### PROXY STATEMENT For Annual Meeting To Be Held On May 16, 2002

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of TRICON Global Restaurants, Inc., a North Carolina corporation ("Tricon" or the "Company"), to be used at the Annual Meeting of Shareholders of the Company to be held at 9:00 a.m. (Eastern Daylight Savings Time), on Thursday, May 16, 2002, in the Yum Center, at 1900 Colonel Sanders Lane, Louisville, Kentucky, for the purposes set forth in the accompanying Notice of the Annual Meeting. This Proxy Statement and the accompanying form of proxy are being mailed to shareholders commencing on or about March 1, 2002.

#### GENERAL INFORMATION ABOUT THE MEETING

##### Quorum and Voting Requirements

## Edgar Filing: TRICON GLOBAL RESTAURANTS INC - Form PRER14A

The presence in person or by proxy of shareholders holding a majority of the outstanding shares of the Company's Common Stock will constitute a quorum for the transaction of all business at the Annual Meeting. A shareholder voting for the election of directors may withhold authority to vote for all or certain nominees for directors. A shareholder may also abstain from voting on the other matters presented for shareholder vote. Votes withheld from the election of any nominee for director and abstentions from any proposal will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum at the Annual Meeting.

A plurality of the votes cast is required for the election of directors. This means that the director nominee with the most votes for a particular slot is elected for that slot. Only votes "for" or "against" affect the outcome. Abstentions are not counted for purposes of the election of directors.

The affirmative vote of a majority of shares present in person or represented by proxy at the Annual Meeting and entitled to vote is required to ratify the appointment of KPMG LLP and approve the other matters to be presented at the Annual Meeting. Abstentions are counted in determining the number of shares present or represented on each of these proposals and, therefore, will have the same effect as a vote against such proposals. Broker non-votes on a particular matter, which are proxies with respect to which a broker did not receive voting instructions from the beneficial owner of shares and indicates on the proxy that it does not have discretionary authority to vote on such matter, are not treated as present for that particular matter, and will not affect the vote on such matter.

Only shareholders of record at the close of business on March 18, 2002 are entitled to vote at the Annual Meeting. As of March 18, 2002, there were \_\_\_\_\_ shares of the Company's Common Stock outstanding and entitled to vote. Each share of Common Stock entitles the holder to one vote on all matters presented at the Annual Meeting.

Shares represented by duly executed proxies in the accompanying form received prior to the meeting and not revoked will be voted at the meeting or at any adjournments in accordance with the choices specified on the proxy. If no choices are specified, the shares represented by that proxy will be voted as recommended by the Board of Directors. A proxy may be revoked by the person executing it at any time before the authority thereby granted is exercised by giving written notice to the Secretary of the Company,

1

---

by delivery of a duly executed proxy bearing a later date or by voting in person at the meeting. Attendance at the meeting will not have the effect of revoking a proxy unless the shareholder so attending notifies the inspectors of election in writing prior to the voting of the proxy. Beneficial owners who intend to vote shares at the meeting should obtain a legal proxy or power of attorney from their broker and present it at the meeting to establish their right to vote such shares.

If you are a participant in the Direct Stock Purchase Plan, shares of Common Stock held in your account may be voted through the proxy card accompanying this mailing. The administrator of this program, as the shareholder of record, may only vote the shares for which it has received directions to vote from participants.

If you are a participant in the Tricon 401(k) Plan ("Plan"), you may use the accompanying proxy card to direct the trustee of the Plan to vote shares of Common Stock you beneficially own under the Plan. In accordance with the Plan terms, if your proxy card for Plan shares is not returned, those shares will not be voted.

### **Proxies and Voting Procedures**

All shareholders may vote their shares by completing, signing and returning the enclosed proxy card in the postage-paid envelope provided with this proxy statement. Instead of submitting your proxy through the mail, you may choose to vote your shares electronically by accessing the internet site or by using the toll-free telephone numbers identified below. Please note that there are separate arrangements for using the internet and telephone to vote your shares depending on whether shares are registered in the Company's stock records in your name or in the name of a brokerage firm or bank. Submitting your proxy via the internet or by telephone will not affect your right to vote in person should you decide to attend the Annual Meeting. If you elect to vote either by accessing the internet or by using the toll-free telephone numbers, please do not mail back your proxy card.

