PROXY STATEMENT

GENERAL INFORMATION

The enclosed proxy is solicited by the Board of Directors of Bridgford Foods Corporation, a California corporation, which we refer to as “the Company,” “we,” “us,” or “our,” for use at the 2019 Annual Meeting of Shareholders of the Company, or the Annual Meeting, to be held at the offices of the Company, which are located at 1308 North Patt Street, Anaheim, California 92801, on Wednesday, March 13, 2019 at 10:00 a.m. Pacific Time, and at any postponement or adjournment thereof. All shareholders of record at the close of business on February 1, 2019 are entitled to notice of and to vote at such meeting. This Proxy Statement and the accompanying proxy are being mailed on or about February 18, 2019.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

The following questions and answers are intended to briefly address potential questions that our shareholders may have regarding this Proxy Statement and the Annual Meeting. They are also intended to provide our shareholders with certain information that is required to be provided under the rules and regulations of the SEC. These questions and answers may not address all of the questions that are important to you as a shareholder. If you have additional questions about the Proxy Statement or the Annual Meeting, please see “Whom should I contact with other questions?” below.

1. What is the purpose of the Annual Meeting?

At the Annual Meeting, our shareholders will be asked to consider and vote upon the matters described in this Proxy Statement and in the accompanying Notice, and any other matters that properly come before the Annual Meeting.

2. What is a proxy statement and what is a proxy?

A proxy statement is a document that the SEC regulations require us to give you when we ask you to sign a proxy designating individuals to vote on your behalf. A proxy is your legal designation of another person to vote the stock you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card.

3. Why did I receive these proxy materials?

We are providing these proxy materials in connection with the solicitation by the Board of Directors of the Company of proxies to be voted at the Annual Meeting, and at any postponement or adjournment thereof. This Proxy Statement contains important information for you to consider when deciding how to vote on the matters brought before the Annual Meeting. You are invited to attend the Annual Meeting in person to vote on the proposals described in this Proxy Statement. However, you do not need to attend the Annual Meeting to vote your shares. Instead, you may vote your shares using one of the other voting methods described in this Proxy Statement. Whether or not you expect to attend the Annual Meeting, please vote your shares as soon as possible in order to ensure your representation at the Annual Meeting and to minimize the cost to the Company of proxy solicitation.

4. What am I being asked to vote upon at the Annual Meeting?

At the Annual Meeting, you will be asked to:

Vote on the election of nine director nominees to serve for one year or until their successors are elected and qualified (Proposal 1);

Ratify the appointment of Squar Milner LLP as the Company's independent registered public accountants for the fiscal year ending on November 1, 2019 (Proposal 2); and

Act upon such other matters as may properly come before the Annual Meeting or any postponement or adjournment thereof.

5. Does the Board of Directors recommend voting in favor of the proposals?

Yes. The Board of Directors unanimously recommends that you vote your shares:

“FOR” each of the director nominees (Proposal 1); and

“FOR” the ratification of the appointment of Squar Milner LLP as the Company’s independent registered public accountants for the fiscal year ending on November 1, 2019 (Proposal 2).

6. Who can vote at the Annual Meeting?

Only our “shareholders of record” at the close of business on February 1, 2019, the Record Date, will be entitled to vote at the Annual Meeting. On the Record Date, there were 9,076,832 shares of our common stock outstanding and entitled to vote. Each share of common stock entitles the holder thereof to one vote on each matter to be voted upon by such shareholders and, upon prior notice, to cumulate votes for the election of directors as discussed in Proposal 1 below.

Beneficial Owners

If, on the Record Date, your shares were held in an account at a bank, broker, dealer, or other nominee, then you are the “beneficial owner” of shares held in “street name” and this Proxy Statement is being forwarded to you by that nominee. The nominee holding your account is considered the “shareholder of record” for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your nominee on how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the “shareholder of record,” you may not vote your shares in person at the Annual Meeting unless you request and obtain a valid proxy from your nominee. Please contact your nominee directly for additional information.

Brokers, banks or other nominees holding shares of record for their respective customers generally are not entitled to vote on the election of directors unless they receive voting instructions from their customers. As used herein, “uninstructed shares” means shares held by a nominee who has not received instructions from its customers on a particular matter. As used herein, “broker non-vote” means the votes that could have been cast on the matter by nominees with respect to uninstructed shares if the nominees had received instructions. The effect of proxies marked “withheld” as to any director nominee or “abstain” as to any other proposal, and the effect of broker non-votes on each of the proposals, is discussed in each proposal below.

7. What are the voting requirements to approve the proposals?

All proxies, which are properly completed, signed and returned to the Company prior to the Annual Meeting, and not revoked, will be voted in accordance with the instructions given in the proxy. Please see each proposal below for voting requirements to approve the proposals.

8. What happens if I do not vote?

Please see each proposal below for the effect of not voting as well as the effect of withholdings, abstentions and broker non-votes.

9. What is the quorum requirement for the Annual Meeting?

The presence at the Annual Meeting of a majority of the outstanding shares, in person or by proxy, relating to any matter to be acted upon at the Annual Meeting, is necessary to constitute a quorum for the Annual Meeting. For purposes of the quorum, shareholders of record who are present at the Annual Meeting in person or by proxy and who abstain or withhold their vote, including brokers, dealers or other nominees holding shares of their respective customers of record who cause abstentions to be recorded at the Annual Meeting, are considered shareholders who are present and entitled to vote and count toward the quorum. If a quorum is not present, the Annual Meeting will be adjourned until a quorum is obtained.

10. How can I vote my shares?

Shareholders of record can vote by proxy or by attending the Annual Meeting and voting in person. The persons named as proxies were designated by the Board of Directors. If you vote by proxy, you can vote by mail as described below. If you are the beneficial owner of shares held in “street name,” please refer to the information forwarded by your bank, broker, dealer or other nominee to see which voting options are available to you.

Vote by Mail. You can vote by mail pursuant to the instructions provided on the Proxy Card. If you hold shares beneficially in “street name,” you can vote by mail by following the voting instruction card provided to you by your broker, bank, trustee or nominee. If you choose to vote by mail, simply mark, sign, date and return your Proxy Card in the enclosed postage-prepaid envelope provided with this Proxy Statement.

