MEADOWBROOK INSURANCE GROUP, INC.
PROXY STATEMENT
QUESTIONS AND ANSWERS

1. Q: What is a proxy?

A: A proxy is a procedure which enables you, as a stockholder, to authorize someone else to cast your vote for you. The Board of Directors of Meadowbrook Insurance Group, Inc. (the Company) is soliciting your proxy, and asking you to authorize Merton J. Segal, Chairman of the Board, Robert S. Cubbin, the President and Chief Executive Officer or Michael G. Costello, the Senior Vice President, General Counsel and Secretary of the Company, to cast your vote for you at the 2005 Annual Meeting. You may, of course, cast your vote in person or abstain from voting, if you so choose. The term proxy is also used to refer to the person who is authorized by you to vote for you.

2. Q: What are a proxy statement and a proxy card?

A: A proxy statement is the document the United States Securities and Exchange Commission requires to explain the matters on which you are asked to vote. A proxy card is the form by which you may authorize someone else, and in this case Mr. Segal, Mr. Cubbin or Mr. Costello, to cast your vote for you. This proxy statement and proxy card with respect to the Company's 2005 Annual Meeting were mailed on or about April 5, 2005 to all stockholders entitled to vote at the Annual Meeting.

3. Q: Who is entitled to vote?

A: Only holders of shares of the Company's common stock at the close of business on March 16, 2005 (the Record Date) are entitled to vote at the Annual Meeting. Each stockholder of record has one vote for each share of common stock for each matter presented for a vote.

4. Q: What will I vote on at the Annual Meeting?

A: At the Annual Meeting, stockholders will vote to:

(i) Elect three directors for a three-year term expiring in 2008 or until the election and qualification of their successors;

(ii) Ratify the appointment of PricewaterhouseCoopers, LLP as the Company's independent accountants; and

(iii) Transact any other business that is properly submitted before the Annual Meeting or any adjournments of the Annual Meeting.

5. Q: How does the Board of Directors recommend I vote on the proposals?

A: The Board of Directors recommends a vote FOR each proposal.

6. Q: How can I vote?

A: You can vote in person or by proxy. To vote by proxy, complete, sign, date and return the enclosed proxy card in the enclosed envelope. If you returned your signed proxy card to the Company before the Annual Meeting, the persons named as proxies on the card will vote your shares as you direct. Shares represented by proxies, which are marked WITHHELD to vote for all three nominees for director, or for any individual nominee(s) for election as director(s) and which are not otherwise marked FOR the other nominees, will not be counted in determining whether a plurality vote has been received for the election of directors. Similarly, shares represented by proxies which are marked ABSTAIN on the proposal to ratify the appointment of PricewaterhouseCoopers, LLP as independent accountants for the Company in 2005, will not be counted in determining whether the requisite vote has been received for such proposal. IF YOU WISH TO VOTE IN THE MANNER THE BOARD OF DIRECTORS RECOMMENDS, IT IS NOT NECESSARY TO SPECIFY YOUR CHOICE ON THE PROXY

CARD. SIMPLY SIGN, DATE AND RETURN THE PROXY CARD IN THE ENCLOSED ENVELOPE. You may revoke a proxy at any time before the proxy is voted by:

- (i) Providing written notice of revocation to the Secretary of the Company at the address shown on the Notice of Annual Meeting of Stockholders on the first page of this booklet;
- (ii) Submitting another proxy that is properly signed and dated later; or
- (iii) Voting in person at the meeting (but only if the shares are registered in the Company's records in your name and not in the name of a broker, dealer, bank or other third party).

7. Q: Is my vote confidential?

A: Yes, your vote is confidential. Only the inspectors of election and certain employees associated with processing proxy cards and counting the votes have access to your proxy card. All comments received will be forwarded to management on an anonymous basis unless, of course, you ask that your name be disclosed.

8. Q: What is a quorum?

A: There were 29,077,082 shares of the Company's common stock outstanding on the Record Date. A majority of the outstanding shares, or 14,538,542 shares, present or represented by proxy, constitutes a quorum. A quorum must exist to conduct business at the Annual Meeting. Abstentions and broker non-votes are counted as votes present. A broker non-vote is a proxy a broker submits that does not indicate a vote for the proposal, because the broker does not have discretionary voting authority and the broker did not receive instructions as to how to vote on the proposal.

9. Q: How does voting work?

A: If a quorum exists at the Annual Meeting, a plurality vote, being the greatest number, of the shares voted, although not a majority, is required to elect the three nominees for director. The three nominees receiving the highest number of votes will be elected. If a quorum is present, the affirmative vote by the holders of a majority of the shares present, or represented by proxy, is required to ratify the appointment of PricewaterhouseCoopers, LLP as the independent accountants of the Company in 2005. Broker non-votes are excluded for this purpose. Therefore, a broker non-vote will have no effect on the proposal to elect the three nominees for director and ratify the appointment of PricewaterhouseCoopers, LLP as the independent accountants for the Company in 2005.

The Company will vote properly executed proxies it receives prior to the Annual Meeting in the way you direct. If you do not specify instructions, the shares represented by proxies will be voted FOR the nominees for director and FOR the appointment of PricewaterhouseCoopers, LLP as the Company's independent accountants for 2005.

10. Q: Who pays for the costs of the Annual Meeting?

A: The Company pays the cost of preparing and printing the proxy statement and the proxy card, and soliciting proxies. The Company will solicit proxies primarily by mail, but also may solicit proxies personally and by telephone, facsimile or other means. Officers and regular employees of the Company and its subsidiaries also may solicit proxies, but will receive no additional compensation for doing so, nor will their efforts result in more than a minimal cost to the Company. The Company also will reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for their out-of-pocket expenses for forwarding solicitation material to beneficial owners of the Company's common stock.

