**PROXY STATEMENT
2017 ANNUAL MEETING**

May 2, 2017

This Proxy Statement is being furnished in connection with the solicitation of proxies by the board of directors of The E.W. Scripps Company, an Ohio corporation (the “Company”), for use at the Company’s Annual Meeting of Shareholders (the “Annual Meeting”), which will be held on Tuesday, May 2, 2017, at the Scripps Center, 10th floor conference center, 312 Walnut Street, Cincinnati, Ohio, at 4:00 p.m. local time.

The close of business on March 8, 2017, has been fixed as the record date for the determination of shareholders entitled to notice of and to vote at the meeting.

INTERNET AVAILABILITY OF PROXY MATERIALS

We are furnishing proxy materials to our shareholders primarily via the Internet under rules adopted by the U.S. Securities and Exchange Commission, instead of mailing printed copies of those materials to each shareholder. On March 23, 2017, we mailed to our shareholders (other than those who previously requested electronic or paper delivery) a Notice of Internet Availability of Proxy Materials containing instructions on how to access our proxy materials, including our Proxy Statement and our Annual Report to Shareholders. The Notice of Internet Availability of Proxy Materials also instructs you on how to access your proxy card to vote via the Internet or by telephone. This process is designed to expedite shareholders’ receipt of proxy materials, lower the cost of the Annual Meeting and help conserve natural resources. If you would prefer to continue to receive printed proxy materials, please follow the instructions included in the Notice of Internet Availability of Proxy Materials. If you have previously elected to receive our proxy materials electronically, you will continue to receive these materials via e-mail unless you elect otherwise.

VOTING PROCEDURES

On March 8, 2017, the Company had outstanding 70,257,836 Class A Common Shares, \$.01 par value per share (“Class A Common Shares”), and 11,932,722 Common Voting Shares, \$.01 par value per share (“Common Voting Shares”). Holders of Class A Common Shares are entitled to elect the greater of three or one-third of the directors of the Company but are not entitled to vote on any other matters except as required by Ohio law. Holders of Common Voting Shares are entitled to elect all remaining directors and to vote on all other matters requiring a vote of shareholders. Each Class A Common Share and Common Voting Share is entitled to one vote upon matters on which such class of shares is entitled to vote.

To have a quorum necessary to conduct business at the meeting, it is necessary to have shares that represent (in person or by proxy) the holders of (i) a majority of our Class A Common Shares outstanding on the record date, and (ii) a majority of our Common Voting Shares outstanding on the record date. Shares represented in person or by proxy (including shares that abstain or do not vote with respect to a particular proposal and “broker non-votes” for proposals of routine matters) will be counted for the purpose of determining whether a quorum exists at the meeting for that proposal. If a quorum is not present, the meeting will be adjourned until a quorum is obtained.

If you are a shareholder of record (i.e., you directly hold your shares through an account with our transfer agent, Computershare), you can vote using one of the three methods described below. If you are a beneficial owner (i.e., you indirectly hold your shares through a nominee such as a bank or broker), you can vote using the methods provided by your nominee.

This committee may exercise all of the powers of the board in the management of the business and affairs of the Company between board meetings except the power to fill vacancies on the board or its committees.

The executive committee meets only as necessary. During 2016, the executive committee did not hold any meetings.

Audit Committee. J. Marvin Quin (chair), Kelly P. Conlin, John W. Hayden and Kim Williams are the members of the audit committee. The purpose of the committee is to assist the board in fulfilling its oversight responsibility relating to (1) the integrity of the Company's financial statements and financial reporting process and the Company's systems of internal accounting and financial controls; (2) the performance of the internal audit services function; (3) the annual independent audit of the Company's financial statements, the engagement of the independent auditors and the evaluation of the independent auditors' qualifications, independence, performance and fees; (4) the compliance by the Company with legal and regulatory requirements, including the Company's disclosure controls and procedures; (5) the review of the Company's enterprise risk issues; and (6) the fulfillment of all other responsibilities as outlined in its charter. The internal and independent auditors have unrestricted access to the audit committee. The committee meets privately with each of the independent auditors, the internal auditors and management. During 2016, the audit committee held four meetings and two telephonic meetings.

Compensation Committee. Roger L. Ogden (chair), Mary McCabe Peirce and Kim Williams are the members of the compensation committee. The committee is appointed by the board of directors to discharge the board's responsibilities relating to compensation of the Company's directors and officers. The committee reviews and approves the Company's compensation principles that apply generally to Company employees. It also reviews and approves the Company's goals and objectives relevant to compensation of the chief executive officer and executive officers with the title of senior vice president or higher ("senior executives") and evaluates their performance in light of those goals and objectives. Annually, the compensation committee conducts a performance review of the chief executive officer, the results of which are shared with the entire board of directors. With respect to senior executives, the committee reviews and approves a peer group of companies against which it compares the Company's compensation programs and practices for senior executives and directors. The committee reviews all of the components of the chief executive officer's and the senior executives' compensation, including goals and objectives, employment arrangements, severance arrangements or plans, incentive plans, employee benefit plans, perquisite arrangements, the Incentive Compensation Recoupment Policy ("claw-back policy") and stock ownership guidelines, and makes recommendations to the board of directors. The committee has the authority to administer the cash-based incentive plans, severance arrangements or plans and change in control arrangements or plans covering the chief executive officer and senior executives. The committee is also responsible for reviewing the result of any shareholder advisory vote regarding the compensation of the Company's named executive officers and making recommendations to the board on how to respond to those votes as well as recommending to the board whether to hold the shareholder advisory vote every one, two or three years. The committee oversees the annual review of the Company's compensation policies and practices for all employees, including non-senior executives, to determine whether they create financial risks.

With respect to any funded employee benefit plans covering employees of the Company subject to the fiduciary responsibility provisions of the Employee Retirement Income Security Act of 1974, the committee has the definitive authority to appoint and terminate the named fiduciary or named fiduciaries of such plan(s). The committee reviews succession planning relating to positions held by senior officers of the Company and reviews director compensation and makes recommendations with respect thereto to the board of directors. The committee has the authority to engage outside consultants to assist in determining appropriate compensation levels for the chief executive officer, other senior managers or directors. In 2016, the committee retained Exequity, LLC to assist it in developing and reviewing our executive and director compensation strategy and program. The

committee is also responsible for producing an annual report for inclusion in the Company's proxy statement and reviewing and approving the Compensation Discussion and Analysis and related compensation disclosures included in the Company's proxy statement. During 2016, the compensation committee held four meetings.

Nominating & Governance Committee. John W. Hayden (chair), Charles L. Barmonde and Anne M. La Dow are the members of the nominating & governance committee. The purpose of the committee is (1) to assist the board by identifying individuals qualified to become board members and to recommend director nominees to the board; (2) to recommend to the board corporate governance principles that might be applicable to the Company; (3) to lead the board in its annual review of the board's performance; and (4) to recommend to the board nominees for each committee of the board. During 2016, the nominating & governance committee held four meetings.

The board of directors is committed to good corporate governance, good business practices and transparency in financial reporting. The nominating & governance committee annually reviews the Company's corporate governance principles, a copy of which is available on the Company's Web site by first clicking on "Investors" and then on "Corporate Governance." Copies are available in print to any shareholder who requests a copy by contacting the Company's secretary at secretary@scripps.com or at 312 Walnut Street, Suite 2800, Cincinnati, Ohio, 45202.

Board Leadership

Richard A. Boehne, the Company's President and Chief Executive Officer, serves as chairman of the board. Mr. Quin serves as the lead independent director.

Charitable Contributions

The Company has not made any charitable contributions, where the amount exceeded \$1 million or 2 percent of such charity's consolidated gross revenues, to any charitable organization of which a director is an executive officer.

Code of Conduct

The Company demonstrates its commitment to operate at the highest ethical standards by enforcing the principles in its Code of Conduct, which is applicable to all employees. The Company's chief ethics officer is responsible for implementation and oversight of the ethics program and reports to the nominating & governance committee on quarterly activity. Additionally, the Company has in place a Code of Business Conduct and Ethics for the Chief Executive Officer and the Senior Financial and Accounting Officers. It is the responsibility of the nominating & governance committee and the chief financial officer to make sure that this policy is operative and has effective reporting and enforcement mechanisms. Both the Code of Business Conduct and Ethics for the Chief Executive Officer and Senior Financial Officers and the Code of Conduct are available for review on the Company's Web site at www.scripps.com (click on "Investors" and then on "Corporate Governance") and to any shareholder who requests a printed copy from the Company's secretary at secretary@scripps.com or at 312 Walnut Street, Suite 2800, Cincinnati, Ohio 45202.

The Company believes it has an obligation to provide employees with the guidance and support needed to ensure that lawful and ethical choices are made at work. To support this commitment, the Company requires all employees to take an online code of conduct learning module biennially to ensure that employees understand the Code of Conduct and the importance that the Company places on ethical behavior and compliance with the law. In addition, the Company has established a means for employees to submit confidential and anonymous reports of suspected or actual violations of the Company's Code of Ethics relating, among other things, to: accounting and auditing matters; antitrust activity; confidentiality and misappropriation; conflict of interest; discrimination or harassment; diverting of product or business activity; embezzlement; employee relations; falsification of contracts, reports or records; gifts or entertainment; improper supplier or contractor activity; leadership or management issues; securities law violations; sexual harassment; substance abuse; theft; or unsafe working conditions. To submit a report, an employee may call a toll-free number that is answered by a trained professional of EthicsPoint, an independent firm. This number (888-397-4911) is operational 24 hours a day, seven days a week. Employees may also raise questions online through the Internet (www.ethicspoint.com) or by a direct phone line to the Company's chief ethics officer.

