SPECIAL NOTE REGARDING FORWARD-LOOKING INFORMATION

Certain statements included and incorporated by reference herein constitute "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. These forward-looking statements include, but are not limited to, references to future capital expenditures (including the amount and nature thereof), business strategies and measures to implement strategies, competitive strengths, goals, expansion and growth of Brascan's business and operations, plans and references to the future success of Brascan. These forward-looking statements are based on certain assumptions and analyses made by the Company in light of its experience and its perception of historical trends, current conditions and expected future developments as well as other factors it believes are appropriate in the circumstances. However, whether actual results

Edgar Filing: BRASCAN CORP/ - Form F-9/A

and developments will conform with the expectations and predictions of the Company is subject to a number of risks and uncertainties, including, but not limited to: general economic, market or business conditions; fluctuations in interest rates; the opportunities (or lack thereof) that may be presented to, and pursued by, Brascan; competitive actions by other companies; conditions in the real estate, power generation, asset management, financial services and natural resources industries; the cyclical nature of the resource investment and fluctuations in commodity prices; changes in laws or regulations, including changes in the regulations, standards and market expectation regarding the environment, particularly in natural resources and energy operations; risks associated with the economic, political and regulatory policies of local governments and laws and policies of Canada, the United States and Brazil; the potential impact of increased competition in the markets within which Brascan operates; and other factors, many of which are beyond the control of Brascan. Consequently, all of the forward-looking statements made in this Prospectus and the documents incorporated by reference herein are qualified by these cautionary statements, and there can be no assurance that the actual results or developments anticipated by the Company will be realized or, even if substantially realized, that they will have the expected consequences to, or effects on, the Company. As a result of these factors, the Company's revenue and income could vary significantly from quarter to quarter, and past financial performance should not be considered a reliable indicator of future performance. All subsequent written and oral forward-looking statements attributable to the Company or persons acting on its behalf are expressly qualified in their entirety by the cautionary statements set forth or referred to above in this paragraph. Investors are cautioned not to place undue reliance on such statements which speak only as of the date hereof. The Company undertakes no obligation to release publicly any revision to these forward-looking statements to reflect events or circumstances following the date hereof or to reflect the occurrence of unanticipated events, except as may be required by securities laws.

RECENT DEVELOPMENTS

The following is a summary of significant recent developments affecting Brascan since May 20, 2003:

In May 2003, Brascan completed a \$17 million transmission interconnection between its hydroelectric generating operations in Maine and the New England power grid, expanding this link from 20 megawatts ("MW") to 126 MW.

In June 2003, Brascan's commercial real estate subsidiary issued \$110 million of preference shares.

Edgar Filing: BRASCAN CORP/ - Form F-9/A

In June, 2003, Brascan's wholly-owned power generation subsidiary issued Cdn.\$384 million of 6.6% senior secured bonds due June 16, 2023. An additional Cdn.\$115 million of 7.8% subordinated secured bonds due June 16, 2023 were issued in July 2003.

In July 2003, Noranda Inc. ("Noranda") announced a recapitalization plan involving, among other things, the reduction of its quarterly dividend from Cdn.\$0.20 per share to Cdn.\$0.12 per share, the issue of common shares and debt, and the conversion to U.S. dollar reporting of its financial results. In connection with this plan, Noranda completed in August 2003, a public offering of 24.8 million common shares at a price of Cdn.\$12.65 per share for total gross proceeds of approximately Cdn.\$313 million. Concurrent with the issue, Brascan purchased from Noranda, at the same price, 20 million common shares to raise further gross proceeds of Cdn.\$253 million. Noranda subsequently completed the sale of its remaining 11,984,900 Priority Units of Noranda Income Fund for total net proceeds of Cdn.\$118 million.

In August 2003, Brascan completed the initial public offering of trust units in the Royal LePage Franchise Service Fund. The offering raised gross proceeds of Cdn.\$100 million and is part of Brascan's strategy to expand its 100% owned residential real estate services operations.

In August 2003, Brascan's residential home building subsidiary closed the sale of 395 lots in San Diego County for proceeds of \$52 million.

In September 2003, Brascan agreed to sell a 49% interest in 245 Park Avenue to New York State Teachers' Retirement System. The total proceeds of the transaction were \$438 million for the 49% interest. Brascan will retain the management and leasing of the property.

In September 2003, Brascan's residential home building subsidiary completed a Dutch auction tender offer for up to 5,000,000 shares of its outstanding common stock. Approximately 1.1 million shares of its common stock were repurchased of which 50% were tendered by the Company. All of the shares were accepted for purchase at a price of \$18.50 per share.

In September 2003, Noranda sold \$350 million of 6% Notes due on October 15, 2015.

In October, 2003, Brascan established Brascan SoundVest Diversified Income Fund which completed an initial public offering of trust units, raising proceeds of Cdn.\$69 million.

In October 2003, Brascan's commercial real estate subsidiary issued Cdn.\$200 million of preference shares.

