- (1) To elect the eight nominees for director named herein;
- (2) To ratify the appointment of Marcum LLP as the Company's independent registered public accounting firm for the year ending December 31, 2019; and
- (3) To transact other business that may properly come before the meeting and any postponement(s) or adjournment(s) thereof.

Pursuant to the bylaws of the Company, the Board of Directors has fixed the close of business on April 22, 2019 as the record date (the "Record Date") for determination of stockholders entitled to notice and to vote at the Annual Meeting and any adjournment thereof. Holders of the Company's Common Stock are entitled to vote at the Annual Meeting.

In accordance with rules and regulations adopted by the U.S. Securities and Exchange Commission (the "SEC"), we have elected to provide our beneficial owners and stockholders of record access to our proxy materials over the Internet. Beneficial owners are stockholders whose shares are held in the name of a broker, bank or other agent (i.e., in "street name"). Accordingly, a Notice of Internet Availability of Proxy Materials (the "Notice") will be mailed on or about April 29, 2019 to our beneficial owners and stockholders of record who owned our Common Stock at the close of business on April 22, 2019. Beneficial owners and stockholders of record will have the ability to access the proxy materials on a website referred to in the Notice or request a printed set of the proxy materials be sent to them by following the instructions in the Notice. Beneficial owners and stockholders of record who have previously requested to receive paper copies of our proxy materials will receive paper copies of the proxy materials instead of a Notice.

Edgar Filing: ChromaDex Corp. - Form DEF 14A

You are cordially invited to attend the meeting in person. Whether or not you expect to attend the meeting, please complete, date, sign and return the proxy mailed to you, or vote over the telephone or the internet as instructed in these materials, as promptly as possible in order to ensure your representation at the meeting. A return envelope (which is postage prepaid if mailed in the United States) has been provided for your convenience. Even if you have voted by proxy, you may still vote in person if you attend the meeting. Please note, however, that if your shares are held of record by a broker, bank or other nominee and you wish to vote at the meeting, you must obtain a proxy issued in your name from that record holder.

PROXY STATEMENT
FOR
2019 ANNUAL MEETING OF STOCKHOLDERS
JUNE 21, 2019

The enclosed proxy is solicited by the Board of Directors (“Board of Directors” or “Board”) of ChromaDex Corporation (the “Company”), in connection with the 2019 Annual Meeting of Stockholders (the “Annual Meeting”) of the Company, to be held on June 21, 2019, at 11:00 a.m. local time, at the Company’s office located at 10900 Wilshire Blvd, Suite 650, Los Angeles, CA 90024.

At the Annual Meeting, you will be asked to consider and vote upon the following matters:

- (1) To elect the eight nominees for director named herein;
To ratify the appointment of Marcum LLP as the Company's independent registered public accounting firm for
- (2) the year ending December 31, 2019; and
- (3) To transact other business that may properly come before the meeting and any postponement(s) or adjournment(s) thereof.

The Board of Directors has fixed the close of business on April 22, 2019 as the record date (the “Record Date”) for determining stockholders entitled to notice of and to vote at the Annual Meeting and any adjournment thereof.

In accordance with rules and regulations adopted by the U.S. Securities and Exchange Commission (the “SEC”), we have elected to provide our beneficial owners and stockholders of record access to our proxy materials over the Internet. Beneficial owners are stockholders whose shares are held in the name of a broker, bank or other agent (i.e., in “street name”). Accordingly, a Notice of Internet Availability of Proxy Materials (the “Notice”) will be mailed on or about April 29, 2019 to our beneficial owners and stockholders of record who owned our Common Stock at the close of business on April 22, 2019. Beneficial owners and stockholders of record will have the ability to access the proxy materials on a website referred to in the Notice or request a printed set of the proxy materials be sent to them by following the instructions in the Notice. Beneficial owners and stockholders of record who have previously requested to receive paper copies of our proxy materials will receive paper copies of the proxy materials instead of a Notice.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE ANNUAL MEETING TO BE HELD ON JUNE 21, 2019: THE NOTICE, PROXY STATEMENT, PROXY CARD AND THE ANNUAL REPORT ARE AVAILABLE AT WWW.CHROMADEX.COM, INVESTOR RELATIONS SECTION.

