ITEM 1. ELECTION OF TRUSTEES TO THE BOARDS

THE BOARD OF EACH FUND RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF THE NOMINEES NAMED BELOW.

At the Meeting, shareholders of each Fund will be asked to elect eleven

Edgar Filing: SCUDDER STRATEGIC MUNICIPAL INCOME TRUST - Form DEF 14A

individuals to constitute the Board of Trustees of each Fund. Board members are elected annually pursuant to each Trust's Declaration of Trust and By-Laws. The eleven individuals nominated for election as Trustees of each Fund were nominated after careful consideration by each Fund's present Board of Trustees. The nominees are listed below. The eleven nominees are currently Trustees of each Fund and are currently trustees or directors of other funds advised by DeIM. One of the nominees, Mr. Hale, is a senior executive officer of DeIM and is an "interested person" (an "Interested Person") of the Adviser and of the Funds within the meaning of the Investment Company Act of 1940, as amended (the "1940 Act"), due to the fact that he is an officer of the

3

Adviser and is referred to as an "Interested Trustee." Each of the remaining ten nominees is not an Interested Person of the Adviser or the Funds within the meaning of the 1940 Act and is referred to as a "Non-interested Trustee," or "Independent Trustee." The proposed slate of nominees currently oversees 81 fund portfolios in the Scudder Fund Complex, and are often referred to as the "Chicago Board."

The persons named as proxies on the enclosed proxy card(s) will vote for the election of all the nominees (as to each relevant Fund) unless authority to vote for any or all of the nominees is withheld in the proxy. Each Trustee so elected will serve as a Trustee of the respective Fund until the next meeting of shareholders, if any, called for the purpose of electing Trustees and until the election and qualification of a successor or until such Trustee sooner dies, resigns or is removed as provided in the organizational documents of each Fund.

KTF AND KSM ONLY. As indicated above, holders of the Preferred Shares are entitled to elect two Trustees. Messrs. Hale and Weithers are nominees for election by holders of the Preferred Shares of each Fund. In addition, nine other Trustees are to be elected by holders of the Common Shares and the Preferred Shares, voting together as a single class. Ms. Peterson and Messrs. Ballantine, Burnham, Dunaway, Edgar, Freeman, Hoffman, Renwick and Sommers are nominees for election by all shareholders.

All the nominees listed below have consented to serve as Trustees of the respective Funds, if elected. In case any nominee shall be unable or shall fail to act as a Trustee by virtue of an unexpected occurrence, persons named as proxies will vote in their discretion for such other nominee or nominees as the current Trustees may recommend. Each nominee and Trustee standing for re-election is listed below. The address of each nominee is c/o Deutsche Investment Management Americas Inc., 222 South Riverside Plaza, Chicago, Illinois 60606.

RESPONSIBILITIES OF THE BOARD OF TRUSTEES - BOARD AND COMMITTEE MEETINGS

The primary responsibility of each Board is to represent the interests of the shareholders of the Funds and to provide oversight of the management of the Funds. Each Board proposed for election at the Meeting is comprised of one individual who is an Interested Trustee, and ten individuals who are Independent Trustees. SEC rules require a majority of the board members of a fund to be "independent" if the fund takes advantage of certain exemptive rules under the 1940 Act. If the proposed Board of Trustees is approved by shareholders, 91% will be Independent Trustees. Each of the nominees that will be considered an Independent

8

Trustee, if elected, has been selected and nominated solely by the current Independent Trustees of each Fund.

Each Board meets multiple times during the year to review the investment performance of each Fund and other operational matters, including policies and procedures designed to assure compliance with regulatory and other requirements. Furthermore, the Independent Trustees review the fees paid to the Adviser and its affiliates for investment advisory services and other administrative and shareholder services. Each Board has adopted specific policies and guidelines that, among other things, seek to further enhance the effectiveness of the Independent Trustees in performing their duties. Many of these are similar to those suggested in the Investment Company Institute's 1999 Report of the Advisory Group on Best Practices for Fund Directors (the "ICI Best Practices Report"). For example, the Independent Trustees select independent legal counsel to work with them in reviewing fees, advisory and other contracts and overseeing fund matters, and regularly meet privately with their counsel.

During calendar year 2002, the Board of each Fund met 10 times. Each then current Trustee attended 75% or more of the respective meetings of the Board and the Committees (if a member thereof) held during calendar year 2002.

