Item 8.01 Other Events.

Collins Industries, Inc., a Missouri corporation (the "Company"), held a Special Meeting of Shareholders on January 19, 2006 at 10:00 a.m., Central Standard Time, at which time the shareholders voted in favor of a reverse stock split of the outstanding shares of the Company's common stock (the "Common Stock") in a ratio of 1-for-300, immediately followed by a forward stock split of the outstanding shares of the Common Stock in a ratio of 300-for-1 (the "Reverse/Forward Stock Split"). The proposal passed with a majority vote of the holders of the outstanding shares of the Common Stock. The aggregate number of shares of Common Stock represented in person or by proxy at the Special Meeting represented 74.32% of the 6,633,013 issued and outstanding shares of Common Stock and constituted a quorum for the transaction of business.

The Reverse/Forward Stock Split became effective upon the filing of the Certificates of Amendment to the Company's Articles of Incorporation on January 19, 2006 with the Missouri Secretary of State. Each shareholder holding fewer than 300 shares of Common Stock immediately prior to the effectiveness of the reverse stock split (the "Cashed Out Shareholders") had such shares cancelled and converted into the right to receive \$7.70 for each share of Common Stock held immediately prior to the reverse stock split. The number of shares of Common Stock held by each shareholder holding 300 or more shares of Common Stock prior to the reverse stock split (the "Continuing Shareholders") remains unchanged after the consummation of the Reverse/Forward Stock Split. The Company's exchange agent will send a letter of transmittal to the Cashed Out Shareholders and Continuing Shareholders with instructions for exchanging their Common Stock certificates for cash or new stock certificates, as the case may be.

As a result of the Reverse/Forward Stock Split, the Company has fewer than 300 record holders of its Common Stock, permitting the Company to terminate the registration of its Common Stock with the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended. Concurrently with the filing of this Form 8-K, the Company is filing for termination of such registration. The press release is furnished under Item 9.01 of this Form 8-K as Exhibit 99.1, which is incorporated by reference herein.

Item 9.01 Financial Statements and Exhibits.