The telephone and internet voting procedures are designed to authenticate shareholders' identities, to allow shareholders to give their voting instructions and to confirm that shareholders' instructions have been properly recorded. Shareholders voting via the internet should understand that there may be costs associated with electronic access, such as usage charges from internet access providers and telephone companies, that must be borne by the shareholder.

## Edgar Filing: TRICON GLOBAL RESTAURANTS INC - Form PRER14A

*For Shares Registered Directly in the Name of the Shareholder.* Shareholders with shares registered directly in their name in the Company's stock records maintained by our transfer agent, EquiServe, L.P., may vote their shares (1) by submitting their proxy through the internet at the following address on the World Wide Web: <http://www.eproxyvote.com/yum>, (2) by making a toll-free telephone call from the U.S. and Canada to EquiServe at 1-877-779-8683 or outside the U.S. and Canada collect at 1-201-536-8073 or (3) by mailing their signed proxy card. Specific instructions to be followed by registered shareholders are set forth on the enclosed proxy card. Proxies submitted through the internet or by telephone through EquiServe as described above must be received by 5:00 p.m., Eastern Daylight Savings Time, on May 15, 2002.

*For Shares Registered in the Name of a Brokerage Firm or Bank.* A number of brokerage firms and banks are participating in a program provided through ADP Investor Communication Services that offers telephone and internet voting options (as well as the option to receive future shareholder communications including proxy materials through the internet and not through the mail). This program is different from the program provided by EquiServe for shares registered directly in the name of the shareholder. If your shares are held in an account with a brokerage firm or bank participating in the ADP Investor Communication Services program, you may vote those shares telephonically by calling the telephone number shown on the voting form received from your brokerage firm or bank, or via the internet at ADP Investor Communication Services' voting Web site ([www.proxyvote.com](http://www.proxyvote.com)). Votes submitted via the internet

or by telephone through the ADP Investor Communication Services program must be received by 11:59 p.m., Eastern Daylight Savings Time, on May 15, 2002.

### **Electronic Delivery of Proxy Materials**

Tricon shareholders with shares registered directly in their name may elect to receive the Company's future annual reports and proxy statements and to vote their shares through the internet instead of receiving copies through the mail. Tricon is offering this service to provide added convenience to its shareholders and to reduce annual report printing and mailing costs.

To take advantage of this option, shareholders must subscribe to one of the various commercial services that offer access to the internet. Costs normally associated with electronic access, such as usage and telephone charges, will be borne by the shareholder.

To elect this option, go to website <http://www.econsent.com/yum>. Shareholders who elect this option will be notified each year by e-mail how to access the proxy materials and how to vote their shares on the internet.

If you consent to receive the Company's future proxy materials electronically, your consent will remain in effect unless it is withdrawn by writing, or e-mailing our Transfer Agent, EquiServe, L.P., at: P.O. Box 8038, Boston, MA 02266-8038; <http://www.equiserve.com>. Also, if while this consent is in effect you decide you would like to receive a hard copy of the proxy materials, you may call, write or e-mail our Transfer Agent.

### **Solicitation Expenses**

The expenses of soliciting proxies for the Annual Meeting, including the cost of preparing, assembling and mailing this proxy statement and the accompanying form of proxy, will be borne by the Company. The Company has retained MacKenzie Partners, Inc. to assist in the solicitation of proxies for a fee of \$11,000 plus expenses for these services. In addition to the solicitation of proxies by mail, certain directors, officers and regular employees of the Company, without additional compensation, may use their personal efforts, by telephone or otherwise, to obtain proxies. The Company will also request persons, firms and corporations holding shares in their names, or in the names of their nominees, which shares are beneficially owned by others, to send these proxy materials to and obtain proxies from such beneficial owners, and will reimburse such holders for their reasonable expenses in so doing.

