stock, each voting separately as a class. The Company also announced that holders of its Class B common stock have approved an amendment to the Company's certificate of incorporation that is intended to enhance the ability of the board of directors to take actions in the longer term interests of the Company and its shareholders.

As previously announced, on September 19, 2005, Mason Capital, Ltd. brought a lawsuit in federal district court in Hartford, Connecticut against the Company and members of the Kaman family seeking, among other relief, to enjoin the proposed recapitalization unless and until the proposed recapitalization is approved by two "super-majority votes," one vote of 80% of the holders of the Company's Class B common stock, and a second, separate vote of two-thirds of the disinterested holders of the Company's Class B common stock. A hearing on the issues was held on October 7, 2005 and further submissions to the Court are due by Monday, October 17, 2005.

The Company has agreed to wait to close the recapitalization until the Court issues a decision in the matter and the other certificate of incorporation amendment proposal will not be implemented unless and until the recapitalization is effected.

A copy of the press release is attached hereto as Exhibit 99.1 and incorporated herein by reference.

Further detail on the proposed recapitalization and recapitalization agreement can be found in the recapitalization agreement, which was filed as Exhibit 2.1 to a Form 8-K filed by the Company on June 8, 2005, the proxy statement, which was filed on September 2, 2005 and mailed to shareholders shortly thereafter and the prospectus supplement, which was filed on September 30, 2005 and mailed to shareholders shortly thereafter.
