PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

INTRODUCTION

General

The accompanying form of proxy is solicited on behalf of the Board of Trustees of Ramco-Gershenson Properties Trust (the "Trust") for use at the Annual Meeting of Shareholders of the Trust (the "Meeting"). The Meeting is to be held at The Townsend Hotel, 100 Townsend Street, Birmingham, Michigan 48009, on June 10, 2004. The Trust has first mailed these proxy materials on or about April 23, 2004, to holders (the "Shareholders") of common shares of beneficial interest, \$.01 par value ("Shares") of the Trust. The Trust's executive offices are located at 27600 Northwestern Highway, Suite 200, Southfield, Michigan 48034 (telephone: (248) 350-9900). Shareholders of record at the close of business on April 12, 2004 (the "Record Date") will be entitled to vote at the Meeting. Costs of solicitation of proxies, which may be done by employees of the Trust or by one or more parties engaged by the Trust, will be borne by the Trust.

The affirmative vote of the holders of a majority of the Shares present in person or represented by proxy at the Meeting and entitled to vote is required for approval of all items being submitted to the Shareholders for their consideration, other than the election of Trustees, which is determined by a plurality, if a quorum is present and voting. An automated system administered by the transfer agent tabulates the votes. Abstentions and broker non-votes are each included in the determination of the number of Shares present and voting for purposes of determining the presence of a quorum. Each is tabulated separately. Neither abstentions nor broker non-votes are counted in tabulations of the votes cast for purposes of determining whether a proposal has been approved.

Each proxy granted is revocable and may be revoked at any time prior to its exercise by giving notice to the Trust of its revocation. A Shareholder who attends the Meeting in person may, if such Shareholder wishes, vote by ballot at the Meeting, thereby canceling any proxy previously given.

As of the Record Date, 16,820,841 Shares were outstanding. Each Share is entitled to one vote on all matters that may come before the Meeting.

I. ELECTION OF TRUSTEES

At the Meeting, three Trustees comprising the Class I Trustees are to be elected for three-year terms expiring in 2007. It is intended that votes will be cast pursuant to proxies received from Shareholders of the Trust FOR the nominees listed hereinafter, each of whom is presently a Trustee of the Trust, unless contrary instructions are received.

If for any reason any of the nominees becomes unavailable for election, the proxies solicited will be voted for such nominees as are selected by management. Management has no reason to believe that any of the

Employment Agreements

The Trust has entered into employment agreements with Dennis Gershenson and Richard Gershenson, the Trust's President and Chief Executive Officer, and Executive Vice President and Secretary, respectively, which agreements each had an initial period of three years commencing on May 10, 1996, subject to automatic one year extensions thereafter, provided the Board of Trustees has considered the extension of such term not more than 90 days nor less than 30 days prior to the expiration of the term. Each of these employment agreements has been automatically extended through May 9, 2004. Pursuant to such agreements, each officer receives an annual base salary and such other fringe benefits and perquisites as are generally made available to our management employees. In addition to base salary, the officers receive annual performance-based compensation as determined by the Compensation Committee, but not less than a specified percentage of the increase in the Trust's funds from operation for the prior year.

These employment agreements provide for certain severance payments in the event of death or disability. In addition, each of the agreements provides that if the officer is terminated without cause or he terminates his employment for good reason (as defined below), he will be entitled to receive a severance payment equal to 1.99 times the base amount (as defined in Internal Revenue Code of 1986, as amended) and, for the duration of the term, those fringe benefits provided for under such agreement. Good reason includes diminution in authority, change of location, fewer than two of Messrs. Joel Gershenson, Dennis Gershenson, Richard Gershenson, Bruce Gershenson and Michael Ward (collectively, the Ramco Principals) serving as members of the Board of Trustees or the Ramco Principals constituting less than 20% of the members of the Board of Trustees, and a change of control. A change of control will occur if any person or group of commonly controlled persons other than the Ramco Principals or their affiliates owns or controls, directly or indirectly, more than 25% of the voting control or value of the capital stock (or securities convertible or exchangeable therefore) of the Trust.

The employment agreements provide that Dennis Gershenson and Richard Gershenson will conduct all of their real estate ownership, acquisition, management and development activities (other than certain limited activities relating to their existing fast food franchise and other businesses and activities relating to certain excluded assets) through the Trust. In connection therewith, these officers have agreed to offer to the Trust real estate opportunities of which they become aware (other than opportunities relating to certain excluded assets).

The employment agreements also provide that the Trust will indemnify each officer to the fullest extent permitted by law, and will advance to such executive officer all related expenses, subject to reimbursement if it is subsequently determined that indemnification is not permitted.

Compensation Committee Report

The Compensation Committee of the Board of Trustees (the Committee) is responsible for administering the Trust's senior management compensation program. The Committee is composed entirely of independent Trustees who are not employees of the Trust; the individual members are listed below. None of these individuals has any interlocking or other relationships with the Trust that would call into question their independence as Committee members.

Except as otherwise described below, the Committee has general review authority over compensation levels for, and sets the compensation for, all corporate officers and key management personnel of the Trust.

