Proxy Statement
For 2017 Annual Meeting of Stockholders

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

Why am I receiving these materials?

We are sending you this proxy statement and the enclosed proxy card because the board of directors of IEC Electronics Corp. (“IEC,” the “Company,” “we,” “our,” or “us”) is soliciting your proxy to vote at the 2017 annual meeting of stockholders and any adjournment or postponement thereof. We invite you to attend the annual meeting and request that you vote on the proposals described in this proxy statement. The meeting will be held on Tuesday, March 7, 2017 at 9:00 a.m. (local time) at the offices of Harter Secrest & Emery LLP located at 1600 Bausch & Lomb Place, 13th Floor, Rochester, New York. To obtain directions to be able to attend the annual meeting and vote in person, please contact our Corporate Secretary, Jennifer Brown at (315) 331-7742. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, date, sign and return the enclosed proxy card, or vote by telephone or Internet following the instructions on the card.

We are mailing this proxy statement, the accompanying proxy card, and our Annual Report to Stockholders for the fiscal year ended September 30, 2016 (“Fiscal 2016”) on or about January 26, 2017 to all stockholders entitled to vote at the annual meeting.

What am I voting on?

There are three matters scheduled for a vote, and the board of directors recommends that you vote “FOR” each of the Proposals:

• Proposal 1: the election of seven directors to serve until the 2018 Annual Meeting of Stockholders or until their successors are duly elected and qualified,

• Proposal 2: the ratification of the selection of Crowe Horwath LLP as our independent registered public accounting firm for the fiscal year ending September 30, 2017, and

• Proposal 3: an advisory vote to approve the compensation paid to our named executive officers (“say-on-pay”).

Our board of directors does not intend to bring any other matters before the meeting and is not aware of anyone else who will submit any other matters to be voted on. However, if any other matters properly come before the meeting, the people named on the proxy card, or their substitutes, will be authorized to vote on those matters in their own judgment.

Who can vote at the annual meeting?

Only stockholders at the close of business on January 13, 2017, the record date for the annual meeting, will be entitled to vote at the annual meeting. As of the record date, there were 10,277,047 shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on January 13, 2017, your shares of IEC common stock were registered directly in your name with our transfer agent, Computershare, then you are a stockholder of record.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on January 13, 2017, your shares of IEC common stock were held in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the annual meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the annual meeting. For instructions on how to vote your shares at the annual meeting, see “How do I vote?” below.

How do I vote?

The procedures for voting are set forth below:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the annual meeting or vote by proxy using the enclosed proxy card. Whether or not you plan to attend the meeting, we urge you to vote by submitting the proxy card, or following the telephone or Internet voting instructions on it to ensure your vote is counted. You may still attend the meeting and vote in person if you have already voted by proxy.

To vote in person, come to the annual meeting with photo identification and we will give you a ballot when you arrive.

To vote using the proxy card, simply complete, date and sign the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the annual meeting, we will vote your shares as you direct.

To vote by telephone or Internet, follow the instructions on the proxy card and the people named as a proxy holder on the proxy card will vote your shares as you direct. You will need your unique control number printed on the proxy card to vote by telephone or Internet.

Only the latest proxy you submit will be counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you hold your shares in “street name” as a beneficial owner of shares registered in the name of your broker, bank or other agent (“broker”), you must vote your shares in the manner prescribed by your broker. Your broker has enclosed or otherwise provided a voting instruction card for you to use in directing the broker how to vote your shares. Check the voting instruction card used by that organization to see if it offers Internet or telephone voting. To vote in person at the annual meeting, you must present photo identification and a legal proxy from your broker. Contact your broker to request a voting instruction card or a legal proxy to vote in person at the annual meeting.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you owned as of January 13, 2017, the record date for the annual meeting.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of the outstanding shares entitled to vote are present at the meeting. Your shares are counted as present at the meeting if:

- You are present and vote in person at the meeting;
- You have properly submitted a proxy card;
- You have voted by telephone or Internet; or

If your shares are held in street name, a proxy card is submitted by your broker on your instructions, or voted by your broker on a discretionary item.

Additionally, abstentions and broker non-votes on discretionary items will be counted towards the quorum requirement. If there is no quorum, a majority of the shares present at the meeting and entitled to vote may adjourn the meeting to another date.

How are votes counted?

You may either vote “FOR” or “WITHHOLD” authority to vote for our nominees for the board of directors in Proposal 1, or you may withhold authority to vote for a particular nominee by voting “FOR ALL EXCEPT” and writing the number of one or more nominees in the designated space on the proxy card. You may vote “FOR”, “AGAINST” or “ABSTAIN” on Proposal 2 (ratification of the selection of our independent public accounting firm) and Proposal 3 (advisory vote to approve the compensation paid to our named executive officers).

If you submit your proxy but abstain from voting or withhold authority to vote on one or more matters, your shares will be counted as present at the meeting for the purpose of determining a quorum. Your shares also will be counted as present at the meeting for the purpose of calculating the required vote on the particular matter with respect to which you abstained from voting or withheld authority to vote.

If you hold your shares in street name and do not provide voting instructions to your broker, your broker may still be able to vote your shares with respect to certain “discretionary” (or routine) items, but it will not be allowed to vote your shares with respect to certain “non-discretionary” items. In the case of non-discretionary items, for which no instructions are received, the shares will be treated as “broker non-votes”. Shares that constitute broker non-votes will be counted as present at the meeting for the purpose of determining a quorum. A broker will have discretionary authority to vote on Proposal 2 relating to the ratification of the selection of our independent accounting firm, but will not have discretionary authority to vote on any other matter. As a result, if you do not vote your street name shares, your broker has the authority to vote on your behalf with respect to Proposal 2 (the ratification of the selection of the accounting firm), but not with respect to Proposal 1 (the election of directors) and Proposal 3 (advisory vote to approve the compensation paid to our named executive officers). We encourage you to provide instructions to your broker to vote your shares on Proposal 1 and Proposal 3.

Broadridge Financial Solutions has been appointed inspector of election by the Company and will tabulate votes at the annual meeting.

How many votes are needed to approve each Proposal?

Proposal 1 – Election of directors

The outcome of this vote will be determined by a plurality of the votes cast. This means that the seven director nominees with the most affirmative votes will be elected. Withheld votes and broker non-votes will have no effect on the outcome of the election of directors.

- Proposal 2 – Ratification of the selection of Crowe Horwath LLP as the independent registered public accounting firm of the Company for the fiscal year ending September 30, 2017

Proposal 3 – Advisory vote to approve the compensation paid to our named executive officers

Approval of each of Proposal 2 and Proposal 3 requires the affirmative vote of a majority of the shares present in person or by proxy at the meeting and entitled to vote at the meeting. Abstentions are counted and have the effect of a vote against these proposals, because abstentions are deemed to be present and entitled to vote but are not counted toward the affirmative vote required to approve such proposal. Broker non-votes will count as votes against Proposal 3.

What if I return a proxy card but do not make specific choices? What are the recommendations of our board of directors?

