May 17, 2018

Fellow Stockholders:

This proxy statement (the “Proxy Statement”) is furnished in connection with the solicitation by the Board of Directors of Enservco Corporation (“Enservco” or the “Company”) of proxies to be used at the Annual Meeting of Stockholders (the “Meeting”) to be held at 501 South Cherry Street, Suite 100, Denver, Colorado 80246 on June 26, 2018, at 2:00 p.m. local time, and at any adjournments or postponements thereof. The Meeting is being held for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders.

This Proxy Statement (including the Notice of Annual Meeting of Stockholders) is first being made available to stockholders beginning on or before May 17, 2018. The Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2017, including financial statements (“Annual Report”), was filed with the Securities and Exchange Commission (the “SEC”) on March 22, 2018 and Amendment No. 1 to this Form 10-K was filed on April 30, 2018. This Proxy Statement and the Annual Report are collectively referred to herein as the “Meeting Materials.”

INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Notice and Access Model

We are making the Meeting Materials available to stockholders on the Internet under the SEC's Notice and Access model. On or before May 17, 2018, we will mail to all stockholders a Notice of Internet Availability of Proxy Materials (the "Notice") in lieu of mailing a full printed set of the Meeting Materials. Accordingly, our Meeting Materials are first being made available to our stockholders on the Internet at www.edocumentview.com/ENSV, on or before May 17, 2018. The Notice includes instructions for accessing the Meeting Materials and voting by mail, telephone or on the Internet. You will also find instructions for requesting a full printed set of the Meeting Materials in the Notice.

We believe the electronic method of delivery under the Notice and Access model will decrease postage and printing expenses, expedite delivery of proxy materials to you and reduce our environmental impact. We encourage you to take advantage of the availability of the proxy materials on the Internet. If you received the Notice but would like to receive a full printed set of the proxy materials in the mail, you may follow the instructions in the Notice for requesting such materials.

Solicitation/Cost of the Meeting

The enclosed proxy is being solicited by the Company's Board of Directors. The costs of the solicitation will be borne by the Company. Proxies may be solicited personally or by mail, telephone, facsimile or email by directors, officers and employees of the Company, none of whom will receive any additional compensation for such solicitations. The Company will reimburse banks, brokers, nominees, custodians and fiduciaries for their reasonable out-of-pocket expenses incurred in sending the proxy materials to beneficial owners of the Company's shares.

Record Date, Voting Rights, and Votes Required

Holders of shares of Enservco common stock (the “Common Stock”) at the close of business on May 7, 2018 (the “Record Date”), are entitled to notice of, and to vote at, the Meeting. As of the Record Date, 51,342,316 shares of Company’s Common Stock were outstanding.

For all Proposals, holders of Common Stock are entitled to one vote per share. Cumulative voting is not permitted in the election of directors or any of the proposals being submitted to the stockholders at the Meeting.

For all Proposals the presence in person or by proxy of the holders of one-third of the votes entitled to be cast as of the Record Date constitute a quorum for the transaction of business at the Meeting. The presence in person or by proxy of the holders of votes entitled to be cast of at least 17,114,106 votes at the Meeting is required for a quorum.

In the event there are not sufficient votes for a quorum or to approve any proposals at the time of the Meeting, the Meeting may be adjourned in order to permit further solicitation of proxies. Abstentions will count towards quorum requirements.

As to the election of directors under Proposal No. 1, the proxy card being provided by the Board enables a stockholder to vote for the election of each of the nominees proposed by the Board, or to withhold authority to vote for one or more of the nominees being proposed. If a quorum is present, Directors are elected by a plurality of votes cast, without respect to either (i) broker non-votes, or (ii) proxies as to which authority to vote for one or more of the other nominees being proposed is withheld.

If a quorum is present, the affirmative vote of a majority of the votes cast on the matter is required to approve Proposal No. 2. As to Proposal No. 2, a stockholder may: (i) vote “FOR” the proposal, (ii) vote “AGAINST” the proposal, or (iii) “ABSTAIN” with respect to the proposal. Abstentions and broker non-votes will not have an effect on this proposal.

Proposal No. 2 is advisory in nature and non-binding on the Company; however, our Board of Directors values the opinions of all of our stockholders and will consider the outcome of this vote when making future decisions on the Company’s independent auditor selection.

Voting

Whether you plan to attend the Meeting or not, we urge you to vote by proxy. All shares represented by valid proxies that we receive by the Meeting through this solicitation, and that are not revoked, will be voted in accordance with your instructions on the proxy card or as instructed via Internet or telephone. Unless contrary instructions are indicated on the proxy, the shares of Common Stock represented by such proxy will be voted “FOR” the slate of directors described herein, and “FOR” Proposal No. 2. Voting by proxy will not affect your right to attend the Meeting. A proxy may be revoked at any time prior to its exercise by (i) providing notice in writing to the Company’s corporate secretary that the proxy is revoked; (ii) presenting to the Company a later-dated proxy; or (iii) by attending the Meeting and voting in person. If you plan to attend the Meeting, please ensure that you have an admission ticket or other authorization from the record holder of your shares.

Registered Holder

If your shares are registered directly in your name through our stock transfer agent, Computershare, Inc. (“Computershare”), or you have stock certificates registered in your name, you may vote:

By Internet or by telephone. Follow the instructions included in the Notice or, if you received printed materials, in the proxy card to vote by Internet or telephone.

