Proxy Statement

Your vote is very important. If you are unable to attend this year's annual meeting, the Board of Directors requests that you allow your common stock to be represented at the meeting by the proxies named on the enclosed proxy card. This proxy statement is being sent to you in connection with this request and has been prepared for the Board by our management. The terms we, our, GPT and the Company all refer to Government Properties Trust, Inc. The proxy statement is being sent to our stockholders on or about April 28, 2005.

General information about the meeting

Who can vote

You may vote your GPT common stock if our records showed that you owned your shares on April 20, 2005. At the close of business on that date, a total of 20,721,796 shares of our common stock were outstanding and entitled to vote. Each share of GPT common stock has one vote. The enclosed proxy card shows the number of shares that you may vote. Your vote is confidential and will not be disclosed to persons other than those recording the vote, except as may be required by law or as authorized by you.

Voting your proxy

If you own your common stock through a broker, bank or other nominee, you will receive instructions from them that you must follow to vote your shares.

If you own your shares directly in your own name, you may instruct the proxies how to vote your common stock by signing, dating and mailing the proxy card in the postage paid envelope that we have provided for you. You can always come to the meeting and vote your shares in person. Whichever method you use, the proxies will vote your shares in accordance with your instructions. If you sign and return a proxy card without giving specific voting instructions, your shares will be voted as recommended by our Board of Directors.

Matters to be presented

We are not aware of any matters that will be presented other than those described in this proxy statement. If any matters not described in the proxy statement are properly presented at the meeting, the proxies will use their judgment to determine how to vote your shares. If the meeting is adjourned, the proxies can vote your common stock on the new meeting date as well, unless you have revoked your proxy instructions.

Revoking your proxy

You may revoke your proxy instructions at any time before the meeting. To do so, you must:

advise our Corporate Secretary in writing;
deliver new proxy instructions; or

attend the meeting and vote your shares in person.

How votes are counted

We will hold the annual meeting if a majority of our outstanding common stock is represented at the meeting. If you have returned valid proxy instructions or attend the meeting in person, your common stock will be counted for the purpose of determining whether there is a quorum, even if you wish to abstain from voting on some or all matters introduced at the meeting.

If you own your shares through a bank, broker or other nominee (in street name) and you do not instruct your nominee how to vote your shares, your nominee may either leave your shares unvoted or vote your shares on the matters that will be considered at the annual meeting.

If your shares are held in street name, your nominee cannot vote on matters that are not routine if you have not provided it with voting instructions. Your shares will constitute broker non-votes. Broker non-votes count for quorum purposes, but we do not count broker non-votes as votes for or against any proposal.

Cost of this proxy

We will pay the cost of this proxy solicitation. In addition to soliciting proxies by mail, our directors, officers and employees may solicit stockholders personally, by telephone, by e-mail or by facsimile. Our employees will not receive any additional compensation for doing this. We will, on request, reimburse banks, brokers and other nominees for their expenses in sending proxy materials to their customers who are beneficial owners and obtaining their voting instruction.

Attending the annual meeting

If you are a holder of record and plan to attend the annual meeting, please indicate this when you vote. The lower portion of the proxy card is your admission ticket. If you own your common stock through a broker, bank or other nominee, you will need proof of ownership to be admitted to the meeting. A recent brokerage statement or a letter from a bank or broker are examples of proof of ownership. If you want to vote in person common stock that you own through a nominee, you must get a written proxy in your name from the broker, bank or other nominee that holds your shares.

PROPOSAL 1:

Election of directors

Our Board of Directors currently consists of six Directors. Our Nominating and Governance Committee has nominated six Directors for election at this annual meeting. If elected, the nominees will serve until our 2006 annual meeting and until their successors are elected and qualified.

Spencer I. Browne

Spencer I. Browne, one of our Directors, passed away on April 21, 2005. The Board, through its Nominating and Governance Committee, has initiated the process of selecting a replacement for Mr. Browne.

As of the date of this proxy statement, the selection process was continuing. Pursuant to our bylaws, once a replacement has been selected by the Board, that individual will serve until our 2006 annual meeting of stockholders.

Until a replacement has been selected, Jerry Bringard will serve as acting Chairman of the Compensation Committee. Please note that our annual report, and the Audit Committee report and Compensation Committee Report included in this proxy statement were issued prior to Mr. Browne's death. In addition, the beneficial ownership table in this proxy statement is as of April 1, 2005, and includes Mr. Browne's shares when he was a Director.