In November 2003, Brascan's power generating subsidiary completed a 17 year, Cdn.\$175 million, 6.91% senior bond private placement financing, secured by its Mississagi River hydroelectric generating facilities in northern Ontario.

In November 2003, Brascan sold its 42% interest in Northgate Exploration ("Northgate") to a syndicate of underwriters for net proceeds of Cdn.\$210 million. Northgate owns a gold/copper mine in British Columbia, Canada, which was acquired in conjunction with a Brascan led restructuring conducted by its asset management group.

In November 2003, Brascan announced that it and certain institutional partners had submitted a proposal to the Independent Committee of Canary Wharf Group PLC ("Canary Wharf"), regarding an all cash offer to shareholders of 252 pence per Canary Wharf share for a total acquisition cost of approximately L1.5 billion. The announcement also stated that there was no certainty that any offer would ultimately be accepted.

In December 2003, Brascan announced that it had entered into an agreement with Mr. Paul Reichmann and certain Reichmann family interests wherein Brascan agreed, amongst other things, to tender its 9% shareholding in Canary Wharf to a Reichmann offer for Canary Wharf at a price of 275 pence per share or higher if such an offer was made prior to January 31, 2004, failing which the Reichmann interests would tender their shares to a Brascan offer, if made by February 16, 2004, at a price of 267 pence per share or more. Neither Reichmann nor Brascan is obligated to make an offer.

In December 2003, Brascan, through its commercial real estate subsidiary acquired 1625 Eye Street in Washington, D.C. from Union Labour Life Insurance Company for \$157.5 million.

In December 2003, Brascan's commercial real estate subsidiary issued Cdn.\$200 million of preference shares.

In December 2003, Brascan acquired three hydroelectric power plants with a combined generating capacity of 16 MW located in the northeastern United States from Hafslund, a Norwegian-based power company, for approximately \$30 million.

On February 5, 2004, Brascan confirmed that CWG Acquisition Limited, a company formed at the direction of Brascan and certain institutional investors, announced the terms of an offer to acquire Canary Wharf. Brascan, British Columbia Investment Management Corporation, Ontario Teachers' Pension Plan Board and funds managed by Hermes Pensions Management Limited will all invest, indirectly, in CWG Acquisition Limited. On February 12, 2004, the Offer was amended by CWG Acquisition.

USE OF PROCEEDS

Unless otherwise indicated in a Prospectus Supplement relating to a series of Debt Securities, the net proceeds received by the Company from the sale of Debt Securities will be used by the Company for general corporate purposes including the repayment of corporate debt.

INTEREST COVERAGE RATIOS

The interest coverage ratios have been calculated based on instruments classified as debt under current Canadian GAAP. Pursuant to Canadian GAAP, an aggregate of \$211 million and \$223 million of unsecured junior subordinated debentures and convertible notes are included in shareholders' equity as at September 30, 2003 and December 31, 2002, respectively and the distributions thereon are charged, on an after tax basis, to retained earnings. Based on this presentation, Brascan's consolidated interest requirements for the 12 months ended September 30, 2003 and December 31, 2002 amounted to \$504 million and \$496 million, respectively. Brascan's earnings before interest and income tax for the 12 months ended September 30, 2003 and December 31, 2002 were \$690 million and \$653 million, respectively, which are 1.4 and 1.3 times Brascan's aggregate interest requirements for the respective periods.

The interest coverage ratios in the preceding paragraph have been calculated without the annual carrying charges relating to the unsecured junior subordinated debentures and convertible notes. If the unsecured junior subordinated debentures and convertible notes were classified as debt, their entire pre-tax carrying charges would be included in interest expense. If the annual carrying charges had been included in the calculations, the impact on the interest coverage ratios for the 12 month periods ended September 30, 2003 and December 31, 2002 would have been negligible with the ratios remaining at

Edgar Filing: BRASCAN CORP/ - Form F-9/A

approximately 1.3 times and 1.3 times, respectively.

DESCRIPTION OF DEBT SECURITIES

The following description sets forth certain general terms and provisions of the Debt Securities. The particular terms and provisions of the series of Debt Securities offered by a Prospectus Supplement, and the extent to which the general terms and provisions described below may apply thereto, will be described in such Prospectus Supplement.

6

The Debt Securities will be issued under an indenture dated as of September 20, 1995, as supplemented, (the "Indenture") between the Company and Computershare Trust Company of Canada (formerly, Montreal Trust Company of Canada), as trustee (the "Trustee"). The Indenture is subject to the provisions of the Business Corporations Act (Ontario) and, consequently, is exempt from the operation of certain provisions of the Trust Indenture Act of 1939 pursuant to Rule 4d-9 thereunder. A copy of the form of the Indenture has been filed with the Commission as an exhibit to the Registration Statement of which this Prospectus is a part. The following statements with respect to the Indenture and the Securities (as hereinafter defined) are brief summaries of certain provisions of the Indenture and do not purport to be complete; such statements are subject to the detailed referenced provisions of the Indenture, including the definition of capitalized terms used under this caption. Wherever particular sections or defined terms of the Indenture are referred to, such sections or defined terms are incorporated herein by reference as part of the statement made, and the statement is qualified in its entirety by such reference. The term "Securities", as used under this caption, refers to all securities issued under the Indenture, including the Debt Securities.