If you return a signed and dated proxy card without marking any voting selections, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the board of directors. The board's recommendation is set forth below together with the description of each proposal in this proxy statement. In summary, the board recommends a vote:

FOR election of all of the nominated directors (see Proposal 1);

- FOR ratification of Crowe Horwath LLP as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2017 (see Proposal 2); and

FOR approval of the compensation paid to our named executive officers (see Proposal 3).

3

If you return a signed and dated proxy card, with respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the board of directors or, if no recommendation is given, in their own discretion.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the meeting. If you are a stockholder of record, you may revoke your proxy in any one of three ways:

• You may submit another properly completed proxy card, or vote by telephone or Internet.

• You may send a written notice that you are revoking your proxy to: Corporate Secretary, IEC Electronics Corp., 105 Norton Street, Newark, New York 14513.

• You may attend the annual meeting and vote in person. Attending the meeting will not, by itself, revoke your proxy.

If you hold your shares in street name, contact your broker or other organization regarding how to revoke your instructions and change your vote.

How can I find out the voting results of the annual meeting?

Preliminary voting results will be announced at the annual meeting. Final voting results will be published in a Current Report on Form 8-K to be filed with the Securities and Exchange Commission (“SEC”) within four business days after the annual meeting.

What does it mean if I receive more than one proxy card or voting instruction card?

If you receive more than one proxy card or voting instruction card, your shares are registered in more than one name or are registered in different accounts. Please complete, date, sign and return each proxy card or voting instruction card to ensure that all of your shares are voted.

Who is paying for this proxy solicitation?

IEC will pay for the entire cost of soliciting proxies. In addition to these mailed proxy materials, our directors, officers and employees also may solicit proxies in person, by telephone, by email or by other means of communication. We will not pay our directors, officers and employees any additional compensation for soliciting proxies. IEC has requested banks, brokerage houses and other custodians, nominees and fiduciaries to forward all solicitation materials to the beneficial owners of the shares they hold of record. IEC will reimburse these record holders for their reasonable out-of-pocket expenses in so doing.

When are stockholder proposals and director nominations due for next year’s annual meeting?

At our annual meeting each year, our board of directors submits to stockholders its nominees for election as directors. In addition, the board of directors may submit other matters to the stockholders for action at the annual meeting.

Our stockholders may submit proposals for inclusion in the proxy materials. These proposals must satisfy the requirements of Rule 14a-8 of the Securities Exchange Act of 1934, as amended. To be considered for inclusion in next year’s proxy materials, you must submit your proposal in writing by September 28, 2017 to our Corporate

Secretary, IEC Electronics Corp., 105 Norton Street, Newark, New York 14513.

In addition, our by-laws provide that a stockholder may present from the floor a proposal that is not included in the proxy statement if the stockholder delivers written notice to our Corporate Secretary not less than 90 days before the date of the meeting. The notice must set forth your name, address and number of shares of stock you hold, a representation that you are a holder of record of our stock and you intend to appear in person or by proxy at the meeting to make the proposal, and a description of the business to be brought before the meeting. We have received no such notice for the 2017 annual meeting. Assuming a date of March 7, 2018 for our 2018 annual meeting of stockholders, written notice must be delivered to our Corporate Secretary at our principal office, 105 Norton Street, Newark, New York 14513, no later than December 7, 2017.

Our by-laws also provide that if a stockholder intends to nominate a candidate for election as a director at the annual meeting, the stockholder must deliver written notice of such intent to our Corporate Secretary. The notice must be delivered not less than 90 days before the date of a meeting of stockholders. The notice must set forth your name and address, the name and address of

the person to be nominated, a representation that you are a holder of record of stock entitled to vote at the meeting, a representation that you intend to appear in person or by proxy at the meeting to nominate the person specified in the notice, a description of all arrangements or understandings between such stockholder and each nominee and any other person (naming such person) pursuant to which the nomination is to be made by such stockholder, the nominee's business address and experience during the past five years, any other directorships held by the nominee, the nominee's involvement in certain legal proceedings during the past ten years and such other information concerning the nominee as would be required to be included in a proxy statement soliciting proxies for the election of the nominee. In addition, the notice must include the consent of the nominee to serve as a director if elected. Assuming a date of March 7, 2018 for our 2018 annual meeting of stockholders, written notice of a nomination must be delivered to our Corporate Secretary at our principal office, 105 Norton Street, Newark, New York 14513 no later than December 7, 2017.

PROPOSAL 1

ELECTION OF DIRECTORS

The number of directors is established by the board and is currently fixed at seven. At the annual meeting, the seven persons listed below will be nominated as directors. The term of office of each person elected as a director will continue until the next annual meeting or until his successor has been elected and qualified, or until the director's earlier death, resignation or removal.

All of the board's nominees for director were elected at the last annual meeting, and have consented to serve if elected. In the event that any nominee should be unable to serve or for good cause will not serve, the proxies will be voted for the election of such other persons as the nominating and governance committee of the board of directors may recommend.

Required Vote

Directors are elected by a plurality of the votes cast, which means that the nominees that receive the most affirmative votes will be elected. In an uncontested election, all of the board's nominees will be elected. You may vote "FOR" the nominees, or you may "WITHHOLD" your vote from one or more of the nominees. Withheld votes, abstentions and broker non-votes will have no effect on the voting results.

The board of directors unanimously recommends a vote FOR the election as directors each of the nominees listed below.

NOMINEES FOR ELECTION AS DIRECTORS

The following paragraphs provide information as of the date of this proxy statement about each nominee. We believe these nominees are highly qualified individuals with a diversity of experience. Several of the nominees have experience serving on the boards of directors of public companies and/or operational experience in the electronic contract manufacturing sector. We also believe that all of our nominees have a reputation for integrity, honesty and adherence to high ethical standards. In addition, each has demonstrated business acumen and an ability to exercise sound judgment, as well as a commitment of service to the Company and our board.

Keith M. Butler, age 58, has served as a director of the Company since 2015. He has been the Chief Operating Officer of RxSafe LLC, a pharmacy automation equipment company, since April 2014. Mr. Butler has served as a strategic advisory board member of Vintage Capital Management, LLC since March 2009.

We believe that Mr. Butler brings extensive operational experience in the contract manufacturing sector. Mr. Butler's past and present service as a founder and executive of several contract manufacturing companies provides him with significant experience and insight relative to our industry segment as well as the competitive advantages of our operations.

Charles P. Hadeed, age 66, has served as a director of the Company since 2015. He is a director and Chairman of the Board of Transcat, Inc. (NASDAQ:TRNS), a provider of accredited calibration and compliance services and distributor of professional grade handheld test, measurement and control instrumentation. We believe that Mr. Hadeed's extensive management, financial and operational experience as a former chief executive officer, chief financial officer and chief operating officer of a public company with a similar market capitalization to ours provides us with valuable experience at the board level. Mr. Hadeed's prior experiences also include turnaround management of a public company that faced obstacles similar to ours and those experiences make him a valuable board member.

