Item 1.01 Entry into a Material Definitive Agreement.

On July 19, 2006, Smucker Foods of Canada Co. (the "Seller"), a subsidiary of The J.M. Smucker Company (the "Registrant"), entered into an Asset Purchase Agreement (the "Agreement") with Horizon Milling G.P. (the "Buyer"). Pursuant to the Agreement, the Seller has agreed to sell, and the Buyer has agreed to purchase, certain assets relating to the Registrant's Canadian grain-based foodservice and industrial businesses.

The purchase price, subject to certain post-closing adjustments provided for in the Agreement, is Eighty One Million Canadian Dollars (\$81,000,000 CDN), plus an amount determined by reference to the estimated closing inventory less certain amounts allocated for capital improvements and certain accruals arising in the ordinary course of business and outstanding on the closing date. The Agreement provides for the adjustment of the purchase price based on the final closing inventory amount following the closing of the transaction.

The Agreement contains customary representations and warranties, covenants and indemnification provisions. The Agreement also provides for certain other arrangements between the parties and/or their designees that will be effective as of the closing, including: a license agreement relating to the formulas used by Seller in the business to be sold; a supply agreement, whereby the Buyer will supply to Seller all of Seller's requirements of Canadian grain-based retail products; an operating agreement relating to Seller's cake mix plant in Montreal, Canada; and a license agreement relating to certain trademarks used in the business to be sold.

The Agreement contains certain conditions to closing, which include, without limitation, the receipt of certain consents and approvals, including approval under the Competition Act (Canada) as described in the Agreement. If any of the conditions to closing are not satisfied by November 15, 2006, or if satisfaction of any of the closing conditions by that date becomes impossible, Seller or Buyer may have the right to terminate the Agreement. The Registrant cannot predict with certainty whether or when the closing conditions will be satisfied or whether or when the transactions contemplated by the Agreement will be consummated.

In addition to the relationships arising out of the Agreement and in the ordinary course of business, Cargill, an affiliate of Buyer, supplies certain raw materials to the Registrant and/or its affiliates and both parties provide certain processing services to each other.

Item 7.01 Regulation FD Disclosure.

On July 20, 2006, the Registrant issued a press release announcing its entry into the Agreement. A copy of the press release is being furnished as Exhibit 99.1 to this current report.