Communications with Directors

Shareholders and other interested parties wishing to communicate with the board of directors may do so by addressing letters to the secretary of the Company at secretary@scripps.com or by mail at 312 Walnut Street, Suite 2800,

Cincinnati, Ohio, 45202. The board has instructed the secretary to review all communications so received (via e-mail or regular mail), and to exercise her discretion not to forward to the directors correspondence that is not germane to the business affairs of the Company. Correspondence not forwarded will be retained for one year, and any director may request the secretary to forward any and all such communications to the directors.

Director Attendance at Annual Meetings of Shareholders

The Company does not have a policy with regard to attendance by board members at the Annual Meeting of Shareholders. All board members attended the Company's 2016 Annual Meeting of Shareholders.

Director Education

New directors attend an orientation session that introduces them to the Company's operations and to the members of management. Thereafter, directors are informed on a regular basis of various director educational programs offered by governance and director organizations. The Company pays for the continuing education of its directors. The director orientation policy is reviewed by the nominating & governance committee annually.

Director Independence

The board of directors of the Company has determined that, with the exception of Richard A. Boehne, the President and Chief Executive Officer, and Adam P. Symson, Chief Operating Officer, all of the directors and nominees for director are independent under the standards established by the New York Stock Exchange. All of the members of the nominating & governance committee, audit committee and compensation committee are independent under such standards.

Director Independence — Audit Committee

The board of directors of the Company has determined that none of the current members of the audit committee has any relationship with the Company that could interfere with his or her exercise of independence from management and the Company. Each of the members satisfies the definitions of independence set forth in the rules promulgated under the Sarbanes-Oxley Act and in the listing standards of the New York Stock Exchange. The board determined that each member of the committee is financially literate as defined under the current NYSE rules and that Mr. Quin is an audit committee financial expert as defined in the Securities and Exchange Commission rules adopted under the Sarbanes-Oxley Act.

Director Independence — Controlled Company Status

The New York Stock Exchange requires listed companies to have a majority of independent directors on their boards and to ensure that their audit committee, compensation committee and nominating & governance committee are composed entirely of independent directors as well. A company that qualifies as a "controlled company" does not have to comply with these independence rules so long as it discloses to shareholders that the company qualifies as a "controlled company" and that it is relying on this exemption in not having a majority of independent directors on the board or not having audit, compensation, and nominating & governance committees comprised entirely of independent directors. A "controlled company" is a listed company of which more than 50 percent of the voting power is held by an individual, a group, or another company. The Signatories to the Scripps Family Agreement hold a majority of the Company's outstanding Common Voting Shares. As such, the Company qualifies as a "controlled company" and may rely on the NYSE exemption. The Company is not relying at present on that exemption.

Director Nominations

The nominating & governance committee will consider any candidate recommended by the shareholders of the Company in light of the committee's criteria for selection of new directors. If a shareholder wishes to recommend a candidate, he or she should send the recommendation, with a description of the candidate's qualifications, to: Chair, Nominating & Governance Committee, c/o Ms. Julie L. McGehee, The E.W. Scripps Company, 312 Walnut Street, Suite 2800, Cincinnati, Ohio 45202 or at secretary@scripps.com. In the past, the committee has hired an independent consultant to assist with the identification and evaluation of director nominees and may do so in the future.

Director Qualifications and Diversity

When selecting director nominees, the nominating & governance committee considers requirements of applicable law and listing standards, as well as the director qualification standards highlighted in the Company's corporate governance principles. The committee is responsible for reviewing with the board the requisite skills and characteristics of board candidates as well as the diversity and composition of the board as a whole. A person considered for nomination to the board must be a person of high integrity. Other factors considered are independence, age, gender, skills, industry knowledge and experience in the context of the needs of the board. The board does not have a formal diversity policy. The nominating & governance committee makes recommendations to the board regarding the selection of director nominees.

For each director nominated for election at the Company's 2017 Annual Meeting of Shareholders, the board considered each of the factors highlighted in the preceding paragraph, and the nominees' biographical information and work experience and determined that, if elected, the nominees would enable the board as a whole to perform its duties in an efficient and effective manner. Among other things, all of the nominees bring integrity and good business judgment to board discussions. More specifically, Mr. Ogden, Ms. Williams, Mr. Boehne, Mr. Conlin, Mr. Symson and Mr. Thompson bring a working knowledge of the industry or have direct television or digital experience; Mr. Hayden is a retired chief executive officer; Mr. Quin brings financial expertise to the discussions; and Mr. Barmonde (Scripps family member), Ms. La Dow (Scripps family member and former employee of a

subsidiary of the Company) and Mr. Scagliotti (Scripps family member) bring to the board institutional knowledge and a thorough understanding of the Company's history and vision.

Mr. Scagliotti was recommended to the nominating & governance committee by the Scripps Family. Mr. Thompson was identified through a third-party search firm engaged by the nominating & governance committee.

The Company maintains a general retirement age for directors who are not signatories to the Scripps Family Agreement of 72 with two optional, one-year extensions, with approval from the full board of directors.

Director Service on Other Audit Committees

None of the Company's directors currently serves on the audit committees of more than three public companies.

Risk Oversight — the Board's Role

Risk oversight is a key responsibility of the board of directors, the fulfillment of which is of primary importance to the Company. Through its periodic review of the Company's business strategies, the board assesses management's perception of and tolerance for risk and advises on the appropriate level of risk for the Company. The audit committee of the board of directors reviews and discusses the Company's risk assessment and risk management policies with management on a quarterly basis. The Company's governance, enterprise risk management and compliance ("GRC") committee reports quarterly to the audit committee, and the committee's written risk management report is included in the board's quarterly meeting materials. The GRC committee is chaired by the Company's General Counsel (chief compliance officer), who reports directly to the audit committee on compliance matters, and its members are division leaders and heads of key functional areas such as finance, human resources and information technology.

The committee also discussed with the Company’s internal auditor, and with Deloitte & Touche LLP, and its subsidiaries and affiliates (“Deloitte”), the Company’s independent registered public accounting firm for the year ended December 31, 2016, the overall scope and plan for their respective audits. The committee meets with the internal auditor and Deloitte, with and without management present, to discuss the results of their examination, their evaluation of the Company’s internal controls, and the overall quality of the Company’s financial reporting.

Independence of the External Auditors

The Audit Committee has established a pre-approval policy and procedures for audit, audit-related and tax services that can be performed by the independent auditors without specific authorization from the committee subject to certain restrictions. The policy sets out the specific services pre-approved by the committee and the applicable limitations, while ensuring the independence of the independent auditors to audit the Company’s financial statements is not impaired.

Service Fees Paid to the Independent Registered Public Accounting Firm

The following table sets forth fees for all professional services rendered by Deloitte to the Company for the years ended December 31, 2016, and December 31, 2015.

	2016	2015

Total fees	\$1,375,355	\$1,972,977

Services Provided by Deloitte

All services provided by Deloitte are permissible under applicable laws and regulations. The Company has adopted policies and procedures for pre-approval of services by Deloitte. The fees paid to Deloitte shown in the table above were all pre-approved in accordance with these procedures and include:

Audit Fees — These are fees for professional services performed by Deloitte for the audit of the Company and certain subsidiary companies, review of financial statements included in the Company's quarterly 10-Q filings, and services that are normally provided in connection with statutory and regulatory filings or engagements.

Audit-Related Fees — These are fees for assurance and related services performed by Deloitte that are reasonably related to the performance of the audit or review of the Company's financial statements. This includes: employee benefit and compensation plan audits; due diligence related to mergers and acquisitions; audits and reviews associated with registration statements related to mergers and acquisitions; other attestations by Deloitte, including those that are required by statute, regulation or contract; and consulting on financial accounting/reporting standards and controls. Audit-related fees in 2015 include work associated with the transaction with Journal Communications, Inc.

This includes review of original and amended tax returns for the Company and its consolidated subsidiaries; refund claims, payment planning/tax audit assistance; tax compliance for employee benefit plans; and tax work stemming from "Audit-Related" items.

These services are actively monitored (both spending level and work content) by the Audit Committee to maintain the appropriate objectivity and independence in Deloitte's core work, which is the audit of the Company's consolidated financial statements. The Committee concluded that Deloitte's provision of audit and non-audit services to the Company and its affiliates is compatible with Deloitte's independence.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

In connection with the financial statements for the fiscal year ended December 31, 2016, the Audit Committee has:

Name	Title
Richard A. Boehne	President and Chief Executive Officer

EXECUTIVE SUMMARY

2016 Compensation Highlights

Key Modifications in 2016

In November 2016, we announced that Richard A. Boehne will retire from his role as President and Chief Executive Officer of the Company during the second half of 2017. We also announced that the Board of Directors had appointed Senior Vice President and Chief Digital Officer Adam P. Symson to the new position of Chief Operating Officer. Mr. Symson is expected to move into the Chief Executive Officer role when Mr. Boehne retires. In connection with the transition, the Committee made several changes to our compensation program for our named executive officers, as highlighted below.

In 2015, in light of the merger and spin-off transactions, we modified our long-term incentive program to provide only time-based restricted share units (“RSUs”), rather than our traditional mix of performance-based and time-based RSUs. In 2016, we returned to providing the long-term incentive opportunity as a mix of 40% performance-based RSUs and 60% time-based RSUs.