Lynn J. Hartrick, age 69, has served as director of the Company since 2015. He has been the President and owner of Business Leadership Professionals, LLC, an executive coaching and business advisory firm, since April 2010. We believe that Mr. Hartrick's executive leadership and executive coaching experience make him a valuable addition to our board of directors. Mr. Hartrick has over 20 years of experience in advising executive teams as they pursue strategies to change

prior habits and effect change in organizations. The board believes his experiences bring significant value as it moves to effect positive change within our organization.

Andrew M. Laurence, age 42, has served as a director of the Company since 2015. He is a partner of Vintage Capital Management, LLC. Mr. Laurence joined Vintage Capital Management in January 2010 and is responsible for all aspects of Vintage's transaction sourcing, due diligence and execution. Mr. Laurence also served as API's Vice President of Finance and Chief Accounting Officer from January 2011 to June 2011. Mr. Laurence also serves on the Board of Directors of Energes Services, LLC, an oilfield services company.

We believe that Mr. Laurence's experience investing in, growing and improving companies, some of which are within our industry segment, make him a valuable member of our board of directors.

Jeremy R. Nowak, age 41, is our Chairman of the Board and has served in such capacity since 2015. Mr. Nowak has been a partner and the Chief Operating Officer of Vintage Capital Management, LLC since July 2010. Mr. Nowak is responsible for Vintage's business development, transactional due diligence and trading execution. Mr. Nowak joined Kahn Capital Management, LLC, a predecessor to Vintage, in September 2006.

Mr. Nowak's financial and investment experience make him a valuable member of our board. Mr. Nowak's experiences at Vintage provide a needed stockholder perspective of the change the Company intends to effect.

Jeffrey T. Schlarbaum, age 50, has served as a director and as our President and Chief Executive Officer since 2015. From February 2013 to June 2013 and from June 2014 to February 2015, Mr. Schlarbaum pursued personal interests. From June 2013 to June 2014, Mr. Schlarbaum served as Chief Operations Officer for LaserMax, Inc., a manufacturer of laser gun sights for law enforcement and the shooting sports community. From October 2010 to February 2013, Mr. Schlarbaum served as our President. We believe that Mr. Schlarbaum's background as a senior executive of the Company provides him with extensive knowledge of our operating history. We believe that this long-term institutional knowledge of the Company, its customers and its executive team make Mr. Schlarbaum a significant asset to our board. Mr. Schlarbaum also brings general management, marketing and operational experience that is of value to the board.

Eric B. Singer, age 43, has been a director of the Company since 2015. CORPORATE GOVERNANCE AND BOARD MATTERS

Corporate Governance Guidelines

Our business, property and affairs are managed under the direction of our board of directors. The board is committed to sound and effective corporate governance practices and, accordingly, has adopted Corporate Governance Guidelines that provide a system of best practices with respect to board function and communication. Our Corporate Governance Guidelines address matters including board composition, director responsibilities, director independence, selection of board nominees, board

membership criteria, mandatory retirement, meeting participation, executive sessions of our independent directors, evaluation of the performance of the chief executive officer, committees, succession planning, orientation and continuing education.

Director Independence

The NYSE MKT Company Guide requires that a majority of the members of a listed company's board of directors be independent. No director will qualify as "independent" unless the board affirmatively determines that the director has no relationship with the Company or any of its subsidiaries that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Based upon the NYSE MKT Company Guide and applicable SEC rules and regulations, our board has determined that the following directors are independent: Messrs. Butler, Hadeed, Hartrick, Laurence, Nowak and Singer.

Board Leadership Structure and Role in Risk Oversight

Our board is responsible for the selection of the chairman of the board and the chief executive officer. The current board of directors believes that separating the roles of chairman of the board and chief executive officer best serves our interest in achieving effective corporate governance. The current board believes that separating these two positions allows each person to focus on his individual responsibilities, which is essential to the strategic focus on improving our operational and financial performance. Under this leadership structure, our chief executive officer can focus his attention on the day-to-day operations and performance of the Company and can work to implement our long-term strategic plans. At the same time, our non-executive chairman of the board can focus his attention on addressing long-term strategic issues, working collaboratively with our other board members, and providing independent insight and guidance to our chief executive officer. In addition, maintaining a separation of the roles of chairman of the board and chief executive officer aids the board in its oversight of our risk management. Although we believe that the separation of the roles of chairman of the board and chief executive officer is appropriate in the current environment, our board leadership structure may change in the future as our business, industry and corporate governance practices evolve.

The board of directors is responsible for overseeing risks that could affect our management's processes for managing risk. This oversight is conducted primarily through the board's committees. Our audit committee focuses on risks and exposures associated with financial matters, particularly financial reporting, tax, accounting, disclosure, internal control over financial reporting, financial policies, credit and liquidity matters and compliance with legal and regulatory matters. Our nominating and governance committee focuses on the management of risks associated with board membership and structure, as well as corporate governance. Our compensation committee focuses on the management of risks arising from our compensation policies and programs.

While our board committees are focused on these specific areas of risk, the full board retains responsibility for general oversight of risk. The board satisfies this responsibility by taking reports from each committee chairman regarding the risk considerations within each committee's area of expertise. In addition, the board receives reports from members of our senior management team responsible for oversight of material risk to the Company.

The full board focuses on the strategic, financial and execution risks associated with the annual operating plan, significant legal matters, acquisitions and senior management succession planning.

As part of its risk oversight responsibilities, our board of directors and its committees review the processes that management uses to manage our risk exposure. In doing so, the board and its committees monitor our overall risk function and senior management's establishment of appropriate systems and processes for managing areas of material risk to our Company, including, but not limited to, operational, financial, legal, regulatory and strategic risks.

Board Meetings and Attendance

During Fiscal 2016, our board held four in-person or telephonic meetings.

During Fiscal 2016, each incumbent director attended at least 75% of the meetings of the board, and of those committees upon which such director served, held during the period that he served.

Director Attendance at Annual Meetings

All of our directors attended our 2016 annual meeting of stockholders.

Board Committees

Our board has three standing committees to assist in the discharge of its responsibilities: the audit committee, the compensation committee, and the nominating and governance committee. The following table indicates the committee(s) on which each director serves, the identity of the chair of each committee, and the number of times each committee met during Fiscal 2016:

Committee Membership

Director:	Audit	Compensation	Nominating and Governance
Keith M. Butler	—	x	—
Charles P. Hadeed	Chair	—	Chair
Lynn J. Hartrick	—	Chair	x
Andrew M. Laurence	x	—	—
Jeremy R. Nowak	x	x	—
Jeffrey T. Schlarbaum	—	—	—
Eric B. Singer	—	—	x
Total Meetings in Fiscal 2016:	4	2	2

Each committee acts pursuant to a written charter adopted by the board. The charter of each of the audit, compensation and nominating and governance committees complies with the NYSE MKT corporate governance listing standards. The committees regularly report their activities and actions to the full board at the next board meeting. Each committee's charter is available on our website at www.iec-electronics.com under the heading, "Investors" and the subheading, "Corporate Governance."

