Annual Meeting of Shareholders
June 6, 2019

PROXY STATEMENT

GENERAL INFORMATION

This proxy statement is furnished to the shareholders of Insignia Systems, Inc. (the “Company”) in connection with the solicitation of proxies by the Board of Directors (the “Board”) to be voted at the Annual Meeting of Shareholders (the “Annual Meeting”) to be held on June 6, 2019, and at any adjournment of the meeting.

Important Notice Regarding the Internet Availability of Proxy Materials
for the Annual Meeting to be Held on June 6, 2019

In accordance with rules and regulations adopted by the U.S. Securities and Exchange Commission (the “SEC”), we are furnishing our proxy materials on the Internet. “Proxy materials” means this Proxy Statement, our Annual Report for the fiscal year ended December 31, 2018 and any amendments or updates to these documents. A Notice Regarding the Availability of Proxy Materials (“Notice of Internet Availability”) will be mailed to shareholders on or about April 22, 2019. The Notice of Internet Availability contains instructions on how to access our Proxy Statement and Annual Report and how to vote via the Internet, by telephone or by mail.

What is the purpose of the Annual Meeting and what are the Board’s recommendations?

At our annual meeting, shareholders will vote on the following items of business:

Item of Business	Board Recommendation
1. Election of five directors	FOR each nominee
2. Advisory, non-binding vote, to approve the Company’s executive compensation	FOR
3. Ratification of Independent Registered Public Accounting Firm	FOR

If any other matters properly come before the Annual Meeting or any adjournment or postponement thereof, then the shares represented by the proxies solicited by the Board may be voted by the persons named therein at their discretion.

Who is entitled to vote at the meeting?

As of the record date, April 11, 2019, there were 11,947,485 shares of common stock, par value \$.01 per share, outstanding and entitled to vote at the Annual Meeting. Pursuant to the Company’s Articles of Incorporation, each outstanding share of common stock is entitled to one vote. Only shareholders of record at the close of business on the record date, are entitled to vote at the Annual Meeting and at any adjournment or postponement thereof. See “How many shares must be present to hold the meeting?” below for a discussion of quorum.

What is the difference between a “shareholder of record” and a shareholder who holds the stock in “street name”?

Shareholder of Record. If your shares are registered directly in your name with our transfer agent, EQ Shareowner Services, you are considered, with respect to those shares, a “shareholder of record” (also known as a “registered

shareholder”). The proxy materials will be sent directly to you by us or our representative.

Table of Contents

Beneficial Owner. If your shares are held in a brokerage account or by another nominee, your shares are said to be held in “street name” and you are considered the beneficial owner of the shares. Technically, the bank or broker is the shareholder of record with respect to those shares. In this case, the proxy materials will be forwarded to you by your broker, bank or other financial institution or its designated representative. Through this process, your bank or broker will collect the voting instructions from all their respective customers who hold our shares, including you, and then submits those votes to us.

How do I vote my shares?

If you are a shareholder of record, you can submit a proxy to be voted at the meeting in the following ways:

Vote by Internet: To vote over the internet, go to www.proxyvote.com. You must enter your Control Number that appears on your Notice of Internet Availability or proxy card that was mailed to you and follow the instructions. The steps have been designed to authenticate your identity, allow you to give voting instructions, and confirm that those instructions have been recorded properly.

Vote by Telephone: To vote over the telephone, call the toll-free number on the Notice of Internet Availability that was mailed to you. You must enter your Control Number that appears on your Notice of Internet Availability or proxy card and then follow the instructions. The steps have been designed to authenticate your identity, allow you to give voting instructions, and confirm that those instructions have been recorded properly.

Vote by Mail: You can vote by mail by requesting a paper copy of the materials, which will include a proxy card. Mark, sign, date and return the proxy card in the postage-paid envelope provided.

Vote in Person: If you choose to vote your shares in person at the meeting, you must request a “legal proxy.” To do so, please follow the instructions at www.proxyvote.com or request a paper copy of the materials, which will contain the appropriate instructions. You may also request a paper or email copy of the documents by calling 1-800-579-1639 or email your request to: sendmaterial@proxyvote.com.

If you are a shareholder who holds the stock in street name, you must vote your shares using the method provided by your broker, bank, trust or other designee, which is similar to the voting procedure for shareholders of record outlined below. You will receive a voting instruction form (not a proxy card) to use to direct your broker, bank, trust or other designee how to vote your shares.

Any proxy may be revoked at any time before it is voted by written notice, mailed or delivered to the Company, or by revocation in person at the Annual Meeting. If not so revoked, the shares represented by such proxy will be voted in the manner directed by the shareholder. If no direction is made, signed proxies received from shareholders will be voted in accordance with the Board’s recommendations.

How many shares must be present to hold the meeting?

Under Minnesota law and our Bylaws, a majority of the voting power of the shares entitled to vote at the Annual Meeting represent a quorum for the transaction of business. Votes cast by proxy or in person at the Annual Meeting will be tabulated at the Annual Meeting to determine whether or not a quorum is present. To calculate whether a quorum is present, the total number of shares present and entitled to vote at the meeting will be divided by the total number of shares outstanding and authorized to vote under the Company’s Articles of Incorporation.

Table of Contents

How many votes are required to approve the proposals?

Unless a larger proportion or number is required under the Company's Articles of Incorporation or Minnesota law, each item of business properly presented at a meeting of shareholders at which a quorum is present must be approved by the affirmative vote of the holders of the greater of (i) a majority of the voting power of the shares present, in person or by proxy, and entitled to vote on that item of business, or (ii) a majority of the voting power of the minimum number of the shares entitled to vote that would constitute a quorum for the transaction of business at the meeting (each a "Majority Vote").

Item of Business	Vote Requirement
1.Election of five directors	Plurality Vote
2.Advisory, non-binding vote, to approve the Company's executive compensation	More FOR than AGAINST
3.Ratification of Independent Registered Public Accounting Firm	Majority Vote

For Proposal 1, directors are elected by the affirmative vote of the holders of a plurality of the shares present and entitled to vote. Shareholders are not entitled to cumulate their votes for the election of directors.