We operate in a highly competitive and rapidly changing industry and we are also in a period of expanding our digital business. In light of the above, the Compensation Committee (the “Committee”) made the following changes to our executive compensation program for 2016:

Compensation Actions in 2016

Base Salary	As part of the annual performance review process, the Committee authorized a 14.7% increase in Mr. Boehne’s base salary to \$975,000 in order to align his salary with market levels. The Committee also authorized increases in base salary levels for Messrs. Wesolowski, Lawlor, and Symson and Ms. Knutson of 18.3%, 6.6%, 3.7% and 2.4%, respectively, to also align their base salaries with market levels. Effective November 8, 2016, the Committee approved a base salary for Mr. Symson of \$600,000 in connection with his appointment to Chief Operating Officer.
Annual Incentive	As part of the annual performance review process, the Committee increased the target annual incentive opportunities for Messrs. Lawlor and Symson to 60% of base salary to align their total target cash compensation with market levels. Effective November 8, 2016, the Committee increased Mr. Symson’s target annual incentive opportunity, from 60% to 70%, in connection with his appointment to Chief Operating Officer.
Long-Term Incentive Levels	As part of the annual performance review process, the Committee increased the long-term incentive opportunity levels for Messrs. Wesolowski, Lawlor and Symson by 37% each and Ms. Knutson by 6.3% in order to better align their total direct compensation opportunity with market levels.
Retention Grants	In connection with Mr. Symson’s appointment to Chief Operating Officer, the Committee approved the following retention grants: (i) a retention grant of time-based RSUs to Mr. Symson with a value of \$750,000, (ii) a retention grant of time-based RSUs to each of Mr. Lawlor and Ms. Knutson with a value equal to two times his or her annual base salary, and (iii) a retention grant of time-based RSUs

to Mr. Wesolowski with a value equal to one times his annual base salary.

Objectives of our Compensation Program

Our Compensation Policies and Practices

The Committee has implemented certain compensation policies and practices that are intended to promote the compensation objectives listed above and align our compensation with industry practices.

What we do ...

Impose Stock Ownership Guidelines. Our stock ownership policy requires our executive officers to hold a minimum level of our Class A Common Shares so that each executive has personal wealth tied to the long-term success of the Company and, therefore, has interests that are aligned with those of our shareholders.

Maintain a Clawback Policy. We maintain a clawback policy, under which we require the reimbursement of any cash or equity incentive compensation if the payment was predicated upon financial results that were subsequently the subject of a restatement caused by the recipient's fraud or misconduct.

Minimize Compensation Risks. We annually review our compensation program to confirm that our policies and practices are not creating excessive or inappropriate risks. We believe that our compensation program provides an appropriate balance between current and long-term performance objectives, cash and equity compensation, and risks and rewards associated with executive roles. Further, we provide annual incentive opportunities that are based on balanced performance metrics to promote disciplined progress toward advancing our business objectives. All payouts for named executive officers are capped at a pre-established percentage of base salary.

Review Share Utilization. We annually review overhang levels (the dilutive impact of equity awards on our shareholders) and run rates (the aggregate shares awarded as a percentage of total outstanding shares).

Retain an Independent Consultant. The Committee retains an independent consultant to provide advice in the development of our executive compensation strategy and program. The Committee, with the assistance of the independent consultant, regularly evaluates the compensation practices of our peer companies to confirm that our compensation programs are consistent with market practice.

Require Approval of Hedging or Pledging Transactions. Our insider trading policy requires that our employees, officers and directors receive consent from the Company prior to engaging in any hedging or pledging transactions with our stock. The Company, in its discretion, may prohibit any proposed pledge or hedging transaction, or may impose restrictions or other conditions in connection with permitting any such transaction. None of our officers or directors currently maintains any pledging or hedging arrangement with our stock.

Variable and Equity Based Compensation

A meaningful portion of our named executive officers' compensation consists of short-term incentives ("STI") and long-term incentives ("LTI"). Our STI opportunities are provided under an annual incentive program, the payout of which is dependent on corporate and/or divisional performance. In 2016, our LTI opportunities were provided through time-based and performance-based RSUs that vest over four years.

The charts below illustrate the elements of the target total direct compensation opportunities provided to our named executive officers. As evidenced by the charts, a significant portion of our target total direct compensation consisted of STI and LTI opportunities. These charts are as of February 2016, and do not reflect the adjustments made to Mr. Symson's total direct compensation level in November 2016, or the retention grants.

CORE COMPENSATION ELEMENTS

The following is a brief summary of each element of the core compensation program for our named executive officers.

Base Salary

We provide competitive base salaries to attract and retain key executive talent. During the annual performance review process in 2016, base salaries for our named executive officers were increased, effective January 1, 2016, for the reasons set forth in the Executive Summary.

Name	2015 Base Salary	2016 Base Salary	% Increase
Mr. Boehne	\$850,000	\$975,000	14.7%
Mr. Wesolowski	\$410,000	\$485,000	18.3%
Mr. Lawlor	\$500,000	\$533,000	6.6%
Mr. Symson	\$410,000	\$425,000	3.7%
Ms. Knutson	\$410,000	\$420,000	2.4%

Effective November 8, 2016, the Committee increased Mr. Symson's base salary from \$425,000 to \$600,000 in connection with his appointment to Chief Operating Officer.

Annual Incentive

The Company maintains an annual incentive program, under which our named executive officers are eligible to receive annual cash payments based on the extent to which certain operational goals are achieved.

During the annual performance review process, the Committee increased the target annual incentive opportunities for Messrs. Lawlor and Symson to 60% of base salary for the reasons set forth in the Executive Summary. The target annual incentive opportunities for the other named executives remained unchanged.

Name	Target Opportunity (as % of Base Salary)
Mr. Boehne	95%
Mr. Wesolowski	50%
Mr. Lawlor	60%
Mr. Symson	60%
Ms. Knutson	50%

Effective November 8, 2016, the Committee increased Mr. Symson's target annual incentive opportunity, from 60% to 70%, in connection with his appointment to Chief Operating Officer.

2016 Annual Incentive Plan

In February 2016, the Committee established an annual incentive program for the year for the named executive officers. This program was based on free cash flow and revenue goals based on the business plan for the Company as set forth below.

The 2016 annual incentive program payouts for the performance period are calculated as follows:

Mr. Symson's goals were weighted 50% Company Free Cash Flow and 50% Market Revenue at the divisional level (Digital) until November 8, 2016. After that date, his goals were weighted 75% Company Free Cash Flow and 25% Company Revenue.

In 2016, the threshold payout for the annual incentive program was reduced from 80% to 70% achievement and the maximum payout was increased from 120% to 130% achievement due to the uncertainty of political advertising revenue in the election year. The following tables set forth the free cash flow and revenue targets for the year and the related achievement levels.

Free Cash Flow* (in millions)	Threshold (50% Payout)	Target (100% Payout)	Maximum (150% Payout)	Actual Results	Payout Level
Company	\$167.4	\$239.1	\$310.8	\$187.6	64%

*Straight line interpolation is used for performance between threshold, target, and maximum levels.

Revenue* (in millions)	Threshold (50% Payout)	Target (100% Payout)	Maximum (150% Payout)	Actual Results	Payout Level
Company	\$919.4	\$1,021.5	\$1,123.7	\$938.4	59%
Market — Broadcast	\$889.9	\$988.8	\$1,087.7	\$908.4	59%
Digital	\$54.6	\$60.7	\$66.8	\$57.5	74%

*Straight line interpolation is used for performance between threshold, target, and maximum levels.

Performance Goal Definition

Company Free Cash Flow Consolidated operating income, as reported in the Company's Form 10-K for the performance period (the "Annual Report"), excluding depreciation, amortization of intangible assets, impairment charges for property, equipment or intangible assets, restructuring charges, expenses incurred in association with a business acquisition and any amounts recorded for pension expense, less additions to property, plant and equipment, each as listed in our quarterly financial statements, and excluding any amounts recorded for the annual incentive earned under the Executive Annual Incentive Plan; provided that consolidated operating income shall also be adjusted to remove the revenues and segment profit of any business acquired or divested during the performance period.

Company Revenue Consolidated operating revenue, as reported in the Annual Report for the performance period, adjusted to remove the revenues of any business acquired or divested during the performance period.

Broadcast Market Revenue All revenue earned in any market in which we operate a television or radio station for the performance period, adjusted to remove the revenues of any business acquired or divested during the performance period.

Digital Revenue All revenue earned from digital products and services reported as Digital segment revenues in the Company's Annual Report, adjusted to remove the revenues of any business acquired during the performance period.

Based on the performance results as outlined in the tables above, the payout level for each named executive officer under the 2016 annual incentive program was as follows:

Name	Payout Level
Mr. Boehne	62.8%
Mr. Wesolowski	62.8%
Mr. Lawlor	62.8%
Mr. Symson	68.1%
Ms. Knutson	62.8%

For more information on the 2016 annual incentive opportunities for our named executive officers, please refer to the "2016 Grants of Plan-Based Awards" section of this proxy statement. The amount of the annual incentive earned for 2016 is set forth in the Non-Equity Incentive Plan Compensation column of the "2016 Summary Compensation Table" of this proxy statement.

Long-Term Incentive

The Committee believes that a competitive long-term incentive program is an important component of total compensation because it: (i) enhances the retentive value of our compensation; (ii) rewards executives for increasing our stock price and developing long-term value; and (iii) provides executives with an opportunity for stock ownership to align their interests with those of our shareholders.

