Item 1.01. Entry into a Material Definitive Agreement.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

On December 1, 2016, AllianceBernstein L.P. (“AB”) entered into an unsecured 364-day senior revolving credit facility in a principal amount of up to \$200 million with Sanford C. Bernstein & Co., LLC (a wholly-owned subsidiary of AB, “SCB” and, together with AB, the “Borrowers”), as an additional Borrower, the Industrial and Commercial Bank of China, as Administrative Agent, and the other lending institutions that may be party thereto (the “Credit Facility”).

The Credit Facility will be available for the Borrowers’ business purposes, including the provision of additional liquidity to meet funding requirements primarily related to SCB’s operations. Both AB and SCB can draw directly under the Credit Facility and management expects to draw on the Credit Facility from time to time.

The Credit Facility contains affirmative, negative and financial covenants, which are customary for facilities of this type, including, among other things, restrictions on dispositions of assets, restrictions on liens, a minimum interest coverage ratio and a maximum leverage ratio. The Credit Facility also includes customary events of default (with customary grace periods, as applicable), including provisions under which, upon the occurrence of an event of default, all outstanding loans may be accelerated and/or the lenders’ commitments may be terminated. Also under such provisions, upon the occurrence of certain insolvency or bankruptcy related events of default, all amounts payable under the Credit Facility would automatically become immediately due and payable, and the lenders’ commitments would automatically terminate.

The foregoing does not constitute a complete summary of the terms of the Credit Facility and reference is made to the complete text of the credit agreement, which is attached hereto as Exhibit 10.01.

SIGNATURE