GENERAL

The Indenture does not limit the aggregate principal amount of Offered Securities (which may include debentures, notes and other unsecured evidences of indebtedness) which may be issued thereunder, and Securities may be issued thereunder from time to time in one or more series and may be denominated and payable in foreign currencies or units based on or relating to foreign currencies, including European Currency Units. Special Canadian and United States federal income tax considerations applicable to any Securities so denominated will be described in the Prospectus Supplement relating thereto. The Securities offered pursuant to this Prospectus will be limited to \$750,000,000 (or the equivalent in other currencies or currency units) aggregate principal amount. Unless otherwise indicated in the applicable Prospectus Supplement, the Indenture also permits the Company to increase the principal amount of any series of Securities previously issued and to issue such increased principal amount (Section 301).

The applicable Prospectus Supplement will set forth the following terms relating to the Offered Securities: (1) the specific designation of the Offered Securities; (2) any limit on the aggregate principal amount of the Offered Securities; (3) the date or dates, if any, on which the Offered Securities will mature and the portion (if less than all of the principal amount) of the Offered Securities to be payable upon declaration of acceleration of maturity; (4) the rate or rates per annum (which may be fixed or variable) at which the Offered Securities will bear interest, if any, the date or dates from which any such interest will accrue and on which any such interest will be payable and the Regular Record Dates for any interest payable on the Offered Securities which are in registered form ("Registered Securities"); (5) any mandatory or optional redemption or sinking fund provisions, including the period or periods within which the price or prices at which and the terms and conditions upon which the

Edgar Filing: BRASCAN CORP/ - Form F-9/A

Offered Securities may be redeemed or purchased at the option of the Company or otherwise; (6) whether the Offered Securities will be issuable in registered form or bearer form or both and, if issuable in bearer form, the restrictions as to the offer, sale and delivery of the Offered Securities in bearer form and as to exchanges between registered and bearer form; (7) whether the Offered Securities will be issuable in the form of one or more registered global securities ("Registered Global Securities") and, if so, the identity of the Depository for such Registered Global Securities; (8) the denominations in which any of the Securities will be issuable if in other than denominations of \$1,000 and any multiple thereof; (9) each office or agency where the principal of, and any premium and interest on, the Offered Securities will be payable and each office or agency where the Offered Securities may be presented for registration of transfer or exchange; (10) if other than U.S. dollars, the foreign currency or the units based on or relating to foreign currencies in which the Offered Securities are denominated and/or in which the payment of the principal of, and any premium and interest on, the Offered Securities will or may be payable; (11) any index pursuant to which the amount of payments of principal of, and any premium and interest on, the Offered Securities will or may be determined; (12) any other terms of the Offered Securities, including covenants and additional Events of Default. Special Canadian and United States federal income tax considerations applicable to the Securities, the amount of principal thereof and any premium and interest thereon which is determined by reference to an index will be described in the Prospectus Supplement relating thereto. Unless otherwise indicated in the applicable Prospectus Supplement, the Indenture does not afford the Holders the

7

right to tender Securities to the Company for repurchase, or provide for any increase in the rate or rates of interest per annum at which the Securities will bear interest, in the event the Company should become involved in a highly leveraged transaction or in the event of a change in control of the Company. (Section 301)

Securities may be issued under the Indenture bearing no interest or interest at a rate below the prevailing market rate at the time of issuance, to be offered and sold at a discount below their stated principal amount. The Canadian and United States federal income tax consequences and other special considerations applicable to any such discounted Securities or other Securities offered and sold at par which are treated as having been issued at a discount for Canadian and/or United States federal income tax purposes will be described in the Prospectus Supplement relating thereto. (Section 301)

The Securities and any coupons appertaining thereto will be unsecured and will rank pari passu with each other and with all other unsecured and unsubordinated indebtedness for borrowed money of the Company. (Section 301)

The Company conducts a significant amount of its operations through subsidiaries. Although the Securities are senior obligations of the Company, they are effectively subordinated to all existing and future liabilities of the Company's consolidated subsidiaries and operating companies. The Indenture does not restrict the ability of the Company's subsidiaries to incur additional indebtedness. Because the Company conducts a significant amount of its operations through subsidiaries, the Company's ability to service its indebtedness is dependent on dividends and other distributions it receives from subsidiaries and major investments. Certain of the instruments governing the indebtedness of the companies in which the Company has an investment may restrict the ability of such companies to pay dividends or make other payments on investments under certain circumstances.