Each Board has an Audit Committee, a Nominating and Governance Committee, a Valuation Committee, an Operations Committee and a Fixed-Income Oversight Committee (each a "Committee" and collectively, the "Committees"). The Responsibilities of each Committee are described below. Each Committee has a written charter that delineates the Committee's duties and powers.

AUDIT COMMITTEE

The Audit Committee makes recommendations regarding the selection of independent auditors for each Fund, confers with the independent auditors regarding each Fund's financial statements, the results of audits and related matters, reviews and discusses each Fund's audited financial statements with management and performs such other tasks as the full Board deems necessary or appropriate. Based on its review with management and the independent auditors of each Fund's financial statements and other written disclosure provided by the independent auditors, the Committee recommended to each Board that the audited financial statements be included in the annual report provided to shareholders for each Fund's 2002 fiscal year. As suggested by the ICI Best Practices Report, the Committee is comprised of only Non-interested Trustees, receives annual representations from the auditors as to their independence, and has a written charter adopted by each Board, as noted above. In addition, as required by Section 303.01(B)(2)(a) of the New York Stock Exchange

9

("NYSE") listing standards, none of the Committee members has a relationship with a Fund that may interfere with the exercise of their independence from management and the Fund, and each Committee member meets the independence requirements of Section 303.01(B)(3). The members of the Committee are Donald L. Dunaway (Chairman), Robert B. Hoffman and William P. Sommers. The Audit Committee held 7 meetings for all Funds except KGT, which held 8 meetings, during calendar year 2002.

NOMINATING AND GOVERNANCE COMMITTEE

Each Board has a Nominating and Governance Committee, comprised of only Non-interested Trustees, that seeks and reviews candidates for consideration as nominees for membership on the Board and oversees the administration of each Fund's Governance Procedures and Guidelines. Currently, the members of the Nominating and Governance Committee are Lewis A. Burnham (Chairman), James R. Edgar and Shirley D. Peterson. The Nominating and Governance Committee held 5 meetings during calendar year 2002. Shareholders wishing to submit the name of a candidate for consideration as a Board member by the Committee should submit their recommendation(s) to the Secretary of the applicable Fund.

VALUATION COMMITTEE

Each Board has a Valuation Committee, comprised of both Interested and Non-interested Trustees, which reviews Valuation Procedures adopted by each Board, determines fair value of each Fund's securities as needed in accordance with the Valuation Procedures and performs such other tasks as the full Board deems necessary. Currently, the members of the Valuation Committee are John W. Ballantine and Richard T. Hale. Alternate members are Lewis A. Burnham, Donald L. Dunaway and John G. Weithers. The Valuation Committee held 0 meetings for all Funds except for KHI and KMM, each of which held 1 meeting, during calendar year 2002.

OPERATIONS COMMITTEE

Each Board has an Operations Committee, comprised of only Non-interested Trustees, which oversees the operations of the Funds, such as reviewing each Fund's administrative fees and expenses, portfolio transaction policies, and custody and transfer agency arrangements. Currently, the members of the Operations Committee are John W. Ballantine (Chairman), Paul K. Freeman, Fred B. Renwick and John G. Weithers. The Operations Committee held 10 meetings during calendar year 2002.

10

FIXED-INCOME OVERSIGHT COMMITTEE

Each Board has a Fixed-Income Oversight Committee, comprised of only Non-interested Trustees, which oversees investment activities of the Funds, such as investment performance and risk, expenses and services provided under the investment management agreement. Currently, the members of the Fixed-Income Oversight Committee are Paul K. Freeman (Chairman), Donald L. Dunaway, Shirley D. Peterson and William P. Sommers. The Fixed-Income Oversight Committee held 5 meetings during calendar year 2002.

