ABOUT THIS PROSPECTUS

As used in this prospectus, unless otherwise required by the context, the terms we, us, our and the Company refer to HCC Insurance Holdings, Inc. and its consolidated subsidiaries, and the term HCC refers only to HCC Insurance Holdings, Inc. References to a Trust refer to either HCC Capital Trust I or HCC Capital Trust II, which are the Delaware statutory business trusts that we have formed to issue the trust preferred securities which may be issued under this prospectus.

This prospectus is part of a registration statement that we have filed with the Securities and Exchange Commission using an automatic shelf registration process for well-known seasoned issuers. Under the automatic shelf registration process, we may offer and sell from time to time any combination of shares of our common stock, debt securities, warrants to purchase our debt securities or our common stock, and guarantees of trust preferred securities sold by a Trust. In addition, a Trust may offer and sell, from time to time, trust preferred securities representing undivided beneficial interests in assets of the respective Trust. Our securities and those of the Trusts may be offered in one or more offerings with a total offering price of up to \$1,000,000,000. Each time we use this prospectus to offer securities, we will provide a prospectus supplement or a prospectus contained in a post-effective amendment to the registration statement of which this prospectus is a part that will contain or will indicate where specific information about the terms of that offering may be obtained. The prospectus supplement, the prospectus contained in a post-effective amendment or the documents we incorporate herein by reference may also add, update or change information contained in this prospectus. Please carefully read this prospectus, any prospectus supplement, any prospectus contained in a post-effective amendment and the documents incorporated by reference in the prospectus together with the additional information described under **Where You Can Find More Information** before you make an investment decision.

You should rely only on the information contained in this prospectus, the applicable prospectus supplement and the applicable prospectus contained in a post-effective amendment. We have not authorized any other person to provide you with different information. If anyone provides you with different or inconsistent information, you should not rely on it. We are not making an offer to sell the securities in any jurisdiction where the offer or sale is not permitted. Neither the delivery of this prospectus, any prospectus supplement or any prospectus contained in a post-effective amendment, nor any offer or sale under any such prospectus shall, under any circumstances, create any implication that there has been no change in our business, risks related to our business, financial condition, results of operations and prospects, that the information contained in any such prospectus is accurate as of any date other than the date of such prospectus, or that any information incorporated by reference in any such prospectus is accurate at any time subsequent to its date.

THE COMPANY

We are a Delaware corporation, which was formed in 1991. Our predecessor corporation was formed in 1974.

We provide specialized property and casualty, surety, and group life, accident and health insurance coverages and related agency and reinsurance brokerage services to commercial customers and individuals. We concentrate our activities in selected, narrowly defined, specialty lines of business. We operate primarily in the United States, the United Kingdom, Spain, Bermuda and Ireland. Some of our operations have a broader international scope. We underwrite insurance both on a primary basis, where we insure a risk in exchange for a premium, and on a reinsurance basis, where we insure all or a portion of another insurance company's risk in exchange for all or a portion of the premium. We market our products both directly to customers and through a network of independent brokers, producers and agents.

Our principal executive offices are located at 13403 Northwest Freeway, Houston, Texas 77040 and our telephone number is (713) 690-7300. We maintain a website at www.hcc.com. The reference to our website address does not constitute incorporation by reference of the information contained on this site.

THE TRUSTS

Each Trust is a statutory business trust that we have formed under Delaware law. For each Trust there is a trust agreement among HCC, as depositor, Wachovia Bank, National Association (as successor to First Union National Bank), as property trustee, and Wachovia Trust Company, National Association (as successor to First Union Trust Company, N.A.), as Delaware trustee. For each Trust there is also a certificate of trust filed with the Delaware Secretary of State. When we are ready to issue and sell securities through the Trust, the trust agreement will be amended to read substantially like the form of amended and restated trust agreement that is filed with the SEC as an exhibit to the registration statement of which this prospectus is a part. Each trust agreement has been qualified as an indenture under the Trust Indenture Act of 1939.

The Trusts have no separate financial statements. Separate financial statements would not be material to holders of the trust preferred securities because the Trusts have no independent operations.

The principal executive office of each Trust is 13403 Northwest Freeway, Houston, Texas 77040, and its telephone number is (713) 690-7300.

USE OF PROCEEDS

Except as otherwise described in the applicable prospectus supplement or prospectus contained in a post-effective amendment, or in documents that we incorporate herein by reference, we intend to use the net proceeds from the sale of our securities (either to the Trusts or directly to the public) for general corporate purposes, including, but not limited to, the following purposes:

- contribute capital to insurance company subsidiaries;
- make acquisitions;
- make capital expenditures;
- provide working capital;
- purchase equity or fixed income investments;
- repay or refinance debt or other corporate obligations; or
- repurchase and redeem securities.