Proposal 2 is an advisory, non-binding vote, and will be deemed approved if the number of votes cast "for" exceeds the number of votes cast "against." Abstentions and broker non-votes will have no effect on this proposal.

Proposal 3 must be approved by a majority vote of the number of shares entitled to vote at the meeting.

Broker Non-votes and abstentions will have the same effect as a vote against Proposal 3.

What is the effect of not voting or not instructing my bank or broker how to vote my shares?

If you are a shareholder of record, and you do not cast your vote, no votes will be cast on your behalf on any proposals at the Annual Meeting.

If you hold your shares in street name, your bank or broker cannot vote your shares with respect to the election of directors (Proposal 1), and the advisory vote to approve executive compensation (Proposal 2). Therefore, if you hold your shares in street name and you do not instruct your bank or broker how to vote, no votes will be cast on your behalf on those proposals (a "Broker Non-vote"). Your bank or broker may exercise discretion and vote uninstructed shares on the ratification of our independent registered public accounting firm (Proposal 3). We strongly encourage you to return your voting instruction form and exercise your full voting rights. See "How do I vote my shares?" above for a discussion of how Interested Shares should be voted.

Who pays for the cost of proxy preparation and solicitation?

All expenses in connection with solicitation of proxies will be borne by the Company. The Company will pay brokers, nominees, fiduciaries, or other custodians their reasonable expenses for sending proxy material to, and obtaining instructions from, persons for whom they hold stock of the Company. The Company expects to solicit proxies by mail, but directors, officers, and other employees of the Company may also solicit in person, by telephone or by mail.

CORPORATE GOVERNANCE AND BOARD MATTERS

The business and affairs of the Company are conducted under the direction of the Board in accordance with the Company's Articles of Incorporation and Bylaws, the Minnesota Business Corporations Act, federal securities laws and regulations, applicable rules of the Nasdaq Stock Market ("Nasdaq Rules"), Board committee charters and the Company's Code of Ethics. Members of the Board are informed of the Company's business through discussions with management, by reviewing Board meeting materials provided to them and by participating in meetings of the Board and its committees, among other activities. Our corporate governance practices are summarized below.

Election to the Board of Directors

All of the Company's directors are elected annually. Our Bylaws, as amended, provide that the Board shall consist of between two and no more than nine members, as designated by resolution of the Board from time to time. Pursuant to the recommendation of the Governance, Compensation and Nominating Committee, the Board has set the size of the Board to be elected at the 2019 Annual Meeting at five.

Majority Independent Board

The Nasdaq Rules require that a majority of our board of directors be "independent directors" as that term is defined in the rules. The Board has determined that each of our non-employee directors, namely Mr. Berning, Ms. Clarridge, Mr. Unterseher, Ms. Vegas, and Mr. Zenz, are "independent directors."

Meetings of the Board of Directors and Director Attendance

The Board held 29 meetings during 2018. Each director attended more than 75% of all meetings of the Board and committees of the Board on which he or she served. Although the Board does not have a policy regarding attendance at the Company's annual meetings of shareholders, then serving directors, Mr. Berning, Ms. Clarridge, Ms. Glancy, Mr. Unterseher, Ms. Vegas and Mr. Zenz attended the 2018 Annual Meeting of Shareholders. Directors are expected to attend substantially all the meetings of the Board and the committees on which they serve, as well as the annual meeting of shareholders, except for good cause. Directors who have excessive absences without good cause will not be nominated for re-election or, in extreme cases, will be asked to resign or be removed.

Committees of the Board of Directors

The current membership of the Board's standing committees is set forth in the following table.

Director	Audit	Governance, Compensation and Nominating	Independent Director
Jacob J. Berning	Member	Member	
Suzanne L. Clarridge		Member	
Kristine A. Glancy			
Loren A. Unterseher	Member		
Rachael B. Vegas		Chair	
Steven R. Zenz	Chair		

Audit Committee

Independence; Qualifications. Each of the members of the Audit Committee is an “independent director” as that term is defined by the Nasdaq Rules and “independent” as that term is defined by Rule 10A-3(b)(1) under the Securities Exchange Act of 1934. The Board has also determined that Mr. Unterseher and Mr. Zenz each have acquired the attributes necessary to qualify him as an “audit committee financial expert,” as that term is defined by the rules of the SEC. The determination for Mr. Unterseher was based primarily on experience analyzing and evaluating financial statements and financial performance of companies as Director of Mergers and Acquisitions for Craig-Hallum and in similar roles at Lazard Middle Market and RBC. For Mr. Zenz, the determination was based primarily on his extensive experience as a former partner of the audit and advisory firm KPMG LLP, including as lead audit partner for many of its publicly-held clients.

Table of Contents

Duties and Responsibilities. The Audit Committee provides independent objective oversight of the Company's financial reporting system. As part of its responsibilities, the committee reviews and evaluates significant matters relating to the annual audit and the internal controls of the Company and communicates its analysis with management, reviews the scope and results of annual independent audits by, and the recommendations of, the Company's independent auditors, reviews the independent auditor's qualifications and independence and approves additional services to be provided by the auditors. The committee is solely responsible for appointing, setting the compensation of and evaluating the independent auditors.

In addition, the committee: (i) meets separately with management and the independent auditors on a periodic basis; (ii) receives the independent auditors' report on all critical accounting policies and practices and other written communications; (iii) reviews management's statements concerning its assessment of the effectiveness of internal controls and the independent auditors' report on such statements, as applicable; and (iv) reviews and discusses with management and the independent auditors the Company's interim and annual financial statements and disclosures (including Management's Discussion and Analysis) in its Quarterly Reports on Form 10-Q and Annual Report on Form 10-K and the results of the quarterly financial reviews and the annual audit. The committee has direct access to the Company's independent auditors. The committee also reviews and approves all related-party transactions.