Long-Term Incentive Opportunities

In 2016, the long-term incentive opportunities for Messrs. Wesolowski, Lawlor and Symson and Ms. Knutson were increased for the reasons set forth in the Executive Summary. The long-term incentive opportunity for Mr. Boehne remained unchanged.

Edgar Filing: E.W. SCRIPPS Co - Form DEF 14A

Mr. Boehne	\$2,000,000	\$2,000,000	0%
Mr. Wesolowski	\$400,000	\$550,000	37.5%
Mr. Lawlor	\$400,000	\$550,000	37.5%
Mr. Symson	\$400,000	\$550,000	37.5%
Ms. Knutson	\$400,000	\$425,000	6.3%

Under the 2016 long-term incentive program, the incentive opportunities were provided in the form of time-based RSUs and performance-based RSUs as follows:

In 2016, the threshold for performance-based RSUs was lowered to 80% achievement of target free cash flow based on the uncertainty of political advertising revenue in the election year. The performance-based RSUs were contingent upon the Company achieving a target free cash flow goal of \$239.1 million from January 1, 2016 to December 31, 2016, and were to be paid out at the level detailed in the table below if 80% or more of the goal were reached:

% of Target Free Cash Flow Achieved	Payout Level
Below 80%	0%
80%	80%
90%	90%
100% or more	100%

Our actual Company-wide free cash flow for 2016 was \$187.6 million (compared to a target of \$239.1 million) or a 78% achievement level, meaning that the performance-based restricted share units for our named executive officers were forfeited.

The long-term incentive grants are intended to foster employee stock ownership, align the interests of management with those of our shareholders, and enhance our retention program. Moreover, the time-based awards, combined with the Company's stock ownership requirements, are intended to provide a direct incentive for our management to build sustained, long-term shareholder value.

Retention Grants

In November 2016, the Compensation Committee approved a special retention incentive of time-based RSUs for the named executive officers in connection with the appointment of Mr. Symson to Chief Operating Officer. The value of the grant to Mr. Symson was \$750,000. The value of the grants to Mr. Lawlor and Ms. Knutson equaled two times his or her annual base salary and the value of the grant to Mr. Wesolowski equaled one times his annual base salary.

These retention grants vest one-third on the first anniversary of the date of the grant and two-thirds on the second anniversary of the date of the grant, with accelerated vesting in the event of death, disability or change in control and were intended to enhance retention incentives for our management team during the upcoming leadership transition.

Equity Grant Practices

The Committee typically approves annual equity awards at its February meeting, which is usually set two years in advance. The annual equity awards were granted March 15, 2016.

In order to mitigate the impact of fluctuations in our stock price, award values are converted into a number of shares by dividing the applicable dollar value of the long-term incentive opportunity by the average of the closing per-share price of our Class A Common Shares for the 30 trading days immediately preceding and including the effective date of the equity award. The Committee does not grant equity compensation awards in anticipation of the release of material, nonpublic information. Similarly, the Company does not time the release of material, nonpublic information to coincide with equity award grant dates.

Additional Information

For more information on the equity awards granted to our named executive officers in 2016, please refer to the “2016 Grants of Plan-Based Awards” table in this proxy statement. For information about the total number of equity awards outstanding as of the end of 2016 with respect to each named executive officer, please refer to the “2016 Outstanding Equity Awards at Fiscal Year-End” tables of this proxy statement.

ADDITIONAL COMPENSATION POLICIES AND PRACTICES

In addition to the core compensation program described above, we utilize several other compensation policies and practices that further our strategic objectives, promote sound governance practices, and deliver pay-for-performance.

Incentive Compensation Recoupment Policy

We have adopted a clawback policy in order to support the accuracy of our financial statements and align our executives’ long-term interests with those of our shareholders. Under this policy, each officer must repay, as directed by the board of directors, any annual incentive or other performance-based award received by him or her, if (i) the payment of such compensation was based on the achievement of financial results that were later the subject of a restatement of our financial statements; and (ii) the Committee determines that the officer’s fraud or misconduct caused or contributed to the need for the restatement.

Stock Ownership Requirements

The Committee maintains stock ownership targets for our named executive officers to achieve. The ownership guidelines were implemented to encourage named executive officers to maintain a meaningful equity interest in the Company and a shared commitment in value creation. We believe the equity ownership interests that result from our stock ownership guidelines will enhance the motivation of our executives.

Name	Ownership Guideline (multiple of base salary)	Target Number of Shares (based on 1/31/2017 price of \$19.48)	Actual Ownership (as of 1/31/2017)
Mr. Boehne	3x	150,154	659,727
Mr. Wesolowski	2x	49,795	144,893
Mr. Lawlor	2x	54,723	187,833
Mr. Symson	2x	61,602	116,234
Ms. Knutson	2x	43,121	137,302

Retirement Plans

In order to retain key executive talent, the Committee believes it is important to provide the executive officers, including named executive officers, with retirement benefits that are in addition to those generally provided to its employees. As a result:

We supplement the pension plan for executives who began employment prior to July 1, 2008, and whose pay exceeds the Internal Revenue Service (“IRS”) limitations, through the Scripps Supplemental Executive Retirement Plan (“SERP”).

The Company froze the accrual of credited service (but not vesting service) in the pension plan and SERP effective June 30, 2009, and froze all compensation accruals after 2014. For more information on the pension plan and the SERP, please refer to the “2016 Pension Benefits” table of this proxy statement.

Named executive officers may defer specified portions of their compensation under the Executive Deferred Compensation Plan and receive matching contributions, in each case in excess of what they are able to defer under our 401(k) plan due to IRS limitations. For more information about the Executive Deferred Compensation Plan, please refer to the “2016 Nonqualified Deferred Compensation” table of this proxy statement.

Under the Transition Credit Plan, “excess” age and service credits are made on behalf of named executive officers whose contributions under the 401(k) plan are subject to limits imposed by the Internal Revenue Code. The Transition Credit Plan was effective from 2011 through 2015. For more information about the Transition Credit Plan, please refer to the “2016 Non-Qualified Deferred Compensation” table of this proxy statement.

Health, Welfare and Other Personal Benefits

The named executive officers are entitled to participate in all health, welfare, fringe benefit and other arrangements generally available to other employees. The Company may also provide its officers, including its named executive officers, with limited additional perquisites and other personal benefits. For example, named executive officers are provided a financial planning benefit. Additionally, the named executive officers are eligible for an annual executive physical. Typically, the majority of the cost associated with this benefit is covered under the established health care plans; however, if certain tests or procedures are not covered, the Company will pay the difference.

For more information about the perquisites provided in 2016 to each named executive officer, please refer to the “All Other Compensation” column of the “2016 Summary Compensation Table” of this proxy statement.

Employment Agreements, Executive Severance Plan and Change in Control Plan

The Committee believes severance protections convey the Company’s commitment to each named executive officer while offering flexibility for any potential changes in compensation or duties. Accordingly, the Company provides severance protections for named executive officers under an employment agreement (for Mr. Boehne only), the Executive Severance Plan and the Change in Control Plan.

Employment Agreement

We maintain an employment agreement with Mr. Boehne that expires on August 7, 2017, subject to successive automatic one-year renewals unless notice of non-renewal is provided by either party. The agreement provides for severance benefits in the event of an involuntary termination of employment without “cause” or a termination for “good reason,” death or disability, as more fully described in the “Potential Payments Upon Termination or Change in Control” section of this proxy statement. On November 9, 2016, Mr. Boehne announced that he will retire from his role as president and CEO of The E.W. Scripps Company during the second half of 2017.

Executive Severance Plan

Each of the named executive officers, other than Mr. Boehne, participates in the Executive Severance Plan. Upon an involuntary termination without “cause,” the covered executives are entitled to: (i) a pro-rated annual incentive, based on actual performance for the entire year; (ii) a severance payment equal to one times base salary and target annual incentive; (iii) accelerated vesting of Company equity awards (with performance-based awards paying out based on actual performance results for the entire performance period); and (iv) continued payment of monthly health care premiums for up to one year (subject to reduction if the participant becomes re-employed). The Company may amend or terminate the plan at any time, without notice or participant consent.

Change in Control Plan

Each of the named executive officers is provided change in control protections under the Senior Executive Change in Control Plan (the “Change in Control Plan”). This plan provides benefits on a “double trigger,” meaning the severance benefits are due only if the Company terminates the executive’s employment without “cause” or the executive terminates his employment for “good reason,” in either case within a two-year period following a change in control. Named executive officers would be entitled to a tax gross-up for any excise taxes imposed on the severance benefits. The Committee believes that the occurrence, or potential occurrence, of a change in control transaction will create uncertainty regarding the continued employment of our named executive officers. The Change in Control Plan allows our named executive officers to focus on the Company’s business and objectively evaluate any future proposals during potential change in control transactions without being distracted by potential job loss. It also enhances retention following a change in control, as the severance benefits are payable only if the executive incurs a qualifying termination within a certain period following a change in control, rather than merely as a result of the change in control.

All equity awards held by our named executive officers would immediately vest upon a change in control. Unlike the cash severance described above, the accelerated vesting is not contingent upon a qualifying termination within a certain period following a change in control. This “single trigger” is appropriate because the Company’s equity may change in the event of a change in control and the Committee believes our named executive officers should have the same opportunity to realize value in a change in control transaction as public shareholders.

Additional Information

Please refer to the “Potential Payments Upon Termination or Change in Control” section of this proxy statement for information regarding potential payments and benefits, if any, that each named executive officer is entitled to receive upon certain terminations of employment or in connection with a change in control.

