PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

TO BE HELD ON WEDNESDAY, JUNE 26, 2002

This proxy statement (the "Proxy Statement") is furnished in connection with the solicitation of proxies by the Board of Directors of Brightpoint, Inc. (the "Company") for use at the Annual Meeting of Stockholders (the "Annual Meeting") to be held on Wednesday, June 26, 2002, including any adjournment or adjournments thereof, for the purposes set forth in the accompanying Notice of Meeting.

Management intends to mail this Proxy Statement and the accompanying form of proxy to stockholders on or about May 24, 2002.

Proxies in the accompanying form, duly executed and returned to the management of the Company and not revoked, will be voted at the Annual Meeting. Any proxy given pursuant to such solicitation may be revoked by the stockholder at any time prior to the voting of the proxy by a subsequently dated proxy, by written notification to the Secretary of the Company, or by personally withdrawing the proxy at the Annual Meeting and voting in person.

The address and telephone number of the principal executive offices of the Company are: 600 East 96th Street, Suite 575, Indianapolis, Indiana 46240, telephone no.: (317) 805-4100.

The following questions and answers provide important information about the Annual Meeting and this Proxy Statement:

Q. What am I voting on?

A. (a) Election of three Class II directors (Robert J. Laikin, Robert F. Wagner and Rollin M. Dick), (b) amending the Company's Certificate of Incorporation to effect a reverse split of the issued and outstanding shares of the Company's common stock, and (c) ratifying the selection of Ernst & Young LLP as the Company's independent auditors for the fiscal year ending December 31, 2002.

Q. Who is entitled to vote?

A. Stockholders of record as of the close of business on May 15, 2002, are entitled to vote at the Annual Meeting. Each stockholder is entitled to one vote for each share of the Company's common stock held.

Q. How do I vote?

A. You may sign and date each paper proxy card you receive and return it in the prepaid envelope. If you return your signed proxy but do not indicate your voting preferences, we will vote on your behalf FOR the election of the Class II directors, the amendment of the Company's Certificate of Incorporation

and the ratification of Ernst & Young LLP as the Company's independent auditors as specified in the Proxy Statement.

You may also vote by telephone or via the Internet. See Voting by Telephone or via the Internet below for further details. Please note that there are separate

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

telephone and Internet voting arrangements depending upon whether shares are registered in your name or in the name of a bank or broker.

Q. How may I revoke or change my vote?

A. You have the right to revoke your proxy any time before the meeting by (1) notifying the Company's Secretary, or (2) returning a later-dated proxy. You may also revoke your proxy by voting in person at the Annual Meeting.

Q. How do I sign the paper proxy card?

A. Sign your name exactly as it appears on the proxy card. If you are signing in a representative capacity (for example, as an attorney, executor, administrator, guardian, trustee, or the officer or agent of a company), you should indicate your name and title or capacity. If the stock is held in custody for a minor (for example, under the Uniform Transfers to Minors Act), the custodian should sign, not the minor. If the stock is held in joint ownership, one owner may sign on behalf of all the owners.

Q. What does it mean if I receive more than one proxy card?

A. It may mean that you hold shares registered in more than one account. Sign and return all proxy cards to ensure that all your shares are voted. You may call American Stock Transfer & Trust Company at 1-800-937-5449 if you have any questions regarding the share information or your address appearing on the paper proxy card.

Q. Who will count the votes?

A. A member of the Company's Corporate Finance staff will tabulate the votes and act as the independent inspector of election.

Q. What constitutes a quorum?

A. A majority of the outstanding shares, present or represented by proxy, of the Company's common stock constitutes a quorum for the Annual Meeting. As of May 15, 2002, 55,915,353 shares of the Company's common stock \$.01 par value per share (the "Common Stock") were issued and outstanding.

Q. How many votes are needed for the election of the directors?

A. The directors will be elected by a plurality of the affirmative votes cast at the Annual Meeting, meaning the three nominees receiving the highest number of votes FOR will be elected as directors. Only votes cast for a nominee will be counted, except that a properly executed proxy that does not specify a vote with respect to the nominees will be voted for the three nominees whose names are

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

printed on the proxy card (Robert J. Laikin, Robert F. Wagner and Rollin M. Dick). Abstentions and broker non-votes (as described below) will have no effect on the election of directors.

Q. How many votes are needed for the amendment to the Company's Certificate of Incorporation to effect the Reverse Split?

A. The affirmative vote of the holders of a majority of the shares of Common Stock outstanding on the Record Date is required to approve the amendment to the Company's Certificate of Incorporation to effect the Reverse Split. Abstentions and broker non-votes will have the same effect as a vote against the proposal to amend the Company's Certificate of Incorporation to effect the Reverse Split.

Q. How many votes are needed for the ratification of the appointment of Ernst & Young LLP as the Company's independent auditors for the fiscal year ending December 31, 2002?

A. The affirmative vote of the holders of a majority of the shares of Common Stock represented at the Annual Meeting in person or by proxy and entitled to vote at the Annual Meeting is required for the ratification of the appointment of Ernst & Young LLP as the Company's independent auditors for the fiscal year ending December 31, 2002. Abstentions will have the same effect as a vote against the proposal, however broker non-votes will not be treated as entitled to vote on this matter and will therefore have no effect on the proposal to ratify the appointment of Ernst & Young LLP as the Company's independent auditors.

Q. What is a "broker non-vote"?

A. A "broker non-vote" occurs when a broker submits a proxy that does not indicate a vote for some of the proposals because the broker has not received instructions from the beneficial owners of how to vote on such proposals and does not have discretionary authority to vote in the absence of instructions.