By mail. If you received a proxy card by mail, you can vote by mail by completing, signing, dating and returning the proxy card as instructed on the card. If you sign the proxy card but do not specify how you want your shares voted, they will be voted in accordance with the recommendation of our Board of Directors as noted above.

In person at the Meeting. If you attend the Meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the Meeting.

Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day and will close at June 26, 2018 at 1:00 a.m. Central Time.

Beneficial Holder

If your shares are held in “street name” (held in the name of a bank, broker or other holder of record), you will receive instructions from the holder of record. You must follow the instructions of the holder of record in order for your shares to be voted. If your shares are not registered in your own name and you plan to vote your shares in person at the Meeting, you should contact the broker or agent to obtain a legal proxy or broker’s proxy card and bring it with you to the Meeting in order to vote. You will not be able to vote at the Meeting unless you have a proxy card from your broker.

No Dissenters Rights

The proposed corporate actions on which the stockholders are being asked to vote are *not* corporate actions for which stockholders of a Delaware corporation have the right to dissent under the Delaware General Corporation Law (the “DGCL”).

Proposals by Security Holders and Other Matters

No stockholder has requested that we include any additional proposals in this Proxy Statement or otherwise requested that any proposals be submitted to the stockholders at the Meeting. Management and the Board of Directors of the Company know of no other matters to be brought before the Meeting other than as described herein. If any other matters properly are presented to the stockholders for action at the Meeting and any adjournments or postponements thereof, the proxy holder named in the enclosed proxy intends to vote in his discretion on all matters on which the shares of Common Stock represented by such proxy are entitled to vote.

Forward-Looking Statements

This Proxy Statement may contain certain “forward-looking” statements, as defined in Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, in connection with the Private Securities Litigation Reform Act of 1995 that involve risks and uncertainties, as well as assumptions that, if they never materialize or prove incorrect, could cause our results to differ materially and adversely from those expressed or implied by such forward-looking statements.

Such forward-looking statements include statements about our expectations, beliefs or intentions regarding actions contemplated by this Proxy Statement, our potential business, financial condition, results of operations, strategies, or prospects. You can identify forward-looking statements by the fact that these statements do not relate strictly to historical or current matters. Rather, forward-looking statements relate to anticipated or expected events, activities, trends, or results as of the date they are made and are often identified by the use of words such as “anticipate,” “believe,” “continue,” “could,” “estimate,” “expect,” “intend,” “may,” or “will,” and similar expressions or variations. Because forward-looking statements relate to matters that have not yet occurred, these statements are inherently subject to risks and uncertainties that could cause our actual results to differ materially from any future results expressed or implied by the forward-looking statements. Many factors could cause our actual activities or results to differ materially from the activities and results anticipated in forward-looking statements. These factors include those described under the caption “Risk Factors” included in our other filings with the Securities and Exchange Commission (“SEC”), including the disclosures set forth in Item 1A of our Form 10-K for the year ended December 31, 2017. Furthermore, such forward-looking statements speak only as of the date of this Proxy Statement. We undertake no obligation to update any forward-looking statements to reflect events or circumstances occurring after the date of such statements.

Vote Required and Recommendation

Each share will count as one vote cast for the election of directors, and abstentions and broker non-votes will not be counted. To be elected each director must receive a plurality of the votes cast at the Meeting—the six individuals with the most votes will be elected to the Board of Directors. Unless otherwise specified, the enclosed proxy will be voted “FOR” the election of the Board of Directors' slate of nominees. Neither Management nor the Board of Directors of the Company is aware of any reason which would cause any nominee to be unavailable to serve as a Director.

THE BOARD OF DIRECTORS RECOMMENDS YOU VOTE “FOR” THE ELECTION OF MESSRS. BEHRENS, DICKINSON, HAYMONS, HERLIN, JOLLY, AND MURPHY.

PROPOSAL NO. 2
RATIFICATION OF THE APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors has selected the accounting firm of EKS&H LLLP (“EKSH”) to serve as our independent registered public accounting firm for the 2018 fiscal year. We are asking our stockholders to ratify the selection of EKSH as our independent registered public accounting firm. Although ratification is not required by our Bylaws or otherwise, the Board is submitting the selection of EKSH to our stockholders for ratification because we value our stockholders’ views on the Company’s independent registered public accounting firm and as a matter of good corporate practice.

To the Company’s knowledge, a representative from EKSH is expected to be present at the Meeting and will have the opportunity to make a statement if they desire to do so and will be available to respond to questions.

Fees Billed

The following is a summary and description of fees for services provided by EKSH for the years ended December 31, 2017 and 2016.

	2017	2016
Audit fees (1)	\$ 129,000	\$ 135,000
Audit-related fees (2)	17,470	38,000
Tax fees	—	—
All other fees (3)	2,493	9,325
Total	\$ 148,963	\$ 182,325

Audit Fees include professional services for the audit of our annual consolidated financial statements, reviews of the (1) consolidated financial statements included in our Form 10-Q filings, audits of company provided employee benefit plans, and services that are normally provided in connection with statutory and regulatory filings or engagements.