Policy on candidates

The Nominating and Governance Committee considers candidates for Board membership suggested by its members and other board members, as well as management and stockholders. The committee may in its discretion retain third party search firms to identify potential candidates. Stockholders wishing to recommend Director candidates for consideration by the committee can do so by writing to our Corporate Secretary at 10250 Regency Circle, Suite 100, Omaha, Nebraska 68114, giving the candidate's name, biographical data and qualifications. Our Corporate Secretary will, in turn, deliver any stockholder recommendations for Director candidates prepared in accordance with our bylaws to the committee. Any such recommendation must be accompanied by a written statement from the individual of his or her consent to be named as a candidate and, if nominated and elected, to serve as a Director.

Description of selection process

The Nominating and Governance Committee utilizes a variety of methods for identifying and evaluating nominees for Director. The committee assesses the appropriate size of the Board and whether any vacancies on the Board are expected due to retirement or otherwise. If vacancies are anticipated, or otherwise arise, the committee considers various potential candidates for director. Potential candidates may come to the attention of the committee through current Board members, search firms, stockholders or other persons. These candidates will be evaluated at meetings of the committee and may be considered at any point during the year. The committee will also consider properly submitted stockholder nominations for candidates for the Board.

In evaluating potential nominees for board membership, the Nominating and Governance Committee assesses individuals who the committee believes can provide balance to the Board as between their knowledge of the Company's business, their prior experience with other boards and management, and their specific skills such as skills in accounting, finance or law.

Information about the nominees

Each nominee is currently a Director. Each nominee has agreed to be named in this proxy statement and to serve if elected. Each nominee has attended at least 75% of the meetings of the Board and committees on which the nominee has served. There is no significant family relationship either by blood or by marriage between any of the nominees.

He is a director of Boston Capital Real Estate Investment Trust, and RC Company, Inc., a Paoli, Pennsylvania general contractor, and an affiliate of Universal. Mr. Cottone is a Counselor of Real Estate, was a 1999 Vice President of the Counselors, and was the Chairman of the Board of the Counselors in 2004.

Robert A. Peck (age 57)

Mr. Peck was elected to the Board of Directors in 2003. He has been President of the Greater Washington Board of Trade, the regional chamber of commerce for Washington D.C. and its Virginia and Maryland suburbs since October 1, 2001. From 1995 to 2001, Mr. Peck was the appointed Commissioner of the Public Buildings Service of the General Services Administration. In this capacity, he was in charge of nationwide asset management, design, construction, leasing, building operations, security and disposals for a real estate portfolio of more than 340 million square feet in more than 8,300 public and private buildings accommodating over one million federal workers. He oversaw an annual budget of approximately \$5.5 billion, more than 90% of it contracted out, and a workforce of about 7,300.

He has been a general partner and or owner of strip shopping centers, apartment complexes, and government subsidized housing projects. He was for many years a consultant to Concord Assets Group a company that was one of the largest owners of strip shopping centers in the country.

Vote required

Directors are elected by a plurality of the votes cast at the meeting. This means that the nominees receiving the greatest number of votes will be elected. Votes withheld for any nominee will not be counted.

Although we know of no reason why any of the nominees would not be able to serve, if any nominee is unavailable for election, the proxies will vote your common stock to approve the election of any substitute nominee proposed by the Board of Directors. The Board may also choose to reduce the numbers to be elected, as permitted by our bylaws.

Board recommendation

The Board of Directors unanimously recommends that you vote FOR each nominee.

The Board

GPT is governed by a Board of Directors and various committees of the Board that meet throughout the year. Directors discharge their responsibilities throughout the year at Board and committee meetings and also through other communications with the chairman, chief executive officer and others regarding matters of concern and interest to the Company. During 2004, the Board met four times.

The Board of Directors has regularly scheduled meetings of non-management directors. If you wish to communicate with our chairman or the non-management Directors as a group, please follow the procedures set forth below under Stockholder communications. The chairman of our Board of Directors presides over all meetings of non-management Directors.

Committees

The Board has an Audit Committee, a Compensation Committee, a Nominating and Governance Committee, a Finance Committee and a Real Estate Investment Committee. The following describes for each committee its current membership and its mission.

Director Independence

Under applicable rules of the New York Stock Exchange, a majority of the members of the Board of Directors must be independent, and no Director qualifies as independent unless the Board of Directors affirmatively determines that the Director has no material relationship with GPT, other than as a Director. The Board has affirmatively determined that each non-employee Director is independent as that term is defined in the applicable New York Stock Exchange rules.

