

## ITEM 8.01 OTHER EVENTS

As disclosed in its Quarterly Report on Form 10-Q for the quarter ended October 2, 2015, on July 14, 2015, Danaher Corporation (“Danaher” or the “Company”) consummated the split-off of the majority of its Test & Measurement segment's communications business (other than the data communications cable installation business and the communication service provider business of Fluke Networks which are now part of the instruments business of the Company's Test & Measurement segment) to Danaher shareholders who elected to exchange Danaher shares for ownership interests in the communications business, and the subsequent merger of the communications business with a subsidiary of NetScout Systems, Inc. (“NetScout”). The accounting requirements for reporting the disposition of the communications business as a discontinued operation were met when the separation and merger were completed. Accordingly, the accompanying consolidated financial statements for all periods presented reflect this business as discontinued operations.

The Company is filing this Current Report on Form 8-K to retroactively revise its previously filed audited consolidated financial statements as of December 31, 2014 and 2013 and for each of the three years in the period ended December 31, 2014 to reflect the communications business as a discontinued operation. This revision had no effect on the Company's historical reported net earnings or earnings per common share. Item 6 (Selected Financial Data), Item 7 (Management's Discussion and Analysis of Financial Condition and Results of Operations) and Item 8 (Financial Statements and Supplementary Data) of Part II of Danaher's Annual Report on Form 10-K for the year ended December 31, 2014 (the “2014 Form 10-K”), updated for the revision described above, are attached as Exhibit 99.1 hereto, the Calculation of Ratio of Earnings to Fixed Charges updated for the revision described above, is attached as Exhibit 12.1 hereto and the updated consent of the Company's independent registered public accounting firm is attached as Exhibit 23.1.

The information set forth in Exhibit 99.1 supersedes the corresponding disclosures in the 2014 Form 10-K. This Form 8-K does not reflect events occurring after the filing of the 2014 Form 10-K and does not modify or update the disclosures therein in any way, other than as required to reflect the communications business as a discontinued operation.