Audit-Related Fees comprise fees for professional services that are reasonably related to the performance of the (2) audit or review of the Company’s consolidated financial statements including review of the consolidated financial statements incurred in conjunction with registration statements.

(3) All other fees include amounts billed for consultation provided to the Company.

Pre-Approval Policies and Procedures

The Audit Committee Charter provides that the Audit Committee is responsible for the appointment, compensation, retention and oversight of the independent public accountants, and pre-approves all audit services and permissible non-audit services to be provided to the Company by the independent public accountants. The Audit Committee may, in its discretion, delegate the authority to pre-approve all audit services and permissible non-audit services to the Chairman of the Audit Committee provided the Chairman reports any delegated pre-approvals to the Audit Committee at the next meeting thereof. The Audit Committee has not, however, adopted any specific policies and procedures for the engagement of non-audit services.

The Audit Committee approved of EKSH performing our audit and all other consultation services provided for the 2016 and 2017 fiscal years as set forth in table above.

Vote Required and Recommendation of Board

Proposal No. 2 requires the affirmative vote of a majority of the votes cast at the Meeting. If our stockholders fail to ratify the selection, it will be considered as a direction to the Board to consider the selection of a different firm. The Board considers EKSH to be well-qualified to serve as the independent auditor for the Company and EKSH has experience since 2010 in doing so. However, even if the selection is ratified, the Board of Directors, in its discretion, may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE RATIFICATION OF EKSH AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS.

CORPORATE GOVERNANCE

The Board is committed to sound and effective governance practices, which help us compete more effectively, sustain our success, and build long-term shareholder value. The Board reviews the Company's governance policies and business strategies, and advises and counsels the executive officers who manage the Company.

Meetings of the Board and Committees; Attendance at the Annual Meeting

The Board of Directors held 4 formal in-person or telephonic meetings during the fiscal year ended December 31, 2017 and acted by unanimous consent 8 times during 2017. The incumbent directors each attended 100% of the board meetings held during 2017. In addition, regular communications were maintained throughout the year among all of the officers and directors of the Company.

Board members are not required to attend the annual stockholder meeting. The Company last held an annual meeting of stockholders on June 21, 2017, and six Board members were in attendance, either in person or telephonically.

Committees of the Board

Audit Committee

The Board of Directors established the Audit Committee on May 29, 2013, in accordance with Section 3(a)(58)(A) of the Exchange Act and then NYSE MKT Rule 803(B) as modified for smaller reporting companies by then NYSE MKT Rule 801(h). The Audit Committee was established to oversee the Company's corporate accounting and financial reporting processes and audits of its financial statements.

The members of our Audit Committee are Messrs. Haymons, Jolly, and Herlin. Mr. Haymons is chairman of the Audit Committee. On May 1, 2017, the Board of Directors determined that Mr. Haymons, Mr. Jolly and Mr. Herlin were independent under SEC Rule 10A-3(b)(1) and NYSE American Rule 802(a). The Board has determined that all current members of the Audit Committee are "financially literate" as interpreted by the Board in its business judgment. No members of the Audit Committee have been qualified as an audit committee financial expert, as defined in the applicable rules of the SEC, because the Board believes that the Company's status as a smaller reporting company does not require expertise beyond financial literacy. The Audit Committee held four meetings during the year ended

December 31, 2017.

The Audit Committee meets quarterly with our independent accountants and management to review the scope and results of the annual audit and to review our financial statements and related reporting matters prior to the submission of the financial statements to the Board. In addition, the committee meets with the independent auditors at least on a quarterly basis to review and discuss the annual audit or quarterly review of our financial statements.

The Audit Committee has reviewed and discussed the audited financial statements appearing in the Company's Annual Report on Form 10-K for the year ended December 31, 2017, with Enservco management. The Audit Committee has discussed with the Company's independent auditors EKSH the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU Section 380), as adopted by the Public Company Accounting Oversight Board (the "PCAOB") in Rule 3200T and has received written disclosures from EKSH required by the applicable requirements of the PCAOB regarding EKSH's independence. The Audit Committee has discussed EKSH's independence with representatives of EKSH. Based on that review and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included with the Company's Form 10-K for the fiscal year ended December 31, 2017.

We have adopted an Audit Committee Charter that deals with the establishment of the Audit Committee and sets out its duties and responsibilities. The Audit Committee reviews and reassesses the adequacy of the Audit Committee Charter on an annual basis. The Audit Committee Charter is available on our Company website at <http://www.enservco.com>.

No Nominating Committee

Enservco has not established a nominating committee. Under the NYSE MKT Rule 804(a), if there is no nominating committee, nominations must be made by a majority of the independent directors. In accordance with this rule, the independent members of the Board of Directors are responsible for identifying and nominating appropriate persons to become members of the Board of Directors, as necessary. In identifying Board candidates, it is the Company's goal to identify persons who it believes have appropriate expertise and experience to contribute to the oversight of the Company, while also reviewing other appropriate factors. Enservco believes that this method of identifying, evaluating, and nominating members to join the Board of Directors is appropriate given Enservco's status as a smaller reporting company.

