**Item 1.01. Entry into a Material Definitive Agreement**

On November 19, 2010, Royal Caribbean Cruises Ltd. (the Company) entered into a \$525 million unsecured revolving credit facility among the Company, the various lenders as are or shall become parties thereto, and Nordea Bank Finland plc, New York branch, as administrative agent (the Facility). Unless extended, the Facility will terminate and all amounts outstanding thereunder will be due and payable on November 19, 2014.

The Facility contains conditions, covenants, representations and warranties and events of default (with customary grace periods, as applicable) substantially similar to the conditions, covenants, representations and warranties and events of default in the Company's \$1.225 billion unsecured revolving credit facility maturing in June 2012 (the Existing Facility), including financial covenants that require the Company to, among other things, maintain minimum net worth and a fixed charge coverage ratio and limit its net debt-to-capital ratio. This new Facility supplements the borrowing capacity available under the Existing Facility.

Certain of the lenders participating in the Facility, and affiliates of those parties, provide banking, investment banking and other financial services to the Company from time to time for which they have received, and will in the future receive, customary fees.

The foregoing description of the provisions of the Facility is summary in nature and is qualified in its entirety by reference to the full and complete terms of the credit agreement, a copy of which is filed herewith as Exhibit 10.1 and incorporated herein by reference.

**Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant**

The disclosure required by this item is included in Item 1.01 of this Current Report on Form 8-K and is incorporated herein by reference.

**Item 9.01 Financial Statements and Exhibits**