Q. Where will the Annual Meeting be held?

A. The Annual Meeting will be held at the Parkwood IV Conference Center, 500 East 96th Street, Indianapolis, Indiana 46240 on Wednesday, June 26, 2002, at 9:00 a.m. Indianapolis time. Brightpoint, Inc.'s 2002 Annual Meeting will be held solely to tabulate the votes cast and report the results of voting on the matters listed in the proxy statement. Certain senior executives of the Company may be in attendance to answer questions following the Annual Meeting, however, no formal presentation concerning the Company's business will be made at the Annual Meeting.

OUTSTANDING STOCK AND VOTING RIGHTS

Only stockholders of record at the close of business on May 15, 2002 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. As of the Record Date, there were issued and outstanding 55,915,353 shares of Common Stock, the Company's only class of voting securities. Each share entitles

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

the holder to one vote on each matter submitted to a vote at the Annual Meeting.

-3-

VOTING PROCEDURES AND PROXY INFORMATION

The Class II directors will be elected by the affirmative vote of a plurality of the shares of Common Stock present in person or represented by proxy at the Annual Meeting; approval of the amendment to the Company's Certificate of Incorporation to effect the Reverse Split will require the affirmative vote of a majority of the shares of Common Stock outstanding on the Record Date; and ratification of the appointment of Ernst & Young LLP will require the affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy and entitled to vote on the matter at the Annual Meeting, in each case, provided a quorum exists. A quorum is established if at least a majority of the outstanding shares of Common Stock as of the Record Date are present in person or represented by proxy at the Annual Meeting. All other matters at the meeting will be decided by the affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy at the meeting and entitled to vote on the subject matter, provided a quorum exists. Votes will be counted and certified by an Inspector of Election who is expected to be a member of the Company's Corporate Finance staff.

In accordance with Delaware law, abstentions and "broker non-votes" (i.e., proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares as to a matter with respect to which the brokers or nominees do not have discretionary power to vote) will be treated as present for purposes of determining the presence of a quorum. For purposes of determining approval of a matter presented at the meeting, abstentions will be deemed present and entitled to vote and will, therefore, have the same legal effect as a vote "against" a matter presented at the meeting. Broker non-votes will be deemed not entitled to vote on the subject matter as to which the non-vote is indicated. Abstentions and broker non-votes will have no effect on the election of directors, but will have the same effect as a vote "against" the proposal to amend the Company's Certificate of Incorporation to effect the Reverse Split. Abstentions will have the same effect as a vote "against" the ratification of the appointment of Ernst & Young as the Company's independent auditors, however broker non-votes will not be treated as entitled to vote and therefore will have no effect on such proposal.

The enclosed proxies will be voted in accordance with the instructions thereon. Unless otherwise stated, all shares represented by such proxy will be voted as instructed. Proxies may be revoked as noted above.

The entire cost of soliciting proxies, including the costs of preparing, assembling, printing and mailing this Proxy Statement, the proxy and any additional soliciting material furnished to stockholders, will be borne by the Company. Arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy materials to the beneficial owners of stock, and such persons may be reimbursed for their expenses by the Company.

VOTING BY TELEPHONE OR VIA THE INTERNET

For Shares Registered in the Name of a Brokerage Firm or Bank. A number of brokerage firms and banks are participating in a program provided through ADP Investor Communication Services that offers telephone and Internet voting options. This program is different than the program provided by American Stock Transfer & Trust Company for shares registered in the name of the

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

stockholder. If your shares are held in an account at a brokerage firm or bank

-4-

participating in the ADP program, you may vote those shares telephonically by calling the telephone number referenced on your voting form. If your shares are held in an account at a brokerage firm or bank participating in the ADP program, you already have been offered the opportunity to elect to vote via the Internet. Votes submitted via the Internet through the ADP program must be received by 11:59 p.m. (EDT) on June 25, 2002. The giving of such proxy will not affect your right to vote in person should you decide to attend the Annual Meeting.

For Shares Directly Registered in the Name of the Stockholder. Stockholders with shares registered directly with American Stock Transfer & Trust Company may vote telephonically by calling American Stock Transfer & Trust Company at 1-800-776-9437 or you may vote via the Internet at www.voteproxy.com.

The telephone and Internet voting procedures are designed to authenticate stockholders identities, to allow stockholders to give their voting instructions and to confirm that stockholders' instructions have been recorded properly. Stockholders voting via the Internet through either American Stock Transfer & Trust Company or ADP Investor Communication Services should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, that must be borne by the stockholder.

- (2) The potential realizable value columns of the table illustrate values that might be realized upon exercise of the options immediately prior to their expiration, assuming the Company's Common Stock appreciates at the compounded rates specified over the term of the options. These numbers do not take into account provisions of options providing for termination of the option following termination of employment or nontransferability of the options and do not make any provision for taxes associated with exercise. Because actual gains will depend upon, among other things, future performance of the Common Stock, there can be no assurance that the amounts reflected in this table will be achieved.

In exchange for the options tendered and accepted by the Company for cancellation, rounded up to the nearest whole share. The Company was contractually obligated to issue certain additional options to officers, directors and other employees who participated in the Offer to Exchange, which additional options had been authorized for grant in August 2001 (the "August 2001 Options"), prior to the Offer to Exchange, but deferred pending such officers, directors and employees participation in the Offer to Exchange. Messrs. Laikin, Howell, Fivel and Bounsall, who were entitled to receive 140,000, 110,000, 75,000, and 95,000 August 2001 Options, respectively, have agreed to waive their rights to receive all such options.

The number of shares subject to the new option or new options, as applicable, was equal to one-third of the shares subject to the options tendered and accepted by the Company for cancellation, rounded up to the nearest whole share. The Company was contractually obligated to issue certain additional options to officers, directors and other employees who participated in the Offer to Exchange, which additional options had been authorized for grant in August 2001 (the "August 2001 Options"), prior to the Offer to Exchange, but deferred pending such officers, directors and employees participation in the Offer to Exchange. Messrs. Laikin, Howell, Fivel and Bounsall, who were entitled to receive 140,000, 110,000, 75,000, and 95,000 August 2001 Options, respectively, have agreed to waive their rights to receive all such options.