Audit Committee

The audit committee oversees our corporate accounting and financial reporting processes and the audits of our financial statements. The audit committee is a separately-designated standing committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended. Its responsibilities include:

- the appointment, retention, termination, compensation and oversight of our independent auditors, including an evaluation of the qualifications, performance and independence of the independent auditors;
- the review and discussion with management and the independent auditors of the financial statements and related disclosures included in our annual reports on Form 10-K and quarterly reports on Form 10-Q;
- the oversight of management's implementation of internal controls and procedures and disclosure controls and procedures;
- the establishment of procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, including procedures for the confidential and anonymous submission by employees regarding questionable accounting or auditing matters;
- administration and oversight of our Code of Business Conduct and Ethics; and
- the review and approval of related persons transactions.

The audit committee has authority to engage independent counsel and other advisers as necessary to carry out its responsibilities. In addition, the audit committee has sole authority to determine the fees payable to such independent counsel and advisers, which fees shall be paid by the Company.

The board of directors has determined that each member of the audit committee meets the independence and financial literacy requirements applicable to audit committee members under the NYSE MKT Company Guide. The board of

directors has further determined that Mr. Hadeed qualifies as an “audit committee financial expert” in accordance with the applicable rules and regulations of the SEC.

Compensation Committee

The compensation committee assists the board in its discharge of responsibilities with respect to executive and director compensation. Its responsibilities include:

- the oversight and development and administration of our executive compensation plans;
- the review and approval of the compensation for all executive officers other than the chief executive officer;
- the recommendation to the independent members of the board of the compensation of the chief executive officer;

- the evaluation of the chief executive officer;
- the review and recommendation to the board of the terms of any employment, severance, change in control, termination or retirement arrangements for all executive officers;
- the review and recommendation to the board of the compensation paid to directors; and
- the assessment of the independence of any compensation consultant, independent legal counsel or other adviser retained by the committee.

The compensation committee approves equity awards for our other employees, including the delegation of authority to our chief executive officer to award up to a specified number of stock options to non-executive employees for special performance or recruitment to the Company.

The compensation committee has sole authority, in its discretion, to retain or obtain advice of a compensation consultant, independent legal counsel or other adviser to assist the compensation committee in carrying out its responsibilities. The compensation committee is responsible for the oversight and compensation of any compensation consultant, independent legal counsel or other adviser it retains. We are responsible for paying such compensation as determined by the compensation committee. The compensation committee retained a compensation consultant, The Burke Group, for Fiscal 2016. The Burke Group conducted a review and analysis of our executive compensation program in order to validate our current compensation strategy. The Burke Group reviewed senior executive team positions and provided summary reports on current trends for executive compensation in similar companies, established the peer group, assessed base salaries, annual cash incentive compensation and long term incentives against published survey data and peer group data and provided observations and recommendations for all components of our executive compensation program.

The board of directors has determined that each member of the compensation committee meets the independence requirements applicable to compensation committee members under the NYSE MKT Company Guide.

Nominating and Governance Committee

The nominating and governance committee identifies and recommends to the board individuals to serve as directors and as nominees for election as directors of the Company and develops, recommends and reviews corporate governance principles applicable to the Company. The nominating and governance committee's responsibilities include:

- the development and recommendation to the board of director qualification criteria;
- the development and periodic review of corporate governance principles;
- the oversight of the board's self-evaluation process; and
- development of the board's chief executive officer succession policies.

The board of directors has determined that each member of the nominating and governance committee meets the director independence requirements of the NYSE MKT Company Guide.

Nominating Process

The process followed by the nominating and governance committee to identify and evaluate candidates includes requests to board members, the chief executive officer, and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and their qualifications, and interviews of selected candidates. The nominating and governance committee also will consider director candidates recommended by stockholders on the same basis it considers other potential candidates. Stockholders who wish to recommend a prospective nominee for the nominating and governance committee's consideration should

submit the candidate's name and qualifications to: Corporate Secretary, IEC Electronics Corp., 105 Norton Street, Newark, New York 14513.

In evaluating the suitability of candidates to serve on the board of directors, including stockholder recommendations, the nominating and governance committee seeks candidates who are independent pursuant to the NYSE MKT independence standards and meet certain selection criteria established by the committee. The specific criteria required for the selection of each board member will be determined from time to time within the context of the current member composition of the board of directors and the evolving needs of the Company based on business strategy and current senior management competencies. The committee also considers an individual's skills, character and professional ethics, judgment, leadership experience, business experience and acumen, familiarity with relevant industry issues, and other relevant criteria that may contribute to our success. This evaluation is performed in light of the skill set and other characteristics that would most complement those of the current directors, including the diversity, maturity, skills and experience of the board as a whole. We do not have a formal policy regarding board diversity in the identification of nominees, but diversity is one of several factors that the nominating and governance committee takes into account when evaluating candidates. The committee believes that diversity includes perspective gained from different educational, cultural and business backgrounds and life experiences.

Nominations of persons for election to our board may be made at a meeting of stockholders only (i) by or at the direction of the board; or (ii) by any stockholder who has complied with the notice procedures set forth in our by-laws and in the section entitled "Questions and Answers About This Proxy Material and Voting – When are stockholder proposals and director nominations due for next year's annual meeting?".

Code of Ethics and Whistleblower Policy

We have a Code of Business Conduct and Ethics, which applies to all of our directors, officers (including our principal executive officer, principal financial officer, principal accounting officer and other executive officers) and employees. It is a statement of our high standards for ethical behavior, legal compliance and financial disclosure. We also maintain a whistleblower policy, which encourages our employees to report illegal activities and business conduct that would damage our good name, business interests and relationships with stockholders, suppliers, residents and the community at large. The Code of Business Conduct and Ethics and the Whistleblower Policy are distributed to all of our employees who in turn acknowledge, in writing, receipt of this information.

Availability of Corporate Governance Documents

We make available to the public a variety of corporate governance information on our website (www.iec-electronics.com) under the heading "Investors" and the subheading, "Corporate Governance". Information on our website includes our Code of Business Conduct and Ethics, our Corporate Governance Guidelines, the Audit Committee Charter, the Compensation Committee Charter, the Nominating and Governance Committee Charter, our Related Person Transactions Policies and Procedures, and our Whistleblower Policy. Information regarding any amendment to, or waiver from, the Code of Business Conduct and Ethics that applies to our principal executive officer, principal financial officer or principal accounting officer will also be posted in that section of our website.

PROPOSAL 2

RATIFICATION OF THE SELECTION OF THE COMPANY'S
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL 2017

The audit committee has selected the accounting firm of Crowe Horwath LLP ("Crowe Horwath") to serve as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2017 ("Fiscal 2017"). The stockholders are being asked to ratify the audit committee's selection of Crowe Horwath.

