INTERNET AVAILABILITY OF PROXY MATERIALS

As of the record date, there were issued and outstanding 11,153,164 shares of Common Stock, each share being entitled to one vote on any matter which may properly come before the Annual Meeting. Please have your Proxy Card or Notice handy when you go online. As with telephone voting, you can confirm that your instructions have been properly recorded. If you vote on the Internet, you also can request electronic delivery of future proxy materials. Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day, and will close at 11:59 pm. Eastern Daylight Time on June 8, 2009. The availability of telephone and Internet voting for beneficial owners will depend on the voting processes of your broker, bank or other holder of record. Therefore, the Company recommends that you follow the voting instructions in the materials you receive. If you vote by telephone or on the Internet, you do not have to return your Proxy Card.

By Mail

If you received your Annual Meeting materials by mail, you may complete, sign and date the Proxy Card or voting instruction card and return it in the prepaid envelope. If you are a stockholder of record and you return your signed Proxy Card but do not indicate your voting preferences, the persons named in the Proxy Card will vote the shares represented by that proxy as recommended by the Board of Directors.

In Person at the Annual Meeting

All stockholders may vote in person at the Annual Meeting. You may also be represented by another person at the Annual Meeting by executing a proper proxy designating that person. If you are a beneficial owner of shares, you must obtain a legal proxy from your broker, bank or other holder of record and present it to the inspectors of election with your ballot to be able to vote at the Annual Meeting.

Any stockholder giving the accompanying proxy has the power to revoke it at any time before it is exercised at the Annual Meeting by filing with the Secretary of the Company an instrument revoking it, by delivering a duly executed

proxy card bearing a later date, or by appearing at the meeting and voting in person. Shares represented by properly executed proxies will be voted as specified thereon by the stockholder. Unless the stockholder specifies otherwise, such proxies will be voted FOR the proposals set forth in the Notice of Annual Meeting.

The cost of preparing, assembling and distributing this Proxy Statement and form of proxy, and the cost of soliciting the proxies related to the Annual Meeting will be borne by the Company. The Company does not intend to solicit proxies otherwise than by use of the mail, internet and telephone, but certain officers and regular employees of the Company, without additional compensation, may use their personal efforts, by telephone or otherwise, to obtain proxies.

PROPOSAL 1

ELECTION OF DIRECTORS

The Company's charter and bylaws provide for a classified board of directors comprised of Class I, II, and III directors. Class III directors are scheduled to be elected at the annual meeting to serve until the Company's annual meeting of stockholders in 2012 and until their successors are duly elected and qualify. The three nominees for election as Class III directors are set forth below. In the event any nominee is unable to serve or will not serve as a director before the annual meeting, the proxy holders will vote all proxies received by them for any nominee designated by the Company's Board of Directors. In the event that additional persons are nominated for election as Class III directors, the proxy holders intend to vote all proxies received by them for the nominees listed below and against any other nominee. As of the date of this proxy statement, the Company's Board of Directors is not aware of any other individual who may properly be nominated for election as Class III directors at the annual meeting or of any nominee who is unable or unwilling to serve as director. The nominees listed below are currently each serving as a director of the Company.

The proxies solicited cannot be voted for a greater number of persons than the nominees named.

Anna T. Chew, Eugene W. Landy and Samuel A. Landy, nominees for director, are also directors of Monmouth Real Estate Investment Corporation, a publicly-owned affiliate of the Company. In addition, the Officers and Directors of the Company may engage in real estate transactions for their own account, which transactions may also be suitable for the Company. In most respects, the activities of the Company and Monmouth Real Estate Investment Corporation, are not in conflict, but rather complement each other. However, the activities of the Officers and Directors of the Company on behalf of the other companies, or for their own account, may on occasion conflict with those of the Company and deprive the Company of favorable opportunities. It is the opinion of the Officers and Directors of the Company that there have been no conflicting transactions since the beginning of the last fiscal year.

The following table sets forth information regarding the Directors standing for election and the Directors whose terms continue beyond the Annual Meeting:

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION TO THE BOARD OF DIRECTORS OF EACH OF THE THREE PERSONS STANDING FOR ELECTION NAMED ABOVE

Director Independence

After the annual meeting, the Company will have a Board of Directors consisting of seven members. The Board of Directors has determined that four members, James E. Mitchell, Richard H. Molke, Eugene Rothenberg and Stephen B. Wolgin, are independent as defined by the rules of the Securities and Exchange Commission (SEC) and the listing standards of the NYSE Amex. Three members, Anna T. Chew, Eugene W. Landy, and Samuel A. Landy, are not considered independent directors because of their employment as senior executives of the Company.