11. Q: When are stockholder proposals for the 2006 Annual Meeting due?

A: All stockholder proposals to be considered for inclusion in next year's proxy statement under Securities and Exchange Commission Rule 14a-8 must be submitted in writing to the Secretary of the Company at the address shown on the Notice of Annual Meeting of Stockholders on the first page of this booklet by December 6, 2005.

For any proposal that is not submitted for inclusion in next year's proxy statement (as described in the preceding paragraph) but is instead sought to be presented directly at next year's annual meeting, Securities and Exchange Commission rules permit management to vote proxies in its discretion if (a) the Company receives notice of the proposal before the close of business on February 19, 2006 and advises stockholders in next year's proxy statement about the nature of the matter and how management intends to vote on such matter, or (b) does not receive notice of the proposal prior to the close of business on February 19, 2006.

The Company reserves the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

**THE FIRST PROPOSAL ON WHICH YOU ARE VOTING
THE ELECTION OF THREE DIRECTORS**

The Company's Board of Directors is divided into three classes with each class of directors elected to a three-year term of office. At each annual meeting of stockholders, the stockholders elect one class of directors for a three-year term to succeed the class of directors whose term of office expires at that meeting.

This year you are voting on three candidates for Director. The Company's Board of Directors, acting upon the recommendation of the Governance and Nominating Committee, has nominated: Robert H. Naftaly, Robert W. Sturgis and Bruce E. Thal as Directors with terms expiring in 2008. Each nominee currently serves as a Director, has consented to their nomination and has agreed to serve as a Director, if elected.

If any of the nominees are unable to stand for election, the Company may vote the shares to elect a substitute nominee, nominated by the Board of Directors, or the number of Directors to be elected at the Annual Meeting may be reduced.

The Company's Board of Directors recommends a vote FOR each of the nominees.

COMPENSATION OF DIRECTORS

During 2004, each outside director received an annual retainer fee of \$15,000 and \$750 meeting fee for each Board or Committee meeting attended. Each outside Director, who served as Chairman of a Board Committee, received an additional \$2,500 annual retainer for such services.

In 2004, the Compensation Committee of the Board of Directors reviewed the compensation paid by the Company to Directors. The Compensation Committee reviewed compensation paid to Directors of peer companies and considered the additional work and responsibilities assumed by Directors in recent years. Also, the Compensation Committee wanted to assure the compensation paid by the Company to its Directors was competitive, which would assist the recruitment of new Directors. Effective February 11, 2005, the Compensation Committee recommended to the Board of Directors the annual retainer fee for outside Directors be increased to \$20,000; the annual retainer for outside Directors who serve as a Chairman of a Board Committee be \$3,000; and the fee for attending a Board or Committee meeting be \$1,000. On February 11, 2005, the Board of Directors approved these changes to Board compensation.

AT-WILL EMPLOYMENT AND SEVERANCE AGREEMENTS

It is the Company's philosophy to attract and retain high-quality people, which is crucial to the short-term and long-term success of the Company. In order to further this goal, the Company determined that it was in the best interests of the Company to enter into At-Will Employment and Severance Agreements (the Agreements) with eleven (11) senior executives of the Company. These Agreements provide for a lump-sum severance payment (of up to twelve (12) months of the executive's annual base salary, plus one times the executive's targeted annual bonus) to the executive in the event the executive's employment is terminated without Good Cause or Good Reason within two (2) years following a Change of Control of the Company. If the executive is terminated within the two (2) year period following a Change of Control and the termination is for Good Cause, then, no severance payment would be due the executive. Further, if the executive voluntarily resigns or his or her employment is not terminated within the two (2) year period following a Change of Control and the executive's employment is terminated thereafter, no severance payment would be due the executive.

Under the Agreements, the following terms are applicable to each of the Agreements described above:

(a) A Change in Control shall be deemed to have taken place upon:

- i. The acquisition by any individual, entity or group (within the meaning of Section 13(d)(3) or 14(d)(2) of the Securities Exchange Act of 1934, as amended (the Exchange Act)) (a Person) of beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of 35% or more of either (a) the then outstanding shares of common stock of the Company (the Outstanding Company Common Stock) or (b) the combined voting power of the then outstanding voting securities of the Company entitled to vote generally in the election of directors (the Outstanding Company Voting Securities); provided, however, that for purposes of this subparagraph (a)(i), the following acquisitions shall not constitute a Change in Control: (i) any acquisition directly from the Company, (ii) any acquisition by the Company, (iii) any acquisition by any employee benefit plan (or related trust) sponsored or maintained by the Company or any corporation controlled by the Company, or (iv) any acquisition by any corporation pursuant to a transaction which complies with clauses (a), (b) and (c) of subparagraph iii of this Section (a); or
- ii. Individuals who, as of the date hereof, constitute the Board of Directors of the Company (the Incumbent Board) cease for any reason to constitute at least a majority of the Board of Directors; provided, however, that any individual who becomes a director subsequent to the date hereof and whose election, or nomination for election by the Company's shareholders, was approved by a vote of at least a majority of the directors then comprising the Incumbent Board (either by a specific vote or by approval of the proxy statement of the Company in which such person is named as a nominee for director, without written objection to such nomination) shall

be deemed to be a member of the Incumbent Board; provided, further, that notwithstanding the immediately preceding proviso, any individual whose initial assumption of office occurs as a result of an actual or threatened election contest with respect to the election or removal of directors or other actual or threatened solicitation of proxies or contests by or on behalf of a Person, other than the Board of Directors of the Company, shall not be deemed to be a member of the Incumbent Board; or

