The growth in subscriber base compared to the third quarter of 2004 was realized at 19.7%.

In the third quarter of 2005, post-paid subscribers totalled 5.3 million and prepaid subscribers amounted to 21.4 million. On the back of a relative slowdown in domestic demand compared to the first half of the year, the number of net new additions to Turkcell s subscriber base during the third quarter was realized at 1,132,000. Of the total gross new subscribers acquired in the third quarter of 2005; 10% were post paid and the remaining 90% were pre-paid.

In the third quarter of 2005, Turkcell s churn rate remained nearly flat at 2.5% levels compared to 2.6% in the second quarter of 2005. The churn rate in the third quarter of 2004 stood at 1.95% due to a milder competitive environment.

Mr. Muzaffer Akpinar, Turkcell s CEO, commented We are glad that the growth in our market continued during the third quarter, though at a slower pace, in line with our projections for the year. Accordingly, net additions during the quarter were in line with our expectations. Our intention remains to maintain our market leadership in our changing competitive landscape while sustaining a balance with our bottom line objectives. With this in mind, we continue our Better Value for Money approach to effectively retain our subscriber base while increasing usage and penetration of our services.