Pending any specific application, we may initially invest funds in short-term marketable securities or apply them to the reduction of short-term indebtedness.

Table of Contents

Each Trust will use all of the proceeds it receives from the sale of its trust preferred securities to purchase from us debt securities that will provide the funds for that Trust's payments to purchasers of its trust preferred securities.

RATIO OF EARNINGS TO FIXED CHARGES

The ratio of our earnings to fixed charges for the periods indicated are as follows:

	For the Three Months Ended March 31, 2006	2005	2004	2003	2002	2001
Ratio of earnings to fixed charges	39.66	26.21	21.59	16.85	14.68	5.87

For these ratios, fixed charges consist of interest expense, including amounts capitalized and amortization of capitalized expenses related to indebtedness, and 33% of rent expense, which represents a reasonable approximation of the interest factor of rent expense. Earnings consist of earnings from continuing operations before income tax expense plus fixed charges.

DESCRIPTION OF SECURITIES

We may offer and sell, from time to time:

shares of our common stock;

debt securities;

warrants to purchase our debt securities or our common stock; and

guarantees of trust preferred securities sold by a Trust.

A Trust may offer and sell, from time to time, trust preferred securities representing undivided beneficial interests in the assets of the respective Trust. HCC will guarantee the trust preferred securities.

We will provide the specific terms of these securities in one or more supplements to this prospectus or prospectuses contained in a post-effective amendment, or the documents that we incorporate herein by reference.

CERTAIN LEGAL MATTERS

Unless otherwise indicated in the applicable prospectus supplements or prospectus contained in a post-effective amendment or the documents we incorporate herein by reference, the validity of the securities offered by this prospectus will be passed upon (a) for us by Haynes and Boone, LLP, our legal counsel, and (b) for the Trusts (with respect to the validity of the trust preferred securities under Delaware law) by Richards, Layton & Finger, P.A., Wilmington, Delaware, special Delaware counsel to us and the Trusts.

EXPERTS

The financial statements and management's assessment of the effectiveness of internal control over financial reporting (which is included in Management's Report on Internal Control over Financial Reporting) incorporated in this prospectus by reference to the Annual Report on Form 10-K of HCC Insurance Holdings, Inc. for the year ended December 31, 2005 have been so incorporated in reliance on the report of PricewaterhouseCoopers LLP, an independent registered public accounting firm, given on the authority of said firm as experts in auditing and accounting.

This prospectus contains certain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934, which are intended to be covered by the safe harbors created by those laws. We have based these forward-looking statements on our current expectations and projections about future events. These forward-looking statements include information about possible or assumed future results of our operations. All statements, other than statements of historical facts, included or incorporated by reference in this prospectus that address activities, events or developments that we expect or anticipate may occur in the future, including such things as future capital expenditures, business strategy, competitive strengths, goals, growth of our business and operations, plans and references to future successes may be considered forward-looking statements. Also, when we use words such as anticipate, believe, estimate, expect, intend, plan, probably or expressions, we are making forward-looking statements. Many risks and uncertainties may impact the matters addressed in these forward-looking statements.

Many possible events or factors could affect our future financial results and performance, including, among other things:

the effects of catastrophic losses;

the cyclical nature of the insurance business;

inherent uncertainties in the loss estimation process, which can adversely impact the adequacy of loss reserves;

the effects of emerging claim and coverage issues;

the effects of extensive governmental regulation of the insurance industry;

potential credit risk with brokers;

our increased retention of risk, which could expose us to greater potential losses;

the adequacy of reinsurance protection;

the ability or willingness of reinsurers to pay balances due us;

the occurrence of terrorist activities;

our ability to maintain our competitive position;

changes in our assigned financial strength ratings;

our ability to raise capital in the future;

attraction and retention of qualified employees;

fluctuations in the fixed income securities market, which may reduce the value of our investment assets;

our ability to successfully expand our business through the acquisition of insurance-related companies;

our ability to receive dividends from our insurance company subsidiaries in needed amounts;

fluctuations in foreign exchange rates;

failures of our information technology systems, which could adversely affect our business; and

other matters set forth under the heading "Risk Factors" in documents we incorporate by reference into this prospectus.

These events or factors could cause our results or performance to differ materially from those we express in our forward-looking statements. Although we believe that the assumptions underlying our

Table of Contents

forward-looking statements are reasonable, any of these assumptions and therefore also the forward-looking statements based on these assumptions, could themselves prove to be inaccurate. In light of the significant uncertainties inherent in the forward-looking statements which are included in this prospectus, our inclusion of this information is not a representation by us or any other person that our objectives and plans will be achieved.