In order to comply with the NYSE MKT rules, Enservco has adopted a nomination procedure in its Bylaws by which eligible stockholders may nominate a person to the Board of Directors. Such procedure was amended by the Board of Directors on March 16, 2015. That procedure is as follows:

Enservco will consider all recommendations from any person (or group) who holds and has (or collectively if a group have) held more than 5% of Enservco's voting securities for longer than one year. Any stockholder who desires to submit a nomination of a person to stand for election of directors at the next annual or special meeting of the stockholders at which directors are to be elected must submit a notification of the stockholder's intention to make a nomination ("Notification") to Enservco's corporate secretary by the date mentioned in the most recent proxy statement or information statement under the heading "*Proposal From Stockholders*" as such date may be amended in cases where the annual meeting has been changed as contemplated in SEC Rule 14a-8(e), Question 5, and in that notification must provide the following additional information to Enservco:

Name, address, telephone number and other methods by which Enservco can contact the stockholder submitting the Notification and the total number of shares beneficially owned by the stockholder (as the term "beneficial ownership" is defined in SEC Rule 13d-3);

If the stockholder owns shares of Enservco's voting stock other than on the records of Enservco, the stockholder must provide evidence that he or she owns such shares (which evidence may include a current statement from a brokerage house or other appropriate documentation);

Information from the stockholder regarding any intentions that he or she may have to attempt to make a change of control or to influence the direction of Enservco, and other information regarding the stockholder any other persons associated with the stockholder that would be required under Items 4 and 5 of SEC Schedule 14A were the stockholder or other persons associated with the stockholder making a solicitation subject to SEC Rule 14a-12(c); and

All information required by Item 7 of SEC Schedule 14A with respect to the proposed nominee, which shall be in a form reasonably acceptable to Enservco.

Compensation Committee

The Board of Directors established the Compensation Committee in November, 2017. The Board of Directors appointed Messrs. Herlin, Jolly, and Haymons to the Compensation Committee, each of whom the Board of Directors has determined is independent pursuant to the independence tests under the NYSE American Company Guide. The Compensation Committee is charged with reviewing and approving the terms and structure of the compensation of the Company's executive officers.

Pursuant to the NYSE MKT rules, the independent members of Enservco's Board of Directors determine the compensation of our Chief Executive Officer. The Board believes that this is appropriate given that Enservco is a smaller reporting company and these compensation decisions are made by the independent directors. The process and procedures for establishing executive compensation are discussed in the "Executive Compensation" and "Compensation of Directors" sections located elsewhere in this proxy statement.

Board Leadership Structure

The Board does not have an express policy regarding the separation of the roles of Chief Executive Officer and Board Chairman as the Board believes it is in the best interests of the Company to make that determination based on the position and direction of the Company and the membership of the Board. The Board has not designated a lead independent director. The roles of Chief Executive Officer and Chairman are presently separated, and Richard A. Murphy serves as the Chairman of the Board.

Board's Role and the Role of the Audit Committee in Risk Oversight

While management is charged with the day-to-day management of risks that Enservco faces, the Board of Directors and Audit Committee are responsible for oversight of risk management. The full Board and the Audit Committee have responsibility for general oversight of risks facing the Company. Specifically, the Audit Committee will review and assess the adequacy of Enservco's risk management policies and procedures with regard to identification of Enservco's principal risks, both financial and non-financial, and review updates on these risks from the Chief Financial Officer and the Chief Executive Officer. The Audit Committee will also review and assess the adequacy of the implementation of appropriate systems to mitigate and manage the principal risks.

Director Independence

The Company utilizes the definition of "independent director" as it is set forth in Section 803A(2) of the NYSE MKT Rules. Further, the Board considers all relevant facts and circumstances in its determination of independence of all members of the Board (including any relationships). Based on the foregoing criteria, Messrs. Behrens, Haymons, Herlin, Jolly, and Murphy are considered independent directors and were confirmed as such by the Board of Directors.

Further information regarding enhanced independence standards applicable to directors who serve on the Company's Audit Committee, and directors who participate in the determination of the compensation of our chief executive officer, can be found in the Corporate Governance section elsewhere in this proxy statement, under the headings "Audit Committee" and "No Compensation Committee".

Board of Directors – Composition, Qualifications and Attributes; Board Diversity

The Company's Board of Directors seeks to ensure that it is composed of members whose particular experience, qualifications, attributes, and skills, when taken together, will allow the Board of Directors to satisfy its oversight obligations effectively. The Company does not currently have a separate nominating (or similar) committee and, as further discussed above, given the Company's small size, the Company does not yet believe such a committee is necessary. However, as the Company grows, it may consider establishing a separate nominating committee.

Under the NYSE MKT Rule 804(a), if there is no nominating committee, nominations must be made by a majority of the independent directors. In accordance with this rule, the independent members of the Board of Directors are responsible for identifying and appointing appropriate persons to become members of the Board of Directors, as necessary. In identifying Board candidates, it is the Company's goal to identify persons who it believes have

appropriate expertise and experience to contribute to the oversight of the Company, while also reviewing other appropriate factors. Enservco believes that this method of identifying, evaluating, and nominating members to join the Board of Directors is appropriate given Enservco's status as a smaller reporting company.

The Board of Directors does not have a formal diversity policy. The Board considers candidates that will make the Board as a whole reflective of a range of talents, skills, diversity, and experience.

