Item 1.01 Entry into a Material Definitive Agreement

New Revolving Credit Agreement

On September 17, 2009, Kaman Corporation (the Corporation), as borrower, entered into a Revolving Credit Agreement (the Revolving Credit Agreement) with Bank of America, N.A. (Bank of America) and The Bank of Nova Scotia, as Co-Administrative Agents, Bank of America, as Administrator and Collateral Agent, RBS Citizens, National Association (RBS Citizens), as Syndication Agent and the lenders signatory thereto (such lenders collectively, the Revolving Loan Lenders). The Revolving Credit Agreement replaces the Corporation's existing Revolving Credit Agreement dated as of August 5, 2005, as amended through October 29, 2008 (the Replaced Credit Agreement).

Under the terms of the Revolving Credit Agreement, the Revolving Loan Lenders are providing a \$225,000,000 revolving credit facility to the Corporation, under which the Revolving Loan Lenders may make revolving loans and issue Letters of Credit to or for the benefit of the Corporation and its subsidiaries. In addition, nine domestic subsidiaries of the Corporation (the Guarantors) have acted as unconditional guarantors of the Corporation's payment and other obligations under the Revolving Credit Agreement. The Revolving Credit Agreement has a term of three (3) years.

The terms of the Revolving Credit Agreement include the following:

1) **Revolving Credit**: an aggregate \$225 million three-year revolving credit facility, which includes sublimits for the issuance of standby letters of credit, swingline loans and multicurrency borrowings in certain specified foreign currencies.

2) **Fees and Interest Rates**. Facility fees and interest rates are determined on the basis of a base rate and an applicable margin based upon the Corporation's Consolidated Senior Secured Leverage Ratio (as defined in the Revolving Credit Agreement).

3) **Accordion Feature**: Provisions permitting the Corporation from time to time to increase the aggregate amount of the credit facility by up to \$75 million with additional commitments from the Revolving Loan Lenders, as they may agree, or new commitments from financial institutions acceptable to the Co-Administrative Agents and the Corporation in their reasonable discretion.

4) **Prepayment**: Provisions permitting the Corporation to prepay borrowings in whole or in part at any time without premium or penalty, subject to reimbursement of certain costs of the Revolving Loan Lenders, and permitting the Corporation to irrevocably cancel, in whole or in part, the unutilized portion of the commitments under the Revolving Credit Agreement in excess of the outstanding Loans, the stated amount of all outstanding Letters of Credit and all unreimbursed amounts drawn under any Letters of Credit.

5) **Corporation Covenants**: Provisions containing covenants required of the Corporation and its subsidiaries, including various affirmative and negative financial and

operational covenants.

The above summary of the Revolving Credit Agreement is qualified in its entirety by reference to the full text of the Revolving Credit Agreement, a complete copy of which is attached hereto as Exhibit 10.1 and is hereby incorporated by reference.

Amended and Restated Term Loan Credit Agreement

On September 17, 2009, the Corporation, as borrower, entered into an Amended and Restated Term Loan Credit Agreement (the "Term Loan Credit Agreement") with Bank of America and The Bank of Nova Scotia, as Co-Administrative Agents, Bank of America, as Administrator and Collateral Agent and the lenders signatory thereto (such lenders collectively, the "Term Loan Lenders"). The Term Loan Credit Agreement was originally entered into on October 29, 2008, and is in addition to the Company's new Revolving Credit Agreement, discussed above.

The terms of the Term Loan Credit Agreement, as amended, now include the following:

1) **Term Loan**: A \$50 million facility (original principal amount as of October 29, 2008) with a term expiring on October 29, 2012, including quarterly payments of principal (which commenced on March 31, 2009) at the rate of 2.5% with 62.5% of the initial aggregate principal payable in the final quarter.

2) **Interest Rates**. Interest rates are determined on the basis of a base rate and an applicable margin based on the Corporation's credit rating from Standard & Poor's.

3) **Increase Option**: Provisions permitting the Corporation from time to time to incur, on no more than two occasions, up to \$50 million in aggregate amount of additional term loans with additional commitments from the Term Loan Lenders, as they may agree, or new commitments from financial institutions acceptable to the Co-Administrative Agents and the Corporation in their reasonable discretion, and otherwise on terms satisfactory to the Term Loan Lenders.

4) **Prepayment**: Provisions permitting the Corporation to prepay borrowings in whole or in part at any time without premium or penalty, subject to reimbursement of certain Term Loan Lender costs, and otherwise on substantially the same terms as the Revolving Credit Agreement.

5) **Company Covenants**: Provisions containing covenants required of the Corporation and its subsidiaries including various affirmative and negative financial and operational covenants, which are the same as those in place under the Revolving Credit Agreement.

The above summary of the Term Loan Credit Agreement is qualified in its entirety by reference to the full text of the Term Loan Credit Agreement, a complete copy of which is attached hereto as Exhibit 10.2 and is hereby incorporated by reference.

The above summary of the Security Agreement is qualified in its entirety by reference to the full text of the Security Agreement, a complete copy of which is attached hereto as Exhibit 10.3 and is hereby incorporated by reference.