The foregoing is a general summary of the Audit Committee's duties and activities. The Audit Committee operates pursuant to a written charter, which is available on the Investor Relations section of the Company's website at www.insigniasystems.com. This charter further describes the role of the committee in overseeing the Company's financial reporting process. References to the Company's website are for informational purposes and are not intended to, and do not, incorporate information found on the website into this proxy statement.

Committee Meetings. The Audit Committee held six meetings during 2018. In addition to fulfillment of the Audit Committee's regular duties and responsibilities, these meetings were designed to facilitate and encourage private communication between the committee and the Company's independent auditors. Please refer to the Report of the Audit Committee appearing later in this proxy statement.

Governance, Compensation and Nominating Committee

Governance Changes. Effective May 17, 2018, the Board approved the formation of a new Governance, Compensation and Nominating Committee ("GCN Committee") to have all of the powers and responsibilities of its former Compensation and Nominating and Corporate Governance Committees.

Independence. Each of the members of the GCN Committee are "independent directors" as that term is defined by the Nasdaq Rules, including the independence criteria specific to compensation committee members, and "non-employee directors" as that term is defined in Rule 16b-3 under the Securities Exchange Act of 1934.

Duties and Responsibilities. The GCN Committee operates pursuant to a written charter, which is available on the Investor Relations section of the Company's website at www.insigniasystems.com. The committee's main duties, as described in its charter, are: (i) to nominate a slate of directors to be considered for election at the Company's annual meeting of shareholders, (ii) to review, approve and recommend for Board ratification of annual base salary and incentive compensation levels, employment agreements, and benefits of the President and Chief Executive Officer and other key executives; (iii) to review the performance of the President and Chief Executive Officer; (iv) to review and assess performance target goals established for bonus plans and determine if goals were achieved at the end of the plan year; (v) to act as the administrative committee for the Company's stock plans, and any other incentive plans established by the Company; (vi) to consider and approve grants of incentive stock options, non-qualified stock options, restricted stock or any combination to any employee; and (vii) to oversee the filing of required

compensation-related reports or disclosures in the Company's SEC reports, proxy statement and other filings. From time to time, the committee consults with the President and Chief Executive Officer on executive compensation matters (other than with respect to their own compensation).

Compensation Consultant. In pursuing its duties, the GCN Committee has the authority to retain and has, from time to time, retained outside compensation consultants to advise it on compensation matters. In setting 2018 compensation, the committee retained Willis Towers Watson as its independent compensation consultant. Willis Towers Watson was retained by and reported directly to the committee. The committee consulted with Willis Towers Watson regarding the Company's plans, policies and long-term incentive arrangements, with representatives of Willis Towers Watson attending several committee meetings. Willis Towers Watson did not provide any other consulting services to the Company. The committee determined that the work of its compensation consultant in 2018 did not raise any conflicts of interest.

Nomination and Candidate Evaluation Processes. Shareholders who wish to recommend candidates to the Board or its GCN Committee should submit the names and qualifications of the candidates at least 120 days before the date of the

Table of Contents

Company's proxy statement for the previous year's annual meeting. Submittals should be in writing and addressed to the committee at the Company's headquarters. Candidates recommended by shareholders will be evaluated using the same criteria applicable to other candidates.

In accordance with its committee charter, the GCN Committee typically evaluates candidates for election as directors using the following criteria: education, reputation, experience, industry knowledge, independence, leadership qualities, personal integrity, diversity, and such other criteria as the committee deems relevant. The committee will consider candidates recommended by the Board, management, shareholders, and others. The committee is also authorized to retain and pay advisors to assist it in identifying and evaluating candidates.

Committee Meetings. The former Compensation Committee held five meetings in 2018 and the former Nominating and Corporate Governance Committee held one meeting in 2018. The GCN Committee held 11 meetings in 2018.

Leadership Structure of the Board of Directors

The Board does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board. The Board believes it is in the best interests of the Company to make such a determination periodically, based on available information. The positions of Chief Executive Officer and Chairman of the Board are not currently held by the same person. Ms. Glancy serves as our President and Chief Executive Officer and Mr. Berning serves as Chairman of the Board. Under this structure, our President and Chief Executive Officer and other senior management under her supervision are primarily responsible for setting the strategic direction of the Company and managing the day-to-day leadership and performance of the Company, while the Chairman provides guidance to the President and Chief Executive Officer and senior management, sets the agenda for meetings of the Board and presides over meetings of the full Board. The Board believes the current leadership structure strengthens the role of the Board in fulfilling its oversight responsibility and fiduciary duties to the Company's shareholders while recognizing the day-to-day management direction of the Company by Ms. Glancy and other senior management.

Board Role in Risk Oversight

The Company faces a number of risks, including financial, technological, operational, strategic and competitive risks. Management is responsible for the day-to-day management of risks we face, while the Board has responsibility for the oversight of risk management. In its risk oversight role, the Board ensures that the processes for identification, management and mitigation of risk by our management are adequate and functioning as designed.

The Board is actively involved in overseeing risk management, and it exercises its oversight both through the full Board and through the two standing committees of the Board – the Audit and GCN Committees. The two standing committees exercise oversight of the risks within their areas of responsibility, as disclosed in the descriptions of each of the committees above and in the charters of each of the committees.

The Board and the two standing committees receive information used in fulfilling their oversight responsibilities through the Company's executive officers and its advisors, including our legal counsel, our independent registered public accounting firm, and the compensation consultants we have engaged from time to time. At meetings of the Board, management makes presentations to the Board regarding our business strategy, operations, financial performance, fiscal year budgets, technology and other matters. Many of these presentations include information relating to the challenges and risks to our business and the Board and management actively engage in discussion on these topics. Each of the committees also receives reports from management regarding matters relevant to the work of that committee. These management reports are supplemented by information relating to risk from our advisors. Additionally, the Board receives reports by each committee chair regarding the committee's considerations and

actions. In this way, the Board also receives additional information regarding the risk oversight functions performed by each of these committees.

Shareholder Communications with the Board

Shareholders may send written communications to the Board or to any individual director at any time. Communications should be addressed to the Board or the individual director at the address of the Company's headquarters. The Board will respond to shareholder communications when it deems a response to be appropriate.

