STEWART INFORMATION SERVICES CORPORATION

SOLICITATION STATEMENT

TO REQUEST A SPECIAL MEETING OF STOCKHOLDERS

BY

Foundation Asset Management, LP

IMPORTANT

FOUNDATION ASSET MANAGEMENT, LP IS ONE OF THE LARGEST STOCKHOLDERS OF STEWART INFORMATION SERVICES CORPORATION, A DELAWARE CORPORATION (“STEWART” OR THE “COMPANY”). WE BELIEVE THAT STEWART IS DEEPLY UNDERVALUED AND THAT SIGNIFICANT OPPORTUNITIES EXIST TO CREATE STOCKHOLDER VALUE BASED ON ACTIONS WITHIN THE CONTROL OF STEWART’S BOARD OF DIRECTORS (THE “BOARD”). WE HAVE SIGNIFICANT CONCERNS REGARDING THE MANNER IN WHICH STEWART IS BEING GOVERNED BY THE CURRENT BOARD. TO THIS END, WE ARE SEEKING YOUR SUPPORT TO CALL A SPECIAL MEETING OF THE COMPANY’S STOCKHOLDERS IN ORDER TO EFFECT, IN OUR OPINION, MUCH-NEEDED CHANGE TO THE COMPOSITION OF THE BOARD.

AT THIS TIME, WE ARE ONLY SOLICITING YOUR WRITTEN REQUEST TO CALL A SPECIAL MEETING OF STOCKHOLDERS. AS DESCRIBED MORE FULLY BELOW, IN ORDER TO CALL A SPECIAL MEETING, WE ARE REQUIRED TO DELIVER WRITTEN REQUESTS FROM THE HOLDERS OF AT LEAST TWENTY-FIVE PERCENT (25%) OF THE COMPANY’S OUTSTANDING SHARES, INCLUDING OUR OWN. ONCE THE SPECIAL MEETING HAS BEEN CALLED, WE WILL THEN SEND YOU PROXY MATERIALS URGING YOU TO VOTE IN FAVOR OF THE PROPOSALS DESCRIBED BELOW.

PLEASE JOIN US IN REQUESTING THAT STEWART CALL A SPECIAL MEETING AND SHOW THE BOARD THAT STOCKHOLDERS CANNOT AFFORD TO WAIT TO HAVE THEIR VOICES HEARD UNTIL NEXT YEAR’S ANNUAL MEETING OF STOCKHOLDERS.

Why You Were Sent This Solicitation Statement

Foundation Asset Management, LP (“Foundation LP”) and the other participants in this solicitation (collectively, “Foundation,” “our,” or “we”) are the beneficial owners of an aggregate of 1,311,850 shares of common stock, \$1.00 par value per share (the “Common Stock”), of the Company, representing approximately 5.6% of the Company’s outstanding shares and making us one of the Company’s largest stockholders.

As noted above, Foundation believes that Stewart is substantially undervalued and opportunities exist to create significant value for stockholders. However, given Stewart's dramatic underperformance relative to its peers under the leadership of the incumbent Board and management team and the apparent conflicts of interest in the boardroom, Foundation believes that stockholders would greatly benefit from a change to the composition of the Board.

After four years of restructuring at Stewart, the Company's pretax income growth and margins have still significantly lagged its peers of publicly traded title insurers, with Stewart's 4.4% pretax margins in 2015 being nearly half of those of its lowest such peer, Old Republic International Corporation ("Old Republic"), which had 8% pretax margins. Foundation believes that, based on its research and communications with industry experts, there are no structural or scale issues preventing Stewart from generating peer-like margins. In fact, we believe Stewart's margins should be higher than Old Republic's given that 73% of Old Republic's title revenue is agency-driven (which has inherently lower margins) with the remaining 27% coming from direct operations, whereas only 53% of Stewart's title revenue is agency-driven.^[1] This leads us to believe that Stewart's underperformance is attributable to suboptimal operating procedures and subpar productivity.

Peers include the other three publicly traded title insurers: Fidelity National Financial, Inc. (NYSE:FNF), First American Financial Corporation (NYSE:FAF) and Old Republic (NYSE:ORI).

Source: Annual and Quarterly Reports of Stewart, FNF, FAF and ORI and Foundation's estimates.