Related Party Transactions Policy and Procedures

The Board has adopted a written policy that establishes a framework for the review and approval or ratification of transactions between the Company and its related parties and/or their respective affiliated entities. We refer to this policy as our "Related Party Transactions Policy". The Related Party Transactions Policy is available on our website at www.enservco.com.

Pursuant to this policy, "Related Parties" includes our executive officers and directors, any nominee for director, beneficial owners of 5% or greater of the Company's voting securities, and the immediate family members any of the foregoing persons. An "Immediate Family Member" of a Related Party means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, or any person sharing a household with the Related Party, other than a tenant or employee.

A "Related Party Transaction" includes:

- any transaction or relationship directly or indirectly involving a Related Party that would need to be disclosed under Item 404(a) of Regulation S-K;
- any material amendment or modification to an existing Related Party Transaction; and
- any transaction deemed by the directors or the Company's legal counsel to be a Related Party Transaction.

Under the Related Party Transactions Policy, Related Party Transactions are prohibited, unless approved or ratified by the disinterested directors of the Company. A Related Party Transaction entered into without pre-approval is not invalid, unenforceable, or in violation of the policy, provided that such transaction is brought to the disinterested directors as promptly as reasonably practical after it is entered into, and such transaction is ratified.

The Company's executive officers, directors, or nominees for director are required to promptly notify the Board of Directors and the Company's legal counsel of any proposed Related Party Transaction. The Company's disinterested directors will review such transaction, considering all relevant facts and circumstances, including the commercial reasonableness of the terms, the benefit and perceived benefit (or lack thereof) to the Company, opportunity costs of alternate transactions, the materiality and character of the Related Party's direct or indirect interest, and the actual or apparent conflict of interest of the Related Party. The disinterested directors shall not approve or ratify a Related Party Transaction unless they have determined that upon consideration of all relevant information, the proposed Related Party Transaction is in, or not inconsistent with, the best interests of the Company and its shareholders.

The following sets forth information regarding transactions between the Company (and its subsidiaries) and its officers, directors and significant stockholders since January 1, 2017 or otherwise outstanding as of the Record Date.

Chairman of the Board of Directors provides Letter of Credit to PNC Bank

On March 31, 2017, the Company's Chairman, Richard Murphy issued an irrevocable standby letter of credit in the face amount of \$1,500,000 for the benefit of PNC Bank. The letter of credit was issued in connection with the tenth amendment to the Company's Amended and Restated Revolving Credit and Security Agreement with PNC Bank (the "2014 Credit Agreement"). PNC had the ability to make a drawing under this letter of credit and apply all of the proceeds of letter of credit to pay down the principal balance of the revolving credit facility. This standby letter of credit was replaced with the Subordinated Loan Agreement described below.

Subordinated Loan Agreement entered into with Cross River Partners, L.P.

On June 28, 2017, the Company entered into a subordinated loan agreement (the "Subordinated Loan Agreement") with Cross River Partners, L.P., ("Cross River"), which documents the Company's obligations to Cross River with respect to the financial accommodations made to the Company by Cross River in connection with the Tenth Amendment to the Company Amended and Restated Revolving Credit and Security Agreement with PNC Bank. In connection with the Subordinated Loan Agreement, on June 28, 2017, the Company delivered two subordinated promissory notes to Cross River in the amounts of \$1 million and \$1.5 million, respectively (each a "Note", collectively, the "Notes" and, together with the Subordinated Loan Agreement, the "Subordinated Loan Documents"). The Notes each have a maturity date of June 28, 2022 (the "Maturity Date") and bear interest at a fixed per annum rate of 10.0%.

On August 10, 2017, the Company entered into the Loan and Security Agreement with East West Bank (the "2017 Credit Agreement"), which replaced the 2014 Credit Agreement. In relation to the 2017 Credit Agreement, on August 7, 2017, Cross Rivers entered into a subordination agreement with East West Bank. The Company began making quarterly payments of accrued interest under each Note on July 1, 2017 and will continue making such interest only payments until all of the Company's obligations under the 2017 Credit Agreement have been satisfied. Once all of the Company's obligations under the 2017 Credit Agreement have been satisfied, the Company will begin making quarterly payments of principal (based on an amortization schedule of 10 years) plus interest until the Maturity Date. On the Maturity Date, all amounts still outstanding under the Notes will become due and payable. The Company has the right to prepay the outstanding balance of all principal and interest of either or both Notes, in whole, subject to a prepayment penalty equal to the total interest that would have been due and payable on the next two quarterly payments following such prepayment.

In connection with the Subordinated Loan Agreement, on June 28, 2017, the Company issued Cross River two five-year warrants (the "Warrants") to buy an aggregate total of 1,612,902 shares of the Company's common stock at an exercise price of \$0.31 per share, the average closing price of the Company's common stock for the 20 day period ended May 11, 2017.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the 1934 Act requires Enservco's directors and officers and any persons who own more than ten percent of Enservco's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the "SEC"). All directors, officers and greater than ten percent stockholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) reports filed. Narrative Disclosure to Summary Compensation Table

Compensation Committee. The Board of Directors established the Compensation Committee in November, 2017. The Board of Directors appointed Messrs. Herlin, Jolly, and Haymons to the Compensation Committee, each of whom the Board of Directors has determined is independent pursuant to the independence tests under the NYSE

American Company Guide. The Compensation Committee is charged with reviewing and approving the terms and structure of the compensation of the Company's executive officers.