COMPENSATION CONSULTANT AND PEER GROUP

Independent Compensation Consultant

For purposes of developing and reviewing our 2016 executive compensation strategy and programs, the Committee directly retained Exequity, LLP (“Exequity”). Exequity reports directly to the Committee and served at the sole discretion of the Committee. It did not perform any other services for the Company. The Committee assessed the

independence of Exequity pursuant to Securities and Exchange Commission rules and concluded that no conflict of interest existed that would prevent Exequity from independently advising the Committee.

We believe that our compensation program should remain competitive in order to attract and retain key executive talent. Therefore, as part of its engagement, Exequity provided information to the Committee about the target market compensation levels, pay mix

and overall design for the components of total direct compensation based on the pay practices of companies in our compensation peer group.

Compensation Peer Group

Our compensation peer group consists of broadcast and other media companies identified through a quantitative analysis as being comparable across a range of operational and market-based performance measures. We review our compensation peer group annually based on the Company's current strategic direction, size and market for competitive talent.

The 2016 peer group, used in conjunction with 2016 compensation decisions, consisted of the following companies:

COMPENSATION PEER GROUP

Revenue Comparison*

(in millions)

*Revenue values are based on 2014 revenues (most current annual revenue data available when 2016 compensation decisions were made), with the exception of the The E.W. Scripps Company 2014 revenue which is based on a pro forma amount as disclosed in Form 8-K/A filed on June 12, 2015.

During 2016, the Company reviewed the peer group to be used in conjunction with 2017 compensation decisions and made three changes:

Harte-Hanks, Inc. has been removed from the peer group.

TEGNA Inc., the new broadcasting and digital company formed after the spin-off from Gannett Co., Inc. in 2015, has been added to the peer group.

Media General, Inc., acquired by Nexstar Broadcasting Group, Inc. in January 2017, has been removed from the peer group.

SAY-ON-PAY-VOTE

As in previous years, our holders of Common Voting Shares continued to show strong support for our executive compensation program by approving the compensation of our named executive officers at our 2016 Annual Meeting. The Committee views the support of our holders of Common Voting Shares as a strong endorsement of our compensation program and our emphasis on a pay-for-performance culture.

(1) Represents a discretionary cash incentive paid for the successful negotiation and closing of the merger and spin-off transactions with Journal Communications, Inc.

(2) Represents the aggregate grant date fair value, as determined in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 718, Compensation — Stock Compensation (“FASB ASC Topic 718”), of time-based and performance-based restricted share units in the applicable year, disregarding the impact of

(2) estimated forfeitures. See footnote 18 of the Consolidated Financial Statements contained in our Annual Report on Form 10-K for the year ended December 31, 2016 (“2016 Annual Report”), for an explanation of the assumptions made in the valuation of the awards. The Company did not meet the performance metrics necessary for payout of the performance-based restricted share units granted in 2014 and 2016 and those awards were forfeited.

(3) Represents the annual incentive earned in the applicable year.

(4) Represents the increase in the present value of the accumulated benefits under the pension plan, the Scripps Supplemental Executive Retirement Plan (SERP) and in the case of Mr. Boehne, the Cincinnati Newspaper Guild and Post Retirement Income Plan, for the applicable year. The increase in pension value is attributable to a decrease in discount rates in 2016. In 2015, the values in these plans decreased for Mr. Lawlor (\$28,385); Mr.

(4) Symson (\$11,624); and Ms. Knutson (\$5,033) due to an increase in discount rates and a change in the mortality table. Our named executive officers did not accrue any preferential or above-market earnings on nonqualified deferred compensation. The Company froze service accruals in the pension plan and SERP effective June 30, 2009, and froze all compensation accruals after 2014. Mr. Wesolowski does not participate in these plans since he was hired after the freeze date.

(5) Represents the perquisites and other benefits earned in the applicable year. The benefits for 2016 are outlined in the table below. For more information about these benefits, please refer to the Compensation Discussion and Analysis

(“CD&A”) section of this proxy statement.

(1) Represents the annual incentive opportunities granted in 2016. The "Threshold," "Target" and "Maximum" columns reflect the range of potential payouts when the performance goals were established. The threshold payout equals the percent of the target award that can be paid if all performance metrics are met at the threshold achievement level. The maximum equals 150 percent of the target award. The actual 2016 incentive award is set forth in the "Non-Equity Incentive Plan Compensation" column of the "2016 Summary Compensation Table" of this proxy statement.

(2) Represents the performance-based restricted share units granted in 2016 under the Long-Term Incentive Plan. The "Target" column reflects the payout when the performance goal was established; the threshold level is 80% of target, however, there is no maximum payout level. Any units earned would be subject to a four year vesting schedule. The performance metric was not met; therefore, these units were forfeited.

(3) Represents the time-based restricted share units granted in 2016 under the Long-Term Incentive Plan and the retention awards granted to the named executive officers in 2016. The time-based restricted share units granted on March 15, 2016 vest in four equal, annual installments for so long as the executive remains employed by the Company. Vesting accelerates upon the executive's termination without cause, death, disability, or retirement, or in

the event of a change in control. The time-based restricted share units granted as retention awards on November 8, 2016 vest one-third on the first anniversary of the date of the grant and two-thirds on the second anniversary of the date of the grant. Vesting accelerates only in the event of death, disability or change in control. The executives are entitled to dividend equivalents if and when dividends are paid on Class A Common Shares.

- (4) Represents the grant date fair value (market price), as determined in accordance with FASB ASC Topic 718, of each equity award listed in the table.

2016 Outstanding Equity Awards at Fiscal Year-End

The following tables set forth information for each named executive officer with respect to each award of time-based restricted share units that had not vested and remained outstanding as of December 31, 2016.

The number of years of credited service and the present value of accumulated benefit are calculated as of December 31, 2016. The present value of accumulated benefit was calculated using the same assumptions included in the 2016 Annual Report, except that (i) no pre-retirement decrements were assumed, and (ii) a single retirement (1) age of 62 was used instead of retirement decrements. The Company froze the accrual of credited service (but not vesting service) in the pension plan and SERP effective June 30, 2009, and froze all compensation accruals after 2014. Mr. Wesolowski does not participate in these plans since he was hired after the freeze date. All of the eligible named executive officers are fully vested in their benefits.

(2) Mr. Boehne's benefit from the Scripps Pension Plan is calculated based on all credited service through June 30, 2009, including his service with the Cincinnati Post, with an offset for the benefit earned in the Cincinnati

Newspaper Guild and Post Retirement Income plan. Mr. Boehne was a participant in the Cincinnati Newspaper Guild and Post Retirement Income plan from July 28, 1985 to January 5, 1988.

Description of Retirement Plans

Pension Plan

The Scripps Pension Plan (the "Pension Plan") is a tax-qualified pension plan covering substantially all eligible non-union employees that began employment prior to July 1, 2008 (the majority of our defined benefit plans were frozen June 30, 2009). The material terms and conditions of the Pension Plan as they pertain to the named executive officers include the following:

Benefit Formula: Subject to applicable Internal Revenue Code limits on benefits, the monthly normal retirement benefit is equal to 1 percent of the participant's average monthly compensation up to an integration level plus 1.25 percent of the participant's average monthly compensation in excess of the integration level, multiplied by the participant's months and years of service. The integration level is the average of the Social Security taxable wage bases for the 35 years prior to the participant's termination (or disability, if applicable), but not later than 2014. Average monthly compensation is the monthly average of the compensation earned during the five consecutive years in the 11 years before termination for which the participant's compensation was the highest. In 2009, we amended the pension plan to freeze service accruals as of June 30, 2009, and to freeze compensation accruals after a five-year transition period ending December 31, 2014. Mr. Wesolowski does not participate in these plans since he was hired after the freeze date.

Compensation: Subject to the applicable Internal Revenue Code limit, compensation includes salary, bonuses earned during the year and paid by March 15 of the following calendar year, and amounts deferred pursuant to the Scripps Retirement and Investment Plan and the Scripps Choice Plan.

Normal Retirement: A participant is eligible for a normal retirement benefit based on the benefit formula described above if his or her employment terminates on or after age 65.

Early Retirement: A participant is eligible for an early retirement benefit if his or her employment terminates on or after age 55 and he or she has completed 10 years of service. The early retirement benefit is equal to the normal retirement benefit described above, reduced by 0.4167 percent for each month the benefit commences before age 62. The Company does not grant extra years of service to any named executive officer under the Pension Plan.

Deferred Vested Benefits: A participant who is not eligible for a normal or early retirement benefit, but has completed five years of service is eligible for a deferred retirement benefit following termination of employment, beginning at age 55, subject to a reduction of 0.5 percent for each month the benefit commences before age 65.

Form of Benefit Payment: The benefit formula calculates the amount of benefit payable in the form of a monthly life annuity (which is the normal form of benefit for an unmarried participant). The normal form of payment for a married participant is a joint and 100 percent survivor annuity, which provides a reduced monthly amount for the participant's life with the surviving spouse receiving 100 percent of the reduced monthly amount for life. Married participants with spousal consent can elect any optional form. Optional forms of benefits include a straight life annuity, a joint and 50 percent or 100 percent survivor annuity (which provides a reduced monthly amount for the participant's life with the designated beneficiary receiving 50 percent or 100 percent of the monthly amount for life), or a monthly life annuity with a 10-year certain or five-year certain guarantee (which provides a reduced monthly amount for the participant's life and, if the participant dies within 10 or five years of benefit commencement, equal payments to a designated beneficiary for the remainder of the 10-year or five-year certain period, as applicable).

All forms of benefit payment are the actuarially equivalent of the monthly life annuity form.