Code of Ethics

We have in place a "code of ethics" within the meaning of Rule 406 of Regulation S-K, which is applicable to our senior financial management, including specifically our principal executive officer and principal financial officer. A copy of the

Table of Contents

Code of Ethics is available on our website (www.insigniasystems.com) under the “Investor Relations - Corporate Governance” caption. We intend to satisfy our disclosure obligations regarding any amendment to, or a waiver from, a provision of this code of ethics by posting such information on the same website.

Compensation of Non-Employee Directors

The following table summarizes the compensation paid to our non-employee directors for 2018.

Name	Fees Earned or Paid Cash(1)	Stock Awards(2)	Total
Jacob J. Berning	\$23,918	\$30,000	\$53,918
Suzanne L. Clarridge(3)	\$9,500	\$15,000	\$24,500
Loren A. Unterseher(3)	\$9,500	\$15,000	\$24,500
Rachael B. Vegas	\$22,418	\$15,000	\$37,418
F. Peter Zaballos(4)	\$15,750	\$—	\$15,750
Steven R. Zenz	\$24,418	\$15,000	\$39,418

(1)

Reflects annual board retainer and fees for attending Board, committee and conference call meetings earned during 2018.

(2)

On August 10, 2018, each non-employee director received restricted stock grants pursuant to the 2018 Plan worth \$15,000 for directors and \$30,000 for Chairman based on the closing price of the Company’s common stock on the date of grant.

(3)

Ms. Clarridge and Mr. Unterseher each became directors on May 17, 2018.

(4)

Mr. Zaballos ceased service as a director on May 17, 2018.

From January to June 2018, non-employee directors were eligible to receive an annual cash retainer of \$10,000 per year and the Chairman of the Board was eligible to receive an additional annual cash retainer of \$5,000. Each such retainer was allocated to a director for the portion of the year served in each role. Non-employee directors were also eligible to receive \$1,000 for each Board meeting (\$250 for each conference call meeting) that they attended. In addition, the chair of each committee was eligible to receive \$1,000 for each in-person meeting of the committee over which they presided (\$500 for each conference call meeting). Members of committees were eligible to receive \$500 for each committee meeting they attended in person on days separate from regular Board meetings (\$250 for each conference call meeting).

Effective immediately following the annual meeting of shareholders held on July 20, 2018, non-employee director compensation was restructured to simplify administration by eliminating fees for meetings. The annual cash retainer was increased by the average annual amount paid for meeting fees in the prior two years, with the intent to maintain approximately the same annual compensation as in each of the prior two years. Non-employee directors became eligible to receive an annual cash retainer of \$17,000 per year of service and the Chairman of the Board and each Committee Chair were eligible to receive an additional annual cash retainer of \$5,000. Each such retainer is allocated to a director for the portion of the year served in each role.

In 2018, each non-employee director received a restricted stock grant of shares of common stock based on a target grant date fair value of \$15,000, with the Board Chair receiving a target fair value of \$30,000. These restricted stock grants were made on August 10, 2018 pursuant to the 2018 Plan. Each non-employee director was granted 7,692 restricted stock units, and the Board Chair was granted 15,384 restricted stock units, each based on a closing price of \$1.95 for a share of the Company's common stock on the date of grant as reported by The Nasdaq Stock Market. The restricted stock units are scheduled to vest and settle in a share of common stock for each unit on the day immediately preceding the date of the 2019 Annual Meeting of Shareholders, which vesting is expected to occur on June 5, 2019.

Director Deferred Compensation

Each of our non-employee directors is eligible to participate in our director deferred compensation plan (the "Director Deferred Compensation Plan"), which allows a director to make voluntary deferrals of up to 100% of their annual cash retainer and any additional committee chair cash retainer. The Company does not match any contributions to the Director Deferred Compensation Plan. Deferred cash retainer amounts, if any, are deemed to be invested in common stock equivalents having a value equal to the deferred cash retainer amounts based on the fair market value of a share of our common stock on the dates such amount would have otherwise been paid to the participant. Dividends, if any, accrued on such common stock equivalents are deemed to be similarly deferred and credited to the director's deferred stock account. A participating director will receive a distribution of their deferred stock account, consisting of one share of stock for each common stock equivalent credited to their deferred stock account as of the date of distribution, as soon as practicable following the director's separation from service as a director of the Company.

PROPOSAL ONE – ELECTION OF DIRECTORS

Nominations

The Board believes it is important that the Board be composed of members whose collective judgment, experience, qualifications, attributes and skills ensure that the Board will be well-positioned to fulfill its responsibilities to see that the Company is governed in a manner consistent with the interests of the shareholders of the Company and in compliance with applicable laws, regulations, rules and orders, and to satisfy its oversight responsibilities effectively.

Cooperation Agreement

The Company is party to a Cooperation Agreement, dated May 17, 2018 (the “Cooperation Agreement”), with Air T, Inc. Groveland Capital LLC, and Nicholas J Swenson (collectively the “Shareholder Group”), which requires that the Company include Ms. Clarridge and Mr. Unterseher in its slate of nominees for election at the Annual Meeting and solicit proxies with a recommendation that shareholders vote in favor of their election at such meeting. Also pursuant to the Cooperation Agreement, Mr. Zenz promptly announced his retirement from the Board to be effective as of this Annual Meeting.

Composition

In determining the nominees for election to serve as directors of the Company, the Board first determined that the Board will consist of five members as of the Annual Meeting. The Board, in conjunction with its GCN Committee, then considered the Company’s obligations under the Cooperation Agreement and the qualifications and experience and any other desirable skills, experience or knowledge. The Board, upon recommendation by its GCN Committee, then approved a slate of directors to be nominated for election at the Annual Meeting.