The Company considers various factors when evaluating and determining the compensation terms and structure of its executive officers, including the following:

1. The executive's leadership and operational performance and potential to enhance long-term value to the Company's stockholders;
2. The company's financial resources, results of operations, and financial projections;
3. Performance compared to the financial, operational, and strategic goals established for the Company;
4. The nature, scope, and level of the executive's responsibilities;
5. Competitive market compensation paid by other companies for similar positions, experience, and performance levels; and
6. The executive's current salary, the appropriate balance between incentives for long-term and short-term performance.

Company management is responsible for reviewing the base salary, annual bonus and long-term compensation levels for other Company employees, and the Company expects this practice to continue going forward. The entire Board of Directors remains responsible for significant changes to, or adoption, of new employee benefit plans.

The Company believes that the compensation environment for qualified professionals in the industry in which we operate is highly competitive. In order to compete in this environment, the compensation of our executive officers is primarily comprised of the following four components:

Base salary;

Discretionary cash bonuses;

Stock option awards and/or equity based compensation; and

Other employment benefits.

Base Salary. Base salary, paid in cash, is the first element of compensation to our officers. In determining base salaries for our key executive officers, the Company aims to set base salaries at a level we believe enables us to hire and retain individuals in a competitive environment and to reward individual performance and contribution to our overall business goals. The Board of Directors believes that base salary should be relatively stable over time, providing the executive a dependable, minimum level of compensation, which is approximately equivalent to compensation that may be paid by competitors for persons of similar abilities. The Board of Directors believes that base salaries for our executive officers are appropriate for persons serving as executive officers of public companies similar in size and complexity similar to the Company.

The Company's named executive officers (being Messrs. Dickinson and Bradford) receive base salaries in accordance with the terms of their respective employment agreements (which are described below).

Discretionary Annual Bonus. Discretionary cash bonuses are another prong of our compensation plan. The Board of Directors believes that it is appropriate that executive officers and other employees have the potential to receive a portion of their annual cash compensation as a cash bonus to encourage performance to achieve key corporate objectives and to be competitive from a total remuneration standpoint.

We have no set formula for determining or awarding discretionary cash bonuses to our other executives or employees. In determining whether to award bonuses and the amount of any bonuses, we have taken and expect to continue to take into consideration discretionary factors such as the individual's current and expected future performance, level of responsibilities, retention considerations, and the total compensation package, as well as the Company's overall performance including cash flow and other operational factors.

The employment agreements we have entered into with certain of our executive officers provide that each is eligible to receive a discretionary cash bonus. Such bonuses are to be considered and determined by the Compensation Committee, and paid during the ninety-day period beginning February 1 of the year following that year for which the bonus was earned.

Equity-based compensation. Each of the Company's executive officers is eligible to be granted awards under the Company's equity compensation plans. The Company believes that equity-based compensation helps align management and executives' interests with the interests of our stockholders. Our equity incentives are also intended to reward the attainment of long-term corporate objectives by our executives. We also believe that grants of equity-based compensation are necessary to enable us to be competitive from a total remuneration standpoint. At the present time, we have one active equity incentive plan for our management and employees, the 2016 Stock Incentive Plan, and one dormant equity incentive plan for our management and employees, the 2010 Stock Incentive Plan, pursuant to which there are still outstanding awards.

We have no set formula for granting awards to our executives or employees. In determining whether to grant awards and the amount of any awards, we take into consideration discretionary factors such as the individual's current and expected future performance, level of responsibilities, retention considerations, and the total compensation package.

The Company has granted stock options to each of its executive officers as described above in the table entitled "Security Ownership of Management, Directors, and Certain Beneficial Owners" and below in the table entitled "Stock Options, Stock Awards, and Equity Incentive Plans."

Forfeiture and Grant of Stock Options. The Board of Directors granted stock options to Messrs. Dickinson, Peitz, and Bradford for fiscal year 2017 under the 2016 Stock Incentive Plan. On June 2, 2017 the Board approved granting Mr. Dickinson 1,200,000 options and Mr. Peitz 500,000 options to acquire shares under the the 2016 Plan. On June 23, 2017, the Board granted Mr. Bradford 50,000 options to acquire shares under the 2016 Plan.

As discussed below, Mr. Franciscus was granted 800,000 options to acquire shares under the 2016 Plan, however, Mr. Franciscus forfeited 533,334 of these options to acquire shares in connection with his resignation.

In connection with his resignation, as discussed below, Mr. Kasch had 623,333 options to acquire shares vest during 2017, however, these and all remaining unexercised options expired as of August 5, 2017. In total, Mr. Kasch forfeited 1,485,000 options to acquire shares during 2017.

In connection with his resignation, as discussed below, Mr. Devers forfeited 190,000 options to acquire shares on August 4, 2017. In addition, Mr. Devers had 83,333 options to acquire shares immediately vest in connection with his resignation. All of Mr. Devers' remaining unexercised options expired on February 15, 2018.