- iii. Consummation of a reorganization, merger, share exchange or consolidation or sale or other disposition of all or substantially all of the assets of the Company (a Business Combination), in each case, unless, following such Business Combination: (a) all or substantially all of the individuals and entities who were the beneficial owners, respectively, of the Outstanding Company Common Stock and Outstanding Company Voting Securities immediately prior to such Business Combination beneficially own, directly or indirectly, more than 65% of, respectively, the then outstanding shares of common stock and the combined voting power of the then outstanding voting securities entitled to vote generally in the election of directors, as the case may be, of the corporation resulting from such Business Combination (including, without limitation, a corporation which as a result of such transaction owns the Company or all or substantially all of the Company's assets either directly or through one or more subsidiaries) in substantially the same proportions as their ownership, immediately prior to such Business Combination, of the Outstanding Company Common Stock and Outstanding Company Voting Securities, as the case may be; (b) no Person (excluding any corporation resulting from such Business Combination or any employee benefit plan (or related trust) of the Company or such corporation resulting from the Business Combination) beneficially owns, directly or indirectly, 35% or more of, respectively, the then outstanding shares of common stock of the corporation resulting from such Business Combination or the combined voting power of the then outstanding voting securities of such corporation except to the extent that such ownership existed prior to the Business Combination; and (c) at least a majority of the members of the board of directors of the corporation resulting from such Business Combination were members of the Incumbent Board immediately prior to the time of the execution of the initial agreement, or of the action of the Board of Directors of the Company, providing for such Business Combination; or
- iv. Approval by the stockholders of the Company of a complete liquidation or dissolution of the Company.

(b) Good Cause shall mean (i) the failure by the Executive to obey the reasonable and lawful orders of the Board of Directors of the Company or Executive's direct supervisor; (ii) misconduct by the Executive that is materially injurious to the Company; or (iii) the Executive engaging in dishonest activities injurious to the Company.

(c) Good Reason shall exist if Executive resigns from employment with the Company following the occurrence of any one or more of the following, without Executive's prior written consent: (i) Executive is not reelected to or is removed as an Executive of the Company; (ii) the Company fails to vest Executive with or removes from Executive the duties, responsibilities, authority or resources that Executive reasonably needs to competently perform Executive's duties as an officer of the Company; (iii) the Company changes the primary location of Executive's employment to a place that is more than 50 miles the Executive's principal location of employment with the Company immediately prior to a Change in Control of the Company; or (iv) the Company otherwise commits a material breach of its obligations under the Agreements and fails to cure the breach within 30 days after Executive gives the Company written notice of the breach.

On October 27, 2004, the Compensation Committee reviewed and approved the Agreements and those executives eligible for such Agreements. The actions of the Compensation Committee were approved by the Board of Directors on November 3, 2004.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires that the Company's Directors, executive officers and persons who own more than 10% of a registered class of the Company's equity securities file reports of stock ownership and any subsequent changes in stock ownership with the Securities and Exchange Commission within prescribed time limits. During 2004, all of the required reports were filed on a timely basis, except as noted herein. Mr. Kenn Allen submitted one late report involving one transaction. The Company is unaware of any other failure to file a required report. In making this disclosure, the Company relies on the Directors' and Executive Officers' written representations and a review of copies of the reports filed with the SEC.

CERTAIN TRANSACTIONS WITH MANAGEMENT AND RELATED PARTY TRANSACTIONS

a. Demand Note:

At December 31, 2004, the Company held an \$868,125 Demand Note receivable, including \$207,335 of accrued interest, from Robert S. Cubbin and Kathleen D. Cubbin. In 2004, Mr. Cubbin paid \$42,000 to the Company in interest relating to the Demand Note. This Demand Note arose from a transaction in late 1998 whereby the Company loaned Robert S. Cubbin and Kathleen D. Cubbin funds to exercise 64,718 common stock options to cover the exercise price and associated tax withholdings. The Demand Note bears a rate of interest equal to the rate charged the Company pursuant to its current revolving credit agreement. On December 31, 2004, the rate was 4.07%. The Demand Note is due on demand. The loan is partially collateralized by 64,718 shares of the Company's common stock, pursuant to a Stock Pledge Agreement. The Demand Note between the Company and Mr. and Mrs. Cubbin is a non-recourse loan with the Company's sole remedy in the event of a default being the reclamation of the shares of the Company that were pledged as collateral. (See the **EMPLOYMENT CONTRACTS** Robert S. Cubbin Employment Agreement Section of this proxy statement).

b. Employees:

Sue Cubbin, Vice President of Human Resources, is the sister of Robert S. Cubbin, President and Chief Executive Officer of the Company. In her capacity as Vice President of Human Resources, Ms. Cubbin is responsible for all human resource matters relating to compensation, fringe benefits, payroll, education and training, hiring and performance reviews of the Company's employees. In addition, she is responsible for facilities management of the Company's Southfield, Michigan headquarters.

Laura Segal, a Vice President in the Southfield branch, is the daughter of the Chairman of the Board, Merton J. Segal. Ms. Segal is responsible for management of the Company's largest public entity program, which is located in the State of Michigan.