Vote at the Annual Meeting. Voting by mail will not limit your right to vote at the Annual Meeting if you decide to attend in person. Nevertheless, to ensure your representation at the Annual Meeting, the Board of Directors respectfully urges you to vote by mail. If you attend the meeting in person, you may withdraw your proxy and vote your shares at the meeting. Shareholders attending the meeting whose shares are held in “street name” by a bank, broker, dealer or other nominee who desire to vote their shares at the meeting should bring with them a letter or account statement from that firm confirming their ownership of shares prior to the Record Date.

All shares that have been properly voted and not revoked will be voted at the Annual Meeting. If you sign and return your Proxy Card but do not give voting instructions, the shares represented by that proxy will be voted as recommended by the Board of Directors (as described in each proposal below).

11. How may I attend the Annual Meeting?

You are entitled to attend the Annual Meeting only if you were a shareholder as of the Record Date or hold a valid proxy for the Annual Meeting. Since seating is limited, admission to the Annual Meeting will be on a first-come, first-served basis. You should be prepared to present valid government-issued photo identification for admittance, such as a passport or driver's license. If your shares are held in "street name," you also will need proof of ownership as of the Record Date to be admitted to the Annual Meeting, such as a letter or account statement from the bank, broker, dealer or other nominee confirming your ownership of shares prior to the Record Date, a copy of the voting instruction card provided by your bank, broker, dealer or other nominee, or similar evidence of ownership. If you do not comply with each of the foregoing requirements, you may not be admitted to the Annual Meeting.

The meeting will be held at the principal offices of the Company, which are located at 1308 North Patt Street, Anaheim, California 92801, one block east of Anaheim Blvd. and just south of the 91 Freeway in the city of Anaheim, California. Driving directions may be obtained by contacting the receptionist at (714) 526-5533.

12. What can I do if I change my mind after I vote my shares?

Any proxy may be revoked or superseded by (i) executing a later proxy, (ii) giving notice of revocation in writing prior to, or at, the Annual Meeting, or (iii) attending the Annual Meeting, withdrawing the proxy and voting in person. Attendance at the Annual Meeting will not in and of itself constitute revocation of the proxy. If you have instructed your bank, broker, dealer or other nominee to vote your shares, you must follow directions received from your nominee to change those instructions.

13. Could other matters be decided at the Annual Meeting?

As of the date this Proxy Statement went to press, the Board of Directors did not know of any matters which will be brought before the Annual Meeting other than those specifically set forth in the Notice hereof. However, if any other matter properly comes before the Annual Meeting, it is intended that the proxies, or their substitutes, will vote on such matters in accordance with their best judgment.

14. Who is paying for the cost of this proxy solicitation?

Solicitation of proxies will be primarily by mail, although some of the officers, directors and employees of the Company may solicit proxies personally or by telephone, facsimile or electronic mail. All expenses incurred in connection with this solicitation will be borne by the Company. The Company will reimburse brokers and others who incur costs to send proxy materials to beneficial owners of stock in the name of a broker or nominee.

15. I share an address with another shareholder, and we received only one paper copy of the proxy materials. How may I obtain an additional copy of the proxy materials?

The SEC rules permit brokers and other persons who hold the Company's shares for beneficial owners, to participate in a practice known as "householding," which means that only one copy of the Proxy Statement and annual report will be sent to multiple shareholders who share the same address unless other instructions are provided to the Company. Householding is designed to reduce printing and postage costs and therefore results in cost savings for the Company. If you receive a household mailing this year and would like to have additional copies of this Proxy Statement and/or the 2018 Annual Report mailed to you, or if you would like to opt out of this practice for future mailings, please contact your broker or other nominee record holder, or submit your request to:

Bridgford Foods Corporation

1308 North Patt Street

Anaheim, California 92801

Attention: Corporate Secretary

Phone: (714) 526-5533

Upon receipt of any such request, the Company agrees to promptly deliver a copy of this Proxy Statement and/or the 2018 Annual Report to you. In addition, if you are currently a shareholder sharing an address with another shareholder and wish to receive only one copy of future proxy materials for your household, please contact us using the contact information set forth above.

16. Where can I find voting results of the Annual Meeting?

We will announce preliminary voting results with respect to each proposal at the Annual Meeting. In accordance with SEC rules, final voting results will be published in a Current Report on Form 8-K within four business days following the Annual Meeting, unless final results are not known at that time in which case preliminary voting results will be published within four business days of the Annual Meeting and final voting results will be published once they are known by the Company.

17. What is the deadline to submit shareholder proposals or director nominations for the 2020 Annual Meeting?

Proposals of shareholders intended to be presented at the 2020 Annual Meeting of Shareholders must be received at the Company's principal office no later than 120 days prior to the first anniversary of the date on which the proxy materials for the 2019 Annual Meeting were first sent to shareholders for inclusion in the Proxy Statement and form of proxy relating to that meeting. However, if the date of the 2020 Annual Meeting of Shareholders has been changed by more than 30 days from the date of the 2019 Annual Meeting, then the deadline is a reasonable time before the Company begins to print and send its proxy materials. Matters pertaining to such proposals, including the number and length thereof, eligibility of persons entitled to have such proposals included and other aspects are regulated by the Securities Exchange Act of 1934 and the rules and regulations of the SEC.

Additionally, any shareholder desiring to submit a proposal for action or to nominate one or more persons for election as directors at our 2020 Annual Meeting of Shareholders must submit a notice of the proposal or nomination including the information required by our bylaws to the Company's Corporate Secretary, c/o Bridgford Foods Corporation, 1308 North Patt Street, Anaheim, California 92801, between 60 and 90 days prior to the first anniversary on the date on which the proxy materials for the 2019 Annual Meeting were first sent to shareholders, or else it will be considered untimely and ineligible to be properly brought before the Annual Meeting. However, if our 2020 Annual Meeting of Shareholders is not held within 30 days of the first anniversary of the 2019 Annual Meeting, under our bylaws, this notice must be provided not later than the close of business on the tenth day following the date on which notice of the date of the 2020 Annual Meeting of Shareholders is first mailed to shareholders or otherwise publicly disclosed, whichever first occurs.