The Cincinnati Newspaper Guild and Post Retirement Income Plan

Mr. Boehne was a participant in this plan from July 28, 1985 to January 5, 1988. Mr. Boehne's benefit from the Scripps Pension Plan is calculated based on all service, including his service with the Cincinnati Post, with an offset for the benefit earned in the Cincinnati Newspaper Guild and Post Retirement Income plan. Mr. Boehne's accrued benefit is frozen in this plan. The benefits are payable at age 65 in the form of a life annuity or optional form as elected by participants.

SERP

The Scripps Supplemental Executive Retirement Plan ("SERP") is intended to retain executive talent by supplementing benefits payable under the Pension Plan. The material terms and conditions of the SERP as they pertain to the named executive officers include the following:

Eligibility: An executive generally is eligible to participate in the SERP if he or she qualifies for a Pension Plan benefit that was limited by application of Internal Revenue Code limits on compensation and benefits under tax-qualified retirement plans. In 2009, we amended the SERP to freeze participation. Mr. Wesolowski does not participate in these plans since he was hired after the freeze date.

Benefit Formula: The SERP benefit is equal to the difference between the Pension Plan benefit calculated using the SERP definition of compensation and the actual Pension Plan benefit, plus a 2.9 percent gross-up for the combined

employer/employee Medicare tax. Compensation includes all compensation included under the Pension Plan (without application of the IRS limit described under the Pension Plan), plus bonuses paid if earned more than one year prior to the payment date and certain deferred compensation and executive compensation payments designated by the Pension Board. In 2009, we amended the SERP to freeze service accruals as of June 30, 2009, and to freeze compensation accruals after a five-year transition period ending December 31, 2014.

30

Benefit Entitlement: A vested participant becomes entitled to a SERP benefit when he or she terminates employment. The benefit is paid in a single lump sum.

Description of Nonqualified Deferred Compensation Plan

Our named executive officers are eligible to defer up to 50 percent of their pre-tax base salary and up to 100 percent of their pre-tax annual incentive compensation under the terms of the Executive Deferred Compensation Plan. The plan is available to a select group of highly compensated employees and is unfunded and unsecured. Our named executive officers are also entitled to a matching credit on base salary deferrals equal to 100 percent on the first 1 percent of base salary (in excess of the applicable Internal Revenue Code limit) and annual incentive deferrals, plus 50 percent on the next 5 percent of those deferrals. Under the Transition Credit Plan, "excess" age and service credits are made on behalf of named executive officers whose pension benefit service was frozen.

Payments from the Executive Deferred Compensation Plan are made in cash at certain future dates specified by participants or upon earlier termination of employment or death. Payments are made in the form of a lump sum or in monthly installments of five, 10 or 15 years, as elected by the participants. Payments are automatically accelerated and paid in a lump sum in the event of a termination of employment within two years following a change in control of the Company. Payments from the Transition Credit Plan, which was in effect from 2011 to 2015, are made in cash as a single lump sum six months following termination of employment.

The deferred compensation is credited with earnings, gains and losses in accordance with deemed investment elections made by participants from among various crediting options established by the Company from time to time.

Participants are permitted to change their deemed investment elections daily. For 2016, the investment options tracked returns under publicly available and externally managed investment funds such as mutual funds.

Potential Payments Upon Termination or Change in Control

The Company has entered into agreements and maintains plans and arrangements that require it to pay or provide compensation and benefits to the named executive officers in the event of certain terminations of employment or a change in control. The estimated amount payable or provided to each of these executives in each situation is summarized below. These estimates are based on the assumption that the various triggering events occurred on the last day of 2016, along with other material assumptions noted below. The actual amounts that would be paid to these executives upon termination or a change in control can only be determined at the time the actual triggering event occurs.

The amount of compensation and benefits described below does not take into account compensation and benefits that a named executive officer has earned prior to the applicable triggering event, such as the 2016 annual incentive payouts, equity awards that had previously vested in accordance with their terms, or vested benefits otherwise payable under the retirement plans and programs (unless those benefits are enhanced or accelerated). Please refer to the “Non-Equity Incentive Plan Compensation” column of the “2016 Summary Compensation Table” for the amount of the 2016 annual incentive payout, the “2016 Outstanding Equity Awards at Fiscal Year End” table for a summary of each named executive officer’s vested equity awards, the “2016 Pension Benefits” table for a summary of each named executive officer’s vested pension benefit, and the “2016 Nonqualified Deferred Compensation” table for a summary of each named executive officer’s deferred compensation balance.

- Amounts listed under "Welfare and Other Benefits" include: (a) the amount that represents the premiums for continued medical, dental and vision insurance; and (b) the tax gross-up, if any, for the 280G excise and related taxes, as required under the terms of the arrangements described below. Summary of Various Plans and Arrangements

Employment Agreement for Mr. Boehne

Under Mr. Boehne's employment agreement, upon an involuntary termination of his employment without "cause," a voluntary termination of employment by him for "good reason," or a termination beyond the expiration of the term of the employment agreement, he would be entitled to (i) an amount equal to two times his base salary and target annual incentive, (ii) a pro-rated annual incentive based on actual performance for the year of termination, (iii) medical and dental coverage for two years, and (iv) life insurance coverage through the remainder of the term.

The term "cause" generally includes embezzlement, fraud or other conduct that would constitute a felony; unauthorized disclosure of confidential information; a material breach of the agreement; gross misconduct or gross neglect of duties; failure to cooperate with an internal or regulatory investigation; or a violation of the Company's written conduct policies or ethics code. The term "good reason" generally includes a material reduction in authority, duties or responsibilities; a requirement that you report to a corporate officer or employee instead of the board of directors; a material diminution in the budget over which you retain authority; a relocation outside of Cincinnati; or a material breach of the employment agreement by the Company.

In exchange for the benefits described above, Mr. Boehne agrees not to (i) disclose the Company's confidential information; (ii) compete against the Company for six months after termination (12 months if terminated for "cause"); (iii) solicit the Company's employees or customers for 12 months after termination; or (iv) disparage the Company for 12 months after termination.

Under Mr. Boehne's employment agreement, upon a termination due to permanent disability or death he (or his estate) would generally be entitled to (i) a pro-rated target annual incentive from January 1 through one year after death or disability, (ii) continued base salary for one year, and (iii) continued medical and dental benefits for two years.

Executive Severance Plan

Each named executive officer other than Mr. Boehne participates in the Executive Severance Plan. Upon an involuntary termination without "cause", the severance benefit equals: (i) a pro-rated annual incentive, based on actual performance for the entire year, (ii) one times base salary and target annual incentive; (iii) accelerated vesting of Company equity awards, and (iv) continued payment of monthly health care premiums for up to one year (subject to reduction if the participant becomes re-employed). Participants must sign a release of claims against the Company prior to receiving these severance benefits.

Upon a termination due to death or disability, each covered participant would be entitled to a pro-rated annual incentive, based on actual performance for the entire year, and 12 months of base salary.

Long-Term Incentive Plan

Under the terms of the Long-Term Incentive Plan, all outstanding equity awards held by the named executive officers will vest upon a change in control. A change in control generally means (i) the acquisition of a majority of the Company's voting common shares by someone other than a party to the Scripps Family Agreement; (ii) the disposition of assets accounting for 90 percent or more of the Company's revenues, unless the parties to the Scripps Family Agreement have a direct or indirect controlling interest in the acquiring entity, or (iii) a change in the membership of the Company's board of directors, such that the current incumbents and their approved successors no longer constitute a majority.

If a named executive officer dies, becomes disabled or retires, then any equity awards issued under the Company's Long-Term Incentive Plan will become fully vested.

In August 2015, the Compensation Committee approved a special retention incentive for Ms. Knutson in recognition of her many contributions to the success of the Company. Under this retention incentive, if Ms. Knutson remains employed with the Company and its affiliates through October 9, 2018, she will be deemed to have satisfied the definition of "retirement" upon any subsequent voluntary resignation of her employment for purposes of determining the vesting treatment of her equity awards.

Executive Annual Incentive Plan

Under the Executive Annual Incentive Plan, in the event that a participant's employment terminates within one year of a "change in control," the Company or its successor would be required to pay a lump sum amount to the participant equal to the target annual incentive opportunity for the performance period in which the termination occurs.

Senior Executive Change in Control Plan

Each named executive officer participates in the Senior Executive Change in Control Plan. Under this plan, if the executive's employment is terminated by the Company other than for "cause," death or disability, or if the executive resigns for "good reason," within two years after a "change in control," then the Company or its successor will be obligated to pay or provide the following benefits:

A lump sum payment equal to three times for Mr. Boehne and two times for the other named executive officers of the executive's annual base salary and annual incentive. For this purpose, base salary generally means the highest base salary in effect at any time during the prior three years, and annual incentive generally means the greater of (i) target in the year of termination or (ii) the highest annual incentive earned in the prior three years.

Continued medical, dental, vision, disability, life and accidental death insurance coverage for 36 months for Mr. Boehne and 24 months for the other named executive officers.

A lump sum payment equal to the actuarial value of the additional benefits under the Company's qualified and supplemental defined benefit plans that the executive would have received if his or her age (but not years of service) at the time of termination were increased by three years for Mr. Boehne and two years for the other named executive officers, and as if their compensation continued to accrue during the applicable period (but not beyond December 31, 2014).

