ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Reference is made to Section 102(b)(7) of the Delaware General Corporation Law (the "DGCL"), which enables a corporation in its certificate of incorporation to eliminate or limit the personal liability of a director for violations of the director's fiduciary duty, except (i) for breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the DGCL (providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions) or (iv) for any transaction from which a director derived an improper personal benefit. The Registrant's certificate of incorporation contains a provision that eliminates the liability of directors to the fullest extent permitted by Delaware law. It further provides that if said provision is amended or repealed, or, an inconsistent provision is adopted, such amendment, repeal or adoption will not be effective with respect to any cause of action, suit, claim or other matter that, but for the liability provision, would accrue or arise prior to such amendment, repeal or adoption.

Reference is made to Section 145 of the DGCL, which provides that a corporation may indemnify directors and officers as well as other employees and agents against expenses (including attorney's fees), judgments, fines and amounts paid in settlement in connection with specified actions, suits or proceedings, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation (a "derivative action")) if they act in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful. A similar standard is applicable in the case of derivative actions, except that indemnification only extends to expenses (including attorney's fees) incurred in connection with defense or settlement of such action, and the statute requires court approval before there can be indemnification that may be granted by a corporation's charter, bylaws, disinterested director vote, stockholder vote, agreement or otherwise. The Registrant's bylaws provide for indemnification of its directors, officers and employees to the fullest extent permitted by Delaware law. The Registrant's bylaws further provide for indemnification of persons serving as directors, officers, employees or agents at the request of the Registrant for another entity to the fullest extent permitted by Delaware law. Agents of the Registrant may be similarly indemnified, at the discretion of the Registrant's board of directors.

The Registrant's bylaws provide that the indemnification expressly provided by statute in a specific case shall not be deemed exclusive of any

Edgar Filing: AES CORPORATION - Form S-8

other rights to which any person indemnified may be entitled under any lawful agreement, vote of stockholders or disinterested directors or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such person.

In addition, the Registrant has purchased and maintains directors' and officers' insurance.

ITEM 9. UNDERTAKINGS

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being

Edgar Filing: AES CORPORATION - Form S-8

made, a post-effective amendment to this Registration Statement to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

(2) That for the purpose of determining any liability under the Securities Act of 1933, as amended (the "1933 Act"), each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the 1933 Act, each filing of the Registrant's Annual Report pursuant to Section 13(a) or Section 15(d) of the 1934 Act (and where applicable, each filing of the Directors' Plan's annual report pursuant to Section 15(d) of the 1934 Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the 1933 Act may be permitted to directors, officers or controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the 1933 Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the 1933 Act and will be governed by the final adjudication of such issue.