Committees of the Board of Directors and Meeting Attendance

The Board of Directors had four meetings during the last fiscal year. No Director attended fewer than 75% of the meetings.

The Company has a standing Audit Committee, Compensation Committee and Nominating Committee of the Board of Directors.

Audit Committee

The Audit Committee's responsibilities include reviewing and overseeing financial reporting, policies and procedures and internal controls, retaining the independent registered public accounting firm, approving the audit fees, and discussing the independence of the independent registered public accounting firm. It also oversees the internal audit function, legal and regulatory compliance and adherence to the Code of Business Conduct and Ethics, establishing procedures for complaints received regarding the Company's accounting, internal accounting controls and auditing matters. In addition, the Audit Committee prepares the Audit Committee Report which is included in the Company's annual proxy statements. The Audit Committee had four meetings during the fiscal year, including an executive session with the independent registered public accounting firm, in which management did not attend.

The current members of the Company's Audit Committee are James E. Mitchell, Richard H. Molke, Eugene Rothenberg and Stephen B. Wolgin. The Board has determined that each member of the Audit Committee is independent as defined by the rules of the SEC and the listing standards of the NYSE Amex, and that each of them is able to read and understand fundamental financial statements. The Board has also determined that James E. Mitchell and Stephen B. Wolgin are audit committee financial experts within the meaning of the rules of the SEC and are financially sophisticated within the meaning of the rules of the NYSE Amex.

Compensation Committee

The Compensation Committee evaluates the performance of the Chairman of the Board and the President in light of the Company's goals and objectives, determines the executive officers' compensation, which includes base salary and bonus, and administers the Company's 2003 Stock Option Plan. The Compensation Committee had one meeting during the last fiscal year. The current members of the Compensation Committee are James E. Mitchell, Richard H. Molke, Eugene Rothenberg and Stephen B. Wolgin. The Board has determined that each

member of the Compensation Committee is independent as defined by the rules of the SEC and the listing standards of the NYSE Amex.

Nominating Committee

The Nominating Committee identifies, considers and recommends candidates to serve as members of the Board and makes recommendations regarding the structure and composition of the Board of Directors and Committees. The Nominating Committee had one meeting during the last fiscal year. The current members of the Nominating Committee are James E. Mitchell, Richard H. Molke, Eugene Rothenberg and Stephen B. Wolgin. The Board has determined that each member of the Nominating Committee is independent as defined by the rules of the SEC and the listing standards of the NYSE Amex. Our Nominating Committee does not operate under a written charter.

The principal function of the Nominating Committee is to review and select candidates for nomination to the Board of Directors. The Nominating Committee will consider director candidates recommended by the Company's stockholders. Recommendations with regard to nominees for election to the Board of Directors may be submitted by any stockholder entitled to vote for the election of directors in writing, received by the Secretary of the Corporation at least 90 days but not more than 120 days prior to the first anniversary of the date on which the Company mailed its proxy materials for the prior year's annual meeting of stockholders. Each notice of nomination must set forth (i) the name, age, business address and, if known, residence address of each nominee, (ii) the principal occupation or employment of each such nominee, (iii) the number of shares of common stock of the Company which are beneficially owned by each such nominee, and (iv) such other information as required by the SEC pursuant to Regulation 14A of the Securities Exchange Act of 1934, as amended (Exchange Act).

In connection with the formation of the Nominating Committee, the Company's Board of Directors established certain minimum qualifications for board members, including being at least 21 years old and possessing (1) the ability to read and understand corporate financial statements, (2) relevant business experience and professional skills, (3) high moral character and personal and professional integrity, and (4) the willingness to commit sufficient time to attend to his or her duties and responsibilities as a director of a public corporation. In addition, the Nominating Committee may consider a variety of other qualities and skills, including (i) the ability to exercise independent decision-making, (ii) the absence of conflicts of interest and, (iii) the ability to work effectively with other directors in collectively serving the long-term interests of all stockholders. Nominees must also meet any applicable requirements of SEC regulations, state law, and the Company's articles of incorporation and bylaws.

