Item 1.01 Entry into a Material Definitive Agreement.

The information included in Item 2.03 of this Current Report on Form 8-K is incorporated by reference into this Item 1.01.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On March 9, 2017, Mueller Industries, Inc., a Delaware corporation (the "Company"), entered into an Indenture, dated as of March 9, 2017, between the Company and Regions Bank, as trustee (the "Trustee"), relating to the Company's issuance of up to \$290,000,000 of the Company's 6% Subordinated Debentures due 2027 (the "Debentures") as part of the special dividend (the "Special Dividend") on the Company's common stock ("Common Stock"). The Special Dividend consisted of \$3.00 in cash and \$5.00 in principal amount of the Debentures per share of Common Stock and was payable to holders of record of the Common Stock as of the close of business on February 28, 2017. The Company issued \$287,672,000 principal amount of Debentures in connection with the Special Dividend.

The Debentures bear interest at a rate of 6% per annum and mature on March 1, 2027.

Interest on the Debentures is payable on March 1 and September 1 of each year (commencing on September 1, 2017), to holders of record on the preceding February 15 and August 15. Interest on the Debentures will be calculated on the basis of a 360-day year consisting of 12 months of 30 days each. The Debentures are subordinated to all of the Company's senior indebtedness. The Debentures are callable at the option of the Company, in whole or in part, at any time or from time to time, subject to declining call premiums during the first five years. The Debentures will also grant each holder of the Debentures the right to require the Company to repurchase such holder's Debentures in the event of a change of control, at declining repurchase premiums during the first five years.

The Indenture provides that events of default include: failure to pay interest on any Debenture when due and payable and such failure continues for 30 days; failure to pay principal of or premium, if any, on any Debenture when due and payable; failure by the Company to comply for 60 days after notice with its other covenants and agreements contained in the Indenture; and certain events of bankruptcy, insolvency or reorganization of the Company. If an event of default has occurred and is continuing, the Trustee or the holders of at least 25% in principal amount of the outstanding Debentures may declare the principal of and accrued and unpaid interest, if any, on all the Debentures to be due and payable.