FORM, DENOMINATION, EXCHANGE AND TRANSFER

Edgar Filing: BRASCAN CORP/ - Form F-9/A

Unless otherwise indicated in the applicable Prospectus Supplement, the Securities will be issued only in fully registered form without coupons and in denominations of \$1,000 or any integral multiple thereof. (Section 302) Securities may be presented for exchange and Registered Securities may be presented for registration of transfer in the manner, at the places and, subject to the restrictions set forth in the Indenture and in the applicable Prospectus Supplement, without service charge, but upon payment of any taxes or the governmental charges due in connection therewith. The Company has appointed the Trustee as Security Registrar. (Section 305)

PAYMENT

Unless otherwise indicated in the applicable Prospectus Supplement, payment of the principal of, and any premium and interest on, Registered Securities (other than a Registered Global Security) will be made at the office or agency of the Trustee in Toronto, Canada, except that, at the option of the Company, payment of any interest may be made (i) by check mailed to the address of the Person entitled thereto at such address as shall appear in the Security Register or (ii) by wire transfer to an account maintained by the Person entitled thereto as specified in the Security Register. (Sections 305, 307 and 1002) Unless otherwise indicated in the applicable Prospectus Supplement, payment of any interest due on Registered Securities will be made to the Persons in whose name such Registered Securities are registered at the close of business on the Regular Record Date for such interest payment. (Section 307)

REGISTERED GLOBAL SECURITIES

The Registered Securities of a particular series may be issued in the form of one or more Registered Global Securities which will be registered in the name of, and deposited with, one or more Depositories or nominees, each of which will be identified in the Prospectus Supplement relating to such series. Unless and until exchanged, in whole or in part, for Securities in definitive registered form, a Registered Global Security may not be transferred except as a whole by the Depository for such Registered Global Security to a nominee of such Depository, by a nominee of such Depository to such Depository or another nominee of such

8

Depository or by such Depository or any such nominee to a successor of such Depository or a nominee of such successor. (Section 305)

The specific terms of the depository arrangement with respect to any portion of a particular series of Securities to be represented by a Registered Global Security will be described in the Prospectus Supplement relating to such series. The Company anticipates that the following provisions will apply to all depository arrangements.

Upon the issuance of a Registered Global Security, the Depository therefor or its nominee will credit, on its book entry and registration system, the respective principal amounts of the Securities represented by such Registered Global Security to the accounts of such persons having accounts with such Depository or its nominee ("participants") as shall be designated by the underwriters, investment dealers or agents participating in the distribution of such Securities or by the Company if such Securities are offered and sold directly by the Company. Ownership of beneficial interests in a Registered Global Security will be limited to participants or persons that may hold beneficial interests through participants. Ownership of beneficial interests in a Registered Global Security will be shown on, and the transfer of such ownership will be effected only through, records maintained by the Depository

Edgar Filing: BRASCAN CORP/ - Form F-9/A

therefor or its nominee (with respect to beneficial interests of participants) or by participants or persons that hold through participants (with respect to interests of persons other than participants). The laws of some states in the United States require certain purchasers of securities to take physical delivery thereof in definitive form. Such depository arrangements and such laws may impair the ability to transfer beneficial interests in a Registered Global Security.

So long as the Depository for a Registered Global Security or its nominee is the registered owner thereof, such Depository or such nominee, as the case may be, will be considered the sole owner or Holder of the Securities represented by such Registered Global Security for all purposes under the Indenture. Except as provided below, owners of beneficial interests in a Registered Global Security will not be entitled to have Securities of the series represented by such Registered Global Security registered in their names, will not receive or be entitled to receive physical delivery of Securities of such series in definitive form and will not be considered the owners or Holders thereof under the Indenture.

Principal, premium, if any, and interest payments on a Registered Global Security registered in the name of a Depository or its nominee will be made to such Depository or nominee, as the case may be, as the registered owner of such Registered Global Security. None of the Company, the Trustee or any paying agent for Securities of the series represented by such Registered Global Security will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial interests in such Registered Global Security or for maintaining, supervising or reviewing any records relating to such beneficial interests.

The Company expects that the Depository for a Registered Global Security or its nominee, upon receipt of any payment of principal, premium or interest, will immediately credit participants' accounts with payments in amounts proportionate to their respective beneficial interests in the principal amount of such Registered Global Security as shown on the records of such Depository or its nominee. The Company also expects that payments by participants to owners of beneficial interests in such Registered Global Security held through such participants will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers registered in "street name", and will be the responsibility of such participants.

If the Depository for a Registered Global Security representing Securities of a particular series is at any time unwilling or unable to continue as Depository and a successor Depository is not appointed by the Company within 90 days, the Company will issue Registered Securities of such series in definitive form in exchange for such Registered Global Security. In addition, the Company may determine, at any time and in its sole discretion, not to have the Securities of a particular series represented by one or more Registered Global Securities and, in such event, will issue Registered Securities of such series in definitive form in exchange for all of the Registered Global Securities representing Securities of such series. (Section 305)

CONSOLIDATION, MERGER, AMALGAMATION AND SALE OF ASSETS

The Company shall not enter into any transaction (whether by way of reorganization, reconstruction, consolidation, amalgamation, merger, transfer, sale or otherwise) whereby all or substantially all of its undertaking, property and assets would become the property of any other Person (the "Successor Corporation") unless: (a) the Company and the Successor Corporation shall execute, prior to or contemporaneously with the consummation of such