DIRECTOR COMPENSATION

-13-

members of the Executive, Audit and Compensation Committees received annual payments of \$6,400, \$3,600 and \$3,600, respectively, as members of such committees. The Company has adopted a Non-Employee Director Stock Option Plan (the "Director Plan") pursuant to which 937,500 shares of Common Stock are reserved for issuance to non-employee directors. The Director Plan provides that eligible directors automatically receive a grant of options to purchase 10,000 shares of Common Stock upon first becoming a director and, thereafter, an annual grant, in January of each year, of options to purchase 4,000 shares. All of such options are granted at fair market value on the date of grant and are exercisable as to all of the shares covered thereby commencing one year from the date of grant. To date, the Company has granted to each of Messrs. Adams, Dick, Simon and Wagner options to purchase 106,625 shares of Common Stock pursuant to the Director Plan and 10,000 shares of Common Stock pursuant to the Company's 1996 Stock Option Plan and has granted Mr. Stuart and Mr. Stead options to purchase 36,000, and 14,000 shares of Common Stock, respectively pursuant to the Director Plan. During the year ended December 31, 2001, the Company granted options to purchase 4,000 shares of Common Stock, at an exercise price of \$4.016 per share, to each of Messrs. EMPLOYMENT AND SEVERANCE AGREEMENTS

The Company has entered into five-year "evergreen" employment agreements with each of Messrs. Laikin and Howell which are automatically renewable for successive one-year periods and provide for an annual base compensation of \$450,000 and \$325,000 respectively, and such bonuses as the Board of Directors may from time to time determine. If the Company provides the employee with notice that it desires to terminate the agreement or terminates the agreement without cause, there is a final five-year term commencing on the date of such notice. The employment agreements provide for employment on a full-time basis and contain a provision that the employee will not compete or engage in a business competitive with the business of the Company during the term of the employment agreement and for a period of two years thereafter. The employment agreements also provide that if the employee's employment is terminated by the employee, without Good Reason, as defined, within 12 months after a "change of control," or if prior to and not as a result of a change of control, the employee's employment is terminated either by the employee for Good Reason or by the Company other than for disability or Cause, as defined, the employee will be entitled to receive severance pay equal to the highest of (a) \$2,250,000 for Mr. Laikin and \$1,625,000 for Mr. Howell or (b) five times the total compensation (including salary, bonus and the value of all perquisites) received from the Company during the twelve months prior to the date of termination. If after or as a result of a change of control, the employee's employment is terminated either by the employee for Good Reason or by the Company other than for disability or Cause, the employee will be entitled to receive severance pay equal to ten times the total compensation (including salary, bonus, the value of all perquisites and the value of all stock options granted to the employee) received from the Company during the twelve months prior to the date of termination. In addition, (a) upon the occurrence of a change of control, (b) if in breach of the agreement, the Company terminates the employee's employment other than for disability or Cause, or (c) if the employee terminates his employment for Good Reason at any time, the vesting of all options granted to the employee will be accelerated so that the options become immediately exercisable. For the purposes of such agreements, a "change of control" shall be deemed to occur, unless previously consented to in writing by the respective employee, upon (i) individuals who constituted the then current Board of Directors of the Company ceasing to constitute a majority of the Board of Directors, (ii) subject to certain specified exceptions, the acquisition of beneficial ownership of 15% or more of the voting securities of the Company by any person or entity not affiliated with the respective employee or the Company, (iii) the commencement of a proxy contest against management for the election of a

-14-

majority of the Board of Directors of the Company if the group conducting the proxy contest owns, has or gains the power to vote at least 15% of the voting securities of the Company, (iv) the consummation under certain conditions by the Company of a reorganization, merger or consolidation or sale of all or substantially all of the assets of the Company to any person or entity not affiliated with the respective employee or the Company, or (v) the complete liquidation or dissolution of the Company.

In addition, the Company has entered into a three-year "evergreen" employment agreement with Mr. Fivel, which is automatically renewable for successive one-year periods and provides for an annual base compensation of \$275,000. If the Company provides Mr. Fivel with notice that it desires to terminate the agreement without cause, there is a final three year term commencing on the date of such notice. The agreement provides otherwise for substantially the same terms as the employment agreements described above,

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

except that if Mr. Fivel terminates his employment without Good Reason, as defined, within 12 months after a "change of control," or if prior to and not as a result of a change of control, Mr. Fivel terminates his employment for Good Reason or his employment is terminated by the Company other than for disability or Cause, as defined, Mr. Fivel will be entitled to receive the highest of (a) \$825,000 or (b) three times the total compensation (including salary, bonus and the value of all perquisites) received from the Company during the twelve months prior to the date of termination. If after or as a result of a change of control, Mr. Fivel terminates his employment for Good Reason or his employment is terminated by the Company other than for disability or Cause, Mr. Fivel will be entitled to receive severance pay equal to six times the compensation (including, salary, bonus, and the value of all perquisites and the value of all stock options granted to the employee) received or earned from the Company during the twelve months prior to the date of termination. In addition, (a) upon the occurrence of a change of control, (b) if in breach of the agreement, the Company terminates Mr. Fivel's employment other than for disability or Cause, or (c) if Mr. Fivel terminates his employment for Good Reason at any time, the vesting of all options granted to Mr. Fivel will be accelerated so that the options become immediately exercisable.

