**Item 1.01 Entry into a Material Definitive Agreement.**

On March 27, 2007, at a meeting of the Board of Directors (the "Board") of Golfsmith International Holdings, Inc. (the "Company"), the Board approved the modification of the Non-Employee Director Compensation Plan (the "Non-Employee Director Compensation Plan"). The modification of the Non-Employee Director Compensation Plan will be effective on April 2, 2007 and accommodates the election of Martin Hanaka to the Board, as the non-executive Chairman of the Board, and provides that the non-executive Chairman of the Board shall receive an annual retainer in the amount of \$135,000 for his services and attendance at meetings of the Board. Additionally, the modification of the Non-Employee Director Compensation Plan provides that the non-executive Chairman of the Board shall receive an annual grant of deferred stock units ("DSUs") in the amount of \$100,000 to be issued following the Company's annual meeting.

At its March 27, 2007 meeting, the Board also resolved to grant Mr. Hanaka DSUs in the amount of \$16,666 (1/6 of \$100,000) on April 2, 2007, based on the closing price of the Company's common stock on April 2, 2007, in connection with Mr. Hanaka's election to the Board and appointment as non-executive Chairman of the Board.

**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

At its March 27, 2007 meeting, the Board resolved, effective April 2, 2007, to increase the number of directors that constitutes the full Board from ten (10) to eleven (11), to elect Martin Hanaka to fill the vacancy created by such increase, and to select and appoint Mr. Hanaka to serve as non-executive chairman of the Board.

**Item 9.01 Financial Statements and Exhibits.**

Exhibit 99.1 to this Form 8-K contains the audited consolidated balance sheet for the year ended December 30, 2006 which amends and supersedes the unaudited balance sheet included in our press release and Form 8-K filed on March 13, 2006. The sole difference pertains to \$7.5 million of additional inventory that was recorded as an increase to both inventory and accounts payable on our consolidated balance sheet at December 30, 2006. This adjustment was made in connection with finalizing the audit of our consolidated financial statements and related to inventory that was in transit at the end of the fiscal year.
