LLC, pursuant to which ACHI agreed to acquire all of Spaulding's assets in return for 2,162,099 shares of ACHI common stock, plus warrants to purchase a total of 216,210 additional shares of ACHI common stock at a purchase price of \$6.00 per share. As part of its acquisition from ACHI of the assets ACHI acquired from Spaulding, the Company has agreed to replace the shares and warrants issued by ACHI with shares and warrants of the Company. In order to facilitate the distribution of these securities by Spaulding to its shareholders, the Company intends file a Registration Statement with the Securities and Exchange Commission registering the distribution to Spaulding's shareholders of both the acquisition shares and the shares to be issued upon exercise of the warrants.

The assets acquired by ACHI from Spaulding, and subsequently acquired by the Company from ACHI, consist primarily of equity ownership positions in the

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATION (CONTINUED)

Business Strategy

Our primary business is insurance and insurance-related financial products. In addition to traditional offerings such as life insurance, health insurance, and annuities, we will offer financial strategies which utilize insurance as a part of their structure. American Capital Holdings, Inc. owns the patent and the trademarks for five proprietary products:

GPICS -- Guaranteed Principle Insured Convertible Securities

ETIPS -- Energy Tax Incentive Preferred Securities

ETICS -- Equipment Tax Incentive Convertible Securities

GPACS -- Guaranteed Pension Accounting Contract Solutions

GPACS -- Government Pension Accounting Contract Solution

Our GPACS(TM) products, which refers to both the Guaranteed Pension Accounting Contract Solutions product and the Government Pension Accounting Contract Solutions product, relate to a business method of adjusting the balance sheet of a business or governmental organization. Recently, the Governmental Accounting Standards Board issued Statement 45, which requires government employers to account for other post-employment benefits ("OPEB") as a liability on the balance sheet. This new requirement is likely to adversely affect the perceived financial health of the organization. The GPACS (TM) products relate to a method devised to address this issue, particularly to a system for organizing the unfunded obligations of the organization so that the liability for those obligations on the balance sheet is offset by an asset. By purchasing whole and term life insurance products for a pool of employees, with the employer as the beneficiary, and utilizing the tax benefits of mandatory participation in a tax-qualified retirement plan, an employer can realize various financial benefits, as described in greater detail below.

We intend to use the insurance products of our subsidiaries to reduce currently unfunded government and private sector pension plan liability, addressing the needs of governmental and private sector businesses regarding unfunded pension liabilities and other post-employment benefit ("OPEB") liabilities. The product provides a systematic investing capability to enhance the profitability of the organization via investment income, and improved treatment of tax obligations via qualified plans which exempt OPEB income from Federal Income tax. The restructuring of the balance sheet in such a manner can generate favorable

Edgar Filing: AMERICAN CAPITAL HOLDINGS INC - Form 10QSB/A

financial implications such as improved borrowing scenarios, reduction in the cost of insurance coverage, and increases in the value of outstanding or newly-issued bonds. We intend to collect premiums and commissions on the insurance products sold as a part of the investment structure, and also collect a consulting fee for the product itself. Until our pending acquisition of Universe Life is completed, and it is capitalized sufficiently to obtain the insurance licenses needed to underwrite our products, we will use the services of third-party insurance carriers in connection with any sales of our products.

23

AMERICAN CAPITAL HOLDINGS, INC.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATION (CONTINUED)

American Capital Holdings, Inc. plans to utilize the existing sales and marketing divisions of IS Direct Agency, Inc. to target the municipalities and school boards in the states in which the subsidiaries are licensed to do business. IS Direct Agency will not be involved in the sale of any financial products that are, or involve the sale of, securities.

Our GPICS(TM), ETIPS(TM) and ETICS(TM) products are investment structures designed to maximize the benefit of energy and equipment tax incentives, in order to facilitate investment in energy-related and other business enterprises.

An essential feature of these products is a guarantee of the principal invested, as a result of the structuring of the investment. When and if these products are utilized, when applicable, they will require separate SEC registration statements and/or insurance product approvals in the states in which the products are utilized. The sale of these products generates consulting revenue from the strategic planning provided by the Company.

Our plan of operation includes the underwriting of the insurance aspects of our products through our subsidiaries. Pending approvals of our above described proposed acquisition of Universe Life, we will use third party insurance carriers. However, upon completing the acquisition, which is expected in due course, we will retain as much premium and commission money as possible within our subsidiaries. We expect to be able to support operating expenses with operating revenues beginning in 2006.

SUBSIDIARIES

IS Direct Agency, Inc.