18. Where can I find information about the Annual Report of the Company?

The Company will furnish without charge to each person whose proxy is being solicited, upon request of any such person, a copy of the Annual Report of the Company on Form 10-K for the fiscal year ended November 2, 2018, as such was filed with the SEC, including financial statements and associated schedules. PROPOSAL 1

ELECTION OF DIRECTORS

The directors of the Company are elected annually to serve until the next annual meeting of the shareholders or until their respective successors are elected and duly qualified. At the Annual Meeting, nine directors have been nominated for election. The election of directors shall be by the affirmative vote of the holders of a plurality of the shares voting in person or by proxy at the Annual Meeting. Every shareholder, or his or her proxy, entitled to vote upon the election of directors may cumulate his or her votes and give one candidate a number of votes equal to the number of directors to be elected multiplied by the number of votes to which his or her shares are entitled, or distribute his or her votes on the same principle among as many candidates as he or she deems appropriate. No shareholder or proxy, however, shall be entitled to cumulate votes unless such candidate or candidates have been nominated prior to the voting and the shareholder has given notice at the meeting, prior to the voting, of the shareholder's intention to cumulate such shareholder's votes. If any shareholder gives such notice, all shareholders may cumulate their votes for candidates in nomination. All nominees are presently directors of the Company. All directors were elected to the Board of Directors by the Company's shareholders at the 2018 Annual Meeting. All current directorships are being filled.

Unless otherwise instructed, shares represented by the proxies will be voted "FOR" the election of each of the nominees listed below. Broker non-votes and proxies marked "WITHHELD" as to one or more of the nominees will result in the respective nominees receiving fewer votes. However, the number of votes otherwise received by the nominee will not be reduced by such action.

Each nominee has indicated that he is willing and able to serve as director if elected. In the event that any of such nominees shall become unavailable for any reason, an event which management does not anticipate, it is intended that proxies will be voted for substitute nominees designated by management.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE ELECTION OF EACH OF THE DIRECTOR NOMINEES NAMED BELOW.

Further, none of our directors have agreements or arrangements with any person or entity, other than the Company, relating to compensation or other payments in connection with such director's service to the Company.

Controlled Company Status

The Company is considered a "controlled company" within the meaning of Rule 5615(c)(1) of the NASDAQ Listing Rules based on the approximate 78.8% ownership of the Company by Bridgford Industries Incorporated and is therefore exempted from certain independence requirements of the NASDAQ Listing Rules, including the requirement to maintain a majority of independent directors on the Company's Board of Directors and certain requirements with respect to the committees of the Board. Nevertheless, the Board of Directors has determined that Messrs. Andrews, Scott, and Zippwald are "independent directors" within the meaning of Rule 5605 of the NASDAQ Listing Rules.

Board Committees

The Board of Directors maintains three committees, the Compensation Committee, the Audit Committee and the Nominating Committee.

Compensation Committee

The Compensation Committee currently consists of three members, including Messrs. Zippwald (Chairman), Andrews and Scott. Each of the current members of the Compensation Committee is a non-employee director, and notwithstanding that the Company is a "controlled company" within the meaning of the NASDAQ Listing Rules, each member is independent as defined in Rule 5605(a)(2) of the NASDAQ Listing Rules. The Compensation Committee is responsible for establishing and administering the Company's compensation arrangements for all executive officers.

The Compensation Committee meets no less frequently than annually (and more frequently as circumstances dictate) to discuss and determine executive officer and director compensation. The Compensation Committee does not generally retain the services of any compensation consultants. However, from time to time it utilizes compensation data from companies that the Compensation Committee deems to be competitive with the Company in connection with its annual review of executive compensation. The Compensation Committee has the power to form and delegate authority to subcommittees when appropriate, provided that such subcommittees are composed entirely of directors who would qualify for membership on the Compensation Committee pursuant to applicable NASDAQ Listing Rules. See "Compensation Discussion and Analysis" and "Director Compensation."

The Compensation Committee held one meeting during fiscal year 2018. No additional compensation is paid to directors for participation on the Compensation Committee. The Compensation Committee operates under a written charter, which was adopted on October 11, 2010, and is attached as Exhibit B to the Proxy Statement for the 2017 Annual Meeting of Shareholders. The charter is not available on the Company's website.

Audit Committee

The Audit Committee currently consists of Messrs. Scott (Chairman), Andrews and Zippwald.

The Audit Committee has been established in accordance with the rules and regulations of the SEC and each of the current members of the Audit Committee is an "independent director" as defined in Rule 5605(c)(2) of the NASDAQ Listing Rules. In addition, the Board has determined that Messrs. Andrews, Scott and Zippwald qualify as "audit committee financial experts" as such term is used in the rules and regulations of the SEC.

The Audit Committee meets periodically with the Company's independent registered public accountants and reviews the Company's accounting policies and internal controls. It also reviews the scope and adequacy of the independent registered public accountants' examination of the Company's annual financial statements. In addition, the Audit Committee selects the firm of independent registered public accountants to be retained by the Company, subject to shareholder approval, pre-approves services rendered by its independent registered public accountants and pre-approves all related-party transactions.

The Audit Committee held six meetings during fiscal year 2018. Each of the members of the Audit Committee receives \$350 to \$550 per meeting depending on the length of each meeting attended. In addition, the Audit Committee holds a pre-earnings release conference with the Company's independent registered public accountants on a quarterly basis. The Audit Committee operates under an Amended and Restated Audit Committee Charter, which was approved on November 8, 2010, and is attached as Exhibit C to the Proxy Statement for the 2017 Annual Meeting of Shareholders. The charter is not available on the Company's website.

Nominating Committee

The Board of Directors has decided that the full Board should perform the functions of a Nominating Committee for the Company. It made that decision because the Board believes that selecting new Board nominees is one of the most important responsibilities the Board members have to the Company's shareholders, and for that reason, all of the members of the Board should have the right and responsibility to participate in the selection process. Because of its status as a "controlled company" within the meaning of Rule 5615(c)(1) of the NASDAQ Listing Rules, the Company is

not required to have a Nominating Committee comprised solely of independent directors. The Nominating Committee does not act pursuant to a written charter.

In its role as Nominating Committee, the full Board identifies and screens new candidates for Board membership. Nevertheless, actions of the Board, in its role as Nominating Committee, can be taken only with the affirmative vote of a majority of the independent directors on the Board, as defined by the NASDAQ Listing Rules.

Director Nomination Process

In identifying new Board candidates, the Board will seek recommendations from existing Board members and executive officers. In addition, the Board will consider any candidates that may have been recommended by any of the Company's shareholders who have made those recommendations in accordance with the shareholder nomination procedures described below. The Board, in its capacity as Nominating Committee, does not evaluate nominees recommended by shareholders differently from its evaluation of other director nominees. The Board also has the authority to engage an executive search firm and other advisors as it deems appropriate to assist in identifying qualified candidates for the Board.