Carol Ziecik, Vice President of Corporate Communications, is the daughter of the Chairman of the Board, Merton J. Segal. Ms. Ziecik is responsible for the corporate communications of the Company, which include press releases, marketing materials, the Annual Report and other similar matters.

In 2004, the total compensation for Ms. Cubbin, Ms. Segal and Ms. Ziecik was \$341,450. In 2004, the Compensation Committee granted a three (3) year long-term incentive target for Ms. Cubbin and Ms. Segal of \$39,000 and \$23,398, respectively.

In 2004, the Governance & Nominating Committee retained an outside compensation consultant to independently review the compensation paid Ms. Cubbin, Ms. Segal and Ms. Ziecik in relation to their duties and responsibilities. The consultant concluded that the compensation paid these employees was within a competitive range of market medium levels. On February 10, 2005, the Governance & Nominating Committee reviewed the compensation of Ms. Cubbin, Ms. Segal and Ms. Ziecik. The Governance & Nominating Committee determined there had been no material change in either the compensation or duties of these employees and concluded the compensation paid these employees was fair and reasonable in relation to

their experience, duties and responsibilities. On February 11, 2005, the Board of Directors approved the continued employment of Ms. Cubbin, Ms. Segal and Ms. Ziecik.

c. Other Agreements:

On December 3, 2003, the Company entered into a Development Agreement with Kirco Development, L.L.C. for the construction of the Company's home office building to be located in Southfield, Michigan. The Development Agreement has a contract price for construction of approximately \$11 million. The real estate consultant for the developer is GVA Strategis, LLC (GVA Strategis), a real estate brokerage and consulting firm located in Southfield, Michigan. Michael Ziecik, a principal in GVA Strategis, is the son-in-law of the Chairman, Merton J. Segal. GVA Strategis was paid a fee of \$240,000 by Kirco Development, L.L.C. for its consulting work during the construction of this home office building. The Company has no agreement to pay any sums to GVA Strategis in relation to its consulting work in the construction of its home office building.

The Company executed an Exclusive Sale/ Lease Agency Agreement (Sales Agreement) with GVA Strategis. This Sales Agreement provides that GVA Strategis shall act as the real estate broker for the sale of the Company's approximately 4.5 acres of vacant land adjacent to the construction site of Company's new home office. GVA Strategis is to be paid at the closing of this sale a five percent (5%) commission (approximately \$105,000) based upon the sales price for this vacant land. On December 4, 2003, the Company entered into a Purchase and Sale Agreement with an unaffiliated third-party for the sale of the vacant land. A deposit was placed into escrow on July 29, 2004, subject to the conveyance of certain land by the City of Southfield and filing of the revised land description with the county. The transaction is expected to be completed in 2005.

In July 2004, the Company entered into an agreement with an unaffiliated third-party to sell its property and building located at 12641 East 116th Street, Cerritos, California for \$2.9 million. GVA Strategis was retained by the Company for this transaction. GVA Strategis received a commission of \$73,550 for its services. In addition, the real estate consultant was paid a total of \$23,698 in 2004 for real estate consulting services relating to the relocation and leasing of our Montgomery, Alabama and Grand Rapids, Michigan offices.

The amounts paid GVA Strategis for its real estate consulting services were disclosed, reviewed and approved by the Finance Committee, the Governance and Nominating Committee, as well as the Board of Directors and are commensurate with the current market for such services. There are no current agreements between the Company and GVA Strategis.

The Meadowbrook Insurance Group, Inc. 1995 Amended and Restated Stock Option Plan (the "1995 Plan") and the 2002 Amended and Restated Stock Option Plan (the "2002 Plan") (the "Plans") are intended to further the interests of the Company and its stockholders by attracting, retaining and motivating associates. The Plans provide for the grant of stock options (which may be nonqualified options or incentive stock options for tax purposes) and restricted stock awards.

The number of shares of Common Stock which may be issued under the Plans is 2,000,000 for each of the two Plans. Options issued under both the 1995 Plan and the 2002 Plan which expire unexercised will again become available for grant under the Plans. Cash exercises of stock appreciation rights and cash supplemental payments will not count against these limits. Lapsed, forfeited or canceled awards will also not count against these limits. The maximum number of shares of Common Stock which may be issued under each Plan to any single individual is 800,000. As of the Record Date, 934,831 of the options provided for in the 1995 Plan are outstanding or have been exercised. As of the Record Date, 1,211,165 of the options provided for in the 2002 Plan are outstanding or have been exercised.

Stock Options

The Compensation Committee is authorized to determine the terms and conditions of all option grants, subject to the limitations that the option price per share may not be less than the fair market value of a share of Common Stock on the date of grant and the term of an option may not be longer than ten years. Payment of the option price may be made in any manner specified by the Compensation Committee (which may include payment in cash or Common Stock or by "cashless exercise").

LONG-TERM INCENTIVE PLAN

In 2004, the Compensation Committee authorized the adoption of the Company's Long-Term Incentive Plan (LTIP). The LTIP provides for the award of bonuses based upon three (3) year performance periods (which require achievement of a three (3) year performance target) with the first performance period commencing January 1, 2004. At the end of the three (3) year performance period, the Compensation Committee of the Board of Directors shall determine the amount of the LTIP awards that are earned and payable to the participants in the LTIP. One half of the LTIP award would be payable in cash and one half of the award would be payable in the form of restricted stock. If the Company achieves the three (3) year performance target, payment of the award would be made in three (3) annual installments. The shares of Company common stock subject to the restricted stock award shall equal the dollar amount of one half of the LTIP award divided by the fair market value of the Company common stock on the first date of the performance period. The restricted stock award shall be made subject to the terms and conditions of the option plans. No LTIP awards were paid by the Company in 2004.