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

Why did I receive in the mail a Notice of Internet Availability of Proxy Materials this year instead of a full set of Proxy Materials?

We are pleased to take advantage of the SEC rule that allows companies to furnish their proxy materials over the Internet. Accordingly, we have sent to our beneficial owners and stockholders of record a Notice of Internet Availability of Proxy Materials. Instructions on how to access the proxy materials over the Internet or to request a paper copy may be found in the Notice. Our stockholders may request to receive proxy materials in printed form by mail or electronically on an ongoing basis. A stockholder's election to receive proxy materials by mail or electronically by email will remain in effect until the stockholder terminates its election.

We intend to mail the Notice on or about April 29, 2019 to all stockholders of record entitled to vote at the Annual Meeting.

Will I receive any other proxy materials by mail?

We may send you a proxy card, along with a second Notice, on or after May 9, 2019.

How do I attend the Annual Meeting?

The meeting will be held on Friday, June 21, 2019 at 11:00 a.m. local time at the Company's office located at 10900 Wilshire Blvd, Suite 650, Los Angeles, CA 90024. Directions to the Annual Meeting may be found at www.chromadex.com. Information on how to vote in person at the Annual Meeting is discussed below.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on April 22, 2019 will be entitled to vote at the Annual Meeting. On this record date, there were 55,514,322 shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on April 22, 2019 your shares were registered directly in your name with the Company's transfer agent, Computershare Trust Company, N.A., then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on April 22, 2019 your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in "street name" and the Notice is being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

What am I voting on?

There are two matters scheduled for a vote:

To elect the eight nominees for director named herein; and

To ratify the appointment of Marcum LLP as the Company's independent registered public accounting firm for the year ending December 31, 2019;

What if another matter is properly brought before the meeting?

The Board of Directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

- 2 -

Who May Attend the Annual Meeting?

Record holders and beneficial owners may attend the Annual Meeting. If your shares are held in street name, you will need to bring a copy of a brokerage statement or other documentation reflecting your stock ownership as of the Record Date.

How Do I Vote?

You may either vote “For” all the nominees to the Board of Directors or you may “Withhold” your vote for any nominee you specify. For each of the other matters to be voted on, you may vote “For” or “Against” or abstain from voting.

The procedures for voting are fairly simple:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting, vote by proxy over the telephone, vote by proxy through the internet or vote by proxy using a proxy card that you may request or that we may elect to deliver at a later time. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person even if you have already voted by proxy.

To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.

To vote using the proxy card, simply complete, sign and date the proxy card that may be delivered and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

To vote over the telephone, dial toll-free 1-800-652-VOTE (8683) using a touch-tone phone and follow the recorded instructions. You will be asked to provide the company number and control number from the Notice. Your telephone vote must be received by 5:00 p.m., Eastern Time on June 20, 2019 to be counted.

To vote through the internet, go to www.envisionreports.com/CDXC to complete an electronic proxy card. You will be asked to provide the company number and control number from the Notice. Your internet vote must be received by 5:00 p.m., Eastern Time on June 20, 2019 to be counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a Notice containing voting instructions from that organization rather than from the Company. Simply follow the voting instructions in the Notice to ensure that your vote is counted. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of April 22, 2019.

What happens if I do not vote?

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record and do not vote by completing your proxy card, by telephone, through the internet or in person at the Annual Meeting, your shares will not be voted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner and do not instruct your broker, bank, or other agent how to vote your shares, the question of whether your broker or nominee will still be able to vote your shares depends on whether the New York Stock Exchange (“NYSE”) deems the particular proposal to be a “routine” matter. Brokers and nominees can use their discretion to vote “uninstructed” shares with respect to matters that are considered to be “routine,” but not with respect to “non-routine” matters. Under the rules and interpretations of the NYSE, “non-routine” matters are matters that may substantially affect the rights or privileges of stockholders, such as mergers, stockholder proposals, elections of directors (even if not contested), executive compensation (including any advisory stockholder votes on executive compensation and on the frequency of stockholder votes on executive compensation), and certain corporate governance proposals, even if management-supported. Accordingly, your broker or nominee may not vote your shares on Proposal 1 without your instructions, but may vote your shares on Proposal 2 even in the absence of your instruction.