Stockholder ratification of the selection of Crowe Horwath is not required by our by-laws or otherwise. However, the board is submitting the selection of our independent registered accounting firm to the stockholders for ratification as a matter of good corporate governance. If the stockholders fail to ratify this appointment, the audit committee may, but is not required to, reconsider whether to retain Crowe Horwath. Even if the appointment is ratified, the audit committee in its discretion may direct the appointment of a different accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders. Representatives of Crowe Horwath will be present at the annual meeting, will be given the opportunity to make statements if they so desire and will be available to respond to appropriate questions.

The following table shows the fees that were billed by Crowe Horwath for professional services listed below related to our last two fiscal years, Fiscal 2016 and the fiscal year ended September 30, 2015 ("Fiscal 2015"):

Description of Fees	Fiscal 2016	Fiscal 2015
Audit Fees	\$240,000	\$314,500

Audit fees represent amounts billed for the audit of our annual consolidated financial statements for the fiscal year and the reviews of financial statements included in our quarterly reports on Form 10-Q for the fiscal year. There were no audit-related fees, tax fees or other fees paid to Crowe Horwath during Fiscal 2016 or Fiscal 2015.

Pre-Approval of Fees by Audit Committee

In accordance with applicable laws, rules and regulations, our audit committee charter and pre-approval policies established by the audit committee require that the audit committee review in advance and pre-approve all audit and permitted non-audit fees for services provided to us by our independent registered public accounting firm. The audit committee pre-approved all services performed by, and all fees to be paid to, Crowe Horwath in Fiscal 2016.

Independence Analysis by Audit Committee

The audit committee has considered whether the provision of the services described above was compatible with maintaining the independence of Crowe Horwath and determined that it was compatible with the firm's independence. For Fiscal 2016 and Fiscal 2015, Crowe Horwath provided no services other than those services described above.

Required Vote

The affirmative vote of the holders of a majority of the shares of common stock present in person or represented by proxy at the annual meeting and entitled to vote at the meeting is needed to ratify the appointment of Crowe Horwath as our independent registered public accounting firm for the fiscal year ending September 30, 2017. An abstention will have the same effect as a vote against the proposal.

Unless you specify otherwise, the persons named in the proxy card intend to vote shares as to which proxies are received for the approval of ratification of the selection of Crowe Horwath as our independent registered public accounting firm for the fiscal year ending September 30, 2017.

The audit committee and our board of directors unanimously recommend that the stockholders vote FOR the ratification of the appointment of Crowe Horwath as our independent registered public accounting firm for the fiscal year ending September 30, 2017.

AUDIT COMMITTEE REPORT

In connection with our financial statements for the fiscal year ended September 30, 2016, the audit committee has (1) reviewed and discussed the audited financial statements with management; (2) discussed with the independent registered public accounting firm (the “Auditors”) the matters required to be discussed by Public Company Accounting Oversight Board Auditing Standard No. 1301, Communications with Audit Committees; and (3) received the written disclosures and the letter from the Auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the Auditors’ communications with the audit committee concerning independence, and has discussed with the Auditors their independence.

Based on the review and discussions referred to in items (1) through (3) of the above paragraph, the audit committee recommended to the board of directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended September 30, 2016, for filing with the Securities and Exchange Commission.

PROPOSAL 3

ADVISORY VOTE TO APPROVE THE COMPENSATION PAID TO THE COMPANY’S NAMED EXECUTIVE OFFICERS

General

In accordance with Section 14A of the Securities Exchange Act of 1934, as amended, we are requesting that our stockholders approve on a non-binding, advisory basis the compensation paid to our named executive officers as disclosed pursuant to the compensation disclosure rules of the SEC, including the compensation tables and narrative discussion in this proxy statement under the caption “Compensation of Named Executive Officers” of this proxy statement.

The board of directors requests that stockholders approve the following advisory resolution:

RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed pursuant to Item 402(m)-(q) of Regulation S-K, including the compensation tables and narrative discussion, is hereby APPROVED.

At our 2013 annual meeting of stockholders, we recommended, and our stockholders approved, that we hold this non-binding, advisory vote on executive compensation on an annual basis. The next required vote on frequency will occur at our 2019 annual meeting of stockholders.

We urge stockholders to read the section entitled “Compensation of Named Executive Officers ” of this proxy statement, including the compensation tables and narrative included within that section, which provide detailed information on IEC’s compensation of our named executive officers.

Each named executive officer is a party to an employment agreement with us. We believe these agreements and other incentives granted to these named executive officers align our named executive officers’ interests with those of our stockholders. Our compensation committee and board of directors continue to evaluate our executive compensation program with a view toward motivating our named executive officers to meet our strategic operational and financial goals in the best interests of our stockholders.

Non-Binding Vote

This advisory vote, commonly referred to as a “say-on-pay” vote, is not binding on the Company, the board of directors or the compensation committee of the board of directors, and may not be construed as overruling any decision made by the board. However, the board and the compensation committee will take the voting results into account when evaluating our executive compensation program and considering future compensation arrangements.

Required Vote

The affirmative vote of the holders of a majority of the shares of common stock present in person or represented by proxy at the annual meeting and entitled to vote at the meeting is needed to approve the compensation paid to our named executive officers. Abstentions and broker non-votes will count as votes against this proposal.

The board of directors unanimously recommends that the stockholders vote FOR the approval of the compensation paid to our named executive officers.

COMPENSATION OF NAMED EXECUTIVE OFFICERS

Named Executive Officers

The following tables and related narrative contain information regarding the compensation paid to our named executive officers for our two most recently completed fiscal years, which ended on September 30, 2016 and September 30, 2015. Our named executive officers are our chief executive officer and our two other most highly compensated executive officers serving at the end of Fiscal 2016:

Jeffrey T. Schlarbaum - President and Chief Executive Officer

Michael T. Williams - Vice President, Finance and Chief Financial Officer

Jens Hauvn - Senior Vice President, Operations

(1) The “Salary” column reflects the base salary earned by each of our named executive officers during the applicable fiscal year, which may differ from the salary described in “Compensation of Named Executive Officers - Base Salary Compensation” due to effective dates for increases that do not fall on the first day of the fiscal year and pay periods that may overlap fiscal years.

(2) Amounts reflect cash sign-on bonuses for Messrs. Schlarbaum and Hauvn (portions of which were paid in Fiscal 2016 and Fiscal 2015), and a cash payment to Mr. Williams in connection with his acceptance of his employment agreement.

(3) In April 2016, we granted Messrs. Schlarbaum, Williams and Hauvn time-vesting restricted stock units covering 12,258 shares, 4,970 shares and 5,334 shares, respectively, and performance-vesting restricted stock units covering 49,030 shares, 19,881 shares and 21,336 shares, respectively, pursuant to the 2010 Omnibus Incentive Compensation Plan (the “2010 Plan”). In June 2016, we granted restricted stock awards to Messrs. Schlarbaum and Williams of 7,500 shares and 3,580 shares, respectively, pursuant to the 2010 Plan. We granted restricted stock awards in Fiscal 2015 to Mr. Hauvn upon his hiring as an inducement award. This award automatically vested upon the election of our new board of directors at our 2015 annual meeting of shareholders.

