## **Dynagas LNG Partners LP Announces Underwriters Exercise of Option to Purchase Additional Common Units and Closing of Public Offering**

ATHENS, Greece June 18, 2014 - Dynagas LNG Partners LP ( Dynagas Partners ) (NASDAQ: DLNG) announced today that, in connection with its previously announced underwritten public offering of 4,800,000 common units representing limited partner interests at \$22.79 per common unit, the underwriters exercised in full the option granted to them by Dynagas Partners and purchased an additional 720,000 common units on the same terms on which the 4,800,000 common units were sold to the underwriters. The Company also announced that the closing of the public offering and the closing of the option to purchase additional common units took place simultaneously today. As previously announced, Dynagas Partners intends to use the net proceeds from the public offering of 5,520,000 common units to fund a portion of the purchase price of its previously announced acquisition of the ownership interests in the company that owns the 2013 built ice class liquefied natural gas carrier *Arctic Aurora* from Dynagas Holding Ltd., Dynagas Partners sponsor (the Acquisition ). Dynagas Partners intends to fund the balance of the purchase with a new \$340 million senior secured revolving credit facility which Dynagas Partners plans to enter prior to the closing of the Acquisition. The new \$340 million senior secured revolving credit facility will also be used to refinance \$214.1 million currently outstanding under Dynagas Partners existing senior secured revolving credit facility. In the event that the Acquisition is not consummated, the net proceeds from this offering will be used for general partnership purposes.

Credit Suisse, BofA Merrill Lynch, Morgan Stanley, Deutsche Bank Securities and Barclays are acting as joint book-running managers for the offering, and ABN AMRO and DNB Markets are acting as co-managers for this offering.

### **About Dynagas LNG Partners LP**

Dynagas Partners was formed on May 30, 2013 by Dynagas Holding Ltd. to own, operate and acquire liquefied natural gas (LNG) carriers initially employed on multi-year charters. The initial fleet of Dynagas Partners consists of three LNG carriers, each of which has a carrying capacity of approximately 150,000 cbm and which are employed on multi-year charters.

### **Forward-Looking Statement**

This press release contains forward-looking statements. Statements that are predictive in nature, that depend upon or refer to future events or conditions, or that include words such as expects, anticipates, intends, plans, believes, estimates, projects, forecasts, may, should and similar expressions are forward-looking statements. The forward-looking statements in this press release are based upon various assumptions, many of which are based, in turn, upon further assumptions, including without limitation, our management's examination of historical operating trends, data contained in our records and other data available from third parties. Although we believe that these assumptions were reasonable when made, because these assumptions are inherently subject to significant uncertainties and contingencies which are difficult or impossible to predict and are beyond our control, we cannot assure you that we will achieve or accomplish these expectations, beliefs or projections. These forward-looking statements, which include, among other things, the entry into the proposed senior secured credit facility, involve risks and uncertainties that could cause the outcome to be materially different, including Dynagas Partners not completing the Acquisition. Please see our filings with the Securities and Exchange Commission for a more complete discussion of these and other risks and uncertainties.
