Item 14. Indemnification of Directors and Officers.

A Cayman Islands exempted company is a company incorporated under the laws of the Cayman Islands whose business is conducted mainly outside the Cayman Islands. As a Cayman Islands exempted company, the laws of the Cayman Islands will be relevant to the provisions relating to indemnification of our directors and officers. Cayman Islands law does not limit the extent to which a company's articles of association may provide for indemnification of officers and directors, except to the extent any such provision may be held by the Cayman Islands courts to be contrary to public policy, such as to the provision of indemnification against the consequences of committing a crime or against the indemnified person's own fraud, dishonesty or willful default.

Our articles of association provide that each of our directors and officers shall be indemnified out of our assets against any liability, action, proceeding, claim, demand, costs, charges, damages or expenses incurred by him as a result of any act, dishonesty, willful default or failure to act in carrying out his functions other than such liability, if any, that he may incur by his own dishonesty, fraud or knowing or reckless breach of duty. No such director or officer shall be liable to us for any loss or damage in carrying out his functions unless that liability arises through the dishonesty, willful default, fraud or knowing or reckless breach of duty of such director or officer as determined by a court of competent jurisdiction.

We have also entered into indemnification agreements with our directors and executive officers under which we have agreed to indemnify each such person and hold him harmless against expenses, judgments, fines and amounts payable under settlement agreements in connection with any threatened, pending or completed action, suit or proceeding to which he has been made a party or in which he became involved by reason of the fact that he is or was our director or officer. Except with respect to expenses to be reimbursed by us in the event that the indemnified person has been successful on the merits or otherwise in defense of the action, suit or proceeding, our obligations under the indemnification agreements are subject to certain customary restrictions and exceptions. In connection with the Private Placement, we have entered into or will enter into additional indemnification agreements with the directors designated for nomination by CD&R.

In addition, we maintain standard policies of insurance under which coverage is provided to our directors and officers against loss arising from claims made by reason of breach of duty or other wrongful act, and to us with respect to payments which may be made by us to such directors and officers pursuant to the above indemnification provision or

otherwise as a matter of law.

Item 15. Recent Sales of Unregistered Securities.

The following sets forth information regarding all unregistered securities sold by us during the last three years:

- Since November 2011, we issued and sold an aggregate of 1,000,000 ordinary shares to CHC Cayman at par value. The offer, sale and issuance of these securities was deemed to be exempt from registration under the Securities Act under

Section 4(2) of the Securities Act as transactions by an issuer not involving any public offering. No underwriters were involved in the foregoing sale of securities.

- On August 21, 2014, we entered into an investment agreement with CD&R which contemplates CD&R making an investment of up to \$600.0 million in us by means of a purchase of preferred shares at a purchase price of \$1,000 per share and on October 30, 2014, we issued and sold an aggregate of 116,000 preferred shares to CD&R for \$1,000 per share. The offer, sale and issuance of these securities was deemed to be exempt from registration under the Securities Act under Section 4(2) of the Securities Act and Rule 506 of Regulation D as promulgated by the SEC under the Securities Act, or Regulation D, because the offer and sale of such securities do not involve a “public offering” as defined in Section 4(a)(2) of the Securities Act, and CD&R represented to us in the investment agreement that it is an “accredited investor” as such term is defined in Rule 501(a) of Regulation D.
- On January 16, 2014, we issued 922,207 ordinary shares under our 2013 Incentive Plan to certain members of our management in exchange for their options to purchase shares of CHC Cayman. The vesting of these securities was subject to certain time and performance restrictions. The issuance of these securities was deemed to be exempt from registration under the Securities Act under Section 4(2) of the Securities Act as transactions by an issuer not involving any public offering. No underwriters were involved in the foregoing issuance of securities.

Item 17. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the “Calculation of Registration Fee” table in the effective registration statement; and (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering;
- (4) To deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the Securities Exchange Act of 1934; and, where interim financial information required to be presented by Article 3 of Regulation S-X are not set forth in the prospectus, to deliver, or cause to be delivered to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information;

(5) That, for the purpose of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the Registrant pursuant to rule 424(b)(1), or (4), or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective; and

(6) That, for the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(b) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