Note: 90% of unallocated corporate expenses attributed to Title segments for FNF and FAF and 100% is attributed for ORI and Stewart as title insurers with fully allocated overhead disclosures.

^[1] Source: Annual and Quarterly Reports of Old Republic and Stewart.

Contributing to the Company's underperformance, in our opinion, are conflicts of interest in the boardroom that jeopardize the Board's ability to act in the best interests of stockholders. Malcolm S. Morris and Stewart Morris, Jr., each of whom currently serves as Vice Chairman of the Board and previously served as Co-Chief Executive Officers of the Company from 2000 to November 2011, are first cousins and Malcolm S. Morris is the father of current Chief Executive Officer Matthew W. Morris. We are concerned that due to their familial relationships, Malcolm S. Morris and Stewart Morris, Jr. may be at risk of placing the interests of CEO Matthew W. Morris and other members of the Morris family above those of the Company's public stockholders. For instance, public filings indicate that from 2001 to 2014, members of the Morris family received payments in excess of \$45 million while the Company's public stockholders actually funded the Company with \$12 million of net inflows (even after taking into account the payment of dividends and stock repurchases). In addition, during Malcolm S. Morris and Stewart Morris, Jr.'s tenures as Co-CEOs, Stewart stockholders experienced total shareholder returns of -14% while FNF and FAF stockholders experienced returns of 524% and 144%, respectively.^[2] Concurrent with these results, the Morris family collected the aforementioned \$45 million in the form of direct compensation, fees to affiliated companies and family-owned horse expenses. Based on (i) the excessive compensation received by members of the Morris family relative to the Company's performance, (ii) the familial relationships between certain members of the Board and the Company's management team, including CEO Matthew W. Morris, and (iii) the use of stockholder capital on personal expenses of the Morris family, including approximately \$1.5 million in expenses associated with horses owned by the Morris family^[3], we believe action must be taken to ensure that the Company is run with the best interests of our fellow public stockholders in mind.

Foundation strongly believes that stockholders would benefit if Malcolm S. Morris and Stewart Morris, Jr. were removed as directors and replaced with truly independent stockholder representatives who possess the relevant industry, business and financial experience necessary to address the Company's continued underperformance.

Accordingly, we are hereby asking you to help us request that the management of Stewart call a special meeting of stockholders of the Company for the following purposes:

- (i) to repeal any provision of the Bylaws of the Company in effect at the time this proposal becomes effective, including any amendments thereto, which were not included in the Third Amended and Restated By-Laws of the Company (the "Bylaws") that were in effect as of April 27, 2016 and were filed with the Securities and Exchange Commission on April 28, 2016;
- (ii) to remove from office, without cause, Malcolm S. Morris and Stewart Morris, Jr. as directors of the Company, as well as any person or persons elected or appointed to the Board without stockholder approval after July 28, 2016, and up to and including the date of the special meeting;
- (iii) to amend Article III, Section 3.3 of the Bylaws to provide that any vacancies on the Board resulting from the removal of directors by the stockholders of the Company shall be filled exclusively by the stockholders of the Company;
- (iv) to elect Ernest D. Smith and Roslyn B. Payne to serve as directors of the Company (contingent on Proposal 2 and Proposal 3 being passed); and
- (v) to transact such other business as may properly come before the special meeting (items (i) through (v) are collectively referred to as the "Proposals").

^[2] Note: Co-CEOs from January 31, 2000 to November 3, 2011. Total returns calculated beginning with the average Q4 1999 price of each company as disclosed in their respective Forms 10-K for the year ended December 31, 1999 and ending with the closing price of each company on November 3, 2011. The average Q4 1999 price was used as the starting point for each company because daily market prices are no longer available for the former legal entities of

FNF and FAF, which were terminated following their spin-offs of Fidelity National Information Services, Inc. (NYSE:FIS) and CoreLogic, Inc. (NYSE:CLGX), respectively. All stock prices have been adjusted for spin-offs, stock splits and stock dividends.

[3] Public filings indicate that from 2006 – 2012, the Company spent approximately \$1.5 million of stockholder capital on expenses associated with horses owned by the Morris family.

This Solicitation Statement and the accompanying **GREEN** request card are being furnished to holders of the Common Stock.

At this time, Foundation is only soliciting your written request to call the special meeting. Foundation is not currently seeking your proxy, consent, authorization or agent designation for approval of the Proposals or any other actions. In the event the special meeting is called, Foundation will send you proxy materials relating to the Proposals to be voted upon at the special meeting.