IS Direct Agency, Inc. ("ISDA") was incorporated in the State of Florida on May 20, 2004. On May 21, 2004 ISDA acquired the assets of IS Direct Agency, Inc., a New York Corporation. On May 21, 2004 an asset purchase agreement was executed between American Capital Holdings and ISDA. ISDA is currently licensed in 43 states, but expects to obtain the necessary licenses to operate nationally. Chris Dillon, President of IS Direct, is licensed as an independent agent in 49 states, and in the District of Columbia. In addition to term life, annuities, and other traditional insurance products, IS Direct will offer placement for the insurance components of our proprietary products. We anticipate most of the insurance products sold by ISDA to be underwritten by Universe. We also intend to sell the products of other licensed insurance carriers through ISDA. Although ISDA currently sells primarily term insurance products, the acquisition of Universe is expected to broaden the scope of its offerings. IS Direct Agency will not be involved in the sale of any financial products that are, or involve the sale of, securities.

Universe Life Insurance Company

Edgar Filing: AMERICAN CAPITAL HOLDINGS INC - Form 10QSB/A

Universe is a wholly-owned subsidiary of The Company, pending change-of-control approval by the Insurance Commission of the State of Idaho. Universe is a life, health, and annuities insurance carrier currently licensed in 43 states. Universe is in the process of obtaining licenses to operate in the remaining 7 states. We expect Universe to be domiciled in the state of South Carolina, with principle offices in Charleston. 24

Cosmopolitan Life Insurance Company

On October 30, 2004, we entered into an agreement to purchase one-hundred (100%) percent of the voting shares of Cosmopolitan Life for \$500,000 and a surplus note in the amount of \$250,000. We expected to close our acquisition of Cosmopolitan Life by August 2005, upon regulatory approval by the Arkansas Department of Insurance, but have retracted our Form A submission and terminated our acquisition agreement due to the outcome of our due diligence investigation.

PROPRIETARY PRODUCTS

Our GPICS(TM), ETIPS(TM), and ETICS(TM) products are investment structures designed to utilize and maximize energy and equipment tax incentives, while encouraging investment in oil and gas exploration in the United States, and investment in developing companies. These products are characterized by the guarantee of principal due to the structure of the investment. When and if these products are utilized, when applicable, they will require separate SEC registration statements and/or insurance product approvals in the states in which the products are utilized.

Our GPACS(TM) product was created in response to General Accounting Standards Board Statement 45 ("GASB 45"), which requires state and local governments to account for and report the annual cost of other post-employment benefits (referred to hereafter as "OPEB"), in essentially the same manner in which they are required to account for pension obligations. This creates a liability on the balance sheet which often can misrepresent an entity's financial health in an adverse manner. Our product is designed to structure an investment that offsets the liability with an asset, and additionally, provides investment income and a tax benefit when coupled with the proper treatment of employee's accrued income (part of OPEB.)

Management's plan of operation consists of selling our proprietary products to government and private sector customers for whom the product provides maximum utility, and underwriting the insurance element of the product through our wholly-owned subsidiaries. We intend to use third-party insurance carriers, but intend to retain commissions and premium payments within our subsidiaries.

We intend to use the financial products of our subsidiaries to address the needs of governmental and private sector businesses regarding unfunded pension liabilities and other post-employment benefit ("OPEB") liabilities. We also plan to sell annuities and other insurance products, through our subsidiaries, to both the public and private sectors. We also intend to invest and/or sell our proprietary ETIPS(TM) and ETICS(TM) products in the public marketplace.

Our GPACS(TM) products, which refers to both the Guaranteed Pension Accounting Contract Solutions product and the Government Pension Accounting Contract Solutions product, relate to a business method of adjusting the balance sheet of a business or governmental organization, and particularly to a system for organizing the unfunded obligations of the organization so that the liability on the balance sheet becomes offset by an asset. The product also

AMERICAN CAPITAL HOLDINGS, INC.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATION (CONTINUED)

GPACS was created in response to the General Accounting Standards Board ("GASB") Statement 45, which generally requires state and local governmental employers to account for and report the annual cost of OPEB and the outstanding obligations and commitments related to OPEB in essentially the same manner as currently required pension obligations. Annual OPEB costs for most employers will be based on actuarially determined amounts that, if paid on an ongoing basis, generally would provide sufficient resources to pay benefits as they come due. The provisions of Statement 45 do not require governments to fund their OPEB plans. An employer may establish its OPEB liability at zero as of the beginning of the initial year of implementation. However, the unfunded actuarial liability is required to be amortized over future periods. Statement 45 is effective for periods beginning after December 15, 2006, 2007, or 2008, depending on the size of the government entity based on annual revenues used for GASB 34 implementation requirements.