In the event Mr. Segal's employment is terminated following a change in control of the Company and without cause, or by Mr. Segal for good reason, the Company shall pay to Mr. Segal (a) an amount equal to two times the sum of (i) Mr. Segal's annual base salary, plus (ii) Mr. Segal's target discretionary bonus, to be paid in a lump sum payment within 10 days following the date Mr. Segal's employment terminates, (b) a pro rata share of the portion of Mr. Segal's discretionary bonus that is based on Company performance criteria no later than the February 28th following the year Mr. Segal's employment terminates, and (c) Mr. Segal's COBRA premiums for health care coverage for 18 months, or, if earlier, the cessation of Mr. Segal's and his family members' eligibility for COBRA continuation coverage. In the event his employment terminates following a change in control and Mr. Segal becomes entitled to the aforementioned payments, Mr. Segal has agreed to be subject to restrictive covenants against competing with the Company for a period of 2 years following such termination of employment. These restrictions are in addition to those already in effect for all Company employees.

In the event Mr. Segal's employment is terminated for cause, he is not entitled to any severance payment under the employment agreement.

Effective April 1, 2005, the Compensation Committee and the Board of Directors approved an amendment to Mr. Segal's Employment Agreement, which reduced Mr. Segal's time commitment and commensurate annual salary from \$500,000 to \$375,000.

Robert S. Cubbin Employment Agreement

The Company entered into an employment agreement with Mr. Cubbin effective January 1, 2004 through December 31, 2006. Unless either the Company or Mr. Cubbin gives notice to the other party of an election not to renew the employment agreement on or before December 31, 2004, and annually thereafter, the employment agreement will automatically be extended one additional year.

Mr. Cubbin's employment agreement provides for (a) a base salary of not less than \$37,500 per month, (b) a discretionary bonus targeted at 50 percent of his base salary (at the sole discretion of the Company) upon the attainment of certain growth and profitability goals, profit center goals and personal goals and objectives, (c) participation in Company Option Plans, (d) participation in the Company's Long Term Incentive Plan, and (e) severance benefits upon termination of Mr. Cubbin's employment under the circumstances described below.

In the event Mr. Cubbin's employment is terminated prior to a change in control of the Company and without cause, or by Mr. Cubbin for good reason, the Company shall pay to Mr. Cubbin (a) his base salary for 24 months over the Company's regularly scheduled payroll, (b) a pro rata share of the portion of Mr. Cubbin's discretionary bonus that is based on Company performance criteria, and (c) Mr. Cubbin's COBRA premiums for health care coverage for 18 months, or, if earlier, the cessation of Mr. Cubbin's and his family members' eligibility for COBRA continuation coverage.

In the event Mr. Cubbin's employment is terminated following a change in control of the Company and without cause, or by Mr. Cubbin for good reason, the Company shall pay to Mr. Cubbin (a) an amount equal to two times the sum of (i) Mr. Cubbin's annual base salary, plus (ii) Mr. Cubbin's target discretionary bonus, to be paid in a lump sum payment within 10 days following the date Mr. Cubbin's employment terminates, (b) a pro rata share of the portion of Mr. Cubbin's discretionary bonus that is based on Company performance criteria no later than the February 28th following the year Mr. Cubbin's employment terminates, and (c) Mr. Cubbin's COBRA premiums for health care coverage for 18 months, or, if earlier, the cessation of Mr. Cubbin's and his family members' eligibility for COBRA continuation coverage. In the event his employment terminates following a change in control and Mr. Cubbin becomes entitled to the aforementioned payments, Mr. Cubbin has agreed to be subject to restrictive covenants against competing with the Company for a period of 2 years following such termination of employment. These restrictions are in addition to those already in effect for all Company employees.

In the event Mr. Cubbin's employment is terminated for cause, he is not entitled to any severance payment under the employment agreement, he forfeits all of the shares of Company stock subject to a pledge agreement with the Company, but the Demand Note he has with the Company is cancelled and deemed paid in full. (See the **CERTAIN TRANSACTIONS WITH MANAGEMENT** Section of this proxy statement). The Demand Note was amended effective June 1, 2001 and deemed a non-recourse loan with the Company's sole remedy in the event of a default being the reclamation of the shares of the Company that were pledged as collateral. The employment agreement also provides that in the event Mr. Cubbin's employment is terminated by the Company without Cause or as a result of a any purchaser acquiring 50% or more of the outstanding shares of the Company, then (a) the Demand Note shall be cancelled and deemed paid in full, and (b) Mr. Cubbin shall be entitled to retain his shares of Company stock subject to the pledge agreement or, in his discretion, sell the shares back to the Company at the then current market price or book value, whichever is greater. This provision continues in effect the identical provision contained in the amendment to Mr. Cubbin's prior employment agreement with the Company that was adopted on June 15, 2002.

Michael G. Costello Employment Agreement

The Company entered into an employment agreement with Mr. Costello effective January 1, 2004 through December 31, 2006. Unless either the Company or Mr. Costello gives notice to the other party of an

election not to renew the employment agreement on or before December 31, 2004, and annually thereafter, the employment agreement will automatically be extended one additional year.

Mr. Costello's employment agreement provides for (a) a base salary of not less than \$18,417 per month, (b) a discretionary bonus targeted at 40 percent of his base salary (at the sole discretion of the Company) upon the attainment of certain growth and profitability goals, profit center goals and personal goals and objectives, (c) participation in Company Option Plans, (d) participation in the Company's Long Term Incentive Plan, and (e) severance benefits upon termination of Mr. Costello's employment under the circumstances described below.