Edgar Filing: BRASCAN CORP/ - Form F-9/A

transaction, such instruments and do such things as, in the opinion of counsel, shall be necessary or advisable to establish that, upon the consummation of such transaction, (i) the Successor Corporation will have assumed all the covenants and obligations of the Company under the Indenture in respect of the Securities of every series and (ii) the Securities of every series will be valid and binding obligations of the Successor Corporation entitling the Holders thereof, as against the Successor Corporation, to all the rights of Holders of Securities under the Indenture; and (b) such transaction shall be on such terms and shall be carried out at such times and otherwise in such manner as shall not be prejudicial to the interests of the Holders of the Securities of each and every series or to the rights and powers of the Trustee under the Indenture. (Section 801)

EVENTS OF DEFAULT

Unless otherwise indicated in any Prospectus Supplement, each of the following will constitute an Event of Default under the Indenture with respect to Securities of any series: (a) failure to pay principal of, or any premium on, any Security of that series when due; (b) failure to pay any interest on any Securities of that series when due, which failure continues for 30 days; (c) default in the payment of principal and interest on any Security required to be purchased pursuant to an Offer to Purchase required to be made pursuant to the terms of the Securities of such series; (d) failure to deposit any sinking fund payment, when due, in respect of any Security of that series; (e) failure to perform any other covenant of the Company in the Indenture (other than a covenant included in the Indenture solely for the benefit of a series other than that series), which failure continues for 60 days after written notice has been given by the Trustee or the Holders of at least 25% in aggregate principal amount of Outstanding Securities of that series, as provided in the Indenture; (f) failure by the Company to make any payment of principal of, or interest on, any obligation for borrowed money (other than an obligation payable on demand or maturing less than 12 months from the creation or issue thereof) when due or within any originally stated applicable grace period having an outstanding principal amount in excess of 5% of the Company's Consolidated Net Worth in the aggregate at the time of default or any failure in the performance of any other covenant of the Company contained in any instrument under which such obligations are created or issued and if the holders thereof, or a trustee, if any, for such holders declare such obligations to be due and payable prior to the stated maturities thereof, provided that if such default is waived by such holders or trustee, then the Event of Default under the Indenture shall be deemed to be waived without further action on the part of the Trustee or the Holders; (g) certain events of bankruptcy, insolvency or reorganization affecting the Company; and (h) any other Events of Default provided with respect to the Securities of such series, as described in the applicable Prospectus Supplement. (Section 501)

If an Event of Default (other than an Event of Default described in clause (g) above) with respect to the Securities of any series at the time outstanding shall occur and be continuing, either the Trustee or the Holders of at least 25% in aggregate principal amount of Outstanding Securities of that series by notice, as provided in the Indenture, may declare the principal amount of the Securities of that series to be due and payable immediately. If an Event of Default described in clause (g) above with respect to the Securities of any series at the time Outstanding shall occur, the principal amount of all the Securities of that series will automatically, and without any action by the Trustee or any Holder, become immediately due and payable. After any such acceleration, but before a judgment or decree based on acceleration, the Holders of a majority in aggregate principal amount of the Outstanding Securities of that series may, under certain circumstances, rescind and annul such acceleration if all Events of Default, other than the non-payment of accelerated principal (or other specified amount), have been cured or waived as provided in the Indenture. (Section 502) For information as to waiver of defaults, see

Edgar Filing: BRASCAN CORP/ - Form F-9/A

"-- Modification and Waiver".

The Indenture provides that the Trustee will be under no obligation to exercise any of its rights or powers under the Indenture at the request or direction of any of the Holders, unless such Holders shall have offered to

10

the Trustee reasonable indemnity. (Section 603) Subject to such provisions for the indemnification of the Trustee, the Holders of a majority in aggregate principal amount of the Outstanding Securities of any series will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee with respect to the Securities of that series. (Section 512)

No Holder of a Security of any series will have any right to institute any proceeding with respect to the Indenture, or for the appointment of a receiver or a trustee, or for any other remedy thereunder, unless (i) such Holder has previously given to the Trustee written notice of a continuing Event of Default with respect to the Securities of that series, (ii) the Holders of at least 25% in aggregate principal amount of the Outstanding Securities of that series have made a written request, and such Holder or Holders have offered reasonable indemnity, to the Trustee to institute such proceeding as trustee and (iii) the Trustee has failed to institute such proceeding, and has not received from the Holders of a majority in aggregate principal amount of the Outstanding Securities of that series a direction inconsistent with such request, within 60 days after such notice, request and offer. (Section 507) However, such limitations do not apply to a suit instituted by a Holder of a Security for the enforcement of payment of the principal of, or of any premium or interest on, such Security on or after the applicable due date specified in such Security. (Section 508)

The Company is required to furnish to the Trustee quarterly a statement by certain of its officers as to whether or not the Company, to their knowledge, is in default in the performance or observance of any of the terms, provisions and conditions of the Indenture and, if so, specifying all such known defaults. (Section 1004)

