Barington Companies Equity Partners, L.P., together with the other participants named herein (collectively, the “Barington Group”), intends to file a preliminary proxy statement and an accompanying proxy card with the Securities and Exchange Commission to be used to solicit votes for the election of its slate of director nominees at the 2016 annual meeting of stockholders of Chico’s FAS, Inc., a Florida corporation.

On May 24, 2016, the Barington Group issued the following press release:

FOR IMMEDIATE RELEASE

May 24, 2016

**BARINGTON CAPITAL GROUP ANNOUNCES PROXY CONTEST  
TO ELECT TWO DIRECTORS TO THE BOARD OF CHICO’S FAS, INC.**

**Believes that Chico’s is Significantly Undervalued and Could More  
than Double its Earnings per Share if More Effectively Managed**

New York, NY, May 24, 2016 – Barington Capital Group, L.P. announced today that one of its affiliates has formally notified Chico’s FAS, Inc. (NYSE: CHS) of its intention to seek the election of directors to the Board of Directors of Chico’s at the Company’s 2016 Annual Meeting of Stockholders. The Annual Meeting, which was initially scheduled to be held on June 16, 2016, has been postponed by the Company until July 21, 2016.

Barington, which has been investing in Chico’s since December 2013 and beneficially owns approximately 1.4% of its outstanding common stock, believes that the Company has failed to create meaningful long-term value for stockholders. Chico’s common stock is down approximately 77% from its all-time high of \$48.90 per share on February 21, 2006, and, as indicated in the table below, has significantly underperformed its peers and the market as a whole over the past one, three, five and ten-year periods:

	1 Year (5/20/15-5/20/16)	3 Years (5/20/13-5/20/16)	5 Years (5/20/11-5/20/16)	10 Years (5/22/06-5/20/16)
Chico’s	(33.4%)	(40.5%)	(14.5%)	(60.9%)
Peers	(25.2%)	(24.4%)	(3.5%)	29.8%
S&P 500 Apparel Retail Index	(6.0%)	24.0%	106.6%	210.9%
S&P 500 Specialty Retail Index	3.3%	46.3%	140.1%	135.9%
S&P 500 Index	(1.3%)	31.2%	71.5%	101.4%
Russell 2000 Index	(10.2%)	16.1%	43.9%	78.4%

Barington has been communicating privately with the Company since March 2016. During this time, it has shared its views that the Company should reduce its substantial corporate overhead and significantly decrease its advertising and other SG&A expenses (both of which, as a percentage of sales, are among the highest of its specialty retailer peers). In an apparent recognition of Barington's concerns, Chico's has since taken steps to decentralize its marketing functions and expects to achieve approximately \$14 million in annualized cost savings. While Barington generally supports this action, Barington believes that more significant reductions in marketing expenses are needed and can be accomplished while still growing sales. Barington further believes that Chico's should improve execution and corporate strategy at each of its three businesses in order to capitalize on opportunities in the relatively untapped market segment the Company serves. Finally, it is Barington's belief that the Company should improve its corporate governance and executive compensation practices in order to better align management and stockholder interests.

To ensure that stockholders are represented by directors with the requisite experience and fiscal discipline to help implement Barington's recommendations, Barington intends to seek the election of two highly qualified individuals to the Company's nine-member Board of Directors. If elected, Barington's nominees intend to work constructively with the other members of the Chico's Board to seek to improve the Company's long-term financial performance while ensuring that stockholder interests are adequately protected. Barington is convinced that if the Company were more effectively managed and corporate overhead and SG&A expenses were reduced to levels comparable to its peers, Chico's could more than double its earnings per share in three years.

Barington's nominees are:

James A. Mitarotonda – Mr. Mitarotonda, 62, is the Chairman, President and Chief Executive Officer of Barington Capital Group, L.P. Mr. Mitarotonda is an experienced public company director who has helped numerous public companies improve their long-term financial performance, corporate governance and executive compensation practices. He is currently a director of A. Schulman, OMNOVA Solutions, Inc., The Eastern Company and Barington/Hilco Acquisition Corp. He has also served as a director of The Jones Group, Ameron International, Griffon Corporation, Gerber Scientific, Register.com, Inc. and The Pep Boys – Manny, Moe & Jack, among other companies.

Janet E. Grove – Ms. Grove, 65, has over 40 years of retail industry experience. From 2003 to 2011, she was the Vice Chairman of Macy's, Inc., a leading department store chain. She has also served as Chairman and Chief Executive Officer of Macy's Merchandising Group, where she was responsible for designing, sourcing marketing and merchandising Macy's private branded products and managing key vendor relationships.