The Nominating Committee has established a process for identifying and evaluating nominees for director. The Nominating Committee will annually assess the qualifications, expertise, performance and willingness to serve of existing directors. If at this time or at any other time during the year the Board of Directors determines a need to add a new director with specific qualifications or to fill a vacancy on the Board, the Chairman of the Nominating Committee will then initiate the search, seeking input from other directors and senior management, considering nominees previously submitted by stockholders, and, if deemed necessary or appropriate, hiring a search firm. An initial slate of candidates satisfying the specific qualifications, if any, and otherwise qualifying for membership on the Board, will then be identified and presented to the Nominating Committee by the Committee Chairman. The

Nominating Committee will then prioritize the candidates and determine if the Nominating Committee members, other directors or senior management have relationships with the preferred candidates and can initiate contacts. To the extent feasible, all of the members of the Nominating Committee and the President will interview the prospective candidate(s). Evaluations and recommendations of the interviewers will be submitted to the Nominating Committee for final evaluation. The Nominating Committee will meet to consider such recommendations and to approve the final candidate. The Nominating Committee will evaluate all nominees for director, including nominees recommended by a stockholder, on the same basis.

To date, there are no third parties being compensated for identifying and evaluating candidates.

Independent Director Meeting

The Company's independent directors, as defined under the listing standards of the NYSE Amex, have established a policy to meet separately from the other directors in a regularly scheduled executive session at least annually, and at such times as may be deemed appropriate by the Company's independent directors. Any independent director may call an executive session of independent directors at any time.

Stockholder Communications

The Company has established procedures for stockholders to communicate with the Board of Directors on a confidential basis. Stockholders who wish to communicate with the Board or with a particular director may send a letter to the Secretary of the Company at 3499 Route 9 North, Suite 3-C, Freehold, NJ 07728. The mailing envelope must contain a clear notation indicating that the enclosed mailing is a "Stockholder-Board Communication" or "Stockholder-Director Communication". All such letters must identify the author as a stockholder and clearly state whether the intended recipients of the letter are all of the members of the Board or just certain specified individual directors. The Secretary will make copies of all such letters and circulate them to the directors addressed. If a stockholder wishes the communication to be confidential, such stockholder must clearly indicate on the envelope that the communication is "Confidential". The Secretary will then forward such communication, unopened, to the intended recipient.

Code of Conduct

The Company has adopted a Code of Business Conduct and Ethics, which applies to all directors, officers, and employees of the Company, including its principal executive officers and principal financial officer. This code is posted on our website at <http://www.umh.com>. During 2008, no violations of the Code of Business Conduct and Ethics were reported nor were any waivers granted.

PROPOSAL 2

APPROVAL OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

On June 25, 2008, the Company dismissed Reznick Group, P.C. as the Company's independent registered public accounting firm. The decision to change accountants was approved by the Audit Committee of the Board of Directors of the Company.

Effective as of June 25, 2008, the Audit Committee of the Company's Board of Directors, under authority granted by the Board of Directors, has appointed PKF, Certified Public Accountants, a Professional Corporation (PKF) as the Company's independent registered public accounting firm, to audit the accounts of the Company for the year ended December 31, 2008. There are no affiliations between the Company and PKF, its partners, associates or employees, other than its employment as the Company's independent registered public accounting firm. PKF informed the Company that it has no direct or indirect financial interest in the Company. The Company expects a representative of PKF to be present at the Annual Meeting either to make a statement or to respond to appropriate questions.

At the Company's annual meeting of stockholders, the Company's common stockholders will be asked to consider and vote on a proposal to approve the appointment of PKF as the Company's independent registered public accounting firm for the year ending December 31, 2009. The Company's charter and bylaws do not require that its stockholders ratify the appointment of PKF as the Company's independent registered public accounting firm. The Company is asking its common stockholders to ratify this appointment as a matter of good corporate practice. If the Company's common stockholders do not ratify the appointment of PKF, the Company's audit committee will reconsider whether or not to retain PKF as the Company's independent registered public accounting firm, but may determine to do so. Even if the appointment of PKF is ratified by the Company's common stockholders, the audit committee may change the appointment at any time during the year if it determines that a change would be in the best interest of the Company.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview of Compensation Program

The Compensation Committee (for purposes of this analysis, the "Committee") of the Board has been appointed to discharge the Board's responsibilities relating to the compensation of the Company's executive officers. The Committee has the overall responsibility for approving and evaluating the executive officer compensation plans, policies and programs of the Company. The Committee's primary objectives include serving as an independent and objective party to review such compensation plans, policies and programs.

Throughout this proxy statement, the individuals who served as the Company's chief executive officer and chief financial officer during fiscal 2008, as well as the other individuals included in the Summary Compensation Table presented below, are sometimes referred to in this proxy statement as the "named executive officers."

