### GROUP 1 AUTOMOTIVE COMPLETES NEW EXPANDED REVOLVING CREDIT ARRANGEMENTS

#### 14 FINANCIAL INSTITUTIONS SUPPORT COMPANY'S GROWTH

HOUSTON, JUNE 3, 2003--GROUP 1 AUTOMOTIVE, INC. (NYSE: GPI), a Fortune 500 specialty retailer, today announced that it has completed new three-year revolving credit arrangements with 14 leading financial institutions totaling \$1.075 billion, with the potential to expand to \$1.3 billion. The arrangements consist of a \$775 million syndicated credit facility to finance inventory and working capital, including acquisitions; and a separate \$300 million floorplan credit facility to finance Ford Motor Company manufactured new vehicles.

The \$775 million syndicated credit facility can be increased to \$1.0 billion and includes 13 financial institutions. Vehicle inventory financing represents 75 percent and working capital/acquisitions represent the remaining 25 percent of the credit facility. Lenders in the syndicated facility include two manufacturer-captive finance companies and 11 commercial banks. The manufacturer-captive finance companies are Toyota Motor Credit Corporation and BMW Financial Services NA, LLC. Commercial banks include JPMorgan Chase Bank, Comerica Bank, Bank One Texas, N.A., U.S. Bank N.A., Sovereign Bank, Key Bank National Association, BNP Paribas, Wells Fargo Bank, N.A., Bank of Oklahoma, N.A., Southwest Bank of Texas, N.A. and Amarillo National Bank. The syndication was arranged through JPMorgan Chase Bank.

Additionally, the company executed a \$300 million credit arrangement with Ford Motor Credit Corporation to finance Ford Motor Company manufactured new vehicle inventory.

"The continued support of leading lenders is evidence of the strong long-term relationships we have built with the commercial banking community and our automobile manufacturer partners," said B.B. Hollingsworth, Jr., Group 1's chairman, president and chief executive officer. "The new arrangements will help ensure long-term access to reasonably priced capital for acquisitions and inventory."

Hollingsworth noted that the entire working capital/acquisition portion of the previous syndicated credit facility was undrawn.

Year-to-date, Group 1 has closed acquisitions with estimated annual revenues of \$131.2 million. In 2003, the company is targeting to add dealerships with aggregate annual revenues totaling approximately \$800 million, consisting of strategic tuck-in acquisitions to augment its current markets and platform acquisitions to enter markets not presently served.