The Company had entered into an employment agreement with Mr. Bounsall similar in all respects to the terms and conditions of its agreement with Mr. Fivel except that (a) the annual base compensation for Mr. Bounsall under the terms of the agreement was \$290,000 and (b) if Mr. Bounsall terminated his employment without Good Reason, as defined, within 12 months after a "change in control" or if prior to and not as a result of a change in control, Mr. Bounsall terminated his employment for Good Reason or his employment was terminated by the Company other than for disability or cause, as defined in the agreement, Mr. Bounsall would be entitled to receive the highest of (i) \$870,000 or (ii) three times the total compensation (including salary, bonus and the value of all perquisites) received from the Company during the twelve months prior to the date of termination. Mr. Bounsall ceased to be Executive Vice President, Chief Financial Officer and Treasurer of the Company effective as of April 22, 2002. In connection with the termination of Mr. Bounsall's employment and his employment agreement with the Company, the Company has reached an agreement in principal with Mr. Bounsall pursuant to which the Company expects to pay Mr. Bounsall a severance payment in the aggregate amount of \$1 million of which \$500,000 is expected to be paid to Mr. Bounsall on the date of execution of a severance agreement and the balance of \$500,000 is expected to be placed in escrow to be released to him in January 2003.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Company has a Compensation Committee of the Board of Directors comprised of non-employee directors and currently consisting of Messrs. Wagner and Adams. Decisions as to

-15-

executive compensation are made by the Board of Directors, primarily upon the recommendation of such Committee. Mr. Wagner is a partner in a law firm which received fees in exchange for services rendered to the Company during the year ended December 31, 2001. The Board of Directors which includes Messrs. Laikin and Howell has not modified or rejected any recommendations of the Compensation Committee as to the compensation of the Company's executive officers. During the fiscal year ended December 31, 2001, none of the executive officers of the Company has served on the board of directors or the compensation committee of any other entity, any of whose officers serves on the Company's Board of Directors or Compensation Committee.

REPORT ON EXECUTIVE COMPENSATION

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

As noted above, compensation of the Company's executive officers is determined by the Board of Directors pursuant to recommendations made by the Compensation Committee. There is no formal compensation policy for the Company's executive officers, other than the employment agreements described above. Compensation for executive officers consists of base salary, bonus and stock option awards all of which are determined after taking into consideration a variety of factors, including the Company's desire to retain key employees.

Base Salary. The base salaries of the Company's executives are fixed pursuant to the terms of their respective employment agreements with the Company subject to any increases as determined by the Board of Directors or the Compensation Committee. The Compensation Committee reviews the salary of executive officers for reasonableness based on job responsibilities and a limited review of compensation practices for comparable positions at corporations which compete with the Company in its business or are of comparable size and scope of operations. The Committee's recommendations to the Board of Directors are based primarily on informal judgments reasonably believed to be in the best interests of the Company. In determining the base salaries of the Company's executives during 2001, the Committee considered the Company's financial and operating results in light of current market and industry conditions. Salaries are reevaluated by the Committee each year to determine whether such salaries are reasonable in light of each executive's expected duties.

Certain executive officers who participated in the Company's October 2001 Offer to Exchange certain outstanding options, received cash as partial consideration for the exchange of their eligible options, including payments of \$86,000 to Mr. Laikin, \$73,000 to Mr. Howell, \$33,750 to Mr. Fivel and \$42,250 to Mr. Bounsall. The Compensation Committee did not consider such cash amounts as part of the compensation paid to the Company's executive officers, respectively, for their services in such capacities.

Bonuses. Bonuses for the Company's executive officers are not determined through the use of specific criteria. Rather, the Committee bases bonuses on the Company's overall performance, including, but not limited to profitability, capital management and other qualitative and quantitative measurements. In determining the amount of bonuses awarded, the Committee considers current market factors, the Company's revenues and profitability for the applicable period and each executive's contribution to the Company. Primarily as a result of the Company's performance in 2001, the compensation committee determined not to grant bonuses to the Company's executive officers with respect to fiscal 2001.

Stock Options. Stock option awards under the Company's stock option plans are intended to attract, retain and motivate personnel by affording them an opportunity to receive additional

-16-

compensation based upon the performance of the Company's Common Stock. The size and grant of actual awards during 2001 was determined by the Committee. The Committee's determination as to the size of actual awards to individual executives was made after taking into account, among other things, the relative responsibilities and contributions of the individual executives. In October 2001, the Company effectuated an Offer to Exchange to its employees, including executive officers, and members of the Board of Directors, all outstanding options under the Company's 1994 Stock Option Plan, 1996 Stock Option Plan and Non-Employee Directors Stock Option Plan which had (i) a grant date prior to March 1, 2001 and (ii) an exercise price in excess of \$10.00 per share. In exchange for tendering their eligible options, participants, including executive

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

officers of the Company, received (a) a cash payment and (b) the grant of new options equal to approximately one-third of the respective options tendered, which grant of new options was made on April 18, 2002. In addition, on the date of grant of the new options, the Company also granted certain additional options to those participants in the Offer to Exchange for whom the Company had authorized the grant of such additional options in August 2001, but had deferred the granting of such additional options pending their participation in the Offer to Exchange.

Mr. Laikin's base salary was paid in accordance with his employment agreement. As noted above, as a result of the Company's performance in 2001, no bonuses were awarded to the Company's executive officers including Mr. Laikin. Stock option awards for the year ended December 31, 2001 were based on the Company's overall performance and on the Offer to Exchange made by the Company in October 2001. As discussed above in the section entitled "Aggregate Option Exercises and Fiscal Year End Option Values," Mr. Laikin was among several executives of the Company who agreed to waive their rights to receive all of their August 2001 Options that were authorized for grant in August 2001 but deferred pending their participation in the Offer to Exchange.