When identifying and evaluating candidates for director, the Board and its applicable committee (if any) historically consider the general and specific qualifications, experience and characteristics which may have been approved by the Board or determined by the committee from time to time including qualifications reflecting the individual’s integrity, reputation, education, experience, industry knowledge, leadership qualities and independence. Specifically, the Board seeks independent directors who have experience relevant to the Company’s business and strategic objectives, specifically experience in retailing, the consumer-packaged goods industry, and with technology innovation. The Board maintains a detailed set of criteria aligned with these objectives and has historically evaluated potential candidates against these criteria. The Board and its applicable committee (if any) also consider diversity in a broad sense when evaluating a director nominee, taking into account various factors, including but not limited to, differences of viewpoint, professional experience, education, skill, race, gender and national origin, but does not have a formal policy regarding diversity of Board members.

Director Nominees

The Board has nominated five current directors as named below for election at the Annual Meeting. If elected, each will serve for a term of one year, or until their successors are elected and qualified, subject to their prior death, resignation, retirement or removal from office. Should one or more of these nominees become unavailable to accept nomination or election as a director (which is not anticipated), the individuals named as proxies on the enclosed proxy card will vote the shares that they represent for the election of such other persons as the Board may recommend, or the Board may reduce the number of directors to be elected. Unless otherwise instructed by the shareholder, proxy holders will vote all proxies received for each of the nominees.

Edgar Filing: INSIGNIA SYSTEMS INC/MN - Form DEF 14A

The specific qualifications of each nominee, including biographical data for at least the last five years and the particular experience, qualifications, attributes or skills that led to a conclusion that he or she should serve as a director of the Company, are set forth below.

Director & Nominee	Age	Position	Director Since
Jacob J. Berning	46	Director, Chairman of the Board	June 2017(1)

Fiscal 2018 Executive Compensation

The principal components of compensation for the Named Executive Officers are: (i) base salary; (ii) non-equity incentive compensation in the form of an annual cash bonus under the Executive Incentive Plan; and (iii) long-term, equity-based incentive compensation in the form of restricted stock units. These components of compensation are summarized below, followed by a description of each Named Executive Officer's individual agreements with the Company and the compensation received thereunder.

Executive Incentive Plan

In April 2018, the Board, as recommended by its Compensation Committee, adopted the 2018 Executive Cash Incentive Plan (the "2018 Cash Plan"), which replaced the Executive Incentive Plan. Members of the Company's senior management, including both of the Company's two executive officers, Ms. Glancy and Mr. Jagerson, participated in the 2018 Cash Plan.

The 2018 Cash Plan provided that for each of the participants, (a) 70% of the bonus potential was allocated to the Company's performance against target operating income (loss), inclusive of all compensation expenses ("Profit"), and (b) the remaining 30% of the bonus potential was allocated to individual performance against personal goals established by the Board. The total target bonuses under the 2018 Cash Plan was equal to 50% of each participant's respective base salary and payouts, if any, could have ranged from 8.75% to 82.2% of each participant's base salary. Similar to 2017, the 2018 Cash Plan provided for a potential revenue-based multiplier of between 110% and 120% based on Company performance against target operating income (loss) and total net sales.

The GCN Committee, as successor to the Compensation Committee, was responsible for determining the level of each participant's satisfaction of their personal goals and the resulting payout of up to a maximum of 30% of their respective bonus potential, which determination was independent of achievement Company performance against the Profit target and subject to final approval by the Board. All bonus calculations under the 2018 Cash Plan were subject to review and final approval prior to payment.

Company Performance-Based Payment

For 2018, the Compensation Committee established a target operating income of \$3,000 and approved the following schedule of potential payments under the Executive Incentive Plan:

Operating Income/(Loss) Percent of Target Variable Compensation

< (\$303,001)	0%
(\$303,000k) - (\$150,001)	25%
\$(150,000)- \$3,000	75%
\$3,001- \$164,999	100%
\$165,000- \$429,999	115%
\$430,000- \$649,999	140%
	160%

> \$650,000

Based on an actual operating income of \$1,832,000 for 2018, as reported in Part II, Item 8, of the Company's Annual Report on Form 10-K, the Board, as recommended by its GCN Committee, approved payments representing 160% of target variable compensation, representing payments of \$176,176 to Ms. Glancy and \$138,181 to Mr. Jagerson.

Revenue-Based Multiplier

If the Company's operating income for the fiscal year was at or greater than \$165,000, then participants were also eligible to have their payment based on operating income increased based on a multiplier determined by total net sales. For 2018, the GCN Committee established a total net sales target of \$31,329,000 and approved the following schedule of potential payments:

Operating Income	Total Net Sales	Resulting Multiplier
\$165,000-\$429,999	100% or greater of Target	110%
\$430,000-\$649,999	100% or greater of Target	115%
>\$650,000	100% or greater of Target	120%

Table of Contents

Participants were only eligible to receive this supplemental bonus amount if both (i) operating income exceeded 100% target performance and (ii) total net sales revenue met or exceeded the applicable target performance level. Based on actual operating income as reported above and total net sales exceeding 100% of target, the multiplier was applied at 120%, representing payments of \$35,235 to Ms. Glancy and \$27,636 to Mr. Jagerson.

Individual Performance

For 2018, the remaining 30% of the potential payments under the 2018 Cash Plan was determined based on individual performance against personal goals established by the Board. Based on a variety of factors, including company-wide business development performance under their leadership during 2018, the Board, as recommended by its GCN Committee, approved a final payment of \$47,190 to Ms. Glancy and a final payment of \$37,013 to Mr. Jagerson under this part of the program.

Long-term, Equity-Based Incentive Compensation

The GCN Committee has determined that a combination of common stock options and restricted stock units are each appropriate under certain circumstances, based upon factors including market practices and our overall compensation philosophy. Historically, options have a ten-year term and bear an exercise price equal to the fair market value of a share of our common stock on the date of grant, determined in accordance with the applicable equity plan. Each restricted stock unit generally represents a contingent right to receive one share of our common stock upon vesting.

On June 13, 2018, Ms. Glancy and Mr. Jagerson received 50,000 and 22,000 restricted stock units, respectively, under the 2013 Omnibus Stock and Incentive Plan (the “2013 Plan”). Each such award is scheduled to vest in three substantially equal increments on the first, second, and third anniversaries of the date of grant.