Any shareholder desiring to submit a recommendation for consideration by the Board of a candidate that the shareholder believes is qualified to be a Board nominee at any upcoming shareholders meeting may do so by submitting that recommendation in writing, and in accordance with the time periods and information requirements set forth in the bylaws, to the Company's Corporate Secretary, c/o Bridgford Foods Corporation, 1308 North Patt Street, Anaheim, California 92801. No director nominations by stockholders have been received as of the filing of this Proxy Statement.

In assessing and selecting Board candidates, the Board will consider such factors, among others, as: the candidate's independence, experience, knowledge, skills and expertise, as demonstrated by past employment and board experience; the candidate's reputation for integrity; and the candidate's participation in local community and local, state, regional or national charitable organizations. When selecting a nominee from among candidates considered by the Board, it will conduct background inquiries of and interviews with the candidates the Board members believe are best qualified to serve as directors. The Board members will consider a number of factors in making their selection of a nominee from among those candidates, including, among others: whether the candidate has the ability, willingness and enthusiasm to devote the time and effort required of members of the Board; whether the candidate has any conflicts of interest or commitments that would interfere with the candidate's ability to fulfill the responsibilities of directors of the Company, including membership on Board committees; whether the candidate's skills and experience would add to the overall competencies of the Board; and whether the candidate has any special background or experience relevant to the Company's business.

Board Consideration of Diversity

The Board believes that differences in experience, knowledge, skills and expertise enhance the performance of the Board. Accordingly, the Board, in its capacity as Nominating Committee, considers such diversity in selecting and evaluating proposed Board nominees. However, the Board has not implemented a formal policy with respect to the consideration of diversity for the composition of the Board.

Board Leadership Structure and the Role of the Board in Risk Management Oversight

Board Leadership Structure.

The Board is currently comprised of a total of nine directors. One of those directors, William L. Bridgford, serves as the Chairman of the Board. In this capacity, he is principally charged with fulfilling the following duties:

Presiding as the Chairman of the meetings of the Board of Directors;

Serving as a conduit of information between the independent directors and members of management;

Approving Board of Directors meeting agendas and schedules;

Calling executive session meetings of the independent directors, as needed;

Reviewing information sent to the Board of Directors;

Working with the Chief Financial Officer and Corporate Secretary to ensure the Board has adequate resources to support its decision-making obligations;

Meeting with shareholders as appropriate; and

Such other responsibilities and duties as the Board of Directors shall designate.

The Company has not appointed a Chief Executive Officer. Instead, the Company has historically utilized an Executive Committee to serve in the capacity of Chief Executive Officer. The Board believes that the Executive Committee structure is appropriate for the Company because it requires a full committee of officers, each of whom bring their own experiences and perspectives to bear on their decision making, to discuss and vote on important decisions affecting the Company. The Company has utilized an Executive Committee in lieu of appointing a Chief Executive Officer for more than twenty years. See “Executive Officers” for further discussion about the role and membership of the Executive Committee.

The Chairman of the Board serves on the Executive Committee. Thus, the roles of Chairman of the Board and Chief Executive Officer are intertwined to some extent. However, the Chairman of the Board, the President, and the Chief Financial Officer represent only three of the four members of the Executive Committee and no other directors currently serve on the Executive Committee. Accordingly, six of nine members of the Board are not members of the Executive Committee. The Board believes that this structure properly maintains the independence of the Board as a whole, and of the Chairman of the Board, from the Executive Committee.

The Board’s Role in Risk Oversight.

The responsibility for the day-to-day management of risk lies with the Executive Committee. Risk management is not viewed by the Executive Committee as a separate function, but rather is viewed as part of the day-to-day process of running the Company. It is the Board’s responsibility to oversee the Executive Committee with respect to its risk management function and to ensure that the Company’s risk management system is well-functioning and consistent with the Company’s overall corporate strategy and financial goals. In fulfilling that oversight role, the Board focuses on the adequacy of the Company’s overall risk management system. The Board believes that an effective risk management system will adequately identify the material risks to the Company’s business, monitor the effectiveness of the risk mitigating policies and procedures, and provide the Executive Committee with input with respect to the risk management process.

Code of Ethics

The Company adopted a code of ethics that is applicable to, among other individuals, its principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions, and posted the code of ethics on its website at www.bridgford.com (and designated therein as the Code of Conduct). Any amendment or waiver to the Company’s code of ethics that applies to its directors or executive officers will be posted on its website or in a report filed with the SEC on Form 8-K.

Communications with the Board

Shareholders may communicate with the Board or any of the directors by sending written communications addressed to the Board of Directors generally, or to any director(s), to Bridgford Foods Corporation, 1308 North Patt Street, Anaheim, California 92801, Attention: Corporate Secretary. All communications are compiled by the Corporate Secretary and forwarded to the Board or the individual director(s) accordingly.

Director Attendance at Annual Meetings

The Company does not currently have a specific policy regarding director attendance at annual shareholder meetings. However, directors are strongly encouraged to attend annual shareholder meetings. Nine directors (which represented all of the directors then serving on the Board of the Company) attended the Company's 2018 Annual Meeting of Shareholders.

Executive Officers

Members of the Company's Executive Committee, currently comprised of the four executive officers named below, act in the capacity of Chief Executive Officer of the Company. A fifth member of the Executive Committee, Hugh Wm. Bridgford, who is the father of William L. Bridgford and the brother of Allan L. Bridgford, passed away on January 12, 2018.

The following four executive officers are elected annually to serve on the Executive Committee at the pleasure of the Board of Directors:

Allan L. Bridgford	Vice President and Chairman of the Executive Committee (1)
William L. Bridgford	Chairman of the Board and Member of the Executive Committee (1)
John V. Simmons	President and Member of the Executive Committee
Raymond F. Lancy	Chief Financial Officer, Executive Vice President, Treasurer and Member of the Executive Committee

(1) William L. Bridgford is the nephew of Allan L. Bridgford. Allan L. Bridgford is the father of Allan L. Bridgford, Jr., who serves on the Company's Board of Directors.

A biographical summary regarding William L. Bridgford, Raymond F. Lancy and John V. Simmons is set forth above under the caption "Directors." Biographical information with respect to the Company's other executive officer, Allan L.