Please note that, in the event the special meeting is called and Malcolm S. Morris and Stewart Morris, Jr. are removed as directors, pursuant to the Exchange Agreement by and among the Company and the holders of the Company's Class B Common Stock, dated January 26, 2016 (the "Exchange Agreement"), the Board will still be contractually obligated to nominate Malcolm S. Morris and Stewart Morris, Jr. for election as directors at the Company's 2017 annual meeting of stockholders (the "2017 Annual Meeting") and 2018 annual meeting of stockholders (the "2018 Annual Meeting"); however, their election is predicated on receiving the requisite stockholder vote for their election.

Section 211(d) of the Delaware General Corporation Law (the "DGCL") provides that a special meeting of stockholders may be called by a corporation's board of directors or by such person or persons as may be authorized by the certificate of incorporation or by the bylaws. The Fourth Article of Stewart's Restated Certificate of Incorporation (the "Charter") provides that a special meeting of the Company's stockholders shall be called by the Chief Executive Officer or the Secretary at the request in writing of stockholders owning twenty-five percent (25%) or more of the entire capital stock of the corporation issued and outstanding and entitled to vote, and such request shall state the purpose of the proposed meeting. In addition to specifying that the Chairman of the Board, the Chief Executive Officer or the Board may call a special meeting, Article II, Section 2.4 of the Bylaws similarly provides that a special meeting of the Company's stockholders shall be called by the Chief Executive Officer or the Secretary at the request in writing of stockholders owning twenty-five percent (25%) or more of the entire capital stock of the corporation issued and outstanding and entitled to vote, and such request shall state the purpose of the proposed meeting. Foundation intends to set November 7, 2016 as the goal for submission of such written requests.

As of the close of business on September 9, 2016, Foundation collectively beneficially owned, and had the right to vote, 1,311,850 shares of the Common Stock, representing approximately 5.6% of the outstanding Common Stock of the Company.

In accordance with Section 213 of the DGCL, the record date for determining stockholders entitled to notice of, and to vote at, the special meeting shall be at the close of business on the day immediately preceding the day upon which notice of the special meeting is given to stockholders, unless the Board sets a different record date. In any event, such record date shall not be more than 60 nor less than 10 days before the date of the special meeting.

This Solicitation Statement and the accompanying **GREEN** request card are first being mailed to stockholders on or about September 14, 2016. Requests to call a special meeting should be delivered as promptly as possible, by mail (using the enclosed envelope), to Foundation's solicitation agent, MacKenzie Partners, Inc., as set forth below.

We are seeking your support to request that the Company call a special meeting of stockholders, in accordance with the applicable provisions of the Charter, Bylaws and DGCL. If we are successful in our solicitation of written requests, and the special meeting of stockholders is called and held, Foundation expects to present at the special meeting proposals to (i) repeal any provision of the Bylaws in effect at the time this proposal becomes effective, including any amendments thereto, which were not included in the Bylaws that were in effect as of April 27, 2016 and were filed with the Securities and Exchange Commission on April 28, 2016, (ii) remove from office, without cause, Malcolm S. Smith and Roslyn B. Payne to serve as directors of the Company (contingent on Proposal 2 and Proposal 3 being passed).

PAST CONTACTS

The following is a chronology of events leading up to the current solicitation:

Foundation is a long-term stockholder of Stewart, having first invested in the Company in March 2013. Over the past several years, Foundation has had over 100 conversations with the Company's competitors, former and current executives of Stewart, regulators and members of the investment community regarding the Company. On March 12, 2015, Foundation delivered a letter to the Board in which it expressed its belief that there is tremendous value that can be unlocked at the Company, but further change (Foundation and another investor previously reached an agreement with the Company in February 2014 that resulted in the appointment of two independent directors as well as a \$25 million cost savings initiative and \$70 million stock repurchase plan) to the Board is warranted in order to improve the Company's poor operational performance and accountability as well as the Company's troubling corporate governance practices, including the dual-class structure.

In the Company's proxy statement for its 2015 Annual Meeting of Stockholders, the Company included an advisory proposal relating to the elimination of the Company's dual-class capital structure. On March 30, 2015, Foundation publicly disclosed its support for the elimination of the dual-class structure and intention to vote in favor of the advisory proposal. The advisory proposal received overwhelming support from stockholders at the meeting.