In the event Mr. Costello's employment is terminated prior to a change in control of the Company and without cause, or by Mr. Costello for good reason, the Company shall pay to Mr. Costello (a) his base salary for 24 months over the Company's regularly scheduled payroll, (b) a pro rata share of the portion of Mr. Costello's discretionary bonus that is based on Company performance criteria, and (c) Mr. Costello's COBRA premiums for health care coverage for 18 months, or, if earlier, the cessation of Mr. Costello's and his family members' eligibility for COBRA continuation coverage.

In the event Mr. Costello's employment is terminated following a change in control of the Company and without cause, or by Mr. Costello for good reason, the Company shall pay to Mr. Costello (a) an amount equal to two times the sum of (i) Mr. Costello's annual base salary, plus (ii) Mr. Costello's target discretionary bonus, to be paid in a lump sum payment within 10 days following the date Mr. Costello's employment terminates, (b) a pro rata share of the portion of Mr. Costello's discretionary bonus that is based on Company performance criteria no later than the February 28th following the year Mr. Costello's employment terminates, and (c) Mr. Costello's COBRA premiums for health care coverage for 18 months, or, if earlier, the cessation of Mr. Costello's and his family members' eligibility for COBRA continuation coverage. In the event his employment terminates following a change in control and Mr. Costello becomes entitled to the aforementioned payments, Mr. Costello has agreed to be subject to restrictive covenants against competing with the Company for a period of 2 years following such termination of employment. These restrictions are in addition to those already in effect for all Company employees.

In the event Mr. Costello's employment is terminated for cause, he is not entitled to any severance payment under the employment agreement.

The following terms are applicable to each of the three employment agreements described above:

Cause is generally defined to include (i) a failure by the executive to obey the reasonable and lawful orders of the Board of Directors; (ii) misconduct by the executive that is materially injurious to the Company; or (iii) dishonest activities injurious to the Company. If the executive's employment is terminated for Cause, he is not entitled to any severance payment.

- (b) the date on which incumbent members of the Board of Directors cease to constitute a majority of the Board of Directors. For this purpose, an individual is considered an incumbent member of the Board of Directors if the individual serves on the Board of Directors as of the effective date of the employment agreements or if the individual becomes a director subsequent to that date, provided that the individual's election or nomination for election by the Company's shareholders is approved by a majority of the directors then making up the Company's incumbent board. Any individual who becomes a director as a result of an actual or threatened solicitation of

proxies or contests on behalf of an individual, entity or group described in subparagraph (a) of this paragraph, other than the Board of Directors of the Company, shall not be considered an incumbent board member,

- (c) consummation of a reorganization, merger, share exchange or consolidation or other disposition of substantially all of the assets of the Company, unless (i) all or substantially all beneficial owners of the Company's common stock and voting stock immediately prior to any of the listed business combinations, own at least 65% common stock and 65% of the voting stock of the entity resulting from the business combination, in substantially the same proportions as their ownership immediately prior to the business combination, (ii) no individual, entity or group described in subparagraph (a) of this paragraph, excluding a corporation which results from the business combination or an employee benefit plan of that corporation, owns 35% or more of that corporation's common stock or 35% or more of that corporation's voting stock, and (iii) at least a majority of the members of the board of directors of the corporation resulting from the business combination were incumbent board members, as described in subparagraph (b) at the time the Board of Directors acted to enter into the business combination, and

- (d) the approval by the Company's shareholders of a complete liquidation or dissolution of the Company.

Good Reason is generally defined as the executive tendering his resignation within 6 months following the date on which (a) the executive is not reelected to or is removed from the title and office he currently holds with the Company, (b) the Company fails to vest in the executive the responsibilities, authority or resources he reasonably needs to competently perform his duties in his current title and office for the Company, (c) the Company changes the executive's primary location of employment to a place more than 50 miles from Southfield, Michigan, (d) the Company commits a material breach of its obligations under the employment agreement and fails to cure the breach within 30 days following the executive giving notice of the breach, or (e) the Company gives notice that it will not renew the employment agreement.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD ON EXECUTIVE COMPENSATION

In 2003, the Compensation Committee (the Committee) of the Board of Directors adopted a Committee Charter (the Charter) to assure that the Company's executives were appropriately compensated in relation to their duties, responsibilities and performance. The Charter authorizes the Committee to review and approve the goals and objectives for the Chairman and Chief Executive Officer, evaluate the performance of the Chairman and Chief Executive Officer and approve the compensation (base salary, annualized bonus and equity compensation) of the Chairman and Chief Executive Officer. The Committee is responsible for reviewing recommendations made by the Chief Executive Officer relating to the compensation of the Company's principal executives who report to the Chief Executive Officer. In addition, the Committee is responsible for reviewing and approving stock option awards and/or long-term incentive awards granted to applicable employees. Finally, the Committee is authorized to periodically review the Company's compensation philosophy relating to the salaries, bonuses and other long-term incentive awards paid to employees of the Company.

It is the Company's policy to offer a compensation package including a competitive salary, an incentive bonus based upon individual and Company performance, as well as, competitive benefits. The Company's compensation policy for its executive officers is similar to that of other employers and intended to promote the attraction and retention of talented management, continued performance and attainment of corporate and personal goals, as well as to further promote the Company's financial success by aligning executive officers' financial interest with long-term shareholder value.