Bridgford, is set forth below:

Allan L. Bridgford

Allan L. Bridgford, age 83, previously served as Senior Chairman of the Board from March of 2006 to October of 2011. From March of 1995 through March of 2006, Mr. Bridgford served as Chairman of the Board. He has been an employee of the Company since 1957, and reduced his work schedule to 80% in March of 2000, 60% in March of 2005 and 50% in November 2014. Mr. Bridgford's base compensation was reduced by the same percentage as his regular work schedule reduction. Mr. Bridgford has also served as a member of the Executive Committee since 1972. He is a graduate of Stanford University with a degree in Economics.

COMPENSATION OF EXECUTIVE OFFICERS

Compensation Discussion and Analysis

Compensation Overview

This section provides information regarding the compensation paid to the Company's "named executive officers" or "NEOs," all of whom are members of the Executive Committee. The Company has historically been and continues to be principally managed by the Executive Committee. The Executive Committee, as a unit, serves as the Company's "Chief Executive Officer." Prior to the passing of Hugh Wm. Bridgford on January 12, 2018, the Executive Committee consisted of five members. The Executive Committee currently consists of the following four members:

Allan L. Bridgford, Vice President and Chairman of the Executive Committee

William L. Bridgford, Chairman of the Board (Principal Executive Officer)

John V. Simmons, President

Raymond F. Lancy, Chief Financial Officer, Executive Vice President and Treasurer (Principal Financial Officer)

The Company's executive compensation program is overseen by the Compensation Committee, which is comprised of certain non-employee members of the Board. The basic responsibility of the Compensation Committee is to review the performance of the officers and key employees toward achieving the Company's strategic goals and to help ensure that the Company is able to attract and retain individuals who can lead the Company to achieve those goals.

One of the Company's primary strategic goals is to increase shareholder value while meeting its objectives for customer satisfaction, improved sales and financial performance, sound corporate governance, and competitive advantage. The Company's current emphases on controlling costs and improving profit margins on a consistent basis are also important factors which affect the Company's compensation decisions. The Compensation Committee's goal is to work with management to balance the Company's financial goals and circumstances with the need to attract, motivate and retain the fully qualified and capable individuals the Company needs to meet and surpass its customers' and shareholders' expectations in a highly-competitive industry.

Compensation Philosophy and Objectives

The core of the Company's executive compensation philosophy is to pay for performance. To that end, incentive bonus targets are set each year to reward excellent executive performance based upon the achievement of profit objectives by business units and the Company's overall profitability based on pretax income, thus stimulating all executives to assume broad responsibility for the Company's overall financial welfare and financial performance.

The Compensation Committee's guiding principles are as follows:

- Work with management to provide a compensation program that recognizes individual contributions as well as the Company's overall business results;
- Provide reasonable levels of total compensation which will enable the Company to attract and retain qualified and capable executive talent within its industry, while also considering the Company's current goals of controlling costs and effecting consistent improvements in its overall financial condition;
- Motivate executive officers to deliver optimum individual and business unit performance;
- Develop and retain a leadership team that is capable of successfully operating and growing an increasingly competitive and complex business in a rapidly changing industry; and
- Ensure that executive compensation-related disclosures are made to the public on a timely basis.

Role of the Compensation Committee

The compensation of all NEOs and other executive officers is determined by the Compensation Committee. The Compensation Committee met one time during fiscal year 2018. The primary responsibilities of the Compensation Committee include, without limitation, the following:

- Determine the compensation of the members of the Executive Committee, after taking into account the Board's assessment of the performance of the Executive Committee, as well as any other executive officers of the Company.
- Determine the compensation of the Chairman of the Board and the other directors of the Company.
- Assess the performance of the executive officers of the Company other than the members of the Executive Committee (whose performance is assessed by the Board).
- Review and make recommendations to the Board regarding the Company's compensation policies and philosophy.
- Review and make recommendations to the Board with respect to the employment agreements, severance agreements, change of control agreements and other similar agreements between the Company and its executive officers.
- Administer the Company's equity incentive plans, including the review and grant of stock option and other equity incentive grants.
- Review and discuss the Compensation Discussion and Analysis ("CD&A") section of the Company's annual proxy statement with management, and recommend to the Board that the CD&A be included in the Company's proxy

statement as required.

Produce an annual report on executive compensation for inclusion in the Company's proxy statement.

As requested by Company management, review, consult and make recommendations and/or determinations regarding employee compensation and benefit plans and programs generally, including employee bonus and retirement plans and programs.

Assist the Board and management in developing and evaluating potential candidates for executive officer positions.

Advise the Board in its succession-planning initiatives for the Company's executive officers and other senior officers.

Role of Management in the Compensation Determination Process

The Company's senior management team, particularly the Chairman of the Board and the Chairman of the Executive Committee, support the Compensation Committee in the executive compensation decision-making process. At the request of the Compensation Committee, one or more members of the Executive Committee may present a performance assessment and recommendations to the Compensation Committee regarding base salaries, bonus payments, incentive plan structure and other compensation-related matters for the Company's executive officers (other than with respect to their own compensation).

Role of Compensation Consultant

The Compensation Committee has decided not to utilize the services of a paid compensation consultant after concluding that such a consultant would provide insufficient value compared to the cost.

Total Compensation for Executive Officers

The compensation packages offered to the Company's executive officers are comprised of one or more of the following elements:

Base salary;
Discretionary cash bonuses; and
Post-retirement healthcare and pension benefits.

The Company does not have any formal policies which dictate the amount to be paid with respect to each element, nor does it have any policies which dictate the relative proportion of the various elements. The Company also does not have any formal policies for allocating between cash and non-cash compensation and short-term and long-term compensation. Instead, the Company relies on the judgment of the Compensation Committee and input and feedback from the management team, including in particular members of the Executive Committee. The Compensation Committee has no plans to adopt any such formulas, ratios or other such targets that might artificially dilute the Company's effectiveness in achieving its overall profit objectives. In fact, all of the Company's compensation policy decisions are made in the context of its current financial position and are subordinated to the Company's current goal of achieving overall profitability on an annual basis. Each of the compensation components is described in more detail below.