(4) The amounts shown reflect the aggregate grant date fair value computed in accordance with FASB ASC 718 (“ASC 718”). Under ASC 718, the fair value of such stock awards is determined as of the date of grant using the closing market price of our common stock on the date of grant. For awards subject to performance conditions, the amounts included in this column are calculated based on the probable satisfaction of the performance conditions at the grant date, which represents the highest level of performance achievement. These amounts reflect our accounting for these awards and do not correspond to the actual values that may be realized by the named executive officers and do not represent actual cash compensation paid to the recipient. Pursuant to SEC rules, we disregarded the estimates of forfeitures related to service-based vesting conditions.

(5) In August 2016, we granted Mr. Hauvn an option to purchase 50,000 shares under the 2010 Plan as part of a relocation award under his employment agreement after the compensation committee waived the requirement that Mr. Hauvn relocate to the greater Rochester, New York area. In Fiscal 2015, we granted an inducement option award for 16,145 shares to Mr. Schlarbaum, and we also granted option awards to Messrs. Schlarbaum and Hauvn for 400,000 shares and 50,000 shares, respectively, in connection with their appointments as executive officers of the Company. Valuation assumptions used to determine grant date fair value as required by ASC 718 are disclosed in Note 11- Stock-Based Compensation to our consolidated financial statements included in our annual report on Form 10-K for Fiscal 2016.

(6) For Fiscal 2016, Mr. Schlarbaum earned \$351,273, Mr. Williams earned \$141,568 and Mr. Hauvn earned \$151,927 in connection with the annual management incentive plan payout as described in the “Narrative to Summary Compensation Table” section below. For Fiscal 2015, Mr. Schlarbaum earned an annual cash incentive of \$95,000 pursuant to his employment agreement. As a condition to his employment by the Company, Mr. Williams was guaranteed a minimum \$25,000 payout if he remained employed on July 15, 2014, and an additional \$25,000 payout if he remained employed at the time the Form 10-K for Fiscal 2015 was filed. He was employed on each of such dates. Thus, the first \$25,000 payout was earned in the fiscal year ended September 30, 2014 (“Fiscal 2014”) and the remaining payout was earned in Fiscal 2015.

(7) Amounts shown in Fiscal 2016 and Fiscal 2015 for Messrs. Schlarbaum, Williams and Hauvn include the Company match portion of the 401(k) Employee Savings Plan, as described below. Amounts shown for Mr. Williams for Fiscal 2015 also include \$895 in insurance premiums paid with respect to policies of life insurance maintained for his benefit.

NARRATIVE TO SUMMARY COMPENSATION TABLE

Elements of Compensation

Our compensation program for the named executive officers consists of the following elements:

- Base salary;
- Annual cash incentive; and
- Long-term equity incentive.

Our named executive officers are also entitled to participate in a 401(k) employee savings plan, described below.

Base Salary

Base salaries for our named executive officers generally are set forth in their employment agreements with the Company and are subject to review for increases. For named executive officers other than the chief executive officer, the chief executive officer makes recommendations for salary increases to the compensation committee. The compensation committee reviews the chief executive officer's base salary and makes recommendations to the board of directors for increases.

The compensation committee set Mr. Schlarbaum's base salary at \$350,000 when he joined the Company in February 2015. Mr. Schlarbaum's base salary was adjusted in May 2016 to \$357,000 to reflect a 2% cost of living adjustment. Pursuant to their employment agreements entered into with the Company in September 2015, Mr. Hauvn's base salary was set at \$220,000 and Mr. Williams' base salary was set as \$205,000. Before taking the position of Senior Vice President, Operations in September 2015, Mr. Hauvn's base salary was \$180,000.

Annual Cash Incentive Awards

Our named executive officers generally are eligible for annual cash incentive awards under our annual management incentive plan, which we refer to as the MIP. Our named executive officers earn their MIP awards based on achievement of performance goals for the fiscal year. The compensation committee generally sets target incentive award opportunities based on a percentage of each executive officer's base salary during the fiscal year.

For Fiscal 2016, the compensation committee set certain performance goals related to sales, as disclosed in the Form 10-K for Fiscal 2016, EBITDA, defined for purposes of the MIP as earnings before interest, taxes, depreciation and amortization, and cash flows, defined for purposes of the MIP as the reduction in debt, net of cash year over year, as a precondition for payment of any MIP awards. The annual award target during Fiscal 2016 for Messrs. Schlarbaum, Williams and Hauvn was 65 % of plan salary, 45% of plan salary, and 45% of plan salary, respectively.

The following table sets forth the Fiscal 2016 goals at the threshold, target and maximum performance levels, as well as actual amounts achieved, as well as the weight given each performance measure.

Performance Measure	Weight	Threshold	Target	Maximum	Actual
(\$in millions)					
Sales	30%	\$ 121.0	\$128.0	\$ 135.7	\$127.0
EBITDA	40%	8.1	8.5	9.5	9.2
Cash Flow	30%	6.7	7.0	8.0	11.8

A reconciliation of EBITDA follows:

	Year Ended September 30, 2016	
(in thousands)		
Net income (loss)	\$	4,786
Provision for/(benefit from) income taxes		70
Depreciation and amortization expense		3,106
Interest expense		1,392
EBITDA	\$	9,354

Using its discretion, the compensation committee reduced EBITDA used in the calculation of MIP for certain expenses incurred in Fiscal 2017 that the compensation committee determined should be reflected in Fiscal 2016 for purposes of the MIP calculation.

The threshold, target and maximum goals are subject to an adjustment factor of 10%, 100% and 200%, respectively, resulting from our actual performance between the target and the respective goal.

The compensation committee evaluates achievement of performance goals after fiscal year end and may increase or decrease payouts by up to 25%, subject to the approval of the independent members of the board of directors with respect to the chief executive officer's incentive award. No adjustments were made to the payouts in Fiscal 2016. The payment of MIP awards generally will be made within 15 days after receipt of the audited financial statements for the fiscal year. Generally, in order to receive awards under the MIP, participants must be employed at the time the awards are paid.

In the event of an accounting restatement participating employees may be required to reimburse us for all or any part of the amount of any payment under the MIP. Forfeitures and clawbacks of payments will also be required to the extent necessary to comply with applicable laws or regulations.

The compensation committee reserved the right in its discretion to modify or waive categories or goals, however other than the EBITDA adjustments described above, no such modifications or waivers were made during Fiscal 2016. For Fiscal 2016 we paid awards of \$351,273, \$141,568 and \$151,927 to Messrs. Schlarbaum, Williams and Hauvn, respectively, based on the results for Fiscal 2016 under the MIP performance measures.

For Fiscal 2015, Mr. Schlarbaum earned an annual cash incentive of \$95,000 pursuant to his employment agreement with the Company. Under his employment agreement, he earned \$47,500 when the Company met its deadline of May 11, 2015 for filing its amended annual report on Form 10-K for Fiscal 2014 and quarterly reports on Forms 10-Q for the fiscal quarters ended December 26, 2014 and March 27, 2015. He also received \$47,500 in Fiscal 2015 pursuant to his employment agreement.

