| Redemption: | At any time on or after October 15, 2014 (in the case of the series A debentures) and October 15, 2016 (in the case of the series B debentures), the Issuer may redeem |

any debentures for cash by giving holders at least 30 days notice. The Issuer

may redeem the debentures either in whole or in part at a redemption price equal to 100% of the principal amount of the debentures to be redeemed, plus accrued and unpaid interest, if any, up to, but excluding, the redemption date (unless such redemption date falls after a regular record date and on or prior to the corresponding interest payment date, in which case the Issuer will pay the full amount of accrued and unpaid interest payable on such interest payment date to the holder of record at the close of business on the corresponding regular record date).

Repurchase at the option of the holder:

Holders may require the Issuer to repurchase all or part of their debentures for cash on October 15, 2014, 2019, 2024, 2029 and 2034 (in the case of the series A debentures) and on October 15, 2016, 2021, 2026, 2031 and 2036 (in the case of the series B debentures) at a repurchase price equal to 100% of their principal amount. The Issuer will pay accrued and unpaid interest up to, but excluding, the repurchase date to the holder from whom debentures are repurchased (unless such repurchase date falls after a regular record date and on or prior to the corresponding interest payment date, in which case the Issuer will pay the full amount of accrued and unpaid interest payable on such interest payment date to the holder of record at the close of business on the corresponding regular record date).

Repurchase at the option of the holder upon a designated event:

If a designated event (meaning any fundamental change or termination of trading, each as defined in the preliminary prospectus supplement for the debentures) occurs prior to maturity of the debentures, holders may require the Issuer to repurchase all or a portion of their debentures for cash at a repurchase price equal to 100% of the principal amount of the debentures, plus accrued and unpaid interest, if any, to, but excluding, the repurchase date (unless such repurchase date falls after a regular record date and on or prior to the corresponding interest payment date, in which case the Issuer will pay the full amount of accrued and unpaid interest payable on such interest payment date to the holder of record at the close of business on the corresponding regular record date).

Adjustment to conversion rate upon a make-whole fundamental change:

Holders who convert their debentures in connection with a fundamental change that occurs prior to October 15, 2014 (in the case of the series A debentures) or October 15, 2016 (in the case of the

series B debentures) will be entitled to additional shares of common stock as described in the tables below.

Series A Debenture Make-Whole Table. The following table sets forth the number of additional shares to be received upon conversion in connection with a make-whole fundamental change per \$1,000 principal amount of series A debentures:

| | <u>Stock Price</u> | | | | | | | | | | | | |
|-----|--------------------|---------|---------|---------|---------|---------|---------|---------|---------|---------|---------|---------|---------|

The exact stock price and effective date may not be set forth on the table, in which case:

If the stock price is between two stock price amounts in the table or the effective date is between two effective dates in the table, the number of additional shares will be determined by a straight-line interpolation between the number of additional shares set forth for the higher and lower stock price amounts and the two dates, as applicable, based on a 365/366-day year.

If the stock price is in excess of \$50.00 per share, subject to adjustment, the Issuer will not increase the conversion rate for series A debentures by any additional shares.

If the stock price is less than \$4.25 per share, subject to adjustment, the Issuer will not increase the conversion rate for series A debentures by any additional shares.

Series B Debenture Make-Whole Table. The following table sets forth the number of additional shares to be received upon conversion in connection with a make-whole fundamental change per \$1,000 principal amount of series B debentures:

If the stock price is in excess of \$50.00 per share, subject to adjustment, the Issuer will not increase the conversion rate for series B debentures by any additional shares.

If the stock price is less than \$4.25 per share, subject to adjustment, the Issuer will not increase the conversion rate for series B debentures by any additional shares.

Notwithstanding the foregoing, in no event will the total number of shares issuable upon conversion of the series A debentures as a result of the issuance of additional shares pursuant to this section exceed 235.2941 per \$1,000 principal amount of debentures and in no event will the total number of shares issuable upon conversion of the series B debentures as a result of the issuance of additional shares pursuant to this section exceed 235.2941 per \$1,000 principal amount of debentures, in each case subject to adjustment in the same manner as the conversion rate.
