Item 8.01 Other Events

On January 28, 2015, an arbitral tribunal of the International Court of Arbitration declared a binding partial award in the matter of an arbitration between First Philippine Electric Corporation (“FPEC”) and First Philippine Solar Corporation (“FPSC”) against SunPower Philippines Manufacturing, Ltd. (“SPML”), a subsidiary of SunPower Corporation (the “Company”). FPSC is a joint venture of FPEC and SPML for the purpose of slicing silicon wafers from ingots. SPML has not purchased any wafers from FPSC since the third quarter of 2012.

The tribunal found SPML in breach of its obligations under its supply agreement with FPSC, and in breach of its joint venture agreement with FPEC. The tribunal ordered that (i) SPML must purchase FPEC’s interests in FPSC for an aggregate of US\$30.3 million, subject to adjustment to account for minority interests, and (ii) after completing the purchase of FPEC’s controlling interest in FPSC, to pay FPSC damages in the amount of US\$25.2 million. SPML’s purchase of FPEC’s interests in FPSC and the subsequent damages payment to FPSC have been suspended pending the parties’ agreement as to legal arrangements required to complete these transactions, but the transactions are expected to be completed in the first quarter of 2015.

The financial accounting effects of the tribunal’s award under generally accepted accounting principles (“GAAP”) have not been determined. The Company does not expect any impact on its non-GAAP results as a result of this award.