STOCK PERFORMANCE GRAPH

The following line graph compares, from December 31, 1996 through December 31, 2001, the cumulative total stockholder return on the Company's Common Stock with the cumulative total return on the stocks comprising the NASDAQ Market Value Index and the Media General Financial Services Electronics Wholesale Industry Group Index ("MG Group Index"). During 1998, Media General Financial Services restructured its industry group classification system replacing its former Electronic Equipment Distributors group with the Electronics Wholesale Industry Group. The Company believes that this restructuring did not materially affect the applicable index. The comparison assumes \$100 was invested on December 31, 1996 in the Company's Common Stock and in each of the foregoing indices and assumes reinvestment of all cash dividends, if any, paid on such securities. The Company has not paid any cash dividends and, therefore, the cumulative total return calculation for the Company is based solely upon stock price appreciation and not upon reinvestment of cash dividends. Historical stock price is not necessarily indicative of future stock price performance.

CERTAIN TRANSACTIONS

The Company utilizes the services of a third party for the purchase of corporate gifts, promotional items and standard personalized stationery. Mrs. Judy Laikin, the mother of Robert J. Laikin, the Company's Chief Executive Officer, was an independent consultant to this third party during 2001 and prior to June 1, 2000 was the owner of the third party. For the year ended December 31, 2001, the Company purchased approximately \$127,000 of services and products from this third party. The Company believes that these purchases were made on terms no less favorable than it could have obtained from an unrelated party.

During the fiscal year ended December 31, 2001, an entity in which the father of Robert J. Laikin is a fifty percent (50%) equity owner, provided risk management services to the Company for which the Company paid the entity \$167,000 in consulting fees. During the fiscal year ended December 31, 2001 the Company paid to an insurance brokerage firm, for which the father of Robert J. Laikin acts as an independent insurance broker, \$180,000 in service fees and certain insurance premiums, which premiums were forwarded to the Company's respective insurance carriers.

During the fiscal year ended December 31, 2001, in accordance with the terms of the Company's Offer to Exchange certain options with its employees and directors, the Company paid its officers and directors who participated in the Offer to Exchange an aggregate of \$251,700 in partial consideration of the options they surrendered. Of the aggregate amount, \$86,000 was paid to Robert J. Laikin and \$73,500 was paid to J. Mark Howell, the Company's President and Chief Operating Officer.

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

The Company's Certificate of Incorporation and By-laws provide for the Company to indemnify its officers and directors to the extent permitted by law. In connection therewith, the Company has entered into indemnification agreements with its executive officers and directors. In accordance with the terms of these agreements, the Company intends to reimburse them for their personal legal expenses arising from certain pending litigation and regulatory matters.

Mr. Bounsall ceased to be Executive Vice President, Chief Financial Officer and Treasurer of the Company effective on April 22, 2002. In connection with the termination of Mr. Bounsall's employment and his employment agreement with the Company, the Company has reached an agreement in principal with Mr. Bounsall pursuant to which the Company expects to pay Mr. Bounsall a severance

-21-

payment in the aggregate amount of \$1 million of which \$500,000 is expected to be paid to Mr. Bounsall on the date of execution of a severance agreement and the balance of \$500,000 is expected to be placed in escrow to be released to him in January 2003.

Set forth below is a description of certain litigation in which certain of the Company's officers and directors are named as defendants:

In February 2002, Nora Lee, filed a complaint in the Circuit Court, Marion County, Indiana, against all of the Company's current directors, its former corporate controller and its current independent auditors, Ernst & Young LLP, which action is entitled Nora Lee Derivatively on Behalf of Nominal Defendant Brightpoint, Inc., vs. Robert J. Laikin, et. al. and Brightpoint, Inc. as a Nominal Defendant, Cause No. 49C01-0202-CT-000399.

The plaintiff alleges, among other things, that certain of the individual defendants sold the Company's Common Stock while in possession of material non-public information regarding the Company, that the individual defendants violated their fiduciary duties of loyalty, good faith and due care by, among other things, causing the Company to disseminate misleading and inaccurate financial information, failing to implement and maintain internal adequate accounting control systems, wasting corporate assets and exposing the Company to losses. The plaintiff is seeking to recover unspecified damages from all defendants, the imposition of a constructive trust for the amounts of profits received by the individual defendants who sold the Company's common stock and recovery of reasonable litigation costs and expenses.

The Company and several of its executive officers and directors were named as defendants in two complaints filed in November and December 2001, in the United States District Court for the Southern District of Indiana, entitled Weiss v. Brightpoint, Inc., et. al., Cause No. IP01-1796-C-T/K; and Mueller v. Brightpoint, Inc., et. al., Cause No. IP01-1922-C-M/S. In February 2002, the Court consolidated the Weiss and Mueller actions and appointed John Kilcoyne as lead plaintiff in this action which is now known as In re Brightpoint, Inc. Securities Litigation. A consolidated amended complaint was filed in April 2002. The amended complaint, among other things, adds the Company's current independent auditors as a defendant.

The action is a purported class action asserted on behalf of all purchasers of the Company's publicly traded securities between January 29, 1999 and January 31, 2002, alleging violations of Section 10(b) of the Securities Exchange Act of 1934 and Rule 10b-5 promulgated thereunder by the Company and certain of its officers and directors, as well as the Company's current independent auditors, and violations of Section 20(a) of the Exchange Act by the individual defendants.

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

The amended complaint alleges, among other things, that the Company intentionally concealed and falsified its financial condition, and issued financial statements which violated generally accepted accounting principles, in order that it would not be declared in default of its loan covenants under its line of credit. The amended complaint also alleges that, due to the false financial statements, the Company's stock was traded at artificially inflated prices. Plaintiff seeks compensatory damages, including interest, against all of the defendants and recovery of their reasonable litigation costs and expenses. The Company disputes these claims and intends to vigorously defend this matter.

A complaint was filed on November 23, 2001 against the Company and 87 other defendants in the United States District Court for the District of Arizona, entitled Lemelson Medical, Education and

-22-

Research Foundation LP v. Federal Express Corporation, et. al., Cause No. CIV01-2287-PHX-PGR. The Plaintiff claims the Company and other defendants have infringed 7 patents alleged to cover bar code technology. The case seeks unspecified damages, treble damages and injunctive relief. The Court has ordered the case stayed pending the decision in a related case in which a number of bar code equipment manufacturers have sought a declaration that the patents asserted are invalid and unenforceable. The trial of that related case is currently scheduled to begin in November 2002. The Company disputes these claims and intends to vigorously defend this matter.