Compensation Philosophy and Objectives

The Compensation Committee believes that a well-designed compensation program should align the goals of the stockholders with the goals of the chief executive officer, and that a significant part of the executive's compensation, over the long term, should be dependent upon the value created for stockholders. In addition, all executives should be held accountable through their compensation for the performance of the Company, and compensation levels should also reflect the executive's individual performance in an effort to encourage increased individual contributions to the Company's performance. The compensation philosophy, as reflected in the Company's employment agreements with its executives, is designed to motivate executives to focus on operating results and create long-term stockholder value by:

establishing a plan that attracts, retains and motivates executives through compensation that is competitive with a peer group of other publicly-traded real estate investment trusts, or REITs;

linking a portion of executives' compensation to the achievement of the Company's business plan by using measurements of the Company's operating results and stockholder return; and

building a pay-for-performance system that encourages and rewards successful initiatives within a team environment.

The Compensation Committee believes that each of the above factors is important when determining compensation levels for named executive officers. The Committee reviews and approves the employment contracts for the Chairman of the Board and President, including performance goals and objectives. The Committee annually evaluates performance of these executive officers in light of those goals and objectives. The Committee considers the Company's performance, relative stockholder return, the total compensation provided to comparable officers at similarly-situated companies, and compensation given to named executive

officers in prior years. The Committee uses the Residential Sector of the Real Estate Compensation Survey (the survey), produced under the guidance of the National Association of Real Estate Investment Trusts (NAREIT), as a guide to setting compensation levels. Participant company data is not presented in a manner that specifically identifies any named individual or company. This survey details compensation by position type with statistical salary and bonus information for each position. The Company's salary and bonus amounts are compared to the ranges presented for reasonableness. To that end, the Committee believes executive compensation packages provided by the Company to its executive officers should include both base salaries and annual bonus awards that reward corporate and individual performance, as well as give incentives to those executives who meet or exceed established goals.

Role of Executive Officers in Compensation Decisions

The Committee makes all final compensation decisions for the Company's executive officers. The president annually reviews the performance of the chief financial officer and then presents his conclusions and recommendations to the Committee with respect to base salary adjustments and annual cash bonus and stock option awards. The Committee exercises its own discretion in modifying any recommended adjustments or awards, but does consider the recommendations from the president.

Role of Grants of Stock Options in Compensation Analysis

The Committee views the grant of stock options as a form of long-term compensation. The Committee believes that the grant of these options promotes the Company's goal of retaining key employees, and aligns the key employee's interests with those of the Company's stockholders from a long-term perspective.

Role of Employment Agreements in Determining Executive Compensation

Each of the Company's currently employed executive officers is a party to an employment agreement. These agreements provide for base salaries, bonuses and customary fringe benefits.

Base Salaries

Base salaries are paid for ongoing performance throughout the year. In order to compete for and retain talented executives who are critical to the Company's long-term success, the Committee has determined that the base salaries of executive officers should approximate those of executives of other equity REITs that compete with the Company for employees, investors and business, while also taking into account the executive officers' performance and tenure and the Company's performance relative to its peer companies within the REIT sector.

Bonuses

In addition to the provisions for base salaries under the terms of our employment agreements, the President is entitled to receive an annual cash bonus of up to 21% of base salary, based on the achievement of certain performance goals (7% of base salary for achievement of each performance goal) set by the Committee. The following are the performance goals for the President:

a.

FFO per share to increase 5% per year. Income to be calculated based on ordinary park operation including sales of homes after tax income. Extraordinary one time items are not to be included for performance purposes. Any increase or decrease in the number of shares is to be adjusted so that the determination is based on a constant number of shares.

b.

There shall be a minimum of 175 new home sales per year.

c.

Occupancy to increase 25 units per year, not including any increased occupancy occurring through acquisitions.

Stock Options

The employment agreements also provide that certain executives are eligible for grants of stock options.

Perquisites and Other Personal Benefits

The Company's employment agreements provide the executive officers with perquisites and other personal benefits that the Company and the Committee believe are reasonable and consistent with its overall compensation program to better enable the Company to attract and retain superior employees for key positions. The Committee periodically reviews the levels of perquisites and other personal benefits provided to the executive officers.