Table of Contents

The Committee also administers employee benefit and incentive compensation programs and considers and recommends to the Board new benefit programs.

Pursuant to adopted rules designed to enhance disclosure of companies' policies toward executive compensation, set forth below is a report of the Committee addressing the Trust's compensation policies for 2003 as they affected the Trust's current Chief Executive Officer and President, Dennis Gershenson, and its other senior executives, Richard Smith, Chief Financial Officer, and Richard Gershenson, Executive Vice President and Secretary, respectively, of the Trust.

The initial compensation of each of Messrs. Dennis Gershenson and Richard Gershenson was set pursuant to three year employment agreements signed in 1996 between each such individual and the Trust. These agreements, which have been extended, contained provisions for, among other things, calculating the base salary paid to such executive officers.

The employment agreements for Messrs. Dennis Gershenson and Richard Gershenson contain provisions for automatic one year extensions. Their respective employment agreements provided for base salaries which have been increased since the execution of the agreements, based on the advice of FPL Associates, the independent consultants engaged by the Compensation Committee.

The Compensation Committee engaged the services of two executive compensation consulting firms, FPL Associates and Mercer Human Resource Consulting, to assess the overall competitiveness of the Trust's compensation program as it relates to the Trust's executive officers and senior management and to design a comprehensive executive compensation plan for the management team. Based on the results of such study, the Trust has implemented certain aspects of the program's recommendations for calendar years 2002 and 2003.

The compensation package offered by the Trust to its other senior executives is intended to enable the Trust to attract, motivate and retain qualified senior management, taking into account both annual and long-term performance goals of the Trust and recognizing individual initiative and achievements. Executive compensation generally consists of base salary and annual bonus, as well as a combination of benefit programs.

The Committee has reviewed the Trust's compensation policies in light of the addition of Section 162(m) to the Internal Revenue Code, which generally limits deductions for compensation paid to certain executive officers to \$1,000,000 per annum (although certain performance based compensation was not subject to that limit), and determined that the compensation levels of the Trust's executive officers were not at a level that would be affected by such amendments. The Committee intends to continue to review the application of Section 162(m) to the Trust with respect to any future compensation programs considered by the Trust.

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Trust's officers and Trustees and persons who own more than ten percent of a registered class of the Trust's equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the Commission) and the New York Stock Exchange. Shareholders are required by regulation of the Commission to furnish the Trust with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it, or written representation from certain reporting persons that no Form 5 were required for those persons, the Trust believes that all required filings by executive officers and Trustees of the Trust and persons that own more than ten percent of the Shares were made on a timely basis, except that one Form 3 was filed late by James Grosfeld.

II. INDEPENDENT PUBLIC ACCOUNTANTS

The firm of Deloitte & Touche LLP has been appointed as independent auditors for the Trust by the Trust's Board of Trustees to examine and report on financial statements for the year ending December 31, 2004 which appointment will be submitted to Shareholders for ratification at the Meeting. Deloitte & Touche LLP audited and reported on the Trust's financial statements for the year ended December 31, 2003. During the year ended December 31, 2003, Deloitte & Touche LLP provided various audit and tax related services to the Trust and its consolidated subsidiaries. Set forth below are the aggregate fees billed for these services:

- (a) **Audit Fees** Aggregate fees of \$280,375 and \$116,300, respectively, were billed for professional services rendered for the audit of the Trust's 2003 and 2002 consolidated financial statements included in its annual report on Form 10-K and the review of the financial statements included in the Trust's quarterly reports on Form 10-Q.
- (b) **Audit-Related Fees** Aggregate fees of \$83,632 and \$249,943, respectively were billed for audit-related services rendered in 2003 and 2002. The 2003 audit-related fees include services in connection with the two equity offerings completed in 2003, along with work related to Sarbanes-Oxley Act compliance. The 2002 audit-related fees include services in connection with the two equity offerings completed in 2002.
- (c) **Tax fees** Aggregate fees of \$300,048 and \$499,874, respectively, were billed for tax services in 2003 and 2002. Tax fees for 2002 consist of \$294,058 for tax compliance and preparation, \$129,790 related to two equity offerings completed in 2002, and \$76,026 for other tax services.
- (d) **All other fees** Aggregate fees of \$3,416 and \$2,850, respectively, were billed for all other services in 2003 and 2002.

The Audit Committee has established a policy which requires pre-approval by the Committee for any services to be rendered by the Company's independent auditors which are not audit services. The Audit Committee discussed the non-audit services with Deloitte & Touche LLP and determined that their provision of these services is compatible with maintaining Deloitte & Touche LLP's independence. In 2003, 100% of the services described in categories (b) through (d) above were approved by the Audit Committee.

Representatives of that firm are expected to be present at the Meeting, with the opportunity to make a statement if they desire to do so, and to be available to respond to appropriate questions. Submission of the appointment of the auditors to the Shareholders for ratification will not limit the authority of the Board of Trustees to appoint another accounting firm to serve as independent auditors if the present auditors resign or
