On September 13, 2012, CEMEX, S.A.B. de C.V. (“CEMEX”) informed the Mexican Stock Exchange (Bolsa Mexicana de Valores) that Assiut Cement Company (“ACC”), through local media in Egypt, learned about a preliminary non-enforceable decision against ACC made by a court of first instance in Assiut, Egypt, regarding the annulment of a Share Purchase Agreement signed in November 1999 between CEMEX and state-owned Metallurgical Industries Company pursuant to which CEMEX acquired a controlling interest in ACC.

The decision is preliminary and non-enforceable, but in any case, ACC will in due course appeal the Assiut Court's decision, and, if required, use any other legal resources it has available to protect its rights.

ACC continues to operate normally, offering quality building materials and services to its customers in Egypt.

Since 1999, ACC has expanded production capacity; improved its efficiency, environmental and safety practices; and has contributed to the economic development of Egypt by employing over 3,000 people in its facilities, and having a positive impact in many thousands more through local cement retail businesses, transportation companies, and many other local suppliers that participate in the buildings materials industry.