COMPENSATION OF TRUSTEES

Each Fund pays its Independent Trustees a monthly retainer, paid on a quarterly basis, plus expenses, and an attendance fee for each Board meeting and Committee meeting attended. As reflected above, the Trustees currently serve as board

Edgar Filing: SCUDDER STRATEGIC MUNICIPAL INCOME TRUST - Form DEF 14A

members of various investment companies for which DeIM serves as investment manager. DeIM supervises each Fund's investments, pays the compensation and expenses of its personnel who serve as Trustees and officers on behalf of each Fund and receives a management fee for its services. Several of the officers and one of the Trustees are also officers, directors, employees or stockholders of DeIM and participate in the fees paid to DeIM, although the Funds make no direct payments to them. Trustees and officers of a Fund who are "Interested Persons" receive no compensation from such Fund. The Non-interested Trustees are not entitled to benefits under any pension or retirement plan. The Board of Trustees of each Fund established a deferred compensation plan for the Non-interested Trustees ("Deferred Compensation Plan"). Under the Deferred Compensation Plan, the Non-interested Trustees may defer receipt of all, or a portion, of the compensation they earn for their services to the Funds in lieu of receiving current payments of such compensation. Any deferred amount is treated as though an equivalent dollar amount has been invested in shares of one or more funds managed by the Adviser ("Shadow Shares"). Mr. Edgar currently has elected to defer at least a portion of his fees. In addition, previously, Mr. Dunaway elected to defer fees that were payable, which are now included under the Deferred Compensation Plan. The equivalent Shadow Shares are reflected in Appendix 1 in the Trustees' share ownership.

11

The table below shows, for each Trustee entitled to receive compensation from the Funds, the aggregate compensation paid or accrued during the 2002 calendar year and the total compensation that the funds advised by DeIM or its affiliates (collectively, the "Scudder Fund Complex") paid or accrued during calendar year 2002.

Charles A. Rizzo (45), Treasurer of each Fund since 11/20/02. Mr. Rizzo is also a Director of Deutsche Asset Management (April 2000-present) and formerly, Vice President and Fund Accounting Department Head of BT Alex. Brown Incorporated (now Deutsche Bank Securities, Inc.) (1998-1999); and a Senior Manager of Coopers & Lybrand L.L.P. (now PricewaterhouseCoopers LLP) (1993-1998).

Brenda Lyons (40), Assistant Treasurer of each Fund since 9/22/98. Ms. Lyons is also a Managing Director of Deutsche Asset Management.

John Millette (40), Secretary of each Fund since 9/26/01. Mr. Millette is also a Director of Deutsche Asset Management.

Caroline Pearson (40), Assistant Secretary of each Fund since 1/21/98. Ms. Pearson is a Managing Director of Deutsche Asset Management.

The officers of each Fund are elected by the Boards of each Fund on an annual basis to serve until their successors are elected and qualified.

SHAREHOLDERS. As of December 31, 2002, each executive officer, nominee and Trustee of each Fund individually, and the officers and Trustees as a

13

group, owned beneficially less than 1% of the outstanding shares of each Fund. Appendix 1 hereto lists the dollar range and amount of shares of each Fund owned directly or beneficially owned by each Trustee and nominee of the Funds individually and as a group with the executive officers of each Fund. As of December 31, 2002, the Trustees and executive officers did not own any Preferred Shares of KTF or KSM. As of December 31, 2002, no person is known to any Fund to have owned beneficially more than 5% of any class of shares of any Fund.

SECTION 16 BENEFICIAL OWNERSHIP REPORTING COMPLIANCE. Section 30(h) of the 1940 Act and Section 16(a) of the Securities Exchange Act of 1934 require each Fund's officers and Trustees, the Adviser, affiliated persons of the Adviser and persons who own more than ten percent of a registered class of the Fund's equity securities to file forms reporting their affiliation with that Fund and reports of ownership and changes in ownership of that Fund's shares with the Securities and Exchange Commission (the "SEC") and the NYSE. These persons and entities are required by SEC regulation to furnish the Funds with copies of all Section 16(a) forms they file. Based solely upon its review of the copies of such forms received by it, and written representations from certain reporting persons that no year-end reports were required for those persons, each Fund believes that during the fiscal year ended November 30, 2002 (December 31, 2002 for KGT), all filings were timely, except that each of David Wasserman (a former Director of Zurich Scudder Investments, Inc.) and Scudder Investments Marketing Services, Inc. filed a Form 3 for each Fund late; and, for KMM and KST, each of Annette Fraser, David Haysey, Matthew Linsey, Alexander Tedder, Karl Sternberg, Simon Kempton and James Knell failed to file a Form 3 and failed to file a Form 5 with respect to such late filing.