On August 10, 2018, Ms. Glancy received options to purchase up to 53,985 shares of common stock and 53,985 restricted stock units and Mr. Jagerson received options to purchase up to 13,570 shares of common stock and 13,570 restricted stock units, each under the 2018 Equity Incentive Plan (the “2018 Plan”). Each such award is scheduled to vest in three substantially equal increments on the second, third and fourth anniversaries of the date of grant.

Actions Relating to Fiscal 2019 Executive Compensation

In January 2019, the non-employee directors, as recommended by the GCN Committee, approved changes in base salaries for 2019, resulting in revised annual base salaries of \$314,600 for Ms. Glancy and \$246,750 for Mr. Jagerson. Additionally, the non-employee directors, as recommended by the GCN Committee, approved, the 2019 Executive Cash Incentive Plan (the “2019 Cash Plan”). The only employees currently eligible to participate in the 2019 Cash Plan are the Company’s two executive officers: Ms. Glancy and Mr. Jagerson. The 2019 Cash Plan provides that each of the participants is eligible to receive a potential payout based solely on the Company’s performance against target operating income, inclusive of all compensation expenses. The total target cash payments under the 2019 Cash Plan are equal to 50% of each participant’s respective base salary and payouts, if any, would range from 12.5% to 75% of each participant’s base salary. Similar to 2018, the 2019 Cash Plan provides for a potential revenue-based multiplier of between 110% and 120% based on Company performance against target net operating income and threshold net revenue. All bonus calculations under the 2019 Cash Plan will be subject to review and final approval by the GCN Committee prior to payment.

Employment and Change in Control Agreements

The Company entered into an Employment Agreement and a Change in Control Agreement with Ms. Glancy in connection with the commencement of her employment as President and Chief Executive Officer, each effective as of May 9, 2016.

The Company also entered into an Employment Agreement and a Change in Control Agreement with Mr. Jagerson in connection with the commencement of his employment as Chief Financial Officer of the Company, each effective as of July 17, 2017.

Each Employment Agreement provides that the employee will receive an established annual base salary, subject to increase from time to time, target incentive compensation awards, and participation in customary benefit plans and programs. In addition, in the event of the employee's involuntary termination without cause or voluntary termination with good reason, she or he will be eligible to receive accrued and unpaid compensation as well as the following severance pay and benefits: (1) the annual incentive compensation they would have been entitled to receive for the year in which their termination occurs as if they had continued until the end of that fiscal year, determined based on the Company's actual performance for that year relative to any applicable performance goals, prorated for the number of days in the fiscal year through the termination date and

generally payable in a cash lump sum at the time such incentive awards are payable to other participants; (2) a percentage (100% for Ms. Glancy; 50% for Mr. Jagerson) of their annual base salary as in effect at the time of termination, payable in a single lump sum payment no later than 60 days following the termination date; and (3) welfare benefit continuation for four months following termination. In the event of death, disability, involuntary termination for cause or voluntary termination without good reason, each will be entitled to accrued and unpaid compensation as provided in the Employment Agreement.

“Cause” is defined in each Employment Agreement as (a) the deliberate and continued failure to substantially perform the duties and responsibilities; (b) the criminal felony conviction of, or a plea of guilty or nolo contendere; (c) the material violation of Company policy; (d) the act of fraud or dishonesty resulting or intended to result in personal enrichment at the expense of the Company; (e) the gross misconduct in performance of duties that results in material economic harm to the Company; or (f) the material breach of the Employment Agreement by the employee. “Good reason” includes demotion, reduction in salary or benefits, and certain other events.

Under their respective Change in Control Agreements, as amended, upon a qualifying termination, employee would be eligible to receive the following, subject to offset by the amount of any severance previously paid to her under any employment agreement with the Company: (1) a lump sum severance payment equal to a percentage (200% for Ms. Glancy; 75% for Mr. Jagerson) of their annual base salary, (2) cash payment equal to the sum of (x) unpaid incentive compensation that has been allocated or awarded to them for a completed fiscal year preceding the date of the Qualifying Termination which is contingent only upon the continued employment to a subsequent date plus (y) a pro rata portion to the date of the Qualifying Termination of her target bonus for the year calculated through the date of the Qualifying Termination, (3) welfare benefit continuation for a specified period (12 months for Ms. Glancy; 6 months for Mr. Jagerson), (4) certain post-retirement health care or life insurance benefits if they would have become eligible for such benefits during the 24 months after the date of termination, (5) a lump sum payment equal to all earned but unused paid time off days, and (6) outplacement fees not to exceed \$5,000.

Each of the Change in Control Agreements defines “qualifying termination” as a termination by the Company without cause or a termination by the employee with good reason, in each case either concurrent with or within 24 months following a change in control or a termination by the Company without cause within six months prior to a change in control if termination is in connection with or in anticipation of the change in control. “Change in control” is defined as a sale of all or substantially all of the assets of the Company, a merger in which the shareholders of the Company own less than 50% of the surviving entity, the acquisition of 40% or more of the Company’s outstanding stock by a single person or a group, or the election of a majority of the Company’s directors who consist of persons who were not nominated by the Company’s prior Board. “Cause” is defined in the Change in Control Agreements as (i) the deliberate and continued failure to devote substantially all business time and best efforts to the performance of the his or her duties; (ii) the deliberate engaging in gross misconduct which is demonstrably and materially injurious to the Company, monetarily or otherwise; or (iii) conviction of, or plea of guilty or nolo contendere to, a felony or any criminal charge involving moral turpitude.

All of the Employment Agreements and Change in Control Agreements define “Good reason” to include demotion, reduction in salary or benefits, and certain other events.

Tax and Accounting Considerations

Section 162(m) of the Internal Revenue Code as in effect prior to the enactment of tax reform legislation in December 2017 generally disallowed a tax deduction to public companies for compensation of more than \$1 million paid in any taxable year to each “covered employee,” consisting of the chief executive officer and the three other highest paid executive officers employed at the end of the year (other than the chief financial officer). Performance-based

compensation was exempt from this deduction limitation if the Company met specified requirements set forth in the Code and applicable Treasury Regulations.