DEFEASANCE

The Indenture provides that, at the option of the Company, the Company will be discharged from any and all obligations in respect of the Outstanding Securities upon irrevocable deposit with the Trustee, in trust, of money and/or Government Obligations which will provide money in an amount sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of or premium, if any, and each instalment of interest, if any, on the Outstanding Securities ("Defeasance"). Such trust may only be established if, among other things: (i) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or there has been a change in law which, in the Opinion of Counsel, provides that Holders of the Outstanding Securities will not recognize gain or loss for United States federal income tax purposes as a result of such Defeasance and will be subject to United States federal income tax on the same amount, in the same manner and at the same times as would have been the case if such Defeasance had not occurred; (ii) the Company has delivered to the Trustee an opinion of Canadian counsel or a ruling from Revenue Canada (now Canada Customs and Revenue Agency) to the effect that the Holders of the Outstanding Securities will not recognize income, gain or loss for Canadian federal, provincial or territorial income tax or other tax purposes as a result of such Defeasance and will be subject to Canadian federal or provincial income tax and other tax on the same amounts, in the same manner and at the same times as would have been the case had such Defeasance not

Edgar Filing: BRASCAN CORP/ - Form F-9/A

occurred (and for the purposes of such opinion, such Canadian counsel shall assume that Holders of the Securities include Holders who are not resident in Canada); (iii) no Event of Default or event that, with the passing of time or the giving of notice or both, shall constitute an Event of Default shall have occurred or be continuing; (iv) the Company has delivered to the Trustee an Opinion of Counsel to the effect that such deposit shall not cause the Trustee or the trust so created to be subject to the Investment Company Act of 1940; and (v) certain other customary conditions precedent are satisfied. The Company may exercise its Defeasance option notwithstanding its prior exercise of its Covenant Defeasance option described in the following paragraph if the Company meets the conditions described in the preceding sentence at the time the Company exercises the Defeasance option.

The Indenture provides that, at the option of the Company, unless and until the Company has exercised its Defeasance option described in the preceding paragraph, the Company may omit to comply with certain restrictive covenants and such omission shall not be deemed to be an Event of Default under the Indenture and the Outstanding Securities upon irrevocable deposit with the Trustee, in trust, of money and/or Government Obligations which will provide money in an amount sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of and premium, if any, and each

11

instalment of interest, if any, on the Outstanding Securities ("Covenant Defeasance"). In the event the Company exercises its Covenant Defeasance option, the obligations under the Indenture (other than with respect to such covenants and the Events of Default other than the Events of Default relating to such covenants above) shall remain in full force and effect. Such trust may only be established if, among other things: (i) the Company has delivered to the Trustee an Opinion of Counsel to the effect that the Holders of the Outstanding Securities will not recognize gain or loss for United States federal income tax purposes as a result of such Covenant Defeasance and will be subject to United States federal income tax on the same amount, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred; (ii) the Company has delivered to the Trustee an opinion of Canadian counsel or a ruling from Revenue Canada (now Canada Customs and Revenue Agency) to the effect that the Holders of the Outstanding Securities will not recognize income, gain or loss for Canadian federal, provincial or territorial income tax or other tax purposes as a result of such Covenant Defeasance and will be subject to Canadian federal or provincial income tax and other tax on the same amounts, in the same manner and at the same times as would have been the case had such Covenant Defeasance not occurred (and for the purposes of such opinion, such Canadian counsel shall assume that Holders of the Securities include Holders who are not resident in Canada); (iii) no Event of Default or event that, with the passing of time or the giving of notice or both, shall constitute an Event of Default shall have occurred or be continuing; (iv) the Company has delivered to the Trustee an Opinion of Counsel to the effect that such deposit shall not cause the Trustee or the trust so created to be subject to the Investment Company Act of 1940; and (v) certain other customary conditions precedent are satisfied. (Article Thirteen)

MODIFICATION AND WAIVER

Modifications and amendments of the Indenture may be made by the Company and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the Outstanding Securities of each series of Securities affected by such modification or amendment; provided, however, that no such modification or amendment may, without the consent of the Holder of each Outstanding Security affected thereby, (a) change the Stated Maturity of the principal of, or any instalment of interest on, any Outstanding Security, (b)

Edgar Filing: BRASCAN CORP/ - Form F-9/A

reduce the principal amount of (or the premium), or interest on, any Outstanding Security, (c) reduce the amount of the principal of any Outstanding Security payable upon the acceleration of the maturity thereof, (d) change the place or currency of payment of principal of (or the premium), or interest on, any Outstanding Security, (e) impair the right to institute suit for the enforcement of any payment on or with respect to any Outstanding Security, (f) reduce the above-stated percentage of Outstanding Securities necessary to modify or amend the Indenture, (g) reduce the percentage of aggregate principal amount of Outstanding Securities necessary for waiver of compliance with certain provisions of the Indenture or for waiver of certain defaults, (h) modify any provisions of the Indenture relating to the modification and amendment of the Indenture or the waiver of past defaults or covenants, except as otherwise specified or (i) following the mailing of any Offer to Purchase, modify any Offer to Purchase for such Outstanding Security required to be made pursuant to the terms of such Outstanding Security in a manner materially adverse to the Holders thereof. (Section 902)