What if I return a proxy card or otherwise vote but do not make specific choices?

If you return a signed and dated proxy card or otherwise vote without marking voting selections, your shares will be voted, as applicable, "For" the election of all eight nominees for director, and "For" the proposal to ratify the appointment of Marcum LLP as the Company's independent registered public accounting firm for the year ending December 31, 2019. If any other matter is properly presented at the meeting, your proxyholder (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one Notice?

If you receive more than one Notice, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on the Notices to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Stockholder of Record: Shares Registered in Your Name

Yes. You can revoke your proxy at any time before the final vote at the meeting. If you are the record holder of your shares, you may revoke your proxy in any one of the following ways:

You may submit another properly completed proxy card with a later date.

You may send a timely written notice that you are revoking your proxy to the Company's Secretary at 10900 Wilshire Blvd. Suite 650, Los Angeles, CA 90024.

You may attend the Annual Meeting and vote in person. Simply attending the meeting will not, by itself, revoke your proxy.

Your most current proxy card or telephone or internet proxy is the one that is counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker or bank.

When are stockholder proposals and director nominations due for next year's Annual Meeting?

Edgar Filing: ChromaDex Corp. - Form DEF 14A

To be considered for inclusion in the Company's proxy materials for next year's annual meeting, your proposal must be submitted in writing by December 31, 2019, to ChromaDex Corporation, Attn: Secretary, at 10900 Wilshire Blvd. Suite 650, Los Angeles, CA 90024. If you wish to submit a proposal (including a director nomination) at the annual meeting that is not to be included in the Company's proxy materials for next year's annual meeting, such proposal must be received no earlier than the close of business on March 23, 2020 nor later than the close of business on April 22, 2020. You are also advised to review the Company's Bylaws, which contain additional requirements relating to advance notice of stockholder proposals and director nominations.

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count, for the proposal to elect directors, votes "For," "Withhold" and broker non-votes; and, with respect to Proposal 2, votes "For" and "Against," and abstentions. Abstentions will be counted towards the vote total for Proposal 2 and will have the same effect as "Against" votes. Broker non-votes have no effect and will not be counted towards the vote total for any proposal.

What are "broker non-votes"?

As discussed above, when a beneficial owner of shares held in "street name" does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed by the NYSE to be "non-routine," the broker or nominee cannot vote the shares. These unvoted shares are counted as "broker non-votes."

How Many Votes Are Needed for Each Proposal to Pass?

Proposal	Vote Required for Approval	Effect of Abstention	Effect of Broker Non-Vote
Election of eight (8) members to our Board of Directors	Plurality of the votes cast (the eight directors receiving the most "For" votes)	None.	None.
Ratification of the Appointment of Marcum LLP as our Independent Registered Public Accounting Firm for our Fiscal Year Ending December 31, 2019	"For" votes from the holders of a majority of shares present in person or represented by proxy and entitled to vote on the matter	Against.	None.

What Constitutes a Quorum?

To carry on business at the Annual Meeting, we must have a quorum. A quorum is present when a majority of the shares entitled to vote, as of the Record Date, are represented in person or by proxy. Thus, holders representing at least 27,757,162 votes must be represented in person or by proxy to have a quorum. Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the Annual Meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. Shares owned by us are not considered outstanding or considered to be present at the Annual Meeting. If there is not a quorum at the Annual Meeting, our stockholders may adjourn the meeting.

How can I find out the Results of the Voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in a Current Report on Form 8-K, which we will file within four business days of the meeting.

