ITEM 3. SOURCE AND AMOUNT OF FUNDS AND OTHER CONSIDERATIONS

Shares of the Issuer have been accumulated on behalf of clients of Bulldog Investors, LLC.

ITEM 4. PURPOSE OF TRANSACTION

The filing persons believe Stewart's business has the potential to achieve much higher earnings and that its common stock is significantly undervalued relative to its peers. They believe that its undervalued share price stems primarily from the existence of Stewart's Class B common stock. The holders of the Class B shares own about 5% of the Stewart's equity but have the power to elect four of Stewart's nine directors. Additionally, the holders of the Class B shares, unlike the common shareholders, are not entitled to any dividends. As a result, there are irreconcilable conflicts of interest between the Class B shareholders and the common shareholders. The filing persons believe a capital structure that creates such conflicts is inappropriate and harmful for a public company.

The filing persons believe Stewart could be sold for a price that is significantly higher than its current market capitalization, and that a sale is the surest way to maximize shareholder value. They have had discussions with management and, while they may engage in further discussions, they currently intend to solicit proxies for the annual meeting to (1) support a proposal to eliminate Class B stock, and (2) elect directors who are committed to maximizing shareholder value sooner rather than later including consideration of a sale of the Company.