Our forward-looking statements speak only as of the date made and we will not update these forward-looking statements unless the securities laws require us to do so. In light of these risks, uncertainties and assumptions, any forward-looking events discussed in this prospectus may not occur.

ITEM 15. Indemnification of Directors and Officers.

HCC Insurance Holdings, Inc. (the Company) is incorporated under the laws of the State of Delaware. Subsection (b)(7) of Section 102 of the Delaware General Corporation Law (the DGCL) enables a corporation in its original certificate of incorporation or an amendment thereto to eliminate or limit the personal liability of a director to the corporation or its shareholders for monetary damages for breach of the director's fiduciary duty, except (i) for any breach of the director's duty of loyalty to the corporation or its shareholders, (ii) for any acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the DGCL (providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions) or (iv) for any transaction from which the director derived an improper personal benefit.

Section 145 of the DGCL (Section 145) provides that a Delaware corporation may indemnify any persons who are, or are threatened to be made, parties to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person is or was an officer, director, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees), judgment, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation's best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his conduct was unlawful. Where an officer or director is successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify him against the expenses which such officer or director has actually and reasonably incurred.

Article 11 of the Company's certificate of incorporation, as amended, requires the Company to indemnify the Company's directors and officers to the extent permitted under Section 145.

Article VIII of the Company's bylaws provides that the Company shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding whether civil, criminal, administrative, or investigative (other than action by or in the right of the Company), by reason of the fact that he is or was a director or officer of the Company, or is or was

Table of Contents

serving at the request of the Company as a director or officer of the Company, or is or was serving at the request of the Company as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit, or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Company and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The determination of whether an incumbent or former director or officer is entitled to indemnification because it has met the applicable standards of conduct set forth above is to be made, unless ordered by a court: (i) by a majority vote of a quorum consisting of directors who at the time of the vote are not parties to the proceeding; (ii) if such quorum cannot be obtained, even if obtainable, a quorum of disinterested directors so directs, by independent legal counsel in a written opinion; or (iii) by a vote of shareholders of the Company. The bylaws further provide that the expenses (including attorneys' fees) incurred in any such action by a director or officer of the Company may be paid or reimbursed by the Company in advance of the final disposition of such action, suit or proceeding upon receipt of a written undertaking by or on behalf of the director or officer to repay the amount paid or reimbursed by the Company if it is ultimately determined that he is not entitled to be indemnified by the Company as authorized therein.

The Company's bylaws also provide that the Company may indemnify to the extent of the provisions set forth therein, any person, other than an officer or director, who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit or proceeding, whether civil, criminal, administrative, or investigative, by reason of the fact that he is or was an employee or agent of the Company, or was serving at the request of the Company as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, or other enterprise, if such person makes written application for such indemnification to the Board of Directors and the Board of Directors so determines that indemnification is appropriate and the extent thereof.

The Company's bylaws further provide that the indemnification described therein is not exclusive, and shall not exclude any other rights to which those seeking to be indemnified may be entitled under statute, any bylaw, agreement, vote of shareholders or disinterested directors, or otherwise, both as to action in his official capacity and to his action in another capacity while holding such office.

The Amended and Restated Trust Agreement for each of the Trusts will provide for the indemnification by the Company to the fullest extent permitted by applicable law of a Trustee, an Administrator, a Paying Agent, any affiliate of any of such parties, any officer, director, shareholder, member, partner, employee, representative or agent of a Trustee, or an employee or agent of the Trusts or their affiliates. The Company will also be obligated to advance expenses, including legal expenses, from time to time upon the indemnified party's written affirmation that such party believes in good faith to have met the standard of conduct set forth in the Trust Agreement and an undertaking to repay any amounts advanced if such party is not entitled to indemnification.

ITEM *Undertakings*

17.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, That:

Paragraphs (1)(i), (1)(ii) and (1)(iii) of this section do not apply if the registration statement is on Form S-3 (§239.13 of this chapter) and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) (§230.424(b) of this chapter) that is part of the registration statement.

(2) That, for the purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining any liability under the Securities Act of 1933 to any purchaser:

(i) If the registrant is relying on Rule 430B (§230.430B of this chapter):

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) (§230.424(b)(3) of this chapter) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) (§230.424(b)(2), (b)(5), or (b)(7) of this chapter) as part of a registration

statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) (§230.415(a)(1)(i), (vii), or (x) of this chapter) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424 (§230.424 of this chapter);

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(6) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(7) The undersigned registrant hereby undertakes to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act (Act) in accordance with the rules and regulations prescribed by the Commission under Section 305(b)(2) of the Act.

(8) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act

of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