The Board of Directors granted stock options to Messrs. Kasch, Peitz, and Devers for fiscal year 2016 under the 2010 Stock Incentive Plan (the “2010 Plan”). Subsequently, on June 17, 2016, the Board of Directors appointed a special committee of disinterested directors (the “Special Committee”) to address certain claims in a letter dated June 14, 2016 from an attorney purporting to represent a stockholder of the Company regarding the 2010 Plan and equity awards granted thereunder. After investigation and consultation with its counsel, the Special Committee verified that certain stock options granted under the 2010 Plan had exceeded applicable limitations on grants in the 2010 Plan.

On July 7, 2016, the Special Committee unanimously approved: (a) the rescission (and forfeiture by the holders) of certain stock option awards to purchase 2,560,000 shares of the Company’s common stock that had been granted to named executive officers Rick Kasch, Robert Devers, and Austin Peitz, and to directors Keith Behrens and Steve Oppenheim in excess of the 2010 Plan’s limitations (“Excess Options”), and (b) the grant of new options to purchase 1,960,000 shares of the Company’s common stock (the “New Options”), pursuant to a new stock incentive plan to be approved by the Board of Directors, the 2016 Stock Incentive Plan (the “2016 Plan”). The New Options were also subject to: (i) each of the subject optionees entering into the letter agreements (disclosed below) with the Company and (ii) stockholder approval of the 2016 Plan.

In connection with its approval of the grant of the New Options as described above, the Special Committee considered, among other things: (1) the fact that, because all of the New Options were replacing previously outstanding options, these transactions will not have a significant impact on dilution for the Company’s stockholders, (2) the fact that any compensation granted instead of granting the New Options would likely have involved

expenditure of a significant amount of cash, which would not be in the best interests of the Company, (3) the fact that any compensation granted instead of granting the New Options might not have provided the same level of incentives to the recipients as the Excess Options and (4) the fact that the New Options were granted subject to stockholder approval of the 2016 Plan.

Subsequently, on July 18, 2016, the Board of Directors unanimously approved the adoption of the 2016 Plan. The stockholders approved the 2016 Plan at the Adjourned Annual Meeting of Stockholders held on September 29, 2016.

Also on July 18, 2016, the Company entered into letter agreements with Messrs. Kasch, Devers, Peitz, Behrens and Oppenheim. Pursuant to the letter agreements, each such officer/director agreed to forfeit his Excess Options. The Company agreed to grant the New Options pursuant to new stock option agreements that provide for vesting on substantially the same schedule as the Excess Options would have vested but could not be exercised prior to stockholder approval of the 2016 Plan. The exercise price of the New Options is the greater of the original exercise price of the Excess Options or the closing market price on July 7, 2016, the date the Special Committee approved the grant of the New Options. Under the letter agreements, the termination date of each New Option is the termination date of the rescinded option, except that if the termination date of the rescinded option is prior to the two-year anniversary of the date of the letter agreement, then the termination date of the New Option is extended six months past the termination date of the rescinded option. Further, the Company agreed to submit the 2016 Plan to the stockholders of the Company for approval as soon as reasonably possible. As noted above, the Company submitted the 2016 Plan to the stockholders of the Company on September 29, 2016, and it was approved.

Pursuant to the letter agreements, the option holders agreed to the rescission of Excess Options, and the Company granted new options, as follows:

Rescinded stock options to purchase an aggregate of 1,785,000 shares of common stock granted to Rick Kasch, President, Chief Executive Officer and Chairman of the Board, and granted Mr. Kasch new stock options to purchase an aggregate of 1,185,000 shares of common stock;

Rescinded stock options to purchase an aggregate of 165,000 shares of common stock granted to Robert Devers, Chief Financial Officer and Treasurer, and granted Mr. Devers new stock options to purchase an aggregate of 165,000 shares of common stock

Rescinded stock options to purchase an aggregate of 360,000 shares of common stock, granted to Austin Peitz, Senior Vice President of Operations, and granted Mr. Peitz new stock options to purchase an aggregate of 360,000 shares of common stock

Rescinded stock options to purchase an aggregate of 100,000 shares of common stock granted to Keith Behrens, Director, and granted Mr. Behrens new stock options to purchase an aggregate of 100,000 shares of common stock and

Rescinded stock options to purchase an aggregate of 150,000 shares of common stock granted to Steve Oppenheim, former Director, and granted Mr. Oppenheim new stock options to purchase an aggregate of 150,000 shares of common stock.

Other Compensation/Benefits. Another element of the overall compensation is through providing our executive officers various employment benefits, such as the payment of health and life insurance premiums on behalf of the executive officers. Additionally, the Company provides or provided Messrs. Peitz and Kasch with an automobile (Peitz) or an automobile allowance (Kasch). Our executive officers are also eligible to participate in our 401(k) plan on the same basis as other employees and the Company historically has made matching contributions to the 401(k) plan, including for the benefit of our executive officers.

Declared Discretionary Bonuses

During 2017, the Board of Directors awarded discretionary bonuses to Messrs. Dickinson, Kasch, Peitz, and Devers, as shown in the Summary Compensation Table above. The Board of Directors did not award any discretionary bonuses for the 2016 fiscal year to Messrs. Kasch, Devers, or Peitz. Mr. Peitz did receive bonuses in the amount of \$45,000 during fiscal 2016 related to a formulaic bonus program entered into in April 2015 pursuant to amendment to his employment agreement which reduced his salary by \$42,938. As of June 22, 2016, Mr. Peitz entered into a new employment agreement with the Company (described below) that terminated the formulaic bonus program.