In May of 2004, the GASB issued a corresponding "plan" statement, Statement 43 - Financial Reporting for Post-Employment Benefit Plans Other than Pension Plans. Statement 43 is effective one year prior to Statement 45. This statement requires a statement of plan net assets, statement of changes in plan net assets, schedule of funding progress, and schedule of employer contributions in the stand-alone financial reports of OPEB plans, as well as in the financial statements of governments having OPEB trust funds.

Actuarial services will be required one year earlier if the "plan" Statement 43 is applicable, unless an alternative measurement method is utilized. However, the alternative measurement method is only an option for plans with a total membership of fewer than one hundred. Many OPEB plans are currently paying benefits on a pay-as-you-go basis. If a government does not have an acceptable trust or equivalent arrangement established, actuarial valuations will not be necessary until Statement 45 is effective. Establishing a trust may be an option for funding OPEB benefits; employers should consider the impact of required actuarial services.

Our GPICS(TM), ETIPS(TM), and ETICS(TM) products are each investment structures designed to maximize the benefit of energy and equipment tax incentives, in order to facilitate investment in energy related and other business enterprises. An essential feature of these products is a guarantee of the principal invested, as a result of building an insurance policy into the structure of the investment.

Government Regulation

Life insurance companies are subject to regulation and supervision by the states in which they transact business. State insurance laws establish supervisory agencies with broad regulatory authority, including the power to:

- * grant and revoke licenses to transact business
- * regulate and supervise trade practices and market conduct
- * establish guaranty associations

- * prescribe the form and content of required financial statements and reports
- * determine the reasonableness and adequacy of statutory capital and surplus
- * perform financial, market conduct and other examinations
- * define acceptable accounting principles
- * regulate the type and amount of permitted investments
- * limit the amount of dividends and surplus note payments that can be paid without obtaining regulatory approval.

Our life subsidiaries are subject to periodic examinations by state regulatory authorities. The payment of dividends or the distributions, including surplus note payments, by our life subsidiaries is subject to regulation by each subsidiary's state of domicile's insurance department. In addition, dividends and surplus note payments may be made only out of earned surplus, and all surplus note payments are subject to prior approval by regulatory authorities.

Most states have also enacted regulations on the activities of insurance holding company systems, including acquisitions, extraordinary dividends, the terms of surplus notes, the terms of affiliate transactions and other related matters.

Most states have enacted legislation or adopted administrative regulations affecting the acquisition of control of insurance companies as well as transactions between insurance companies and persons controlling them. The nature and extent of such legislation and regulations currently in effect vary from state to state. However, most states require administrative approval of the direct or indirect acquisition of 10% or more of the outstanding voting securities of an insurance company incorporated in the state. The acquisition of 10% of such securities is generally deemed to be the acquisition of "control" for the purpose of the holding company statutes and requires not only the filing of detailed information concerning the acquiring parties and the plan of acquisition, but also administrative approval prior to the acquisition. In many states, the insurance authority may find that "control" in fact does not exist in circumstances in which a person owns or controls more than 10% of the voting securities.

Federal legislation and administrative policies in several areas, including pension regulation, age and sex discrimination, financial services regulation, securities regulation and federal taxation can significantly affect the insurance business.

State insurance regulators and the NAIC are continually reexamining existing laws and regulations and developing new legislation for the passage by state legislatures and new regulations for adoption by insurance authorities. Proposed laws and regulations or those still under development pertain to insurer solvency and market conduct and in recent years have focused on:

- * insurance company investments
- * risk-based capital ("RBC") guidelines, which consist of regulatory targeted surplus levels based on the relationship of statutory capital and surplus, with prescribed adjustments, to the sum of stated percentages of each element of a specified list of company risk exposures
- * the implementation of non-statutory guidelines and the circumstances under which dividends may be paid
- * product approvals

Unrealized holding losses during the current six month period of \$1,873,994 was the result of a decline in the market value of both the Company's holdings in eCom eCom.com and Air Media Now, Inc. A \$137,737 decline in the eCom market value plus a \$1,736,257 decline in the Air Media Now market value combined for the \$1,873,994 loss the six months ended November 30, 2004.

LIQUIDITY AND CAPITAL RESOURCES

As of November 30, 2004 current assets totaled \$3,200,293 compared to \$3,239,008 at the end of the prior fiscal year. The \$38,715 decrease in total current assets was the result of a decrease in value in our marketable securities.

To the extent that additional funds are required to support operations or to expand our business, we may sell additional equity, issue debt or obtain other credit facilities through financial institutions. Any sale of additional equity securities will result in dilution to our shareholders.