PROPOSAL I

AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO EFFECT A REVERSE SPLIT OF THE OUTSTANDING COMMON STOCK

The Board of Directors has adopted, and proposes that the stockholders of the Company approve, a proposal for the amendment to the Certificate of Incorporation of the Company, to effect a combination (the "Reverse Split") of the Company's issued and outstanding Common Stock on the basis of one (1) share of Common Stock for each seven (7) shares of issued and outstanding Common Stock immediately prior to such Reverse Split. The par value of the Common Stock will remain \$0.01 per share and the number of shares of Common Stock authorized to be issued will remain at 100,000,000. Approval of the Reverse Split will also authorize the Board of Directors in its discretion to abandon and not effect the Reverse Split at any time after the Annual Meeting and prior to the date and time at which the Reverse Split becomes effective. The Board may also delay effecting the Reverse Split for up to three months from the date of stockholder approval assuming that the same is obtained at this Annual Meeting. Notwithstanding the prior sentence, if stockholder approval is obtained at the Annual Meeting and the Board determines to proceed with the Reverse Split, the Company intends to promptly effect the Reverse Split by an amendment to the Company's Certificate of Incorporation.

Purpose and Effect of the Proposed Amendment

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

The Board of Directors proposes the Reverse Split for stockholder approval primarily to facilitate the continued listing of the Common Stock on the NASDAQ National Market System and to provide for additional authorized shares of common stock which may be issued by the Company in the event that outstanding options, warrants, certain zero-coupon subordinated convertible notes ("Convertible Notes") and other securities convertible into or exchangeable for Common Stock of the Company are actually converted into or exchanged for Common Stock. With respect to Nasdaq, one criteria for continued listing on the NASDAQ National Market System is that the applicant's common share minimum bid price must be at least \$1.00 per share. The per share price of the Company's Common Stock does not currently meet the minimum bid price requirement of the NASDAQ National Market System. The Company believes the completion of the Reverse Split will cause the trading price of the Common Stock to increase above the minimum trading price requirement of the NASDAQ National Market System. There can be no assurance, however, that the Reverse Split will result in any change in the price of the Company's Common Stock or that, if the price of the Company's Common Stock does increase as a result of the Reverse Split, such increase will be sufficient to allow the Company to comply with the continued listing requirements of the NASDAQ National Market System.

If the Common Stock were delisted, it would then be eligible for quotation on the OTC Bulletin Board maintained by NASDAQ, another over-the-counter quotation system or the "pink sheets" maintained by the National Quotation Bureau, Inc. If that occurred, the liquidity and marketability of shares of the Common Stock would be decreased, and therefore stockholders of the Company might find it more difficult to buy or sell Common Stock at a price they believe to be favorable. Additionally, an investor may find it more difficult to obtain quotations as to the market value of the Common Stock, or the quotations might not accurately reflect the fair market value of the Common Stock.

The holders of the Company's Convertible Notes have the right and may require the Company to purchase the Convertible Notes at the accreted value of the Convertible Notes on March 11, 2003.

-24-

If the holders of the Convertible Notes exercise their mandatory purchase rights, as noted above, and if the Company determines to satisfy all or a substantial portion of the purchase obligation in shares of its Common Stock rather than cash, based upon the current market price of the Company's Common Stock, the Company would not have sufficient authorized but unissued shares available to satisfy its purchase obligation. The Company believes that it would, however, have sufficient authorized but unissued shares of Common Stock to satisfy its purchase obligation if the Reverse Split is effected. In addition, with respect to shares issuable upon exercise or conversion, as the case may be, of options, warrants and Convertible Notes outstanding as of the close of business on May 21, 2002, whether or not the same are currently exercisable, an aggregate of approximately 10.8 million shares of Common Stock (without giving effect to the Reverse Split) would be issuable in the event that all outstanding options, warrants and Convertible Notes were exercised for or converted into shares of the Company's Common Stock by the holders thereof; and an additional 4.5 million shares of Common Stock (without giving effect to the Reverse Split) are reserved for issuance with respect to options available for future grant under the Company's stock option plans. The Reverse Split will provide the Company with additional authorized but unissued shares of Common Stock in the event of the exercise and/or conversion, as the case may be, of currently outstanding options, warrants and Convertible Notes as well as options available for future grant under the Company's stock option plans. The

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

additional authorized but unissued shares of Common Stock may also be available to provide for an anti-takeover defense, to raise capital in the future, to finance future acquisitions, to retire debt or to compensate employees. The Company currently has no plans, arrangements or understandings regarding future issuances of Common Stock except in connection with the Company's stock option plans, the Convertible Notes and the Company's shareholder rights plan.

As a part of the Reverse Split, the Company's surplus would be increased as a result of maintaining the par value of the Common Stock at \$0.01 per share but decreasing the number of issued shares of the Company. Under the Delaware General Corporation Law, a corporation is permitted to purchase its own shares of capital stock or to declare dividends only to the extent that the corporation has an amount of surplus equal to or greater than the amount of the stock redemption or dividend. Under the Delaware General Corporation Law, the "surplus" of a corporation is defined as the excess of the net assets of a corporation less the stated capital of a corporation. The "stated capital" of a corporation is equal to the number of issued shares of the corporation multiplied by the par value of the shares. The "net assets" of a corporation is the total assets minus the total liabilities of a corporation. Because the number of issued shares of the Company will decrease as a result of the Reverse Split but the par value will remain the same, the stated capital of the Company will necessarily decrease. The amount by which the stated capital decreases will be considered additional surplus of the Company.