Compensation consists of three (3) elements for executive officers: base salary, annual incentive bonus and equity compensation. The criteria for determining the Chairman, Chief Executive Officer and other executive officers' base salary includes level of responsibility, corporate performance, personal contribution to

the Company's success, experience, expertise and market data for the Company's competitors in the insurance industry. Criteria for determining the Chairman, Chief Executive Officer and other executive officers' annual incentive bonus includes corporate performance, personal contribution to the Company, achievement of individually established goals, market data for the Company's competitors in the insurance industry and the attainment of other corporate objectives. Criteria for awarding stock options to or long-term incentive awards the Chairman, Chief Executive Officer and other executive officers includes level of responsibility, expected future contributions, market data for the Company's competitors in the insurance industry, corporate performance and actual achievement of individually established goals.

a. Compensation of the Chairman of the Board and Chief Executive Officer:

On February 11, 2005, the Committee reviewed the performance of the Chairman of the Board and Chief Executive Officer as it related to the Company's 2004 results. Based upon this review, the Committee awarded a salary increase of \$25,000 to the Chief Executive Officer for 2005. In addition, the Committee awarded an annual bonus of \$300,550 to the Chairman and \$304,000 to the Chief Executive Officer. The Compensation Committee approved a reduction in the time commitment and commensurate annual salary of the Chairman of the Board from \$500,000 to \$375,000. This reduction was effective April 1, 2005. Finally, the Committee approved the Chief Executive Officer's recommended 2004 annual bonus awards, 2005 merit pool and 2005 annual bonus targets for the Company's executives, who report to the Chief Executive Officer, as well as the 2005 merit pool, 2004 annual bonus awards and 2005 annual bonus targets for all other applicable employees.

b. Employment Agreements:

The Committee retained an outside compensation consultant to advise the Committee with regard to employment agreements for the Company's senior executives. The outside consultant reviewed the former Employment Agreements between the Company and its senior executives, as well as surveyed other peer companies both in size and type of industry. The outside compensation consultant made recommendations to the Committee regarding length of the employment agreement, the length and amount of severance payment due the executive in the event his or her employment is terminated without cause or in the event his employment is terminated as a result of a change of control as those phrases are defined in the employment agreement.

After receiving the report from the outside consultant, the Committee approved the Employment Agreements between the Company and Mr. Segal, Mr. Cubbin and Mr. Costello. For a more detailed discussion regarding the terms and conditions of such Agreements, please refer to the **EMPLOYMENT CONTRACTS** Section of this proxy statement.

c. At-Will Employment and Severance Agreements:

The Committee retained an outside compensation consultant to advise the Committee as to the employment agreements for other executives of the Company. The Company advised the outside compensation consultant of its philosophy to attract and retain high-quality people, which is critical to the short-term and long-term success of the Company. The outside compensation consultant reviewed other employment agreements between peer companies and its executives. The outside compensation consultant made recommendations to the Committee regarding the length and type of employment agreements, which would be appropriate for such executives.

After receiving the report from the outside compensation consultant, the Committee approved At-Will Employment and Severance Agreements for eleven (11) executives of the Company. The At-Will Employment and Severance Agreements provide for a lump-sum severance payment (of up to twelve (12) months of the executive's annual base salary, plus one times the executive's targeted annual bonus) to the executive in the event the executive's employment is terminated without Good Cause or Good Reason within two (2) years following a Change of Control of the Company. If the executive is terminated within the two (2) year period following such Change of Control and the termination is for Good Cause, then, no severance payment would be due the executive. Further, if the executive voluntarily resigns, or his or her employment is

not terminated within the two (2) year period following a Change of Control and the executive's employment is terminated thereafter, no severance payment would be due the executive.

After receiving the report from the outside compensation consultant, the Committee and the Board of Directors approved the At-Will Employment and Severance Agreements for the executives. For a more detailed discussion regarding the terms and conditions of such Agreements, please refer to the **AT-WILL EMPLOYMENT AND SEVERANCE AGREEMENTS** Section of this proxy statement.

d. Director Compensation:

The Committee reviewed the annual compensation for the Board of Directors. This review was prompted by the additional responsibilities and duties, which have been assumed by the directors, as well as, the committees of the Board of Directors. The Committee retained an outside consultant, which specializes in compensation related matters. The consultant reviewed the compensation of the Board of Directors and compared to the compensation paid to directors of other similar publicly-held companies and peers within the insurance industry. The Compensation Committee requested that management update the information of the outside consultant.

After reviewing the up-dated report from management, the Committee recommended the following: the Company's Board of Directors retainer be increased from \$15,000 to \$20,000 per year; the retainer for those Directors who serve as a Committee Chairperson be increased from \$2,500 to \$3,000 per year; and the Board and Committee meeting fee be increased from \$750 to \$1,000.

The Board of Directors of the Company unanimously approved all of the above recommendations made by the Committee.

**MEADOWBROOK INSURANCE GROUP, INC.
CORPORATE GOVERNANCE GUIDELINES**

The Board has developed the following corporate governance guidelines to help it fulfill its responsibilities to shareholders to oversee the work of management and the Company's business. These corporate governance guidelines are intended to ensure that the Board has the necessary authority and practices in place to review and evaluate the Company's business operations as needed and to make decisions that are independent of the Company's management. The guidelines are also intended to align the interests of directors and management with those of Meadowbrook's shareholders. Please note that these guidelines are subject to change as the Board may find necessary or advisable to achieve its objectives.