ITEM 3. CONTROLS AND PROCEDURES

As of the end of the period covered by this report, based on an evaluation of the Company's disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934), the Chief Executive and Chief Financial Officer of the Company has concluded that the Company's disclosure controls and procedures are effective at the reasonable assurance level to ensure that information required to be disclosed by the Company in its Exchange Act reports is recorded, processed, summarized and reported within the applicable time periods specified by the SEC's rules and forms.

Edgar Filing: AMERICAN CAPITAL HOLDINGS INC - Form 10QSB/A

There were no changes in the Company's internal controls over financial reporting during the year ended May 31, 2004 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

Conclusions:

Based upon the Controls Evaluation, the CEO/CHAIRMAN and CFO have concluded that, subject to the limitations noted above, the Disclosure Controls are effective to timely alert management to material information relating to the Company during the period when its periodic reports are being prepared. In accordance with SEC requirements, the CEO/CHAIRMAN and CFO note that, since the date of the Controls Evaluation to the date of this Quarterly Report, there have been no significant changes in Internal Controls or in other factors that could significantly affect Internal Controls, including any corrective actions with regard to significant deficiencies and material weaknesses.

PART II. OTHER INFORMATION

ITEM 1. LEGAL PROCEEDINGS.

The Company is not a party to any legal proceedings, except for an Involuntary Bankruptcy Petition filed by the Company, as one of three (3) petitioning creditors, against eCom that is currently pending in the Federal District Court in Broward County, Florida. American Capital Holdings, Inc. is a creditor of eCom and the spin-offs of eCom, and is initiating the bankruptcy proceedings as means to reorganize eCom and the spin-offs of eCom due to failed or failing businesses, and lost shareholder value. In 1999, eCom reached market capitalization of over \$250 million. Since 1999, market capitalization has hit record lows of approximately \$120 thousand, and currently ranges between \$500 thousand and \$1 million. The bankruptcy filing will allow the Company to reorganize and/or divest their interest in order to pursue profitable strategies as a means of restoring lost shareholder value.

On May 16, 2005, eCom and its creditors attended the first status conference in the United States Bankruptcy Court - Southern District of Florida (In Re: Case No. 04-34535 BKC-SHF) in front of the Honorable Judge Steven Friedman. An order was granted to the petitioning creditors adjudicating eCom as a debtor under Chapter 11, Title 11 of the United States Bankruptcy Code. The Order included specific instructions for eCom to retain bankruptcy counsel by June 4, 2005.

ITEM 1. LEGAL PROCEEDINGS (CONTINUED)

On June 3, 2005, eCom, through a \$100,000 Debtor In Possession Financing Agreement with American Capital Holdings, Inc., entered into an engagement agreement to retain the legal services of Kluger, Peretz, Kaplan & Berlin to represent the Company in its aforementioned reorganization plans. Both of the financing and legal representation agreements were ordered by the Bankruptcy Court at a hearing which took place June 6, 2005.

On June 6, 2005, a second bankruptcy status conference was held in front of the Honorable Judge Steven Friedman. Two (2) motions were heard with resulting court approval. One was an Court Order for eCom to retain the legal services of Kluger, Peretz, Kaplan & Berlin P.L. The second Court Order was the approval of Barney A. Richmond as the new Chief Executive Officer of eCom eCom.com, Inc. Mr. Richmond has significant experience in corporate and bankruptcy reorganizations. Judge Friedman's court order included instructions for Mr. Richmond and Kluger Peretz to commence with the preparation a viable plan of

Edgar Filing: AMERICAN CAPITAL HOLDINGS INC - Form 10QSB/A

reorganization for eCom eCom.com, Inc. and all of the spinoff companies of eCom. This process is significantly underway, and includes the completion of the May 31, 2005 audits and Form 10-K filings, and preparation of the Form 10-SBs for the spinoff companies. Section 1145 of the United States Bankruptcy Code provides certain exemptions from the securities registration requirements of federal and state securities laws with respect to equity securities issued for allowed claims under a qualified reorganization plan. The Debtor and spinoff companies plan to implement a plan of reorganization and utilize this exemption, which was discussed during the aforementioned June 6, 2005 Court Hearing.

On July 25, 2005, a third bankruptcy hearing was held in front of the Honorable Judge Steven Friedman, during which two (2) orders were granted by the court. The first order granted the Debtor permission to obtain post-petition financing in the amount of \$100,000 from American Capital Holdings, Inc. on the terms and conditions set forth in the motion. The second order granted authorization for the Debtor-in-Possession to (I) Provide Electronic Service Upon Equity Security Holders and (II) Utilize Executive Mail Service for Purposes of Coordinating and Effectuating Service Upon Equity Security Holders.

Electronic copies of the May 16, June 6, and July 25 2005 court transcripts are available on the eCom website, www.ecomecom.net.