**PROPOSAL 1:
ELECTION OF DIRECTORS**

Each director to be elected at the Annual Meeting will serve until the next annual meeting of stockholders and until his or her successor is elected, or, if sooner, until such director's death, resignation or removal. Unless otherwise instructed, the persons named in the accompanying proxy intend to vote the shares represented by the proxy for the election of the eight nominees listed below. Although it is not contemplated that any nominee will decline or be unable to serve as a director, in such event, proxies will be voted by the proxy holder for such other persons as may be designated by the Board of Directors, unless the Board of Directors reduces the number of Directors to be elected. Election of a director to the Board of Directors requires a plurality of the votes cast at the Annual Meeting.

The current Board of Directors consists of Frank Jaksch, Jr., Stephen Block, Jeff Baxter, Robert Fried, Kurt Gustafson, Steven Rubin, Wendy Yu and Tony Lau. The Board of Directors has determined that a majority of its members, including Stephen Block, Jeff Baxter, Kurt Gustafson, Steven Rubin, Wendy Yu and Tony Lau are independent directors within the meaning of the applicable NASDAQ rules.

The following table sets forth the director nominees. It also provides certain information about the nominees as of the Record Date.

In June 2018, Mr. Jaksch transitioned from Chief Executive Officer to Executive Chairman of the Board. Mr. Jaksch oversees research, strategy and operations for the Company with a focus on scientific and novel products for pharmaceutical and nutraceutical markets. From 1993 to 1999, Mr. Jaksch served as International Subsidiaries Manager of Phenomenex, a life science supply company where he managed the international subsidiary and international business development divisions. Mr. Jaksch earned a B.S. in Chemistry and Biology from Valparaiso University. Mr. Block received his B.A. cum laude in Russian Studies from Yale University and his law degree from Harvard Law School. The Nominating and Corporate Governance Committee believes that Mr. Block’s experience as the chief legal officer of one of the world’s leading flavor and fragrance companies contributes to the Board’s understanding of the flavor industry, including the Board’s perspective on the strategic interests of potential collaborators, the regulation of the industry, and the viability of various commercial strategies. In addition, Mr. Block’s experience in the area of corporate governance and public company financial reporting is especially valuable to the Board in his capacity as a member of both the Audit Committee and the Compensation Committee.

Jeff Baxter, 57, has served as a director of the Company since April 2015 and has served as a member of the Audit Committee and the Nominating and Corporate Governance Committee since April 2015. He also chaired GSK's R&D Operating Board. Prior to GSK, he worked at Unilever and British American Tobacco. Mr. Baxter was educated at Thames Valley University and is a Fellow of the Chartered Institute of Management Accountants. The Nominating and Corporate Governance Committee believes that Mr. Baxter's past experience in the pharmaceutical industry bring financial expertise, industry knowledge, and research and development experience to the Board.

Robert Fried, 59, became Chief Executive Officer in June 2018. He has served as a director of the Company since July 2015, President and Chief Operating Officer from January to June 2018 and President and Chief Strategy Officer from March 2017 to January 2018. Mr. Fried holds an M.S. from Cornell University and an M.B.A. from the Columbia University Graduate School of Business. The Nominating and Corporate Governance Committee believes that Mr. Fried's past experience as Chairman of the Board of Directors of another public company brings financial expertise and industry knowledge to the Board.

Kurt A. Gustafson, 51, has been a director of the Company and Chair of the Audit Committee since October 2016 and a member of the Compensation Committee since March 2017. In April 2018, the Board of Directors appointed Mr. Gustafson as lead independent director of the Board of Directors. Mr. Gustafson has more than 25 years of diverse experience in corporate finance. He currently serves as chief financial officer, principal accounting officer and executive vice president of Spectrum Pharmaceuticals, Inc. (Nasdaq: SPPI). Mr. Gustafson holds a Bachelors of Arts degree in Accounting from North Park University in Chicago and a Masters in Business Administration from University of California, Los Angeles. The Nominating and Corporate Governance Committee believes that Mr. Gustafson's past experience as chief financial officer of a public company

and his extensive experience pharmaceutical industry qualify him to chair the Audit Committee and that Mr. Gustafson brings financial, merger and acquisition experience, and a background working with public marketplaces to the Board.