Base Salary

The Company provides executive officers and other employees with base salary to compensate them for services rendered during the fiscal year. The purpose of base salary is to reward effective fulfillment of an executive's assigned job responsibilities, and to reflect the position's relative value to the Company and competitiveness of the executive job market. Base salaries for executive officers are determined based on the nature and responsibility of the position, salary norms for comparable positions at similar companies, the expertise and effectiveness of the individual executive, and the competitiveness of the market for the executive officer's services.

The Company has successfully held most base salaries at the low end of the competitive range in order to reduce its overall cost structure and to achieve systematic improvement in the financial performance of the business without incurring a large turnover in executive talent and leadership.

Any "merit increases" for the Company's executive officers are subject to the same budgetary constraints that apply to all other employees. Executive officer salaries are evaluated as part of the Company's annual review process and may be adjusted where justified in the context of the Company's current focus on profitability and controlling expenses.

For fiscal year 2018, the Compensation Committee set a base salary of \$5,343 per week for each Executive Committee member, reduced on a pro-rata basis for any member working less than a full time schedule. This change represented a 3% increase in the base salary compared to fiscal year 2017, which was derived from management's assessment of the increase in the cost of living.

Discretionary Cash Bonuses

The Company's policy is to make a significant portion of each NEO's total compensation contingent upon the Company's financial performance. The Compensation Committee believes that the payment of cash bonuses based on the Company's financial success allows the Company to offer a competitive total compensation package despite relatively lower base salaries, while aligning a significant portion of executive compensation with the achievement of positive Company financial results. However, while the payment of these cash bonuses to the NEOs is generally correlated with the achievement of positive Company financial results, there are no specific performance targets communicated to the NEOs in advance, and the bonuses are ultimately paid at the discretion of the Compensation Committee after receiving input from the Chairman of the Board. For the fiscal year ended November 2, 2018, discretionary bonuses were awarded to the members of the Company's Executive Committee as disclosed in detail in the Summary Compensation Table.

Long-Term Equity-Based Incentive Compensation

The Compensation Committee has concluded that long-term stock-related compensation has very limited value as an employee incentive or retention tool because the Company's equity-based incentive awards have historically provided little or no value to the recipient. In addition, beginning in 2005, U.S. accounting rules required the Company to expense any stock option awards according to a formula which could impose a costly charge on the Company's income statements, thereby burdening or erasing its profit margins. Because of these factors, the Company has not granted stock options or restricted stock awards for many years. Instead, the Compensation Committee aims to align the interests of the NEOs with those of the Company's shareholders by creating a link between the payment of executive compensation and the achievement of Company financial goals as described above. The Company's 1999 Stock Incentive Plan expired by its own terms on April 29, 2009 and no additional stock options or restricted stock may be granted thereunder.

Pension and Retirement Benefits

Retirement Plan for Administrative and Sales Employees of Bridgford Foods Corporation. The Company has a defined benefit plan (the "Primary Benefit Plan") for certain of its employees not covered by collective bargaining agreements. The Primary Benefit Plan, administered by a major life insurance company, presently provides that participants receive an annual benefit on retirement equal to 1.5% of their total compensation from the Company during their period of participation from 1958. Benefits are not reduced by Social Security payments or by payments from other sources and are payable in the form of a monthly lifetime annuity commencing at age 65 or the participant's date of retirement, whichever is later. Effective May 12, 2006, future benefit accruals under the Primary Benefit Plan were frozen.

Supplemental Executive Retirement Plan. Retirement benefits otherwise available to certain key executives under the Primary Benefit Plan have been limited by the effects of the Tax Equity and Fiscal Responsibility Act of 1982 (“TEFRA”) and the Tax Reform Act of 1986 (“TRA”). To offset the loss of retirement benefits associated with TEFRA and TRA, the Company has adopted a non-qualified “makeup” benefit plan (the “Supplemental Executive Retirement Plan”). Benefits will be provided under the Supplemental Executive Retirement Plan in an amount equal to 60% of each participant’s final average earnings minus any pension benefits and primary insurance amounts available to them under Social Security. However, in all cases the benefits are capped at \$120,000 per year for Allan L. Bridgford. Benefits provided under this plan for William L. Bridgford and Raymond F. Lancy are calculated at 50% of final average earnings, capped at \$200,000 per year, without offsets for other pension or Social Security benefits.

Bridgford Foods Retirement Savings 401(k) Plan. The Company implemented a 401(k) plan effective May 13, 2006. The Company makes a matching contribution to each employee’s account based on pretax contributions in an amount equal to 100% of the first 3% of compensation and 50% of the next 2% of compensation contributed to the Plan. Certain limitations on optional pre-tax contributions to the plan are imposed pursuant to the Internal Revenue Code of 1986, as amended. No amounts are contributed by the Company unless the employee elects to make a pretax contribution to the Plan.

Non-Qualified Deferred Compensation

Effective January 1, 1991 the Company adopted a deferred compensation savings plan for certain key employees. Under this arrangement, selected employees contributed a portion of their annual compensation to the plan. The Company contributed an amount to each participant’s account by computing an investment return equal to Moody’s Average Seasoned Bond Rate plus 2%. The purpose of the plan was to provide tax planning and supplemental funds upon retirement or death for certain selected employees and to aid in retaining and attracting employees of exceptional ability. Separate accounts are maintained for each participant to properly reflect his or her total vested account balance. No contributions or salary deferrals have been made in the past ten years.

Perquisites and Other Benefits

The Company provides its executive officers with various health and welfare programs and other employee benefits which are generally available on the same cost-sharing basis to all of its employees. However, in keeping with the Company’s policy of controlling costs in connection with its profitability objectives, it does not provide any significant perquisites or other special benefits to its executive officers including, but not limited to, payment of club memberships, fees associated with financial planning, executive dining rooms or special transportation rights. The Company does not own an airplane and does not provide aircraft for executives for business or personal purposes.

The Company provides post-retirement healthcare benefits for certain executives and their spouses (who are within fifteen years of age of the employee) who have reached normal retirement age. This coverage is secondary to Medicare. Coverage for spouses continues upon the death of the employee. The maximum benefit under the plan is \$100,000 per year per retiree. The combined gain on this plan during fiscal year 2018 was \$142,000 for all active and retired participants.

The Company pays life and disability insurance premiums on policies for the Company's President under which he is the named owner and beneficiary.

Employment Agreements

The Company currently does not have any employment, severance, change of control or similar agreements with any of its NEOs. Refer to the compensation discussion below for information on pension, deferred compensation, and benefit-related payments payable in the event of a qualifying event such as employment termination, disability, death, or sale/merger/acquisition.