The Holders of a majority in aggregate principal amount of the Outstanding Securities of any series, on behalf of all Holders of Outstanding Securities of such series, may waive compliance by the Company with certain restrictive provisions of the Indenture. (Section 1009) Subject to certain rights of the Trustee, as provided in the Indenture, the Holders of a majority in aggregate principal amount of the Outstanding Securities, on behalf of all holders of Outstanding Securities of such series, may waive any past default under the Indenture, except a default in the payment of principal, premium or interest or a default arising from failure to purchase any Outstanding Securities tendered pursuant to an Offer to Purchase. (Section 513)

CONSENT TO JURISDICTION AND SERVICE

The Indenture provides that the Company irrevocably appoint CT Corporation System, 1633 Broadway, New York, New York, 10019, as its agent for service of process in any suit, action or proceeding arising out of or relating to the Indenture and the Securities and for actions brought under federal or state securities laws

12

brought in any federal or state court located in the Borough of Manhattan in The City of New York and submit to such jurisdiction.

ENFORCEABILITY OF JUDGMENTS

Since a substantial portion of the Company's assets are outside the United States, any judgment obtained in the United States against the Company, including any judgment with respect to the payment of interest and principal on the Debt Securities, may not be collectible within the United States.

The Company has been informed by its Canadian counsel, Torys LLP ("Torys"), that a court of competent jurisdiction in the Province of Ontario would enforce a final and conclusive judgment in personam of a court sitting in the Borough of Manhattan, the City of New York, New York (a "New York Court") that is subsisting and unsatisfied respecting the enforcement of the Indenture and the Securities that is not impeachable as void or voidable under the internal laws of the State of New York for a sum certain if: (i) the court rendering such judgment had jurisdiction over the judgment debtor, as recognized by the courts of the Province of Ontario (and submission by the Company in the Indenture to the jurisdiction of the New York Court will be sufficient for the purpose); (ii) such judgment was not obtained by fraud or in a manner contrary to natural justice and the enforcement thereof would not be inconsistent with public policy, as such term is understood under the laws of the Province of Ontario, or

Edgar Filing: BRASCAN CORP/ - Form F-9/A

contrary to any order made by the Attorney General of Canada under the Foreign Extraterritorial Measures Act (Canada); (iii) the enforcement of such judgment does not constitute, directly or indirectly, the enforcement of foreign revenue or penal laws; and (iv) the action to enforce such judgment is commenced within six years of the date of such judgment. The Company has been advised by such counsel that there is some doubt as to the enforceability in Canada, against the Company or against any of its respective directors, officers and experts who are not residents of the United States, by a court in original actions or in actions to enforce judgments of United States courts, of civil liabilities predicated solely upon the United States federal securities laws.

GOVERNING LAW

The Indenture and the Securities will be governed by the laws of the State of New York, except with respect to the rights, powers, duties or responsibility of the Trustee which shall be governed by the laws of the Province of Ontario and the federal laws of Canada applicable therein. (Section 113)

THE TRUSTEE

The Trustee under the Indenture is Computershare Trust Company of Canada.

"Stated Maturity", when used with respect to any Security or any instalment of principal thereof or interest thereon, means the date specified in such Security as the fixed date on which the principal of such Security or such instalment of principal or interest is due and payable.

PLAN OF DISTRIBUTION

The Company may sell Debt Securities to or through underwriters or dealers and also may sell Debt Securities directly to purchasers or through agents.

The distribution of Debt Securities of any series may be effected from time to time in one or more transactions at a fixed price or prices, which may be changed, at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at prices to be negotiated with purchasers.

In connection with the sale of Debt Securities, underwriters may receive compensation from the Company or from purchasers of Debt Securities for whom they may act as agents in the form of concessions or commissions. Underwriters, dealers and agents that participate in the distribution of Debt Securities may be deemed to be underwriters and any commissions received by them from the Company and any profit on the resale of Debt Securities by them may be deemed to be underwriting commissions under the Securities Act. Any such person that may be deemed to be an underwriter with respect to Debt Securities of any series will be identified in the Prospectus Supplement relating to such series.

The Prospectus Supplement relating to each series of Debt Securities will also set forth the terms of the offering of the Debt Securities of such series, including, to the extent applicable, the names of any underwriters or agents, the purchase price or prices of the Offered Securities, the initial offering price, the proceeds to the Company from the sale of the Offered Securities, the underwriting discounts and commissions and any discounts, commissions and concessions allowed or reallocated or paid by any underwriter to other dealers.

Edgar Filing: BRASCAN CORP/ - Form F-9/A

If so indicated in the applicable Prospectus Supplement, the Company may authorize dealers or other persons acting as the Company's agents to solicit offers by certain institutions to purchase the Offered Securities directly from the Company pursuant to contracts providing for payment and delivery on a future date. These contracts will be subject only to the conditions set forth in the applicable Prospectus Supplement which will also set forth the commission payable for solicitation of these contracts.