Code of Business Conduct and Ethics

The Board has established a corporate Code of Business Conduct and Ethics that applies to all officers, directors and employees and which is intended to qualify as a "code of ethics" as defined by Item 406 of Regulation S-K of the Exchange Act. The Code of Business Conduct and Ethics is available on the Company's website at www.chromadex.com. If the Company makes any substantive amendments to the Code of Business Conduct and Ethics or grants any waiver from a provision of the Code to any executive officer or director, the Company will promptly disclose the nature of the amendment or waiver on its website.

Public Availability of Corporate Governance Documents

Our key corporate governance documents, including our Code of Conduct and the charters of our Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee are:

available on our corporate website at www.chromadex.com; and

available in print to any stockholder who requests them from our corporate secretary.

Director Attendance

The Board held 5 meetings during 2018. Each director attended at least 75% of Board meetings and meetings of the committees on which he or she served.

Board Qualification and Selection Process

The Nominating and Corporate Governance Committee does not have a specific written policy or process regarding the nominations of directors, nor does it maintain minimum standards for director nominees or consider diversity in identifying nominees for director. However, the Nominating and Corporate Governance Committee does consider the knowledge, experience, integrity and judgment of potential candidates for nominations to the Board. The Nominating and Corporate Governance Committee will consider persons recommended by stockholders for nomination for election as directors. The Nominating and Corporate Governance Committee will consider and evaluate a director candidate recommended by a stockholder in the same manner as a committee-recommended nominee. Stockholders wishing to recommend director candidates must follow the prior notice requirements as described herein.

Board Leadership Structure and Risk Oversight

The leadership of the Board of Directors is currently structured so that it is led by an Executive Chairman, Frank Jaksch, who has authority, among other things, to call and preside over meetings of the Board of Directors, to set meeting agendas and to determine materials to be distributed to the Board of Directors. As Executive Chairman, Mr. Jaksch will serve as Chairman of the Board and will continue to serve as an employee and executive officer of the Company. Kurt Gustafson serves as lead independent director.

The Board of Directors has determined that the leadership structure, in which there is an Executive Chairman and an independent director acting as lead independent director, ensures that the appropriate level of oversight, independence, and responsibility is applied to all Board decisions, including risk oversight, and is in the best interests of the Company and those of the Company's stockholders. The lead independent director serves as the liaison between the Executive Chairman and the independent directors and his responsibilities, among other things, include facilitating communication with the Board and presiding over regularly conducted executive sessions of the independent directors and establishing the agenda for meetings of the independent directors. The Board of Directors believes that its strong corporate governance policies and practices, including the substantial percentage of independent directors on the Board of Directors, and the robust duties that will be delegated to the lead independent director, empower the Board of Directors to effectively oversee the Company's Chief Executive Officer and Executive Chairman and provide an effective and appropriately balanced Board of Directors governance structure.

The entire Board of Directors, as well as through its various committees, is responsible for oversight of our Company's risk management process. Management furnishes information regarding risk to the Board of Directors as requested. The Audit Committee discusses risk management with the Company's management and independent public accountants as set forth in the Audit Committee's charter. The Compensation Committee reviews the compensation programs of the Company to make sure economic incentives are tied to the long-term interests of the stockholders. The Company believes that innovation and the building of long-term stockholder value are impossible without taking risks. We recognize that imprudent acceptance of risk and the failure to identify risks could be a detriment to stockholder value. The executive officers of the Company are responsible for assessing these risks on a day-to-day basis and for how to best identify, manage and mitigate significant risks that the Company may face.

For this purpose, the Audit Committee performs several functions, including, among other things:

evaluates the performance of and assesses the qualifications of the independent auditors;

determines and approves the engagement of the independent auditors;

determines whether to retain or terminate the existing independent auditors or to appoint and engage new independent auditors;

confers with management and the independent auditors regarding the effectiveness of internal control over financial reporting;

establishes procedures, as required under applicable law, for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters; and

meets to review the Company's annual audited financial statements and quarterly financial statements with management and the independent auditor, including a review of the Company's disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations."