Tax and Accounting Implications

The Compensation Committee is responsible for considering the deductibility of executive compensation under Section 162(m) of the Internal Revenue Code, which in fiscal year 2018 provided that it could not deduct compensation of more than \$1,000,000 that is paid to its executive officers. The Company believes that the compensation paid under the current management incentive programs is fully deductible for federal income tax purposes. In certain situations, the Compensation Committee may approve compensation that will not meet the requirements for deductibility in order to ensure competitive levels of compensation for its executives and to meet its obligations under the terms of various incentive programs. However, the issue of deductibility has not come before the Compensation Committee in recent years and is not expected to be a concern for the foreseeable future.

Shareholder Advisory Vote on Executive Compensation and Frequency of Advisory Vote

Pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”), the Company held an advisory (non-binding) shareholder vote on the compensation of the Company’s NEOs (commonly known as a “say-on-pay” proposal), and a shareholder vote on the frequency of such say-on-pay proposal, at its 2017 Annual Meeting of Shareholders. At such meeting, the shareholders of the Company approved the overall compensation of the Company’s NEOs and elected to hold a say-on-pay vote every three years. The Company’s next “say-on-pay” shareholder vote shall be at the 2020 Annual Meeting of Shareholders and its next shareholder vote on frequency shall be at the 2023 Annual Meeting of Shareholders.

See "Compensation Discussion and Analysis – Total Compensation for Executive Officers – Discretionary Cash Bonuses."

This column includes the aggregate positive change in actuarial present value of each NEO's accumulated benefit under all defined benefit and supplemental pension plans. In accordance with SEC rules, to the extent the aggregate change in present value of all defined benefit and supplemental pension plans for a particular fiscal year would have been a negative amount, the amount has instead been reported as \$0 and the aggregate compensation for the NEO in the "Total" column has not been adjusted to reflect the negative amount. In addition, to the extent that the change in present value of any particular defined benefit or supplemental pension plan for a particular year was a (5) negative amount, the negative amount has not been used to offset the positive change in present value associated with the other applicable defined benefit or supplemental pension plans. The aggregate negative change in the present value of the non-qualified deferred compensation plan and pension and retirement benefits for the NEOs in fiscal years 2018 and 2017 was as follows: (i) for fiscal year 2018, Allan L. Bridgford (\$72,490), Hugh Wm. Bridgford (\$67,608), William L. Bridgford (\$43,452), John V. Simmons (\$39,477), and Raymond F. Lancy (\$27,447), and (ii) for fiscal year 2017, Allan L. Bridgford (\$101,445), Hugh Wm. Bridgford (\$81,950), William L. Bridgford (\$22,032), John V. Simmons (\$19,940), and Raymond F. Lancy (\$13,911).

(7) Hugh W. Bridgford passed away on January 12, 2018.

Pension Benefits

The tables below provide information concerning retirement plan benefits for each NEO and payments due upon certain termination scenarios.

Retirement Plan for Administrative and Sales Employees of Bridgford Foods Corporation

Normal Retirement: Benefits commence upon reaching the “Normal Retirement Date”, which is the first day of the month on or after attainment of age 65. Pension benefit payments begin on the normal retirement date and continue until death.

Early Retirement: A participant may choose to retire up to ten years before the normal retirement date. If a participant retires early, the accrued pension will be reduced by a percentage to reflect the longer period over which pension benefits will be received. If a participant is married for at least one year and dies before retirement, a pension benefit will be payable to the surviving spouse for his or her life, provided certain eligibility requirements have been met.

Death Benefits: Payments to a surviving spouse will begin on the first day of the month following a participant’s death but not sooner than the earliest date a participant could have elected to retire.

Disability Benefits: A disability benefit is the accrued pension credited to a participant as of the date of disability.

The years of credited service, present value of accumulated plan benefits and payments made during the fiscal year were as follows:

For the Fiscal Year ended November 2, 2018:

Name	Number of Years Credited Service	Present Value of Accumulated Benefit (1)	Payments During Fiscal Year

The assumed discount rate used was 3.65% to compute the present value of the accumulated benefit. The SOA (1)RP-2014 Mortality Total Dataset with MP-2015 scaling was used and an expected return on assets of 7.00% was assumed.

Supplemental Executive Retirement Plan (SERP)

Payment of Retirement Benefit: All retirement, disability and death benefits shall be paid in monthly installments beginning on the commencement date following the participant's retirement, disability or death and shall continue for a period of fifteen years.

Normal Retirement: Benefits commence upon reaching the "Normal Retirement Date", which means the date on which the participant has both attained age 65 and completed at least ten years of participation. SERP benefit payments begin at the normal retirement date.

Early Retirement: A participant may choose to retire up to ten years before the normal retirement date if the participant has completed at least five years of participation. If a participant retires early, the SERP benefit will be determined based on the vested percentage attained as the time of retirement.

Death Benefits: If a participant dies prior to having commenced receipt of benefits and is eligible for benefits hereunder, the participant's beneficiary shall be entitled to receive an annual death benefit equal to the Normal Retirement Benefit determined as if the participant attained Normal Retirement Age on the date of his death, or, if after the Participant's Normal Retirement Date, equal to the Late Retirement Benefit. If a participant dies after having commenced receipt of benefits, benefits shall continue to be paid but to the Participant's Beneficiary at the same time and in the same form as the benefits would have been payable to the participant. No benefit will be payable to a

participant's beneficiary if the participant terminates employment with the Company before he is eligible for a retirement benefit and thereafter dies.

Disability Benefits: A disability benefit is the vested percentage of SERP benefit credited to a participant as of the date of disability.

The present value of accumulated plan benefits and payments made during the fiscal year were as follows:

For the Fiscal Year ended November 2, 2018:

Name	Present Value	Payments

John V. Simmons	\$ —	\$ —
Raymond F. Lancy	\$ 2,228,146	\$ —

(1) A 4.30% discount rate was used to compute the present values.

For the Fiscal Year ended November 3, 2017:

Name	Present Value of Accumulated Benefit (1)	Payments During Last Fiscal Year
Allan L. Bridgford	\$ —	\$ —
Hugh Wm. Bridgford	\$ —	\$ —
William L. Bridgford	\$ 2,326,963	\$ —
John V. Simmons	\$ —	\$ —
Raymond F. Lancy	\$ 2,326,963	\$ —

(1) A 3.65% discount rate was used to compute the present values.