On April 27, 2016, the Company held its 2016 Annual Meeting of Stockholders, at which time various changes to the Company's corporate governance and organizational documents were approved, including, but not limited to, (i) eliminating the dual-class structure, (ii) eliminating stockholders' ability to act by written consent and (iii) enabling stockholders owning at least twenty-five percent (25%) of the outstanding stock to call a special meeting.

On June 14, 2016, Foundation issued a presentation (the "June 2016 Presentation") to the Board in which Foundation noted that the Company is the title industry's last independent franchise of scale yet is significantly undermanaged and is still underperforming its peers after four years of restructuring. In addition to stating its belief that the current path is untenable and action must be taken by the Board, Foundation outlined the tremendous value creation it believes is available through Board action to simultaneously explore a sale of the Company and evaluate external CEO candidates.

On June 17, 2016, representatives of Foundation engaged in a telephone conversation with Chairman of the Board Thomas G. Apel. During the call, Foundation reiterated its views contained in the June 2016 Presentation and informed Mr. Apel that Foundation was evaluating all opportunities to maximize stockholder value, including potentially calling a special meeting of stockholders, if the Board did not increase its level of urgency to address the Company's underperformance.

On July 6, 2016, representatives of Foundation engaged in an additional telephone conversation with Mr. Apel. During the call, Foundation once again reiterated its message from the June 2016 Presentation and indicated that it was prepared to move forward with a special meeting if necessary in order to effect change.

On July 28, 2016, after the Board failed to take any meaningful action following the June 2016 Presentation and the subsequent conversations with Mr. Apel, Foundation reluctantly came to the conclusion that change to the composition of the Board is necessary to unlock stockholder value and filed a preliminary solicitation statement seeking to call a special meeting of Stewart's stockholders.

On August 25, 2016, representatives of Foundation met with representatives of the Company to discuss potential resolution options.

THE SPECIAL MEETING

At this time, Foundation is only soliciting your request to call the special meeting. Foundation is not currently seeking your proxy, consent, authorization or agent designation for approval of the Proposals or any other actions. In the event the special meeting is called, Foundation will send you proxy materials relating to the Proposals to be voted upon at the special meeting.

Foundation is soliciting written requests to have the Company call a special meeting of stockholders pursuant to the Charter and the DGCL. Foundation is furnishing this Solicitation Statement and the **GREEN** request card to enable you and the Company's other stockholders to support us in requesting the special meeting be called and held. For the special meeting to be properly requested in accordance with the Charter and DGCL, written requests in favor of calling the special meeting must be executed by the holders of not less than twenty-five percent (25%) of all outstanding shares of the Company entitled to vote. Foundation intends to set November 7, 2016 as the goal for submission of such written requests.

According to a letter privately sent by the Company's counsel to Foundation's counsel on September 7, 2016, as of August 1, 2016 there were 23,371,297 shares of Common Stock outstanding. Based on such number, and the fact that Foundation already owns in the aggregate 1,311,850 shares of Common Stock, additional written requests to call a special meeting from holders of an aggregate of at least 4,530,975 shares of Common Stock will be required to request the Company to call the special meeting. **Please complete, sign and return the enclosed GREEN request card as promptly as possible. The failure to sign and return the GREEN request card will have the same effect as opposing the calling of the special meeting.**

If Foundation is successful in its solicitation of written requests, the Company will be required under the Charter and DGCL to call and hold the special meeting. Upon receipt of the requisite number of written requests from stockholders in favor of calling the special meeting, Foundation anticipates delivering such written requests to the Company promptly, together with written notice of the business proposed to be brought before the special meeting pursuant to the Fourth Article of the Charter and Article II, Section 2.4 and Article III, Section 3.11 of the Bylaws.

In accordance with Section 213 of the DGCL, the record date for determining stockholders entitled to notice of, and to vote at, the special meeting shall be at the close of business on the day immediately preceding the day upon which notice of the special meeting is given to stockholders, unless the Board sets a different record date. In any event, such record date shall not be more than 60 nor less than 10 days before the date of the special meeting.

After the special meeting is called, Foundation intends to solicit proxies from stockholders in support of the Proposals by sending you a notice of the special meeting, a proxy statement and a proxy card for use in connection with the special meeting. At the special meeting, stockholders will be asked to vote "FOR" the Proposals.