The Audit Committee currently consists of three directors: Kurt Gustafson (chairman), Stephen Block and Jeff Baxter. The Audit Committee met six times during the last fiscal year. The Board of Directors has adopted a written Audit Committee charter that is available to stockholders on the Company's website at www.chromadex.com. The information on our website is not incorporated by reference into this Proxy Statement or our Annual Report for fiscal year 2018.

The Board of Directors reviews the NASDAQ listing standards definition of independence for Audit Committee members on an annual basis and has determined that all members of the Audit Committee are independent (as independence is currently defined in Rule 5605(c)(2)(A) of the NASDAQ listing standards and Rule 10A-3 of the Exchange Act).

The Board of Directors has also determined that Mr. Gustafson also qualifies as an "audit committee financial expert," as defined in applicable SEC rules. The Board made a qualitative assessment of Mr. Gustafson's level of knowledge and experience based on a number of factors, including his formal education and experience as a chief financial officer for public reporting companies.

Report of the Audit Committee of the Board of Directors

This report of the audit committee is required by the SEC and, in accordance with the SEC's rules, will not be deemed to be part of or incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act, or under the Exchange Act, except to the extent that we specifically incorporate this information by reference, and will not otherwise be deemed "soliciting material" or "filed" under either the Securities Act or the Exchange Act.

The Audit Committee has reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2018 with management of the Company. The Audit Committee has discussed with the Company's independent registered public accounting firm the matters required to be discussed by Auditing Standard No. 1301, Communications with Audit Committees, as adopted by the Public Company Accounting Oversight Board ("PCAOB"). The Audit Committee has also received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent accountants' communications with the audit committee concerning independence, and has discussed with the independent registered public accounting firm the accounting firm's independence. Based on the foregoing, the Audit Committee has recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2018.

Compensation Committee

Our Compensation Committee currently consists of three directors: Stephen Block (chairman), Kurt Gustafson and Tony Lau. Stephen Allen served on the Compensation Committee until March 13, 2018. All members of the

Compensation Committee are independent (as independence is currently defined in Rule 5605(d)(2) of the NASDAQ listing standards. The Compensation Committee met four times during fiscal year 2018. The Board has adopted a written Compensation Committee charter that is available to stockholders on the Company's website at www.chromadex.com. The information on our website is not incorporated by reference into this Proxy Statement or our Annual Report for fiscal year 2018.

The Compensation Committee acts on behalf of the Board to review, modify (as needed) and approve the Company's compensation strategy, policies, plans and programs. For this purpose, the Compensation Committee performs several functions, including, among other things:

establishment of corporate and individual performance objectives relevant to the compensation of the Company's executive officers and evaluation of performance in light of these stated objectives;

review and approval (or recommend to the Board of Directors for approval) of the compensation and other terms of employment or service, including severance and change-in-control arrangements, of the Company's Chief Executive Officer, other executive officers and non-employee directors; and

administration of the Company's equity compensation plans, pension and profit-sharing plans, deferred compensation plans and other similar plan and programs.

If applicable, the Compensation Committee will review with management the Company's Compensation Discussion and Analysis and will consider whether to recommend that it be included in proxy statements and other filings.

The Compensation Committee has the sole authority to retain, in its sole discretion, compensation consultants to assist in its evaluation of executive and director compensation, including the authority to approve the consultant's reasonable fees and other retention terms. In March 2018, the Compensation Committee retained a consulting firm, Exequity LLP ("Exequity") directly, although in carrying out assignments, the consulting firm may interact with Company management when necessary and appropriate. Exequity is a nationally recognized provider of executive compensation advisory services and was deemed independent pursuant to SEC rules.

The Compensation Committee generally does not have a specific target amount of compensation for individual executive officers relative to a peer group of companies, but it considers peer data for purposes of assessing the competitiveness of the executive compensation program. An individual executive officer may earn more or less than the market median depending on factors described below, including the individual's experience and background, role, and past and future performance.

The Company paid cash bonuses to its executive officers in 2019 for 2018 performance based upon achievements of certain goals. For additional information regarding the performance bonus amounts, see "Executive Compensation."