INVESTMENT MANAGER. Deutsche Investment Management Americas Inc. ("DeIM" or the "Adviser"), 345 Park Avenue, New York, NY 10154, serves as each Fund's investment adviser and manager pursuant to an investment management agreement. Deutsche Asset Management Investment Services Ltd., One Appold Street, London, England, serves as the subadviser for Scudder Multi-Market Income Trust, Scudder Strategic Income Trust and Scudder Intermediate Government Trust pursuant to subadvisory agreements with the Adviser.

On April 5, 2002, Deutsche Bank acquired 100% of US-based asset manager Zurich Scudder Investments ("Scudder"). Scudder became part of Deutsche Asset Management and changed its name to DeIM. The combined organization is, as of December 13, 2001, the fourth largest asset manager in the world, with approximately \$742 billion in assets under management as of September 30, 2002. Effective August 19, 2002, the Deutsche Asset Management funds were combined with the Scudder family of funds under the Scudder Investments brand. The Deutsche Asset

Management family of funds and the Scudder funds have been integrated into a single fund complex, the Scudder Investments family of funds, with the investment operations of Scudder becoming part of an integrated global investment operation serving Deutsche Asset Management's clients worldwide.

ITEM 2. SELECTION OF INDEPENDENT AUDITORS

THE BOARD OF EACH FUND RECOMMENDS THAT YOU VOTE FOR THE RATIFICATION OF THE SELECTION OF ERNST & YOUNG LLP AS INDEPENDENT AUDITORS FOR EACH FUND.

Each Board, including the Independent Trustees, has selected Ernst & Young LLP ("E&Y"), to act as independent auditors, to audit the books and records of each Fund for the current fiscal year and recommends that shareholders ratify such selection. This firm has served each Fund in this capacity since the Fund was organized and has no direct or indirect financial interest in any Fund except as independent auditors. The selection of E&Y as independent auditors of each Fund is being submitted to the shareholders for ratification. A representative of E&Y is expected to be present at the Meeting and will be available to respond to any appropriate questions raised at the Meeting and may make a statement.

The following table shows fees paid to E&Y by each Fund during the most recent calendar year. The information in the column "Audit Fees" shows the amounts paid to E&Y for the professional services rendered for audit and review of financial statements of each Fund. The information in the columns "Financial Information Systems Design and Implementation Fees" and "All Other Fees" shows the aggregate amounts paid to E&Y for services rendered, if any, during the most recent calendar year by each Fund, DeIM and all entities controlling, controlled by, or under common control with DeIM that provide services to the Funds. The Audit Committee of each Board will review, at least annually, whether E&Y's receipt of non-audit fees from the Funds, DeIM, and all entities controlling, controlled by, or under common

control with DeIM that provide services to the Funds is compatible with maintaining E&Y's independence.

(1) In addition to the amounts shown in the table for the Funds, E&Y received an aggregate amount of \$2,542,000, which includes \$897,000 for audit and audit-related services performed on behalf of the Funds and other DeIM-advised funds and \$1,645,000 for services performed for DeIM and other related entities that provide support for the operations of the funds.

MISCELLANEOUS

GENERAL. The cost of preparing, printing and mailing the enclosed proxy, accompanying notice and proxy statement and all other costs in connection with solicitation of proxies will be paid by the Funds, including any additional solicitation made by letter, telephone, facsimile or made electronically. In addition to solicitation by mail, certain officers and representatives of the Funds, officers and employees of the Adviser and certain financial services firms and their representatives, who will receive no extra compensation for their services, may solicit proxies electronically, by telephone, by telegram or personally. The Funds have engaged Georgeson Shareholder Communications Inc. ("GSC") to assist in the solicitation of proxies at a total estimated cost of \$9,500 per Fund plus expenses. Failure of a quorum to be present at the Meeting for a Fund will necessitate adjournment for that Fund and will subject the Fund to additional expenses. As the Meeting date approaches, certain shareholders of each Fund may receive a telephone call from a representative of Georgeson if their votes have not yet been received. Authorization to permit Georgeson to execute proxies may be obtained by telephonic or electronically transmitted instructions from shareholders of each Fund. Proxies that are obtained telephonically or electronically will be recorded

in accordance with the procedures believed by the Funds to be reasonably designed to ensure that both the identity of the shareholder casting the vote and the voting instructions of the shareholder are accurately determined.