Recent tax reform legislation retained the \$1 million deduction limit but repealed the performance-based compensation exemption from the deduction limit and expanded the definition of “covered employees,” effective for taxable years beginning after December 31, 2017. “Covered employees” now also includes any person who served as chief executive officer or chief financial officer at any time during a taxable year, as well as any person who was ever identified as a covered employee in 2017 or any subsequent year. Consequently, compensation paid in 2018 and later years to our named executive officers in excess of \$1 million will not be deductible unless it qualifies for transitional relief applicable to certain binding, written performance-based compensation arrangements that were in place as of November 2, 2017.

The deductibility of some types of compensation payments can depend upon the timing of the vesting or an executive’s exercise of previously granted equity awards. Interpretations of and changes to applicable tax laws and regulations as well as other factors beyond our control also can affect deductibility of compensation. The GCN Committee, like its predecessor, the Compensation Committee, considers the anticipated tax treatment to the Company when determining executive compensation and seeks to preserve the deductibility of compensation payments and benefits to the extent reasonably practicable, consistent with our compensation policies a what we believe is in the best interests of our shareholders. The GCN Committee continues to believe that shareholder interests are best served if its discretion and flexibility in structuring and awarding compensation is not restricted, even though some compensation awards may have resulted in the past, and are expected to result in the future, in non-deductible compensation expenses to the Company. The Committee’s ability to continue to provide a competitive compensation package to attract, motivate and retain the Company’s most senior executives is considered critical to the Company’s success and to advancing the interests of its shareholders.

Section 409A of the Internal Revenue Code also affects the payments of certain types of deferred compensation to key employees and includes requirements relating to when payments under such arrangements can be made, acceleration of benefits, and timing of elections under such arrangements. Failure to satisfy these requirements will generally lead to an acceleration of the timing for including deferred compensation in an employee’s income, as well as certain penalties and interest. Our nonqualified deferred compensation arrangements meet the effective requirements of Section 409A as required by law or regulation.

PROPOSAL TWO –
NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION

At the annual meeting held in 2018, shareholders voted to continue to cast advisory, non-binding votes on executive compensation on an annual basis. Accordingly, we are requesting this non-binding advisory vote on the executive compensation paid to our Named Executive Officers. Under the Dodd-Frank Wall Street Reform and Consumer Protection Act and SEC rules, the vote of the shareholders on this resolution is a “non-binding” advisory vote. The purpose of the vote is for the shareholders to give their opinion to the Board on the Company’s executive compensation.

Our executive compensation received substantial shareholder support and was approved, on an advisory basis, by approximately 73.0% of the votes cast “for” or “against” the corresponding proposal at the annual meeting of shareholders held in 2018. The non-employee directors, based on the recommendation of the GCN Committee, believe that this vote reflected our shareholders’ support of the compensation decisions made by its predecessor, the Compensation Committee, for our named executive officers for 2018.

Compensation Philosophy and Compensation of our Named Executive Officers

Our discussion of the authority and processes of the former Compensation Committee and its successor, the GCN Committee in this proxy statement explains the responsibilities of the applicable committee of the Board. The narrative disclosure of our Executive Compensation, beginning on page 10 provides information concerning the compensation philosophy, plans and policies under which we paid the Named Executive Officers for 2018. As set forth in the Summary Compensation Table on page 10 and the narrative disclosure of Fiscal 2018 Executive Compensation that follows that table, our compensation policies and procedures are centered on a pay-for-performance philosophy and are strongly aligned with the long-term interests of our shareholders.

Given the pay-for-performance structure of our executive compensation program, the non-employee directors and the GCN Committee believe that the compensation of our Named Executive Officers is reasonable and appropriate and justified by the performance of the Company in a challenging environment.

Form of Resolution

The shareholders are being asked at the Annual Meeting to vote “FOR” or “AGAINST” the following resolution:

RESOLVED, that the holders of the Company’s common stock approve the compensation of the Named Executive Officers, as disclosed in this proxy statement pursuant to the compensation disclosure rules of the SEC, including the summary compensation table and other related tables and narrative disclosure.

Required Vote; Effect of Proposal

This proposal is an advisory, non-binding vote, and will be deemed approved if the number of votes cast “for” exceeds the number of votes cast “against.” The approval or disapproval of this proposal by shareholder will not require the Board or its GCN Committee to take any action regarding our executive compensation practices. The final decision on the compensation and benefits of our executive officers and on whether, and if so, how, to address any shareholder disapproval remains with the Board and the applicable committee.

Notwithstanding the foregoing, the Board values the opinions of our shareholders as expressed through their votes and other communications. Although this proposal is non-binding, the Board and its GCN Committee will carefully

consider the outcome of the advisory vote on executive compensation and shareholder opinions received from other communications when making future compensation decisions.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE
“FOR” THE ADVISORY APPROVAL OF THE COMPANY’S EXECUTIVE COMPENSATION.

PROPOSAL THREE –
 RATIFICATION OF APPOINTMENT
 OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board has appointed Baker Tilly Virchow Krause, LLP (“Baker Tilly”) as our independent registered public accounting firm for the year ending December 31, 2019. Although we are not required to do so, the Board is submitting the appointment of Baker Tilly for ratification in order to ascertain the views of our shareholders on this appointment. If the appointment is not ratified by the shareholders, the Audit Committee will reconsider its selection. Baker Tilly has been the Company’s auditor since July 2011. A representative of Baker Tilly is expected to be present at the Annual Meeting and will be given the opportunity to make a statement and will be available to respond to appropriate questions.

Required Vote; Effect of Proposal

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities and Exchange Act of 1934 requires that our directors and executive officers file initial reports of ownership and reports of changes in ownership with the SEC. Directors and executive officers are required to furnish us with copies of all Section 16(a) forms they file. Based solely on a review of the copies of such forms furnished to us and written representations from our directors and executive officers, all Section 16(a) filing requirements were met for 2018 except for one report by each of Mr. Berning and Mr. Zenz relating to common stock equivalents issued pursuant to their participation in the Director Deferred Compensation Plan.