The number of authorized shares of Common Stock of the Company, which currently is 100,000,000, will not be reduced as a result of the Reverse Split and there will be no change to the 1,000,000 authorized shares of Preferred Stock as a result of the Reverse Split. Consequently, the number of shares of Common Stock of the Company available for issuance will increase as a result of the Reverse Split.

Authorized but unissued shares of Common Stock may be issued at such times, for such purposes and for such consideration as the Board of Directors may determine to be appropriate. Except for the proposals set forth in this Proxy Statement, no further authorization by vote of the stockholders will be solicited for the issuance of the additional shares of Common Stock, except as might be required by law, regulatory authorities or rules of NASDAQ or any stock exchange on which the Company's shares may then be listed. Under the rules applicable to the Company as a NASDAQ National Market

-25-

System issuer, the Company is required to obtain stockholder approval of certain transactions including, among others, any transaction (a) other than a public offering, in which 20% or more of the then outstanding Common Stock (before giving effect to the transaction) would be issued or if the consideration received for such issuance is less than the greater of the book or market value of the Common Stock, or (b) that will result in a change of control of the Company, although in appropriate circumstances, the application of such rule could be waived. In addition, the Delaware General Corporation Law, which governs the actions of the Company generally requires stockholder approval for the Company to issue shares in connection with a merger or consolidation with another entity. The stockholders do not have any right to purchase or subscribe for any part of any new or additional issuance of the Company's securities. The issuance of such authorized but unissued shares may have the effect of diluting the earnings per share and book value per share of outstanding Common Stock. Another potential effect of the increase in the number of authorized but unissued shares of Common Stock is that the interests of the existing stockholders in the Company could be diluted substantially, by way of ownership percentage and voting power, through the issuance of authorized but unissued

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

shares of Common Stock (but subject to compliance with the NASDAQ National Market System rules set forth above), without stockholder approval.

Effect of Reverse Split

Because the number of issued shares of the Company would decrease, but the par value would remain the same after the Reverse Split, the Company's stated capital would decrease and the Company's surplus account would increase by a corresponding amount. This change in the Company's capital accounts would be reflected in the Company's financial statements, along with a notation of the change in outstanding shares of Common Stock, as a result of the Reverse Split.

The proposed Reverse Split will not affect any stockholder's proportionate equity interest in the Company, except for minor adjustments to those stockholders who would receive cash in lieu of fractional shares. Holders of Common Stock will continue to be entitled to receive such dividends as may be declared by the Board of Directors. Outstanding stock options and the total number of shares authorized for issuance under the Company's stock plans will be proportionately adjusted to reflect the Reverse Split if it is effected. The Company's reporting obligations under the Securities Exchange Act of 1934, as amended, will not be affected by the Reverse Split.

There were no shares of Preferred Stock issued on the Record Date. The Company is not conducting a reverse split of any Preferred Stock since no shares of Preferred Stock have been issued. However, in accordance with the Company's shareholder rights agreement, the percentage of Series A Junior Participating Preferred Shares purchasable by the Share Purchase Right associated with each share of Common Stock outstanding, shall be increased by a factor equal to seven.

If the amendment is approved by the stockholders and the Board determines to implement the Reverse Split, the Company intends to promptly effect the Reverse Split by filing a certificate of amendment to its Certificate of Incorporation with the Secretary of State of the State of Delaware. The text of the proposed Reverse Split Amendment is set forth as Exhibit A to this Proxy Statement; however, such text is subject to such changes as may be required by the Delaware Secretary of State. The proposed amendment would become effective as stated therein and, without further action of the Company or its stockholders, every seven shares of Common Stock outstanding would automatically be deemed to represent one share.

-26-

Exchange of Certificates; No Fractional Shares

No fractional shares of Common Stock will be issued in connection with the proposed Reverse Split. Assuming the approval of the Reverse Split, a stockholder who would otherwise be entitled to receive a fractional share of Common Stock will receive, in lieu thereof, cash in a proportional amount equal to the closing price of the Common Stock on the NASDAQ National Market System on the date of this proxy statement.

The Company will appoint American Stock Transfer & Trust Company as exchange agent in connection with the Reverse Split. As soon as practicable after the effective date of the Reverse Split, holders of Common Stock will be notified and requested to surrender to the exchange agent any certificate(s) representing outstanding shares of Common Stock in exchange for certificate(s) representing the reduced number of shares of Common Stock that will result from the Reverse Split, together with cash in lieu of any fractional share. The Company's stock records will be adjusted to reflect the shares held by each

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

holder of Common Stock after the Reverse Split. On the effective date, each certificate representing shares of Common Stock will be deemed for all purposes to represent the reduced number of shares of Common Stock that will result from the Reverse Split, whether or not the certificates representing the outstanding Common Stock are surrendered for exchange. The Company will deposit with the exchange agent, as soon as practicable after the effective date, cash in an amount equal to the value of the estimated aggregate number of fractional shares that will result from the Reverse Split. Any portion of the cash deposited with the exchange agent to pay for fractional shares that is held by the exchange agent six months after the effective date will be returned to the Company, on demand. Thereafter, holders of shares eligible for this cash settlement for fractional shares would be paid directly by the Company. The Company intends to use cash it holds to make the payments in lieu of fractional shares. As of May 15, 2002, there were approximately 464 stockholders of record. The Company does not anticipate this number to change materially as a result of the Reverse Split.

No Dissenter's Rights

Neither the Certificate of Incorporation or bylaws of the Company nor the laws of the State of Delaware require that appraisal rights be available to stockholders that do not vote to approve the Reverse Split.

Resales of Restricted Securities

The proposed amendment will not affect the transferability of shares of Common Stock or any present restriction on the sale thereof. Therefore, for purposes of determining the relevant holding period as prescribed by Rule 144 under the Securities Act of 1933, as amended, the shares of Common Stock to be issued to each stockholder after the effective date will be deemed to have been acquired on the date on which the stockholder acquired the shares of Common Stock held immediately prior to the effective date.