Under agreements which may be entered into by the Company, underwriters, dealers and agents who participate in the distribution of Debt Securities may be entitled to indemnification by the Company against certain liabilities, including liabilities under the Securities Act and Canadian provincial securities legislation, or to contribution with respect to payments which those underwriters, dealers or agents may be required to

15

make in respect thereof. Those underwriters, dealers and agents may be customers of, engage in transactions with or perform services for the Company or its subsidiaries in the ordinary course of business.

Each series of Debt Securities will be a new issue of securities with no established trading market. Unless otherwise specified in a Prospectus Supplement relating to a series of Debt Securities, the Debt Securities will not be listed on any securities exchange. Certain broker-dealers may make a market in Debt Securities but will not be obligated to do so and may discontinue any market making at any time without notice. No assurance can be given that any broker-dealer will make a market in the Debt Securities of any series or as to the liquidity of the trading market for the Debt Securities of any series.

In connection with any underwritten offering of Debt Securities, the underwriters or agents may over-allot or effect transactions which stabilize or maintain the market price of the Debt Securities offered at a level above that which might otherwise prevail in the open market. Such transactions, if commenced, may be discontinued at any time.

LEGAL MATTERS

Unless otherwise specified in a Prospectus Supplement relating to a series of Debt Securities, certain matters of Canadian and United States law relating to the validity of the Debt Securities will be passed upon for the Company by Torys in Toronto, Ontario, and New York, New York. The partners and associates of Torys, as a group, beneficially own, directly or indirectly, less than one percent of the outstanding securities of the Company.

PART II

INFORMATION NOT REQUIRED TO BE DELIVERED TO OFFEREES OR PURCHASERS

INDEMNIFICATION OF DIRECTORS OR OFFICERS.

Under the Business Corporations Act (Ontario), the Company may indemnify a present or former director or officer or a person who acts or acted at the Company's request as a director or officer of another corporation of which the Company is or was a shareholder or creditor, and his or her heirs and legal representatives, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by him or her in respect of any civil, criminal or administrative action or proceeding to which he or she is made a party by reason of being or having been a director or officer of the Company or such other corporation and provided that the director or officer acted honestly and in good faith with a view to the best interests of the Company, and, in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, such director or officer had reasonable grounds for believing that his or her conduct was lawful. Such indemnification may be made in connection with an action by or on behalf of the Company or such other corporation to procure a judgment in its favor only with court approval. A director or officer is entitled to indemnification from the Company as a matter of right if he or she was substantially successful on the merits in his or her defense of the action or proceeding and fulfilled the conditions set forth above.

In accordance with the Business Corporations Act (Ontario), the board of directors of the Company approved a resolution (the "Resolution") dated August 1, 1997 providing for the following:

(i) the Company shall indemnify a director or officer of the Company, a former director or officer of the Company or a person who acts or acted at the Company's request as a director or officer of a body corporate of which the Company is or was a shareholder or creditor, and his or her heirs and legal representatives, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by him or her in respect of any civil, criminal or administrative action or proceeding to which he or she is made a party by reason of being or having been a director or officer of the Company or such body corporate (except in respect of an action by or on behalf of the Company or such body corporate to procure a judgment in its favor), if,

(a) he or she acted honestly and in good faith with a view to the best interests of the Company, and

(b) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, he or she had reasonable grounds for believing that his or her conduct was lawful;

(ii) the Company shall, with the prior approval of the court having jurisdiction, indemnify a person referred to in (i) above in respect of an action by or on behalf of the Company or such body corporate to procure a judgment in its favor, to which he or she is made a party by reason of being or having been a director or an officer of the Company or such body

corporate, against all costs, charges and expenses reasonably incurred by him or her in connection with such action if he or she fulfils the conditions set out in paragraphs (i)(a) and (b) above; and

(iii) notwithstanding anything in (i) and (ii) above, a person referred to in (i) above shall be indemnified by the Company in respect of all costs, charges and expenses reasonably incurred by him or her in connection with the defense of any civil, criminal or administrative action or proceeding to which he or she is made a party by reason of being or having been a director or officer of the Company or body corporate, if the person seeking indemnity,

(a) was substantially successful on the merits in his or her defense of the action or proceeding, and

(b) fulfils the conditions set out in paragraphs (i)(a) and (b) above.

II-1

Nothing in the by-laws or resolutions of the Company limits the right of any person entitled to claim indemnity apart from the indemnity provided pursuant to the Resolution.

A policy of directors' and officers' liability insurance is maintained by the Company which insures, subject to certain exclusions, directors and officers for losses as a result of claims against the directors and officers of the Company in their capacity as directors and officers and also reimburses the Company for payments made pursuant to the indemnity provided by the Company pursuant to the Resolution and the Business Corporations Act (Ontario).

Insofar as indemnification for liabilities under the United States Securities Act of 1933 may be permitted to directors, officers or persons controlling the Registrant pursuant to the foregoing provisions, the Registrant has been advised that in the opinion of the U.S. Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is therefore unenforceable.
