**Not Applicable**

(Former name, former address and former fiscal year, if changed since last report)

**Item 8.01 Other Events.**

On July 8, 2005, BorgWarner Inc. (the "Company") announced that it and other defendants, including the Company's subsidiary Kuhlman Corporation ("Kuhlman"), entered into a settlement regarding approximately 90% of claims related to previously disclosed alleged environmental contamination from a Kuhlman Electric Corporation ("KEC") plant site in Crystal Springs, Mississippi. The alleged contamination related to activities that predate the Company's purchase of Kuhlman, the former parent of KEC. In exchange for, among other things, the dismissal with prejudice of these lawsuits, the defendants agreed to pay a total sum of up to \$39 million in settlement funds. The actual amount paid in the settlement funds will depend upon the number of plaintiffs who opt-out of the settlement. The settlement will be paid in three approximately equal installments in the third and fourth quarters of 2005 and the first quarter of 2006.

The press release is attached hereto as Exhibit 99.1 to this Form 8-K.

**Item 9.01 Financial Statements and Exhibits.**