Foundation expects to request, in any future proxy solicitation relating to the special meeting, authority to (i) initiate and vote for proposals to recess or adjourn the special meeting for any reason and (ii) oppose and vote against any proposal to recess or adjourn the special meeting. Foundation does not currently anticipate additional proposals on any substantive matters. Nevertheless, Foundation reserves the right to either modify the Proposals or cause additional proposals to be identified in the notice of, and in, the proxy materials for the special meeting. Foundation is not aware of any other proposals to be brought before the special meeting. However, should other proposals be brought before the special meeting, Foundation will vote its proxies on such matters in its discretion consistent with Rule 14a-4(c)(3) promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act").

OUR PLANS FOR THE SPECIAL MEETING

If we, with the support of other stockholders, are successful in obtaining sufficient stockholder support to request that the special meeting be called pursuant to the Charter and the special meeting is called, we expect to present the following matters for a stockholder vote at the special meeting:

- Proposal 1: “RESOLVED, that any provision of the Bylaws of Stewart Information Services Corporation as of the effectiveness of this resolution that was not included in the Third Amended and Restated By-Laws of the Company filed with the Securities and Exchange Commission on April 28, 2016, be and are hereby repealed.”**

Pursuant to Article II, Section 2.7 of the Bylaws and Section 216 of the DGCL, assuming that a quorum is present at the special meeting, such proposal would require the affirmative vote of a majority of shares present in person or represented by proxy at the meeting and entitled to vote.

Such proposal is designed to prevent the Board from taking any actions to amend the Bylaws to attempt to nullify or delay the actions taken by, or proposed to be taken by, the stockholders pursuant to the other Proposals or to create new obstacles to the consideration of the Proposals at the special meeting.

- Proposal 2: “RESOLVED, that (i) Malcolm S. Morris and Stewart Morris, Jr. and (ii) each person appointed to the Board, without stockholder approval, to fill any vacancy or newly-created directorship prior to the effectiveness of this proposal, be and hereby is removed.”**

Section 141(k) of the DGCL provides that any director or the entire board of directors of a Delaware corporation may be removed, with or without cause, by the holders of a majority of the shares then entitled to vote at an election of the corporation’s directors, subject to exceptions if the corporation has a classified board or permits cumulative voting in the election of its directors. The Company does not have a classified board or cumulative voting in the election of its directors. Consequently, Section 141(k) of the DGCL permits the stockholders of the Company to remove any director or the entire Board without cause.

Please note that, in the event the special meeting is called and Malcolm S. Morris and Stewart Morris, Jr. are removed as directors, pursuant to the Exchange Agreement, the Board will still be contractually obligated to nominate Malcolm S. Morris and Stewart Morris, Jr. for election as directors at the 2017 Annual Meeting and the 2018 Annual Meeting; however, their election is predicated on receiving the requisite stockholder vote for their election.

- Proposal 3: “RESOLVED, that Article III, Section 3.3 of the Bylaws is hereby amended to provide that any vacancies on the Board of Directors of the Company resulting from the removal of directors by the stockholders shall be filled exclusively by the stockholders of the Company.”**

Pursuant to Article II, Section 2.7 of the Bylaws and Section 216 of the DGCL, assuming that a quorum is present at the special meeting, such proposal would require the affirmative vote of a majority of shares present in person or represented by proxy at the meeting and entitled to vote.

The purpose of such proposal is to divest the current directors of their ability to fill vacancies by the removal of directors by stockholders and provide stockholders with the exclusive ability to fill any such vacancies.

Proposal
4: **“RESOLVED, that Ernest D. Smith and Roslyn B. Payne be and hereby are elected to serve as directors on the Board, contingent on Proposal 2 and Proposal 3 being passed.”**

If Proposals 1 and 3 pass, the resulting vacancies may only be filled by stockholders. In such a case, pursuant to Article II, Section 2.7 of the Bylaws, assuming that a quorum is present, Mr. Smith and Mrs. Payne would be elected as directors if the votes cast for their election exceed the votes cast against their election; provided, however, that directors shall be elected by a plurality of the votes cast at any meeting of stockholders for which the Secretary of the Company determines that the number of nominees exceeds the number of directors to be elected as of the date seven days prior to the scheduled mailing date of the proxy statement for such meeting.