If a shareholder wishes to participate in a Meeting, but does not wish to give a proxy by telephone or electronically, the shareholder may still submit the proxy card(s) originally sent with this Proxy Statement or attend in person. Should shareholders require additional information regarding the proxy or replacement proxy card(s), they may contact Georgeson toll free at (866) 785-2855. Any proxy given by a shareholder is revocable until voted at the Meeting.

PROPOSALS OF SHAREHOLDERS. It is currently anticipated that the 2004 annual meeting of shareholders will be held in May. A shareholder wishing to submit a proposal for inclusion in a Fund's proxy statement for the 2004 annual meeting of shareholders pursuant to Rule 14a-8 under the Securities Exchange Act of 1934 should send such written proposal to the Secretary of the Fund within a reasonable time before the solicitation of proxies for such meeting. A Fund will treat any such proposal received no later than December 12, 2003 as timely. A shareholder wishing to provide notice in the manner prescribed by Rule 14a-4(c) (1) to a Fund of a proposal submitted outside of the process of Rule 14a-8 must submit such written notice to the Secretary of the Fund within a reasonable time before the solicitation of proxies for such meeting. A Fund will treat any such notice received no later than February 20, 2004 as timely. The timely submission of a proposal, however, does not guarantee its inclusion under either rule.

Edgar Filing: SCUDDER STRATEGIC MUNICIPAL INCOME TRUST - Form DEF 14A

OTHER MATTERS TO COME BEFORE THE MEETING. The Boards are not aware of any matters that will be presented for action at the Meeting other than those set forth herein. Should any other matters requiring a vote of shareholders arise, the proxy in the accompanying form will confer upon the person or persons entitled to vote the shares represented by such proxy the discretionary authority to vote the shares with respect to any such other matters in accordance with their best judgment in the interest of the Fund(s).

VOTING, QUORUM. Each valid proxy will be voted in accordance with the instructions on the proxy and as the persons named in the proxy determine on such other business as may come before the Meeting. If no instructions are given, the proxy will be voted in favor of each Item referred to in this Proxy Statement. Shareholders who execute proxies may revoke them at any time before they are voted, either by writing to the Fund or in person at the time of the Meeting.

Item 1, election of Trustees for a Fund, requires a plurality vote of the shares of such Fund voting at the Meeting. As noted previously, the

17

holders of the Preferred Shares of KTF and KSM, voting as a separate class for each respective Fund, are entitled to elect two Trustees and the holders of the Common Shares and Preferred Shares of KTF and KSM, voting together as a single class for each Fund, are entitled to elect the nine remaining Trustees. Item 2, ratification of the selection of independent auditors for a Fund, requires the affirmative vote of a majority of the shares of the Fund voting at the Meeting. On Item 1, abstentions and broker non-votes will have no effect; the persons receiving the largest number of votes will be elected. On Item 2, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote.

At least 50% of the shares of a Fund must be present, in person or by proxy, in order to constitute a quorum for that Fund. Thus, the meeting for a particular Fund could not take place on its scheduled date if less than 50% of the shares of that Fund were represented. In the event that the necessary quorum to transact business or the vote required to approve any Item is not obtained at a Meeting with respect to one or more Funds, the persons named as proxies may propose one or more adjournments of the Meeting in accordance with applicable law to permit further solicitation of proxies with respect to that Item. Any such adjournment as to a matter will require the affirmative vote of the holders of a majority of the concerned Fund's shares present in person or by proxy at a Meeting. The persons named as proxies will vote in favor of any such adjournment those proxies which they are entitled to vote in favor of that Item and will vote against any such adjournment those proxies to be voted against that Item. For purposes of determining the presence of a quorum for transacting business at a Meeting, abstentions and broker "non-votes" will be treated as shares that are present but which have not been voted. Broker non-votes are proxies received by a Fund from brokers or nominees when the broker or nominee neither has received instructions from the beneficial owner or other persons entitled to vote nor has discretionary power to vote on a particular matter. Accordingly, shareholders are urged to forward their voting instructions promptly.

HOUSEHOLDING INFORMATION. Each Fund provides periodic reports to its shareholders that highlight relevant information, including investment results and a review of portfolio changes. In order to reduce the amount of mail you receive and to help reduce expenses of the Funds, we generally send a single copy of annual reports and proxy statements to each household. If you do not want the mailing of these documents to be combined with those for other members of your household, or if you are receiving multiple copies of these documents and you want to request delivery of a single copy, please contact the Adviser at