Board Composition and Selection; Independent Directors

1. Board Size. The Board believes no more than fifteen (15) is an appropriate size based on the Company's present circumstances. The Board periodically evaluates whether a larger or smaller slate of directors would be preferable.

2. Selection of Board Members. Board members are elected on a staggered basis (approximately one-third each year) annually by the Company's shareholders, except as noted below with respect to vacancies. Each year at the Company's annual meeting, the Board recommends a slate of directors for election by shareholders. The Board's recommendations are based on its determination (using advice and information supplied by the Governance and Nominating Committee) as to the suitability of each individual, and the slate as a whole, to serve as directors of the Company, taking into account the membership criteria discussed below.

The Board may fill vacancies in existing or new director positions. Such directors elected by the Board serve only until the next election of directors for the particular class for which such director was appointed to serve.

3. Board Membership Criteria. The Governance and Nominating Committee works with the Board on an annual basis to determine the appropriate characteristics, skills and experience for the Board as a whole and its individual members. In evaluating the suitability of individual Board members, the Board takes into account many factors, including general understanding of marketing, finance, insurance and other disciplines relevant to the success of a company in today's business environment; understanding of Meadowbrook's business on a technical level; and educational and professional background. The Board evaluates each individual in the context of the Board as a whole, with the objective of recommending a group that can best perpetuate the success of the business and represent shareholder interests through the exercise of sound judgment, using its diversity of experience. In determining whether to recommend a director for re-election, the Governance and Nominating Committee also considers the director's past attendance at meetings and participation in and contributions to the activities of the Board.

4. Board Composition – Mix of Management and Independent Directors. The Board believes that, except during periods of temporary vacancies, a majority of its directors must be independent. In determining the independence of a director, the Board will apply the definition of "independent director" in the listing standards of the New York Stock Exchange and applicable laws and regulations.

5. Term Limits. The Board does not believe it should limit the number of terms for which an individual may serve as a director. Directors who have served on the Board for an extended period of time are able to provide valuable insight into the operations and future of the Company based on their experience with and understanding of the Company's history, policies and objectives. The Board believes that, as an alternative to term limits, it can ensure that the Board continues to evolve and adopt new viewpoints through the evaluation and nomination process described in these guidelines.

6. Selection of CEO and Chairman. The Board selects the Company's CEO and Chairman in the manner that it determines to be in the best interests of the Company's shareholders.

7. No Specific Limitation on Other Board Service. The Board does not believe that its members should be prohibited from serving on boards and/or committees of other organizations, and the board has not adopted

any guidelines limiting such activities. However, the Governance and Nominating Committee and the Board will take into account the nature of and time involved in a director's service on other boards in evaluating the suitability of individual directors and making its recommendations to Company shareholders. Service on boards and/or committees of other organizations should be consistent with the Company's conflict of interest policies.

Board Meetings; Involvement of Senior Management

8. Board Meetings Agenda. The Chairman of the Board and CEO, taking into account suggestions from other members of the Board, will set the agenda for each Board meeting, and will distribute this agenda in advance to each director.

9. Advance Distribution of Materials. All information relevant to the Board's understanding of matters to be discussed at an upcoming Board meeting should be distributed in writing or electronically to all members in advance, whenever feasible and appropriate. This will help facilitate the efficient use of meeting time. In preparing this information, management should ensure that the materials distributed are as concise as possible, yet give directors sufficient information to make informed decisions. The Board acknowledges that certain items to be discussed at Board meetings are of an extremely sensitive nature and that the distribution of materials on these matters prior to Board meetings may not be appropriate.

10. Access to Employees. The Board should have access to Company employees in order to ensure that directors can ask all questions and glean all information necessary to fulfill their duties. The Board may specify a protocol for making such inquiries. Management is encouraged to invite Company personnel to any Board meeting at which their presence and expertise would help the Board have a full understanding of matters being considered.

11. Executive Sessions of Independent Directors. The independent directors of the Company will attempt to conduct four (4) executive sessions each fiscal year, i.e., with no management directors or management present, but at a minimum such directors shall meet not less than one time each fiscal year. Executive sessions of the independent directors will be called and chaired by the chairperson of the Governance and Nominating Committee. These executive session discussions may include such topics as the independent directors determine.

Performance Evaluation; Succession Planning

12. Annual CEO Evaluation. The Chair of the Governance and Nominating Committee, along with the assistance from the Chair of the Compensation Committee, leads the independent directors in conducting a review at least annually of the performance of the CEO and communicates the results of the review to the CEO. The independent directors establish the evaluation process and determine the specific criteria on which the performance of the CEO is evaluated.

13. Succession Planning. As part of the annual officer evaluation process, the Compensation Committee works with the CEO to plan for CEO succession, as well as to develop plans for interim succession for the CEO in the event of an unexpected occurrence. Succession planning may be reviewed more frequently by the Board as it deems warranted.

14. Board Self-Evaluation. The Governance and Nominating Committee is responsible for conducting an annual evaluation of the performance of the full Board and reports its conclusions to the Board. The Governance and Nominating Committee's report should generally include an assessment of the Board's compliance with the principles set forth in these guidelines, as well as identification of areas in which the Board could improve its performance.

Compensation

15. Board Compensation Review. Company management should report to the Board on an annual basis as to how the Company's director compensation practices compare with those of its peers. The Board should

make changes in its director compensation practices only upon the recommendation of the Governance and Nominating Committee, and following discussion and concurrence by the Board.

Miscellaneous

17. Review of Governance Guidelines. The Board expects to review these guidelines at least every year as appropriate.
