“Thanks to the loyalty of our clients and the dedication of our employees, fiscal 2009 was a very successful year, especially in the context of the challenging market conditions. By remaining focused on the fundamentals, we have continued executing our profitable growth strategy while creating additional value for shareholders,” commented Michael E. Roach, President and Chief Executive Officer.

“We enter fiscal 2010 in an excellent position strategically, operationally and financially. We have a strong balance sheet, including our \$1.5 billion largely untapped credit facility. In addition, our sales funnel remains robust and growing, including excellent visibility on a number of significant profitable growth opportunities.”

Q4 F2009 Results

For the fourth quarter of fiscal 2009, CGI generated revenue of \$926.1 million, compared with \$929.2 million in the fourth quarter of 2008.

Adjusted EBIT in Q4 2009 was \$126.1 million, or 13.6% of revenue compared with \$105.3 million or 11.3% of revenue in the same period last year.

Earnings from continuing operations in the fourth quarter were \$82.6 million, representing a margin of 8.9%. This is an improvement of \$7.3 million or 9.7% compared with \$75.3 million in Q4 2008. Excluding the \$9.5 million tax benefit recorded in the year ago period, the improvement was 25.5%.

Diluted earnings per share from continuing operations were 27 cents in the fourth quarter, compared with 24 cents in the fourth quarter of 2008, representing an increase of 12.5%. Excluding the tax benefit noted above, EPS in the year ago period would have been 21 cents resulting in an improvement of 28.6%.

Cash provided by operating activities totaled \$192.5 million in the fourth quarter, or 20.8% of revenue, compared with \$82.9 million, or 8.9% of revenue, in the fourth quarter of 2008.

As part of its Normal Course Issuer Bid, the Company acquired 6.1 million shares for \$65.4 million during the fourth quarter of 2009 at an average price of \$10.70 per share. In addition, following the end of the quarter, the Company repurchased 4.5 million shares in October, bringing the cumulative total number of shares purchased under the current Normal Course Issuer Bid to approximately

14.0 million or 52% of the authorized limit for the current buyback program, which runs through February 2010.

In the fourth quarter, new contract signings totaled \$549.0 million, composed primarily of new bookings in the financial services as well as the government & healthcare verticals. This brings the total for the fiscal year to \$4.1 billion in new contract bookings.