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee currently consists of three directors: Steven Rubin (chairman), Jeff Baxter and Wendy Yu. Stephen Allen served on the Nominating and Corporate Governance Committee until March 13, 2018. All members of the Nominating and Corporate Governance Committee are independent (as independence is currently defined in Rule 5605(a)(2) of the NASDAQ listing standards). The Nominating and Corporate Governance Committee met three times during the last fiscal year. The Board has adopted a written Nominating and Corporate Governance Committee charter that is available to stockholders on the Company's website at www.chromadex.com. The information on the website is not incorporated by reference into this Proxy Statement or the Annual Report for fiscal year 2018.

The Nominating and Corporate Governance Committee is responsible for identifying, reviewing and evaluating candidates to serve as directors of the Company consistent with criteria approved by the Board of Directors, reviewing and evaluating incumbent directors, selecting or recommending to the Board of Directors for selection candidates for election to the Board of Directors, making recommendations to the Board of Directors regarding the membership of the committees of the Board of Directors, assessing the performance of the Board of Directors, and developing a set of corporate governance principles for the Company.

The Nominating and Corporate Governance Committee believes that candidates for director nominees should have certain minimum qualifications, including the ability to read and understand basic financial statements and having the highest personal integrity and ethics. The Nominating and Corporate Governance Committee also intends to consider such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to the affairs of the Company, demonstrated excellence in his or her field, having the ability to exercise sound business judgment and having the commitment to rigorously represent the long-term interests of the Company's stockholders. However, the Nominating and Corporate Governance Committee retains the right to modify these qualifications from time to time. Candidates for director nominees are reviewed in the context of the current composition of the Board of Directors, the operating requirements of the Company and the long-term interests of stockholders. In conducting this assessment, the Nominating and Corporate Governance Committee typically considers diversity, age, skills and such other factors as it deems appropriate, given the current needs of the Board of Directors and the Company, to maintain a balance of knowledge, experience and capability.

In the case of incumbent directors whose terms of office are set to expire, the Nominating and Corporate Governance Committee reviews these directors' overall service to the Company during their terms, including the number of meetings attended, level of participation, quality of performance and any other relationships and transactions that might impair the directors' independence. In the case of new director candidates, the Nominating and Corporate Governance Committee also determines whether the nominee is independent for NASDAQ purposes, which determination is based upon applicable NASDAQ listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Nominating and Corporate Governance Committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Nominating and Corporate Governance Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board of Directors. The Nominating and Corporate Governance Committee meets to discuss and consider the candidates' qualifications and then selects a nominee by majority vote which we expect will typically be recommended to the full Board.

- 13 -

The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder. Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board of Directors may do so by delivering a written recommendation to the Nominating and Corporate Governance Committee at the following address: ChromaDex Corporation, Attn: Secretary, at 10900 Wilshire Blvd. Suite 650, Los Angeles, CA 90024, no later than the close of business on the 60th day nor earlier than the close of business on the 90th day prior to the first anniversary of the preceding year's annual meeting. Submissions must include the name and address of the Company stockholder on whose behalf the submission is made; the number of Company shares that are owned beneficially by such stockholder as of the date of the submission; the full name of the proposed candidate; a description of the proposed candidate's business experience for at least the previous five years; complete biographical information for the proposed candidate; and a description of the proposed.

Stockholder Communication

Any stockholder may communicate in writing by mail at any time with the entire Board of Directors or any individual director (addressed to "Board of Directors" or to a named director), c/o ChromaDex Corporation, ATTN: Secretary, 10900 Wilshire Blvd. Suite 650, Los Angeles, CA 90024. All communications will be compiled by the Secretary of the Company and promptly submitted to the Board of Directors or the individual directors on a periodic basis.

Policy Regarding Attendance at Annual Meetings of Stockholders

The Company does not have a policy with regard to Board members' attendance at annual meetings. Eight directors attended the Company's most recent annual meeting of stockholders held on June 22, 2018.

Director Independence

As required under the NASDAQ Stock Market listing standards, a majority of the members of a listed company's board of directors must qualify as "independent," as affirmatively determined by the Board of Directors. The Board of Directors consults with the Company's counsel to ensure that its determinations are consistent with relevant securities and other laws and regulations regarding the definition of "independent," including those set forth in pertinent listing standards of NASDAQ, as in effect from time to time.