A tax gross up for any excise tax imposed on excess golden parachute payments under Section 280G of the tax code. Under the Change in Control Plan, the term "cause" generally includes a commission of a felony or an act that impairs the Company's reputation; willful failure to perform duties; or breach of any material term, provision or condition of employment. The term "good reason" generally includes a reduction in compensation or duties; relocation outside of Cincinnati; or a material breach of the employment terms by the Company. A change in control generally means (i) the acquisition of a majority of the Company's voting common shares by someone other than a party to the Scripps Family Agreement; (ii) the disposition of assets accounting for 90 percent or more of the Company's revenues, unless the parties to the Scripps Family Agreement have a direct or indirect controlling interest in the acquiring entity.

Nominating & Governance Committee	\$6,000

Equity Compensation

In May 2016, non-employee directors serving as of the 2016 Annual Shareholder Meeting received a restricted share unit award equal to \$75,000. The Committee, after receiving advice from its independent consultant, attempted to target the equity compensation award to be comparable to the median value of equity compensation granted to directors of our compensation peer group. The restricted share units are paid on the earlier of the first anniversary of the date of grant, at termination of the director's service on the board or a change in control. The restricted share unit award may be forfeited upon removal from the board for cause.

The board of directors established stock ownership guidelines for our non-employee directors. Under these guidelines, each non-employee director must own a number of Class A Common Shares with a value equal to three times his or her annual cash retainer by the fifth anniversary of the date elected to the board. For this purpose, the shares may be owned directly, in trust, or through any unvested time-based restricted shares or restricted share units.

Name	Ownership Guidelines by Target Date	Target Number of Shares (based on 1/31/2017 price of \$19.48)	Actual Ownership as of 1/31/2017
Mr. Barmonde	3 x Retainer	6,930	7,070
Mr. Conlin	3 x Retainer	6,930	14,637
Mr. Hayden	3 x Retainer	6,930	61,744
Ms. La Dow	3 x Retainer	6,930	17,821
Mr. Ogden	3 x Retainer	6,930	61,787
Ms. Peirce	3 x Retainer	6,930	1,006,932
Mr. Quin	3 x Retainer	6,930	80,609
Ms. Williams	3 x Retainer	6,930	101,034

Other Benefits

In addition to the above compensation, the Scripps Howard Foundation, an affiliate of the Company, matches, on a dollar-for-dollar basis, up to \$2,500 annually of charitable contributions made by non-employee directors to qualifying organizations. This program also is available to all Scripps' employees.

1997 Deferred Compensation and Stock Plan for Directors

A non-employee director may elect to defer payment of all or a designated percentage of the cash compensation received as a director under the Company's 1997 Deferred Compensation and Stock Plan for Directors. The director may allocate the deferrals between a phantom stock account that credits earnings including dividends, based on the Company's Class A Common Shares, or to a fixed-income account that credits interest based on the 12-month average of the 10-year treasury rate (as of November of each year), plus 1 percent. The deferred amounts (as adjusted for earnings, interest and losses) are paid to the director at the time he or she ceases to serve as a director or upon a date predetermined by the director, either in a lump sum or annual installments over a specified number of years (not to exceed 15) as elected by the director. Payments generally are made in the form of cash, except that the director may elect to receive all or a portion of the amounts credited to his or her phantom stock account in the form of Class A Common Shares.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

No member of the Company's compensation committee (Mr. Ogden, chair, Ms. Peirce and Ms. Williams) is a current or former employee of the Company. None of our executive officers served as a member of the compensation committee or a director of another company where such company's executive officers served on our Board or compensation committee.

RELATED PARTY TRANSACTIONS

Related Party Transactions

Under its charter, the audit committee of the board of directors is responsible for reviewing any proposed related party transaction. The audit committee has approved a "Statement of Policy With Respect to Related Party Transactions" which recognizes that related party transactions can present a heightened risk of conflicts of interest and/or improper valuation (or the perception thereof). This policy requires that a related party transaction be consummated or continued only if (i) the audit committee has approved or ratified the transaction, (ii) the transaction is on terms compatible to those that could be obtained in arm's length dealings with an unrelated third party, (iii) in the case of compensation payable to an executive officer, such compensation has been approved or recommended to the board for approval by the compensation committee, and (iv) the transaction is also approved by the board if the transaction involves the chairman of the board or the chief executive officer of the Company. There were no related party transactions in 2016.

Scripps Family Agreement

The provisions of the Amended and Restated Scripps Family Agreement, dated May 19, 2015 (the "Scripps Family Agreement") govern the transfer and voting of Common Voting Shares held by the signatories to such agreement (the "Signatories"). The Edward W. Scripps Trust (the "Trust"), the former controlling shareholder of the Company, ended on October 18, 2012 upon the death of Robert P. Scripps, a grandson of the founder. He was the last of Edward W. Scripps' grandchildren upon whom the duration of the Trust was based. In March and September of 2013, the Trust distributed its Class A Common Shares and Common Voting Shares to the beneficiaries of the Trust, some of whom were minors at the time of distribution (each, a "Minor"). The beneficiaries (other than the Minors), their descendants, members of the John P. Scripps family and trusts for their benefit are Signatories. Common Voting Shares are held on behalf of the Minors in trust arrangements, of which certain Signatories serve as trustees or trust advisors, but such shares are not subject to the Scripps Family Agreement. The Minors may or may not become parties in the future. Transfer Restrictions. No Signatory to the Scripps Family Agreement may dispose of any Common Voting Shares (except as otherwise summarized below) without first giving other Signatories and the Company the opportunity to purchase such shares. Signatories may not convert Common Voting Shares into Class A Common Shares except for a limited period of time after giving other Signatories and the Company such opportunity and in certain other limited circumstances.

Signatories may transfer Common Voting Shares (1) to lineal descendants or (2) by gift or testamentary transfer to (a) lineal descendants of Robert Paine Scripps or John P. Scripps (b) any trust for the benefit of such descendant, the spouse of such descendant or a charitable organization controlled, directly or indirectly, by such descendants, or for which the power to vote and dispose of the Common Voting Shares is directed by family descendant, or (c) any entity or charitable organizations controlled, directly or indirectly, by such descendants, or for which the power to vote and dispose of the Common Voting Shares is directed by family descendants. However, such transfers are valid only if each recipient (including, when applicable, the trustees and other persons with voting and dispositive power with respect to any trust, charitable organization or entity into which such shares are transferred) becomes party to the Scripps Family Agreement effective upon receipt of the shares. Additionally, Signatories may transfer Common Voting Shares by testamentary transfer or through family trusts to their spouses provided such shares are converted to Class A Common Shares, and may pledge such shares as collateral security provided that the pledgee agrees to be bound by the terms of the Scripps Family Agreement. If title to any such shares subject to any trust is transferred to anyone other than a descendant of Robert Paine Scripps or John P. Scripps, or if a person who is a descendant of Robert Paine Scripps or John P. Scripps acquires outright any such shares held in trust but is not or does not become a party to the Scripps Family Agreement, such shares shall be deemed to be offered for sale pursuant to the Scripps Family Agreement and trigger the purchase rights of the other Signatories and the Company described above. Any

valid transfer of Common Voting Shares made by Signatories without compliance with the Scripps Family Agreement will result in automatic conversion of such shares to Class A Common Shares.

Voting Provisions. The Scripps Family Agreement provides that the Company will call a meeting of the Signatories prior to each annual or special meeting of the shareholders of the Company. At each of these meetings, the Company will submit to the Signatories each matter, including election of directors, that the Company will submit to its shareholders at the Annual Meeting or special meeting with respect to which the meeting under the Scripps Family Agreement has been called. Each Signatory is entitled, either in person or by proxy, to cast one vote for each Common Voting Share owned of record or beneficially by him or her on each such matter brought for a vote at the family meeting. Each Signatory is bound by the decision reached by majority vote with respect to each such matter and, at the related annual or special meeting of the shareholders of the Company, each Signatory must vote his or her Common Voting Shares in accordance with the decisions reached at the family meeting.

Duration of the Scripps Family Agreement. The provisions restricting transfer of Common Voting Shares under the Scripps Family Agreement will continue until 21 years after the death of the last survivor of the descendants of Robert Paine Scripps and John P. Scripps alive when the Trust terminated. The provisions of the Scripps Family Agreement governing the voting of Common Voting Shares are effective for a 10-year period (October 18, 2012, to October 18, 2022) and may be renewed for additional 10-year periods.

PROPOSAL 2

ADVISORY (NON-BINDING) VOTE TO APPROVE NAMED EXECUTIVE OFFICER COMPENSATION

(Item 2 on Proxy Card for Vote by Common Voting Shares only)

At the 2011 annual meeting, the holders of Common Voting Shares approved the Company's recommendation to have an advisory (non-binding) vote to approve named executive officer compensation (a so-called "say-on-pay" vote) on an annual basis. The advisory vote is a non-binding vote on the compensation of the Company's "named executive officers," as described in the Compensation Discussion and Analysis section, the tabular disclosure regarding such compensation, and the accompanying narrative disclosure, set forth in this proxy statement.

The vote under this Proposal 2 is advisory, and therefore not binding on the Company, the board or our Compensation Committee. However, our board, including our Compensation Committee, values the opinions of our shareholders and, to the extent there is any significant vote against the executive officer compensation as disclosed in this proxy statement, will consider our shareholders' concerns and evaluate what actions may be appropriate to address those concerns.

Holders of Common Voting Shares will be asked at the Annual Meeting of Shareholders to approve the following resolution pursuant to this Proposal 2:

RESOLVED, that the holders of the Common Voting Shares of the Company approve, on an advisory basis, the compensation of the Company's named executive officers, as such compensation is described in the Compensation Discussion and Analysis section, the tabular disclosure regarding such compensation, and the accompanying narrative disclosure and related material, set forth in the Company's definitive proxy statement for the 2017 Annual Meeting of Shareholders.

