### **PROXY STATEMENT**

---

This proxy statement is furnished to you in connection with the special meeting of stockholders of SPEEDCOM Wireless Corporation to be held on September 30, 2002 at 7020 Professional Parkway East, Sarasota, FL 34240, including any adjournment of the special meeting. The special meeting is being held for the purpose set forth in the accompanying notice of special meeting of stockholders. This proxy statement and the notice of special meeting are being provided to stockholders on or about September 11, 2002.

### **SOLICITATION OF PROXIES**

SPEEDCOM's board of directors is soliciting proxies. The cost of distributing this proxy statement and special meeting notice will be borne by SPEEDCOM. Brokerage houses and nominees will be requested to supply lists of or forward the proxy material to the beneficial owners. SPEEDCOM, upon request, will reimburse brokerage houses and nominees for their reasonable expenses in forwarding proxy materials to the beneficial owners. Proxies will be voted as indicated and if no designation is made will be voted **FOR** the proposal.

### **VOTING SECURITIES**

On August 30, 2002, SPEEDCOM had outstanding and entitled to vote 12,068,177 shares of common stock. Each share of common stock is entitled to one vote. The common stock is the only class of outstanding stock entitled to vote.

### **THE AMENDMENT**

#### **Text of the Amendment**

Our authorized capital currently consists of 60,000,000 shares of common stock, par value \$.001 per share, and 10,000,000 shares of preferred stock, par value \$.001 per share. Under the terms of our certificate of incorporation and bylaws, our Board of Directors has the authority to divide the shares of our preferred stock into series, to establish and modify the preferences, limitations and relative rights of each share of our preferred stock, and otherwise to impact or modify our capitalization. Our Board of Directors has invoked such authority to establish two classes of preferred stock, the Series A convertible preferred stock, of which 5,000,000 shares are authorized (and of which no shares currently are outstanding), and the Series B convertible preferred stock, of which 5,000,000 shares are authorized (and of which 3,835,554 shares currently are outstanding).

Our Board of Directors has determined that it would be in our best interest to amend the first paragraph of Article IV of our certificate of incorporation to increase the number of our authorized shares of common stock from 60,000,000 shares to 250,000,000 shares. After the amendment, that paragraph will read, in its entirety, as follows:

The total number of shares of capital stock which the corporation is authorized to issue is 260,000,000, of which 250,000,000 shares shall be common stock, \$.001 par value per share ( **Common Stock** ), and 10,000,000 shall be preferred stock, \$.001 par value per share ( **Preferred Stock** ).

The amendment will be effected by filing an amendment to our certificate of incorporation with the Secretary of State of the State of Delaware. The amendment will become effective when the filing is accepted by the Secretary of State's office.

**Reasons for the Amendment**

We are proposing to increase the total number of our authorized shares to 250,000,000 so that we will have sufficient authorized but unissued common stock to enable us to respond quickly to opportunities to raise capital in public or private offerings and issue shares in business combinations. The additional authorized shares may be used for any proper corporate purpose approved by our board of directors (subject only to such stockholder approval requirements as may apply in the case of business combination transactions). The availability of additional authorized shares will enable the board of directors to act with flexibility and dispatch when favorable opportunities arise to enhance SPEEDCOM's capital structure. Additional shares may be issued in connection with public or private offerings for cash, acquisitions of other businesses, employee benefit plans and stock dividends. The issuance of additional shares of common stock will dilute the interests of existing stockholders.

Except as described above, we have no present plans, agreements, commitments, undertakings or proposals for the issuance and sale of additional authorized shares of common stock.

**Vote Required**

The affirmative vote of holders of more than 50% of our outstanding common stock is required for approval of the proposed amendment to our certificate of incorporation. Abstentions and broker non-votes will have the same effect as a no vote.

**Recommendation of the Board of Directors**

**Our board of directors recommends that stockholders vote FOR the proposal to increase the number of authorized shares of our common stock to 250,000,000. Proxies solicited by the board of directors will be so voted unless stockholders specify otherwise.**