The compensation committee established a minimum of Net Income Before Taxes of \$900,000 for Fiscal 2015 as a precondition for payment of any MIP awards. This threshold was not met for Fiscal 2015, so the Company did not pay any annual incentive plan awards under the MIP with respect to Fiscal 2015.

Long-Term Equity Incentive Awards

Long-term incentives in the form of equity are a significant part of our compensation program for our named executive officers. The objective of these long-term incentives is to retain and motivate our named executive officers, and to encourage long-term performance by enabling our named executive officers to participate in the long-term growth and financial success of the Company. For Fiscal 2016, we changed the long-term incentive portion of our compensation program by generally making grants in the form of restricted stock units, instead of restricted stock, and by using average annual EBITDA as the performance goal for performance-vesting awards.

Messrs. Schlarbaum, Williams and Hauvn received grants of performance-vesting restricted stock units covering 49,030 shares, 19,881 shares and 21,336 shares, respectively, under the 2010 Plan in Fiscal 2016, which reflected a number of shares with a grant date value of approximately 65% of base salary for Mr. Schlarbaum, and approximately 45% of base salary each for Messrs. Williams and Hauvn. Subject to continued employment, these restricted stock units generally vest based upon the level of achievement of the performance goal set forth on an exhibit to the applicable award agreements, which is based on the Company's average annual EBITDA, for the period from October 1, 2015 to September 30, 2018. The threshold, target and maximum average annual EBITDA levels under the performance goal are \$7,600,000, \$9,500,000 and \$11,875,000,

respectively. Achievement of the performance goal at threshold, target or maximum would cause 50%, 100% or 150% of the shares, respectively, to vest, with the percentage of shares that vest based on achievement between threshold and target or between target and maximum determined using straight line interpolation. These restricted stock units are intended to create an incentive for the retention of our named executive officers and to encourage long-term performance.

In addition, we awarded time-vesting restricted stock units to Messrs. Schlarbaum, Williams and Hauvn covering 12,258 shares, 4,970 shares and 5,334 shares, respectively, under the 2010 Plan in Fiscal 2016. For each named executive officer, the performance-vesting restricted stock units and the time-vesting restricted stock units reflected 80% and 20%, respectively, of the total number of shares underlying all of the restricted stock units granted during Fiscal 2016. Subject to continued employment, these restricted stock units generally vest on the third anniversary of the grant date, and are intended to create an incentive for the retention of our named executive officers.

Messrs. Schlarbaum and Williams also received grants of 7,500 shares and 3,580 shares, respectively, of time-vesting restricted stock awards under the 2010 Plan in Fiscal 2016. Subject to continued employment, these awards of restricted stock generally vest one-quarter upon the first, second, third and fourth anniversary of their respective grant dates and are intended to provide additional one-time compensation in recognition of the services provided by Messrs. Schlarbaum and Williams.

In addition, Mr. Hauvn received an option to purchase 50,000 shares of the Company's common stock under the 2010 Plan in Fiscal 2016. This option was intended as payment of a relocation award under Mr. Hauvn's employment agreement after the Company's compensation committee waived the requirement that Mr. Hauvn relocate to the greater Rochester, New York area. Subject to continued employment, the option generally vests and becomes exercisable with respect to 10%, 30%, 60% and 100% of the covered shares on August 9, 2017, August 9, 2018, August 9, 2019 and August 9, 2020, respectively. During Fiscal 2015, we granted option awards to Messrs. Schlarbaum and Hauvn for 400,000 shares and 50,000 shares, respectively, in connection with their appointments as executive officers of the Company.

The long-term incentive plan for Fiscal 2015, which we refer to as the LTIP, provided for awards of time-vesting restricted stock under the 2010 Plan. The LTIP measured Company performance over a one-year fiscal period and any restricted stock awards would have been granted, if at all, at the end of the fiscal year based on the attainment of company-wide performance goals. For Fiscal 2015, the compensation committee established revenue growth as the single performance goal. No awards were granted during Fiscal 2015 because the threshold performance measure was not met.

Perquisites and Personal Benefits

Pursuant to the terms of our employment agreements with Messrs. Schlarbaum, Williams and Hauvn, we are not obligated to pay any perquisites or personal benefits to our current named executive officers. We previously paid the premiums for life insurance policies maintained by Mr. Williams.

Retirement Benefits

All employees, including our named executive officers, are eligible to participate in the Company's 401(k) Employee Savings Plan (the "Savings Plan"). The Savings Plan is a defined contribution tax-qualified retirement savings plan pursuant to which employees are able to contribute a portion of their eligible cash compensation to the Savings Plan. The Company matches up to 1.5% of contributions made by participating employees. None of our named executive officers is covered by a pension plan or non-qualified deferred compensation plan.

Employment Agreements and Other Arrangements

The employment agreements we entered into in Fiscal 2015 with Messrs. Schlarbaum, Williams and Hauvn contain clawback provisions for recovering certain compensation in the event of an accounting restatement resulting from the executives' willful or grossly negligent conduct or financial dishonesty.

Jeffrey T. Schlarbaum, President and Chief Executive Officer

On March 20, 2015, we entered into a three-year employment agreement with Mr. Schlarbaum in connection with his election to the office of President and Chief Executive Officer on February 6, 2015. Mr. Schlarbaum's employment agreement entitles him to an annual base salary of \$350,000, which the compensation committee will review for increases. In May 2016, the compensation committee increased Mr. Schlarbaum's base salary to reflect a 2% cost of living adjustment. The employment agreement also entitles Mr. Schlarbaum to earn annual and long-term incentive awards on the terms established by the compensation committee for the applicable fiscal year. Mr. Schlarbaum's employment agreement provided for a one-time sign-on award of a stock option to purchase shares of the Company's common stock equal to four percent of the Company's

common stock outstanding on the date of grant. Thus, on March 20, 2015, we granted Mr. Schlarbaum an option to purchase 400,000 shares of our common stock under the 2010 Plan and an option to purchase 16,145 shares as an inducement award outside of the 2010 plan, each at an exercise price of \$4.10 per share. One-fourth of the sign-on option (representing the option to purchase 104,036 shares of our common stock) vested on March 20, 2016 and the remaining portion vests and becomes exercisable in equal installments on each of the second, third and fourth anniversaries of March 20, 2015, the date of the employment agreement.

In the event of Mr. Schlarbaum's termination without "cause" by us or by Mr. Schlarbaum for "good reason," as such terms are defined in his employment agreement, we will pay or provide the following termination benefits:

- salary continuation at his base salary then in effect for one year following termination;
- a pro rata annual incentive award;
- accelerated vesting of his sign-on option;
- accelerated vesting of any outstanding long-term incentive awards; and
- continued coverage under our health insurance plan for twelve months following termination.

In the event of Mr. Schlarbaum's termination without "cause" by us or by Mr. Schlarbaum for "good reason" within two years of a "change-in-control," as such terms are defined in his employment agreement, we will pay or provide all of the compensation and benefits referred to immediately above, except that continued coverage under our health insurance plan will continue for twenty-four months following termination.