The following table estimates the present value of SERP benefits under different employment termination scenarios as of November 2, 2018:

Name	Present Value of Benefit Upon Voluntary Termination of Employment (1)	Present Value of Benefit if Disabled (1)	Present Value of Benefit Upon Death (1)	Present Value of Benefit Upon Involuntary Termination of Employment due to Sale/Merger/ Acquisition (1)
Allan L. Bridgford	\$ —	\$ —	\$ —	\$ —

William L. Bridgford (2)	\$ 2,228,146	\$ 2,228,146	\$ 2,228,146	\$ 2,228,146
John V. Simmons	\$ —	\$ —	\$ —	\$ —
Raymond F. Lancy (2)	\$ 2,228,146	\$ 2,228,146	\$ 2,228,146	\$ 2,228,146

(1) In each scenario above, the benefit amount shown is calculated at November 2, 2018. A 4.30% discount rate was used to compute the present values. In the case of a voluntary termination, the participant shall be entitled to the vested portion of any such early retirement benefit but shall not commence receipt of such early retirement benefit until the commencement date following the date the participant would have attained the early retirement date had the participant remained employed by the Company. Upon a finding that the participant (or, after the participant's death, a beneficiary) has suffered an unforeseeable emergency, the Committee may at the request of the participant or beneficiary, and subject to compliance with Internal Revenue Code Section 409A, accelerate distribution of benefits under the SERP in the amount reasonably necessary to alleviate such unforeseeable emergency.

(2) Death benefits for William L. Bridgford and Raymond F. Lancy are paid in the form of a monthly annuity. The actual payment amount for William L. Bridgford and Raymond F. Lancy would be determined using a discount rate similar to the rate required for qualified plans. The rate assumed for these estimates is 4.30%.

The following table estimates future SERP payments under different termination scenarios as of November 2, 2018:

Name	Payment Upon	Payment if	Death Benefit	Involuntary
	Voluntary Termination of Employment	Disabled (1)	from Plan (2)	Termination of Employment Due to Sale/Merger/ Acquisition
Allan L. Bridgford	—	—	—	—
Hugh Wm. Bridgford	—	—	—	—
William L. Bridgford	\$16,666.67 per month for 180 months beginning on 11/02/18	\$16,666.67 per month for 180 months commencing after disability	\$16,666.67 per month for 180 months beginning just after death	Lump Sum payment due at termination of \$2,228,146
John V. Simmons	—	—	—	—
Raymond F. Lancy	\$16,666.67 per month for 180 months beginning on 11/02/18	\$16,666.67 per month for 180 months commencing after disability	\$16,666.67 per month for 180 months beginning just after death	Lump Sum payment due at termination of \$2,228,146

Disability amount is decreased by any Company paid disability insurance policies, Social Security disability benefits, or other Federal or State disability programs. In the case of a voluntary termination, the participant shall be entitled to the vested portion of any such early retirement benefit but shall not commence receipt of such early retirement benefit until the commencement date following the date the participant would have attained the early retirement date had the participant remained employed by the Company. Upon a finding that the participant (or, after the participant's death, a beneficiary) has suffered an unforeseeable emergency, the Committee may at the request of the participant or beneficiary, and subject to compliance with Internal Revenue Code Section 409A, accelerate distribution of benefits under the SERP in the amount reasonably necessary to alleviate such unforeseeable emergency.

(2) Assumes death on November 2, 2018. The discount rate used to calculate the lump sum amount is 4.30%.

See “Compensation Discussion and Analysis – Total Compensation for Executive Officers — Pension and Retirement Benefits” for further discussion of the pension benefits contained in the tables above.

The Company uses cash compensation to attract and retain qualified candidates to serve on its Board of Directors. In setting director compensation, the Compensation Committee considers the demands that have been placed and will continue to be placed on the directors and the skill-level required by its directors. The directors are not paid an annual retainer for their service on the Board. Instead, each non-employee director was paid \$2,100 for each of the first two Board meetings attended during fiscal year 2018 and \$2,300 for each subsequent Board meeting attended in fiscal year 2018. Other than the relationships noted above, the Company is not aware of any related party transactions that would require disclosure as a related party transaction under SEC rules.

The Company's executive officers, directors, nominees for directors and principal shareholders, including their immediate family members and affiliates, are prohibited from entering into related party transactions with the Company that would be reportable under Item 404 of Regulation S-K without the prior approval of its Audit Committee (or other independent committee of the Board of Directors in cases where it is inappropriate for the Audit Committee to review such transaction due to a conflict of interest). Any request for the Company to enter into a transaction with an executive officer, director, or nominee for director, principal shareholder or any of such persons' immediate family members or affiliates that would be reportable under Item 404 of Regulation S-K must first be presented to the Audit Committee for review, consideration and approval. In approving or rejecting the proposed agreement, the Audit Committee will consider the relevant facts and circumstances available and deemed relevant, including but not limited to, the risks, costs, and benefits to the Company, the terms of the transactions, the availability of other sources for comparable services or products, and, if applicable, the impact on director independence. The Audit Committee shall only approve those agreements that, in light of known circumstances, are in or are not inconsistent with the Company's best interests, as determined in good faith by the Audit Committee (or other independent committee, as applicable). The requirement for the Audit Committee to review related-party transactions (defined as those transactions required to be disclosed under Item 404 of Regulation S-K) is set forth in the Amended and Restated Audit Committee Charter, which was approved on November 8, 2010.

The Audit Committee's policy is to pre-approve all audit and permissible non-audit services performed by the independent registered public accountants. These services may include audit services, audit-related services, tax services and other services. During fiscal years 2018 and 2017, the Audit Committee approved all such services rendered by its independent registered public accountants. For audit services, the independent registered public accountants provide the Audit Committee with an audit plan including proposed fees in advance of the annual audit. The Audit Committee approves the plan and fees for the audit.

For non-audit services, the Company's senior management will submit from time to time to the Audit Committee for approval non-audit services that it recommends the Audit Committee engage the independent registered public accountants to provide during the fiscal year. The Company's senior management and the independent registered public accountants will each confirm to the Audit Committee that each non-audit service is permissible under all

applicable legal requirements. A budget, estimating non-audit service spending for the fiscal year, will be provided to the Audit Committee along with the request. The Audit Committee must approve both permissible non-audit services and the budget for such services.