The Dickinson Employment Agreement also contains other standard provisions contained in agreements of this nature, including confidentiality and non-competition provisions as well as eligibility for discretionary bonuses and long-term incentive awards.

He entered into an employment agreement with the Company on June 22, 2016 (the “Kasch Employment Agreement”) to replace his prior employment agreement with the Company dated July 27, 2010, as amended. The Kasch Employment Agreement had a term of July 1, 2016 through June 30, 2017, and would have been automatically renewed thereafter on a year-to-year basis unless Enservco or Mr. Kasch provided the other with 60 days’ notice of non-renewal or the agreement was otherwise terminated. The Kasch Employment Agreement also provided for standard employment benefits and contained other standard provisions contained in agreements of this nature including confidentiality and non-competition provisions as well as eligibility for discretionary bonuses and longer-term incentive awards.

On May 5, 2017, Mr. Kasch notified the Company of his resignation as President, Chief Executive Officer, and as a member of the Company’s Board of Directors, effective immediately. Mr. Kasch also resigned from all positions held with the Company’s subsidiaries. Mr. Kasch’s decision to resign was not the result of any disagreement with the Company, the Board, or management, or any matter relating to the Company’s operations, policies or practices.

In connection with Mr. Kasch’s resignation, the Company entered into an Executive Severance Agreement with Mr. Kasch on May 5, 2017 (the “Severance Agreement”). The Severance Agreement provides for certain modified severance compensation and benefits to Mr. Kasch in lieu of and in settlement of the compensation and benefits to be paid to Mr. Kasch upon termination of his employment pursuant to the Kasch Employment Agreement.

Pursuant to the terms of the Severance Agreement, the Company paid Mr. Kasch his base salary through May 31, 2017 in accordance with the normal schedule for such payment, subject to Mr. Kasch's agreement that such salary shall be reduced to 50% of his base salary effective May 5, 2017. The Company also paid Mr. Kasch any remaining balance of the accrued and unpaid amount of his reduced base salary, together with benefits, including unused vacation days (which amount to \$25,045) and expense reimbursements which were then due and payable under the Kasch Employment Agreement. In addition, Mr. Kasch received the following severance payments, subject to applicable employer and employee withholding by the Company: (i) payment to Mr. Kasch of \$391,000 as follows: (x) an initial payment in the amount of \$120,000 on May 31, 2017 and (y) the balance of \$271,000 payable in 11 equal monthly installments of \$24,636 commencing on July 1, 2017 with a final installment of the balance then due on June 1, 2018 (ii) a bonus payment of \$120,000 on or before April 1, 2018 (iii) a lump sum representing the automobile allowance pursuant to the Kasch Employment Agreement in the amount of \$25,199 on the first payday following May 5, 2017 (iv) a lump sum representing health care benefits pursuant to the Kasch Employment Agreement in the amount of \$18,793 on the first payday following May 5, 2017 and (v) a lump sum representing 401(k) matching benefits in the amount of \$21,839 on the first payday following May 5, 2017. These options were not exercised and, therefore, were forfeited.

Mr. Kasch continued to serve as a consultant to the Company until June 30, 2017 (the "Separation Date"). Additionally, Mr. Kasch cooperated and consulted with the Company and its executive officers and the Board after the Separation Date, on an as-needed basis, at no cost to the Company, for up to 20 hours per month, through August 31, 2017.

The Peitz Employment Agreement provided for an annual base salary of \$192,938. Additionally, the Company provided Mr. Peitz with an automobile. On April 27, 2018, Mr. Peitz notified the Company of his resignation as Senior Vice President of Field Operations, effective immediately. Mr. Peitz also resigned from all positions held with the Company's subsidiaries. In connection with Mr. Peitz's resignation, the Company entered into an Executive Severance Agreement with Mr. Peitz on April 27, 2018 (the "Peitz Severance Agreement"). The Peitz Severance Agreement provides for certain modified compensation and benefits to Mr. Peitz in lieu of and in settlement of the compensation and benefits to be paid to Mr. Peitz upon termination of his employment pursuant to the Peitz Employment Agreement.

Pursuant to the Peitz Severance Agreement, on Mr. Peitz's separation date the Company paid Mr. Peitz any remaining balance of Mr. Peitz's accrued and unpaid benefits, including unused vacation days and expense reimbursements which were then due and payable under the Peitz Employment Agreement. In addition, within five business days of the date of Mr. Peitz's separation date, the Company will make a lump sum payment to Mr. Peitz in an amount equal to: (i) twelve months of Mr. Peitz's base salary as of the date of his resignation; plus (ii) a bonus equal to the greater of (x) Mr. Peitz's most recent annual bonus, or (y) six months of Mr. Peitz's base salary as of the date of his resignation. Risks of Compensation Programs

The Company's equity-based compensation is performance-based in that the issued stock options become valuable as the stockholders' returns (measured by stock price) increase. Furthermore, in all cases, options granted to the Company's employees include time-based vesting. The Company believes that this vesting, coupled with the internal controls and oversight of the risk elements of its business, have minimized the possibility that the compensation programs and practices will have a material adverse effect on the Company and its financial, and operational, performance.