CERTAIN RELATIONSHIPS AND RELATED-PARTY TRANSACTIONS

The SEC has specific disclosure requirements covering certain types of transactions that we engage in with our directors, executive officers or other specified parties. The Company receives an informational questionnaire from each director, nominee for director, executive officer, and greater than five percent shareholder which contains information about related-party transactions between them and the Company. The Company's Audit Committee Charter assigns to the Audit Committee the responsibility to review and approve all related-party transactions. The Audit Committee reviews each related-party transaction to determine that it is fair and reasonable to the Company, and that the price and other terms included in any transaction are comparable to the terms that would be included in an arms-length transaction between the Company and an unrelated third party.

The Company is party to the Cooperation Agreement dated May 17, 2018, with the Shareholder Group. To the Company's knowledge, as of the record date, the Shareholder Group collectively beneficially owned approximately 32.2% of the Company's common stock. Prior to the execution of the Cooperation Agreement, on March 23, 2018, the Company received a letter from Air T containing proposals for certain governance changes, including changes to the composition of the Board. In response, members of the Board, on behalf of the Company, commenced increased engagement with representatives of Air T, including Mr. Swenson and its legal counsel. On April 6, 2018, the Company received from the Shareholder Group written notice of the nomination of five director candidates, including Ms. Clarridge and Mr. Unterseher, for election at the 2018 Annual Meeting. After substantial and continuous engagement among representatives of the Company and representatives of the Shareholder Group, the Company entered into the Cooperation Agreement on May 17, 2018, to, among other things, minimize reputational damage to the Company as a result of a distracting and expensive potential contested proxy solicitation and to ensure that the majority of the Board is representative of all shareholders.

As disclosed previously and described elsewhere in this Proxy Statement, pursuant to the terms of the Cooperation Agreement, the Company promptly (i) increased the size of the Board to six and (ii) appointed Ms. Clarridge and Mr. Unterseher to serve as additional directors. The Cooperation Agreement resulted in Air T's withdrawal of its prior nomination of five director candidates. It also requires the Company to include Ms. Clarridge and Mr. Unterseher in its slate of nominees for election at the Company's 2018 and 2019 Annual Meetings of Shareholders and to solicit proxies with a recommendation that shareholders vote in favor of their election at each such meeting. Also pursuant to the Cooperation Agreement, our former director, Peter Zaballos retired from the Board and all committees. Mr. Zenz also announced his retirement from the Board to be effective as of the Annual Meeting.

With respect to the Annual Meeting, the Shareholder Group has agreed to, among other things, vote in favor of the Company's director nominees and in accordance with the Board's recommendation on all other proposals. The Shareholder Group has agreed to certain customary standstill provisions, effective as of the date of the Cooperation Agreement through 60 days prior to the expiration of the applicable notice period specified in the Company's Bylaws related to the nominations of directors at its 2020 annual meeting of shareholders.

During fiscal years 2017 and 2018, the Company did not engage in any other transaction, or series of similar transactions, to which it was a party, in which the amount involved exceeded the lesser of \$120,000 or one percent of the average of our total assets at year-end for the last two completed fiscal years in which any of our directors, executive officers, nominees for election as a director, beneficial owners of more than 5% of our common stock or members of their immediate family had a direct or indirect material interest. We do not have any currently proposed transaction or series of similar transactions.

OTHER MATTERS

Management of the Company knows of no matters other than the foregoing to be properly brought before the Annual Meeting. However, if any other matters properly come before the Annual Meeting or any adjournment or postponement thereof, then the shares represented by the proxies solicited by the Board may be voted by the persons named therein at their discretion.

SUBMISSION OF SHAREHOLDER PROPOSALS AND NOMINATIONS

Proposals by shareholders (other than director nominations) that are submitted for inclusion in the Company's proxy statement for its 2020 Annual Meeting of Shareholders must follow the procedures provided in Rule 14a-8 under the Securities Exchange Act of 1934 and the Company's Bylaws. To be timely, such proposals must be given, either by personal delivery or by United States mail, postage prepaid, to the Company's Secretary on or before December 24, 2019. If the date of the 2020 Annual Meeting of Shareholders is more than 30 days before or after the anniversary of the 2019 Annual Meeting of Shareholders, then such notice will instead be timely only if delivered within a reasonable time before the Company begins to print and send its proxy materials.

If a shareholder intends to propose an item of business to be considered at an annual meeting of shareholders, but not have it included in the Company's proxy statement, or if the shareholder intends to nominate a person for election as a director at an annual meeting of shareholders, then the shareholder must provide timely written notice of such proposal or nomination to the Company's Secretary. To be timely under our Bylaws, such notice must be given, either by personal delivery or by United States mail, postage prepaid, to the Company's Secretary not less than sixty days nor more than ninety days prior to a meeting date corresponding to the previous year's annual meeting of shareholders. For the Company's 2019 Annual Meeting of Shareholders, such notice must be given between March 8, 2020 and April 7, 2020, and must comply with all applicable statutes and regulations, as well as provide all information required pursuant to the Company's Bylaws.

HOUSEHOLDING

We have adopted a procedure approved by the SEC called "householding," by which certain shareholders who do not participate in electronic delivery of proxy materials but who have the same address and appear to be members of the same family receive only one copy of our annual report and proxy statement. Each shareholder participating in householding continues to receive a separate proxy card. Householding reduces both the environmental impact of our annual meetings and our mailing and printing expenses.

If you would like to change your householding election, request that a single copy of the proxy materials be sent to your address, or request a separate copy of the proxy materials, please contact Broadridge Financial Solutions, Inc., by calling (866) 540-7095 or by writing to Broadridge Household Department, 51 Mercedes Way, Edgewood, New York 11717. We will promptly deliver the notice of internet availability or proxy materials to you upon receipt of your request. If you hold your shares in street name, please contact your bank, broker, or other record holder to request information about householding.