### **Admission to Annual Meeting**

If you are a registered owner and plan to attend the meeting in person, please detach and retain the admission ticket which is attached to your proxy card and return the proxy card with the "Annual Meeting" box marked. A beneficial owner who plans to attend the meeting may obtain an admission ticket in advance by sending a written request, with proof of ownership, such as a bank or brokerage firm account statement, to the Company's transfer agent, EquiServe, L.P., P.O. Box 8038, Boston, Massachusetts 02266-8038. Admittance to the Annual Meeting will be based upon availability of seating. Shareholders who do not present admission tickets at the meeting will be admitted upon verification of ownership at the admissions desk.

**ELECTION OF DIRECTORS**  
**(Item 1 on Proxy Card)**

**Board of Directors**

The Board of Directors is presently divided into three classes. Each class is elected for a three-year term expiring in successive years. The Board of Directors has nominated each of the following individuals for election at the annual meeting:

**James Dimon**  
**Massimo Ferragamo**  
**Thomas M. Ryan**  
**Robert J. Ulrich**

**The Board of Directors recommends a vote FOR all of the above-named nominees for election as directors.**

If elected, the Company expects that Messrs. Dimon, Ferragamo, Ryan and Ulrich will hold office until the annual meeting of shareholders in 2005 and until their respective successors have been elected and qualified. Messrs. Dimon, Ferragamo and Ulrich are standing for reelection. Mr. Ryan is standing for election by shareholders for the first time.

Shareholders voting at the Annual Meeting may not vote for more than the number of nominees listed in this Proxy Statement. Directors will be elected by a plurality of the total votes cast for the election of directors at the Annual Meeting. That is, the four nominees receiving the greatest number of votes for Class II directors will be deemed elected directors. In the event that any of the nominees becomes unavailable (which is not now anticipated by the Company), the persons named as proxies have discretionary authority to vote for a substitute nominee designated by the present Board of Directors. The Board of Directors has no reason to believe that any of said nominees will be unwilling or unable to serve if elected.

The following pages contain certain information regarding each of the nominees for election as directors at this year's annual meeting and each continuing director. Stock ownership information for each nominee and continuing director is presented beginning on page 10.

2001 option grants specified above become exercisable in 25% increments beginning January 25, 2002, except that 31,250 options granted to Ms. Bachelder become exercisable on January 25, 2005. The terms of each option grant provide that if specified corporate control changes occur, all outstanding stock options become exercisable immediately.

(2) The exercise price shown is the average of the high and low sales price of the Company's Common Stock on the date of grant.

(3) The grant date present values were determined using the Black-Scholes option pricing model. The Black-Scholes present value per option was \$13.84. The assumptions used in calculating the Black-Scholes present value for the new options were as follows: (a) options are assumed to be exercised at year six; (b) volatility is 32.7% based on the daily closing stock prices from October 7, 1997 to December 28, 2001 for Tricon, and the monthly closing stock prices for the last six years for McDonald's Corporation and Wendy's International, Inc.; (c) the risk-free rate of return is 4.85% based on the five-year zero coupon treasury average yield for January 2001; and (d) the dividend yield is 0%. No further discount to the option value calculated was taken to give effect (1) to the fact that the options are not freely transferable or (2) to the potential forfeiture of the options, or (3) to the fact that the Company has stock ownership guidelines.

### Stock Option Exercises and Holdings

The following table presents information with respect to stock options exercised during the last fiscal year by the named executive officers, as well as the status and current value of unexercised stock options held as of December 29, 2001. (2) The Compensation Committee of the Board of Directors amended these options to permit 333,992 options to be transferred to family members and family trusts once they become exercisable.

### Pension Plans

The Company has adopted the Tricon Retirement Plan and Tricon Pension Equalization Plan (the "Plans"). year of credited service over ten years, less .43% of final average earnings not to exceed Social Security covered compensation multiplied by years of service (not to exceed 35 years).