In connection with his joining the Company in Fiscal 2015, Mr. Schlarbaum also received a cash sign-on bonus of \$50,000.

Michael T. Williams, Vice President, Finance and Chief Financial Officer

In September 2015, we entered into an at-will employment agreement with Mr. Williams that superseded his prior employment agreement with us dated February 11, 2014. In consideration for entering into the employment agreement, Mr. Williams received a one-time cash payment of \$15,000. The employment agreement entitles Mr. Williams' to a base salary of \$205,000. The chief executive officer periodically will review Mr. Williams' salary and make recommendations to the compensation committee regarding any increases. We may not decrease Mr. Williams' base salary as provided under the employment agreement except as necessary to enforce the clawback provisions.

Pursuant to the terms of the employment agreement, in the event of Mr. Williams' termination without "cause" by us or by Mr. Williams for "good reason," as such terms are defined in his employment agreement, we will pay or provide the following termination benefits:

- salary continuation at his base salary then in effect for one year following termination;
- a pro rata annual incentive award; and
- continued coverage under our health insurance plan for six months following termination.

In the event of Mr. Williams' termination without "cause" by us or by Mr. Williams for "good reason" within two years of a "change-in-control," as such terms are defined in his employment agreement, we will pay or provide all of the compensation and benefits referred to immediately above, except that vesting of any of Mr. Williams' outstanding long-term incentive awards will be accelerated.

Mr. Williams participates in our benefit plans generally applicable to other employees and executives. In addition, the employment agreement entitles Mr. Williams to receive annual and long-term incentive awards, generally on the

terms established by the compensation committee for the applicable fiscal year.

Jens Hauvn, Senior Vice President, Operations

On September 8, 2015, we entered into an at-will employment agreement with Mr. Hauvn to serve as our Senior Vice President, Operations. Mr. Hauvn's employment agreement entitles him to an annual base salary of \$220,000, which the chief executive officer periodically will review for increases. We may not decrease Mr. Hauvn's base salary as provided under the employment agreement except as necessary to enforce the clawback provisions. The employment agreement also entitles Mr. Hauvn to earn annual and long-term incentive awards on the terms established by the compensation committee for the applicable fiscal year. Mr. Hauvn's employment agreement provided for one-time awards of (i) a stock option to purchase 50,000 shares of the Company's common stock, (ii) a stock option to purchase 50,000 shares of the Company's common stock upon Mr. Hauvn's relocation of his primary residence to the greater Rochester, New York area, and (iii) a cash signing bonus of \$9,500. On August 9, 2016, the compensation committee waived the requirement that Mr. Hauvn relocate to the greater Rochester, New

21

York area to receive the option to purchase 50,000 shares. Accordingly, on such date, Mr. Hauvn was granted an option to purchase 50,000 shares of common stock at \$5.25 per share under the 2010 Plan. Subject to his continuous employment, the option vests and becomes exercisable as follows: 10% on August 9, 2017, 20% on August 9, 2018, 30% on August 9, 2019 and 40% on August 9, 2020.

Mr. Hauvn participates in Company benefit plans generally applicable to other senior executives.

In the event of Mr. Hauvn's termination without "cause" by the Company or by Mr. Hauvn for "good reason," as such terms are defined in his employment agreement, the Company will pay or provide the following termination benefits:

- salary continuation at his base salary then in effect for six months following termination;
- a pro rata annual incentive award;
- the right to exercise any vested option(s) before the option's expiration date and one year following termination, whichever is earlier;
- accelerated vesting of any outstanding long-term incentive awards; and
- continued coverage under our health insurance plan for six months following termination.

As of September 30, 2016, Mr. Hauvn did not utilize health insurance coverage through the Company.

Change in Control Provisions

Our 2001 Stock Option and Incentive Plan, our 2010 Plan, and the stock option, restricted stock award and restricted stock unit award agreements executed thereunder, provide that upon a change in control, as defined in the plans, unless the board otherwise determines, all outstanding options and restricted stock will immediately become fully vested and exercisable.

The grant date typically coincides with our annual meeting of stockholders. The restrictions will lapse and the shares will vest in three equal installments as follows: 1/3 on the first anniversary of the date of grant, 1/3 on the second anniversary of the date of grant, and the balance on the third anniversary of the date of grant.

On March 8, 2016, each of the non-employee directors received the annual restricted share award of 5,760 shares at a market value of \$4.34 per share, which was the closing price of the Company's common stock on the grant date as reported on the NYSE MKT.

Director Compensation Table

The following table summarizes the cash and equity compensation earned by non-employee directors during Fiscal 2016.

Eric B. Singer	37,000	24,999	52	62,051

Due to his role as an executive officer of the Company, Jeffrey T. Schlarbaum did not receive compensation for his
(1) service as a director. We report his compensation for Fiscal 2016 in the section “Compensation of Named Executive
Officers” of this proxy statement.

26

The fees set forth in this column reflect compensation paid in cash to each director in respect of Fiscal 2016 for board retainers, committee chair retainers, supplemental fees and meeting fees. Directors have the ability to elect to receive their board and committee chair payment in stock, but during Fiscal 2016 each director elected to receive the board and committee chair retainer payments in cash. Payments for board meetings were paid in cash in Fiscal 2016. Each of Messrs. Hadeed and Hartrick received annual retainers for serving as a committee chair during Fiscal 2016.

The amounts shown reflect the aggregate grant date fair value computed in accordance with ASC 718. Under ASC 718, the fair value of such stock awards is determined as of the date of grant using the closing market price of our common stock on the date of grant. These amounts reflect our accounting for these awards and do not correspond to the actual values that may be realized by the directors and do not represent actual cash compensation paid to the directors. Pursuant to SEC rules, we disregarded the estimates of forfeitures related to service-based vesting conditions. The closing market price on the grant date was \$4.34 per share on March 8, 2016.

The aggregate number of unvested restricted stock awards at the end of Fiscal 2016 for each non-employee director was:

Keith M. Butler	9,720
Charles P. Hadeed	9,720
Lynn J. Hartrick	9,720
Andrew M. Laurence	9,720
Jeremy R. Nowak	9,720
Eric B. Singer	9,720

Reflects the dollar value of insurance premiums paid by the Company during Fiscal 2016 in connection with the policy of term life insurance provided to each non-employee director in the amount of \$50,000.

Deferred Compensation Plan

Effective January 1, 2009, the board established the IEC Electronics Corp. Board of Directors Deferred Compensation Plan (“Directors Deferred Plan”) which allows the non-employee directors of the Company the opportunity to defer all or part of their cash compensation. No director elected to participate in the Directors Deferred Plan in Fiscal 2016.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Policies and Procedures for Review, Approval or Ratification of Related Person Transactions

The policy provides that any transaction, arrangement or relationship with a “related person” (as defined in the policy) in which the Company participates and in which the related person has or will have a direct or indirect material interest and in which the amount involved is expected to exceed \$90,000 in any fiscal year, will be subject to the prior review and approval or ratification by the audit committee.