The named executive officers are provided the following benefits under the terms of their employment agreements: an allotted number of paid vacation weeks; eligibility for the executive and his spouse and dependents in all Company sponsored employee benefits plans, including 401(k) plan, group health, accident, and life insurance, on such terms no less favorable than applicable to any other executive; use of an automobile; and, supplemental long-term disability insurance, at the Company's cost, as agreed to by the Company and the executive. Attributed costs of the personal benefits described above for the named executive officers for the year ended December 31, 2008, are included in All Other Compensation of the Summary Compensation Table provided below.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

There are no family relationships between any of the Directors or executive officers of the Company, except that Samuel A. Landy and Michael P. Landy are the sons of Eugene W. Landy, the Chairman of the Board and a Director

of the Company.

Eugene W. Landy and Samuel A. Landy are partners in the law firm of Landy & Landy, which firm, or its predecessor firms, have been retained by the Company as legal counsel since the formation of the Company, and which firm the Company proposes to retain as legal counsel for the current fiscal year. The Company now uses outside counsel for most of the legal services required. The New Jersey Supreme Court has ruled that the relationship of directors also serving as outside counsel is not per se improper, but the attorney should fully discuss the issue of conflict with the other directors and disclose it as part of the proxy statement so that stockholders can consider the conflict issue when voting for or against the attorney/director nominee.

No director, executive officer, or any immediate family member of such director or executive officer may enter into any transaction or arrangement with the Company without the prior approval of the Board of Directors. The Board of Directors will appoint a Business Judgment Committee consisting of independent directors who are also independent of the transaction or arrangement. This Committee will recommend to the Board of Directors approval or disapproval of the transaction or arrangement. In determining whether to approve such a transaction or arrangement, the Business Judgment Committee will take into account, among other factors, whether the transaction was on terms no less favorable to the Company than terms generally available to third parties and the extent of the executive officer's or director's involvement in such transaction or arrangement. While the Company does not have specific written standards for approving such related party transactions, such transactions are only approved if it is in the best interest of the Company and its stockholders. Additionally, the Company's Code of Business Conduct and Ethics requires all directors, officers and employees who may have a potential or apparent conflict of interest to immediately notify the Company's General Counsel. Further, to identify related party transactions, the Company submits and requires our directors and executive officers to complete director and officer questionnaires identifying any transactions with the Company in which the director, executive officer or their immediate family members have an interest.

There are five Directors of the Company who are also Directors and stockholders of MREIC. Anna T. Chew, Eugene W. Landy and Samuel A. Landy, nominees for Director, are also Directors of MREIC. The Company holds common stock and convertible debentures of MREIC in its securities portfolio.

Transactions with Monmouth Real Estate Investment Corporation

On July 31, 2007, Monmouth Real Estate Investment Corporation (MREIC) and Monmouth Capital Corporation (MCC), both related entities to the Company, completed a strategic combination whereby a wholly-owned subsidiary of MREIC merged with and into MCC, and MCC survived as a wholly-owned subsidiary of MREIC. Each outstanding share of MCC's common stock was converted into and exchanged for 0.655 shares of MREIC's common stock. At the time of the merger, the Company had 107,403 shares of MCC common stock which was converted and exchanged for 70,349 shares of MREIC's common stock. Additionally, the Company's \$1,000,000 investment in MCC's outstanding 8% Convertible Subordinated Debentures due 2013 (2013 debentures) is now convertible into MREIC common stock at an adjusted conversion price of \$9.16 per share. The Company's \$5,000,000 investment in MCC's outstanding 8% Convertible Subordinated Debentures due 2015 is now convertible into MREIC common stock at an adjusted conversion price of \$11.45 per share. On October 10, 2008, MREIC repurchased the Company's \$1,000,000 investment in MCC's 2013 debentures. The repurchase was at par.

Prior to the merger of MREIC and MCC, the Company operated as part of a group of three public companies (all REITs) which includes the Company, MREIC and MCC, (collectively the affiliated companies). Some general and administrative expenses were allocated among the affiliated companies based on use or services provided. Allocations of salaries and benefits are made based on the amount of the employees' time dedicated to each affiliated company. Subsequent to the merger, shared expenses are allocated between the Company and MREIC.

The Company has purchased shares of MREIC common stock primarily through MREIC's Dividend Reinvestment and Stock Purchase Plan. On September 13, 2007, the Company purchased 1,000,000 shares of MREIC common stock from Palisade Concentrated Equity Partnership, L.P. (Palisade), an unrelated entity. The total consideration for the purchase was \$8,500,000. On November 23, 2007, the Company purchased an additional 325,704 shares of MREIC common stock from Palisade for a total consideration of \$2,768,484. In addition to the convertible debentures, the Company now owns a total of 1,537,998 shares of MREIC common stock, representing 6.2% of the total shares outstanding at December 31, 2008.