Consistent with these considerations, after review of all relevant identified transactions or relationships between each director, or any of his or her family members, and the Company, its senior management and its independent auditors, the Board of Directors has affirmatively determined that the following directors are independent directors within the meaning of the applicable NASDAQ listing standards: Stephen Block, Jeff Baxter, Kurt Gustafson, Steven Rubin, Wendy Yu and Tony Lau. Frank L. Jaksch Jr. and Robert Fried do not meet the independence standards because of their employment with the Company.

Please see "Proposal 1: Election of Directors" for more information regarding our Board of Directors.

In November 2016, the Company adopted a written Related-Person Transactions Policy that sets forth the Company's policies and procedures regarding the identification, review, consideration and approval or ratification of "related-persons transactions." For purposes of the Company's policy only, a "related-person transaction" is a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which the Company and any "related person" are participants involving an amount that exceeds \$120,000. **PROPOSAL 2:
RATIFICATION OF THE APPOINTMENT
OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has appointed Marcum LLP (“Marcum”), to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2019 and our Board of Directors has further directed that management submit the selection of its independent registered public accountant firm for ratification by the stockholders at the Annual Meeting. Marcum has audited the Company’s financial statements since 2013. Representatives of Marcum are not expected to be present at the Annual Meeting.

Stockholder ratification of the selection of Marcum as the Company’s independent registered public accountants is not required by Delaware law, the Company’s certificate of incorporation, or the Company’s bylaws. However, the Audit Committee is submitting the selection of Marcum to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of different independent registered public accountants at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the annual meeting will be required to ratify the selection of Marcum. Abstentions will be counted toward the tabulation of votes cast on Proposal 2 and will have the same effect as negative votes. Broker non-votes will be counted towards a quorum, but will not be counted for any purpose in determining whether Proposal 2 has been approved.

Audit Fees

The following table sets forth aggregate fees billed to us by Marcum LLP, our independent registered public accounting firm during the fiscal years ended December 31, 2018 and December 30, 2017.

All fees described above were pre-approved by the Audit Committee. In connection with the audit of the financial statements for the fiscal year ended December 31, 2018, the Company entered into an engagement agreement with Marcum that sets forth the terms by which Marcum will perform audit services for the Company. That agreement is

subject to alternative dispute resolution procedures and an exclusion of punitive damages.

Policy for Pre-Approval of Independent Auditor Services

The Audit Committee's policy is to pre-approve all audit and permissible non-audit services provided by Marcum. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the specific service or category of service and is generally subject to a specific budget. The independent auditor and management are required to periodically communicate to the Audit Committee regarding the extent of services provided by the independent auditor in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis.

THE BOARD RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF MARCUM LLP AS INDEPENDENT PUBLIC ACCOUNTANT, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR THEREOF UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements Notices of Internet Availability of Proxy Materials or other Annual Meeting materials with respect to two or more shareholders sharing the same address by delivering a single Notice of Internet Availability of Proxy Materials or other Annual Meeting materials addressed to those shareholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for shareholders and cost savings for companies.

This year, a number of brokers with account holders who are Company stockholders will be “householding” the Company’s proxy materials. A single Notice of Internet Availability of Proxy Materials will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate Notice of Internet Availability of Proxy Materials, please notify your broker or the Company. Direct your written request to ChromaDex Corporation, ATTN: Secretary, 10900 Wilshire Blvd. Suite 650, Los Angeles, CA 90024 or contact the Secretary at 310-388-6706. Stockholders who currently receive multiple copies of the Notices of Internet Availability of Proxy Materials at their addresses and would like to request “householding” of their communications should contact their brokers.

OTHER BUSINESS

As of the date of this Proxy Statement, the management of the Company has no knowledge of any business that may be presented for consideration at the Annual Meeting, other than that described above. As to other business, if any, that may properly come before the Annual Meeting, or any adjournment thereof, it is intended that the Proxy hereby solicited will be voted in respect of such business in accordance with the judgment of the Proxy holders.