United States Federal Income Tax Consequences

The following description of federal income tax consequences is based on the Internal Revenue Code of 1986, as amended (the "Code"), applicable Treasury Regulations promulgated thereunder, judicial authority and current administrative rulings and practices as in effect on the date of this Proxy Statement. This discussion is for general information only and does not discuss consequences which may apply to special classes of taxpayers (e.g., non-resident aliens, broker/dealers or insurance

-27-

companies). The state and local tax consequences of the Reverse Stock split may vary significantly as to each stockholder, depending upon the state in which such stockholder resides. Stockholders are urged to consult their own tax advisors to determine the particular consequences to them.

The conversion of shares of the Common Stock outstanding immediately prior to the Reverse Split into a reduced number of shares of Common Stock after giving effect to the Reverse Split will not result in the recognition of gain or loss (except in the case of cash received for fractional shares as described below). The holding period of the shares of Common Stock after giving effect to Reverse Split will include the stockholder's holding period for the shares of Common Stock held immediately prior to Reverse Split, provided that the shares of Common Stock were held as a capital asset. The tax basis of the shares of Common Stock after giving effect to Reverse Split will be the same as the tax basis of the shares of Common Stock immediately prior to giving effect to the

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

Reverse Split, reduced by the basis allocable to the receipt of cash in lieu of fractional shares described below.

A stockholder who receives cash in lieu of fractional shares will be treated as if the Company has issued fractional shares to such stockholder and then immediately redeemed such shares for cash. Such stockholder should recognize gain or loss, as the case may be, measured by the difference between the amount of cash received and the basis of his Common Stock allocable to such fractional shares, had they actually been issued. Such gain or loss will be a capital gain or loss if such stockholder's Common Stock was held as a capital asset and any such capital gain or loss will generally be long-term capital gain or loss to the extent such stockholder's holding period for his Common Stock exceeds 12 months.

The decrease in the number of outstanding shares of Common Stock as a result of the Reverse Split will not produce any taxable income or gain or loss to the Company.

Required Vote

In accordance with the laws of the State of Delaware, the affirmative vote of the holders of a majority of the shares of Common Stock outstanding on the Record Date is required to approve the Reverse Split. Approval of the Reverse Split will also authorize the Board of Directors to, at any point and in its sole discretion, abandon and not effect the Reverse Split.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL OF THE AMENDMENT TO EFFECT THE REVERSE SPLIT.

PROPOSAL II

RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS

The Company has engaged Ernst & Young LLP as its independent auditors since October 1994. Ernst & Young LLP reported on the financial statements of the Company for the fiscal year ended December 31, 2001 and the Board of Directors has appointed Ernst & Young LLP to audit and report on the financial statements of the Company for the year ending December 31, 2002. Although stockholder approval of the Board of Directors' appointment of Ernst & Young LLP is not required by law, the Board of Directors believes that it is advisable to give stockholders an opportunity to ratify this appointment. Furthermore, although the Board of Directors is submitting the appointment of Ernst & Young LLP for stockholder ratification, it reserves the right, even after ratification by stockholders, to change the appointment of Ernst & Young LLP as auditors, at any time during the 2002 fiscal year, if it

-28-

deems such change to be in the best interests of the Company. The Company expects representatives of Ernst & Young LLP to be present at the Annual Meeting.

AUDIT FEES. The aggregate fees billed by Ernst & Young LLP for professional services rendered for the audit of the Company's annual financial statements for the fiscal year ended December 31, 2001 (the "2001 fiscal year") and the reviews of the financial statements included in the Company's Form 10-Q's for the 2001 fiscal year totaled \$694,200.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES. There were no fees billed for professional services related to financial information

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

systems design and implementation by Ernst & Young LLP for the 2001 fiscal year.

ALL OTHER FEES. The aggregate fees billed for services rendered by Ernst & Young LLP, other than for audit and information technology services, described in the preceding two paragraphs, totaled \$718,315 for fiscal 2001. These other fees were comprised of fees for audit related services of \$386,700 and non-audit services of \$331,615. Fees for audit related services were primarily for statutory audits and other regulatory compliance reporting.

The Audit Committee has considered whether the provision of services covered in the preceding two paragraphs is compatible with maintaining Ernst & Young LLP's independence.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2002.

STOCKHOLDER PROPOSALS FOR NEXT ANNUAL MEETING

Stockholders who wish to present proposals appropriate for consideration at the Company's Annual Meeting of Stockholders for its fiscal year ending December 31, 2002 to be held in the year 2003 must submit the proposal in proper form to the Secretary of the Company at its address set forth on the first page of this Proxy Statement (or such other address as then constitutes its executive offices) not later than January 22, 2003 in order for the proposition to be considered for inclusion in the Company's proxy statement and form of proxy relating to such annual meeting. Such proposals must be presented in a manner consistent with the Company's By-Laws and applicable laws. Any such proposals, as well as any questions related thereto, should be directed to the Secretary of the Company at 600 East 96th Street, Suite 575, Indianapolis, Indiana 46240.

After the January 22, 2003 deadline, a stockholder may present a proposal at the Company's 2003 Annual Meeting if it is submitted to the Company's Secretary at the address set forth above no later than April 9, 2003. If timely submitted, the stockholder may present the proposal at the 2002 Annual Meeting but the Company is not obligated to present the matter in its proxy statement.

Copies of the Company's Annual Report on Form 10-K are also available upon written request to the Company at 600 East 96th Street, Suite 575, Indianapolis, Indiana 46240, Attention Investor Relations. The Board of Directors is aware of no other matters, except for those incident to the conduct of the Annual Meeting, that are to be presented to stockholders for formal action at the Annual Meeting.