Mr. Smith and Mrs. Payne have each consented to be named in any proxy or solicitation statement and proxy cards to be filed with the SEC and distributed to stockholders of Stewart by Foundation and to serve as a director of Stewart, if elected, in accordance with Section 3.11 of the Bylaws. Such nominees have not made any commitment to Foundation, if elected, other than that they will serve as directors, exercise their independent judgment in accordance with their fiduciary duties in all matters before the Board and otherwise discharge their duties as directors of Stewart consistent with all applicable legal requirements. If elected at the special meeting, Mr. Smith and Mrs. Payne would each serve as a director until a successor has been duly elected and qualified at the 2017 Annual Meeting or an intervening special meeting of Company stockholders at which Company directors are elected and a successor has been duly elected.

WRITTEN REQUEST PROCEDURES

Foundation is only soliciting your written requests to call the special meeting. In the event the special meeting is called, Foundation will send you proxy materials relating to the Proposals to be voted upon at the special meeting.

Pursuant to this Solicitation Statement, Foundation is soliciting written requests from holders of outstanding shares of Common Stock to call the special meeting. By executing a request, a stockholder is requesting the Company to call the special meeting and designating specified persons as the stockholder's agents and is authorizing the designated agents to (i) request that the Company call the special meeting and hold the special meeting as soon as possible, and (ii) exercise all rights of the holders of shares of Common Stock incidental to calling the special meeting and causing the purposes of the authority expressly granted pursuant to the written requests to the designated agents to be carried into effect, including to apply, if need be, to an appropriate court to order that the special meeting be held. **Please note that written requests to call the special meeting do not grant the designated agent(s) the power to vote your shares of Common Stock at the special meeting and do not commit you to cast any vote in favor or against any proposal to be brought before the special meeting.** To vote on the matters to be brought before the special meeting, you must vote by proxy or in person at the special meeting.

You may revoke your written request to have the Company call a special meeting at any time before the delivery of requests from holders of shares of Common Stock representing in the aggregate, including shares held in the aggregate by Foundation, the requisite twenty-five percent (25%) threshold by delivering a written revocation to Foundation in care of MacKenzie Partners, Inc. at the address set forth on page 5 of this Solicitation Statement. Such a revocation must clearly state that your written request to call a special meeting is no longer effective. Any revocation of a written request to call a special meeting will not affect any action taken by the designated agent(s) pursuant to the written request prior to such revocation. Although such revocation is also effective if delivered to the Secretary of the Company or to such other recipient as the Company may designate as its agent, Foundation requests that either the original or photostatic copies of all revocations be mailed or faxed to Foundation, in care of MacKenzie Partners, Inc., so that Foundation will be aware of all revocations and can more accurately determine if and when enough requests have been received from stockholders to call a special meeting. **While we urge you not to sign any revocation of a**

request card that may be sent to you by the Company, if you have done so or do so, you may revoke that revocation of your written request by delivering a later dated GREEN request card to Foundation, in care of MacKenzie Partners, Inc., at its address listed herein, or to the principal executive offices of the Company. If so properly delivered, a later dated **GREEN** request card will constitute an effective revocation of any earlier-dated written revocation.

Upon receipt of the requisite number of written requests from stockholders in favor of calling a special meeting, Foundation anticipates delivering such written requests to the Company promptly. Only after the special meeting is called will stockholders be asked to vote on the Proposals.

If your shares of Common Stock are held in the name of a brokerage firm, bank nominee or other institution, only it can sign a written request or revoke any request previously given with respect to your shares and only upon receipt of your specific instructions. Accordingly, please contact the person responsible for your account and give instructions for a **GREEN** request card representing your shares to be signed. Foundation urges you to confirm in writing your instructions to the person responsible for your account and to provide a copy of such instructions to Foundation, in care of MacKenzie Partners, Inc., at the address set forth on page 5 of this Solicitation Statement so that Foundation will be aware of all instructions given and can attempt to ensure that such instructions are followed.

SOLICITATION OF REQUESTS; EXPENSES

The entire expense of preparing and mailing this Solicitation Statement and any other soliciting material and the total expenditures relating to the solicitation of requests to call the special meeting will be borne by Foundation. In addition to the use of the mails, requests may be solicited by Foundation by facsimile, telephone, telegraph, Internet, in person and by advertisements.