Approval of this Proposal requires the affirmative vote of a majority of the votes cast in person or by proxy of the Common Voting Shares represented and entitled to vote at the meeting. The Board of Directors recommends that holders of such shares vote FOR the approval of Proposal 2. Proxies for Common Voting Shares solicited by the board will be voted FOR Proposal 2 unless shareholders specify a contrary choice in their proxies. Broker non-votes will not be treated as votes cast and will not have a positive or negative effect on the outcome of Proposal 2.

Abstentions will be treated as votes cast and, consequently, will have the same effect as votes against Proposal 2.

Equity Compensation Plan Information

The following table provides information as of December 31, 2016, about our equity compensation plans under which awards are currently outstanding.

Plan Category	Number of Securities to be Issued Upon Exercise of Outstanding Options, Warrants and Rights (a)	Weighted-Average Exercise Price of Outstanding Options, Warrants and Rights (b)	Number of Securities Remaining Available for Future Issuance Under Equity Compensation Plans (Excluding Securities Reflected in Column (a)) (c)
Equity compensation plans approved by security holders	1,705,186 ⁽¹⁾⁽³⁾⁽⁴⁾	\$ 6.81	5,770,124 ⁽²⁾
Equity compensation plans not approved by security holders	—	\$ —	—
Total	1,705,186	\$ 6.81	5,770,124

Includes the following plans: Long-Term Incentive Plan (“LTIP”), which encompasses the issuance of stock options, (1) restricted shares, performance-based restricted shares, restricted share units; Employee Stock Purchase Plan; and Deferred Compensation and Stock Plan for Directors (“DCSPD”).

(2) Includes 1,264,859 shares reserved for future issuance of shares related to the ESPP. The maximum number of shares that may be issued pursuant to awards other than stock options under the LTIP is 4,505,265.

Includes 1,159,745 time-based restricted share units, but excludes 260,062 of performance-based restricted share units at the target level. The performance-based restricted share units were not earned and subsequently forfeited. The actual number of restricted share units delivered under the LTIP was determined on February 21, 2017, and is set forth in the "Number of Shares or Units of Stock that have Not Vested" column of the Outstanding Equity Awards at Fiscal Year-End table of this proxy statement. These shares are not included in the weighted average exercise price. The executives have no rights to vote with respect to the underlying restricted share units until the date on which the actual number of shares are determined and issued to the executive. The executives are entitled to dividend equivalents if and when dividends are paid on Class A Common Shares.

(3) Includes 58,527 phantom shares credited to the accounts of directors under the DCSPD that will be paid in Class A Common Shares. These shares are not included in the weighted average exercise price. Under the DCSPD, a non-employee director may elect to defer payment of the cash compensation received as a director. The director (4) may allocate the deferrals between a phantom stock account that credits earnings including dividends, based on the Company’s Class A Common Shares, or to a fixed income account. The deferrals are paid to the director at the time he or she ceases to serve as a director or upon a date predetermined by the director. Payments may be made in cash, Class A Common Shares, or a combination of cash and shares.

PROPOSAL 3

ADVISORY (NON-BINDING) VOTE ON THE
FREQUENCY OF SAY-ON-PAY VOTE

(Item 3 on Proxy Card for Vote by Common Voting Shares)

We are also required by the Dodd-Frank Act to provide the holders of Common Voting Shares with a separate advisory (non-binding) vote for the purpose of asking them to express their preference for the frequency of future say-on-pay votes. The holders of Common Voting Shares may indicate whether they would prefer an advisory vote on executive compensation once every one, two or three years or may abstain from voting. We are required to solicit shareholder votes on the frequency of future say-on-pay proposals at least once every six years, although we may seek shareholder input more frequently.

The frequency period that receives the most votes (every one, two or three years) of the Common Voting Shares represented and entitled to vote at the meeting will be deemed to be the recommendation of the shareholders. Nonetheless, because this vote is advisory and not binding on the board or the Company, the board may decide that it is in the best interests of the holders of our Common Voting Shareholders and the Company to hold an advisory vote on executive compensation more or less frequently than the option selected by a plurality of the holders of our Common Voting Shares.

The board has considered the frequency of an advisory vote on executive compensation and believes that a vote every year is the most appropriate alternative for the Company. In reaching its recommendation, our Board considered the ownership structure and the elements of our compensation programs.

The Board of Directors recommends that holders of Common Voting Shares vote FOR a frequency of every year on this Proposal. Proxies for Common Voting Shares solicited by the board will be voted for a frequency of every year on this proposal, unless shareholders specify a contrary choice in their proxies. Broker non-votes on Proposal 3 will have no effect on the voting results for that matter.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers, and owners of more than 10 percent of the Company's Class A Common Shares ("10 percent shareholders"), to file with the Securities and Exchange Commission and the New York Stock Exchange initial reports of ownership and reports of changes in ownership of Class A Common Shares and other equity securities of the Company. Officers, directors and 10 percent shareholders are required by Securities and Exchange Commission regulations to furnish the Company with copies of all forms they file pursuant to Section 16(a).

To the Company's knowledge, based solely on a review of the copies of reports furnished to the Company and written representations from directors and officers that no other reports are required for the year ended December 31, 2016, all Section 16(a) requirements applicable to the Company's executive officers, directors and 10 percent shareholders were complied with in a timely manner during 2016.

ENGAGEMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

At its February 20, 2017, meeting, the audit committee of the board of directors approved the appointment of Deloitte as independent registered public accountants for the Company for the year ending December 31, 2017. A representative of Deloitte, the Company's independent registered public accounting firm during 2016, is expected to be present at the Annual Meeting of Shareholders and will have an opportunity to make a statement if he or she desires and respond to appropriate questions.

SHAREHOLDER PROPOSALS FOR 2018 ANNUAL MEETING

Any shareholder proposals intended to be presented at the Company's 2018 Annual Meeting of Shareholders must be received by the Company at 312 Walnut Street, Suite 2800, Cincinnati, Ohio, 45202, on or before November 24, 2017, and must otherwise comply with the Securities and Exchange Commission's rules, to be considered for inclusion in our proxy materials for the Company's 2018 Annual Meeting of Shareholders. Such proposals should be submitted by certified mail, return receipt requested.

If a shareholder intends to raise a proposal at the Company's 2018 Annual Meeting of Shareholders that he or she does not seek to have included in the Company's proxy materials, the shareholder must notify the Company of the proposal on or before February 5, 2018. If the shareholder fails to notify the Company, the Company's proxies will be permitted to use their discretionary voting authority with respect to such proposal when and if raised at the 2018 Annual Meeting of Shareholders, whether or not there is any discussion of such proposal in the 2018 proxy statement.

OTHER MATTERS

The presence of any shareholder at the meeting will not operate to revoke his or her proxy. A proxy may be revoked at any time, insofar as it has not been exercised, by submitting a new proxy with a later date, notifying the Company's secretary in writing before the meeting, or voting in person at the meeting.

The persons named in the enclosed proxy, or their substitutes, will vote the shares represented by such proxy at the meeting. The forms of proxy for the two classes of shares permit specification of a vote for persons nominated for election as directors by each such class of stock, as set forth under "Election of Directors" above, and the withholding of authority to vote in the election of such directors or the withholding of authority to vote for one or more specified nominees. Where a choice has been specified in the proxy, the shares represented thereby will be voted in accordance with such specification. If no specification is made, such shares will be voted to elect directors as set forth under "Election of Directors."

With respect to Proposal 2 and Proposal 3, upon which the holders of the Common Voting Shares will vote, where a choice has been specified in the proxy, the shares represented thereby will be voted in accordance with such specification. If no specification is made with respect to these proposals, such shares will be voted in favor of Proposal 2 and to select an annual vote on executive compensation pursuant to Proposal 3.

Under Ohio law and the Company's Amended Articles of Incorporation, broker non-votes and abstaining votes will not be counted in favor of or against any nominee but will be counted as present for purposes of determining whether a quorum is present at the meeting. Director nominees who receive the greatest number of affirmative votes will be elected directors. The proposal to approve executive compensation must receive the affirmative vote of a majority of the Company's Common Voting Shares cast at the meeting in person or by proxy. With regard to the proposal to approve the frequency of votes on executive compensation, the frequency receiving the greatest number of affirmative votes by the Company's Common Voting Shares will be deemed the recommendation of the Common Voting Shares. All other matters to be considered at the meeting require for approval the favorable vote of a majority of the Common Voting Shares cast at the meeting in person or by proxy. If any other matter properly comes before the meeting, the persons named in the proxy will vote thereon in accordance with their judgment. The Company does not know of any other matter that will be presented for action at the meeting, and the Company has not received any timely notice that any of the Company's shareholders intend to present a proposal at the meeting.

The Signatories to the Scripps Family Agreement have informed the Company that at a meeting of the Signatories held pursuant to the Scripps Family Agreement on March 10, 2017, the Signatories approved election of the eight nominees for the director positions elected by the holders of Common Voting Shares, approved Proposal 2 and approved an annual vote on executive compensation pursuant to Proposal 3. Accordingly, based on such approval, the Signatories will vote the Common Voting Shares held of record by them in favor of such nominees, for Proposal 2 and for an annual vote on executive compensation on Proposal 3 at the Annual Meeting of Shareholders.

By order of the board of directors,

Julie L. McGehee, Esq.
Secretary and Vice President

March 23, 2017