Richard H. Schwachter is the chairman of our Real Estate Investment Committee. During 2004, as an expansion of his duties as chairman of this committee, Mr. Schwachter provided acquisition due diligence and consulting services to us in connection with potential property acquisitions, for which we paid Mr. Schwachter \$32,700. The services were provided over a fixed, six month period. Our board affirmatively determined (with Mr. Schwachter not present or participating) that this relationship was not material and did not affect Mr. Schwachter's status as an independent Director. The Board based its determination on the following facts, among others: (i) the small aggregate amounts paid; (ii) the payments were immaterial to GPT; (iii) the payments were immaterial to Mr. Schwachter; (iv) the short, fixed time period during which such services were provided; and (v) the reporting relationship, which involved Mr. Schwachter reporting to our non-executive chairman of the Board rather than any member of management.

No other non-employee Director has any relationship with the Company other than as a director. Mr. Peschio is not independent because he is employed as an executive officer of GPT.

Audit Committee

Robert M. Ames (Chair), Jerry D. Bringard, and Philip S. Cottone

The Audit Committee, met five times in 2004. The Audit Committee assists the Board in overseeing (i) our accounting and financial reporting processes; (ii) the integrity and audits of our financial statements; (iii) our compliance with legal and regulatory requirements; (iv) the qualifications and independence of our independent auditors; and (v) the performance of our audit function. The Audit Committee also:

has sole authority to appoint or replace our independent auditors;

pre-approves all audit and permitted non-audit engagement fees, scope and terms with our independent auditors; and

meets at least quarterly with our senior executive officers and our independent auditors in separate executive sessions.

Robert A. Peck, who served on the Audit Committee throughout 2004, resigned from the committee effective December 31, 2004. Mr. Peck informed the Audit Committee Chairman that his schedule in 2005 would

not enable him to commit to attend all of the calendared Audit Committee meetings. Mr. Peck advised that he had no disagreement with committee decisions on financial matters or otherwise, the Company's financial reporting or its independent auditors.

The Audit Committee is also responsible for preparing the Audit Committee report required by SEC rules, which is included in this proxy statement on page 18. The Board has adopted a written charter for the Audit Committee. The Audit Committee Charter is available on the Company's website at www.gptrust.com.

The Board has determined that each Audit Committee member is independent in accordance with New York Stock Exchange listing standards and SEC regulations, and that Robert M. Ames is an Audit Committee financial expert as defined by the SEC.

Compensation Committee

Jerry D. Bringard (acting Chair), Philip S. Cottone and Richard H. Schwachter

The Compensation Committee met four times in 2004. The principal functions of the Compensation Committee are to:

- evaluate the performance of our senior executives, develop acceptable terms for annual bonuses for senior executives and recommend bonus compensation to senior executives, if deemed appropriate;

- review and approve senior executive compensation plans, policies and programs;

- consider the design and competitiveness of our compensation plans; and

- administer and review changes to our incentive, share option and restricted share and long-term incentive plans under the terms of the plans.

The committee reviews and approves corporate goals and objectives relevant to chief executive officer compensation, evaluates the chief executive officer's performance in light of those goals and objectives, and recommends to the board the chief executive officer's compensation levels based on its evaluation. The committee has the authority to retain and terminate any compensation consultant to be used to assist in the evaluation of chief executive officer or senior executive compensation.

The Compensation Committee is also responsible for preparing the Compensation Committee report required by SEC rules, which is included in this proxy statement on page 16.

The Board has determined that each Compensation Committee member is independent in accordance with New York Stock Exchange listing standards.

**Nominating and Governance
Committee**

**Philip S. Cottone (Chair), Robert M. Ames, Jerry D. Bringard and
Richard H. Schwachter**

The Nominating and Governance Committee met four times in 2004. It is responsible for seeking and considering from a variety of sources, including stockholders who propose candidates, and recommending to the Board qualified candidates for election as Directors and recommending a slate of nominees for election as Directors at the annual meeting. In doing so, the committee has periodically discussed the various attributes and qualifications that would make for a good director in the Company. This process of evaluation is the same without regard to whether a potential candidate is brought to the committee's attention by another director, one or more stockholders, an officer or an outside source. It also periodically prepares and submits to the Board for adoption the committee's selection criteria for director nominees. For further details on this subject, please see the information above under the heading "Description of selection process."

The committee also reviews and makes recommendations on matters involving general operation of the Board and our corporate governance, and it annually recommends to the Board nominees for each committee of the Board.

In addition, the committee annually facilitates the assessment of the Board of Directors' performance as a whole and of the individual directors and reports thereon to the Board. The committee has the sole authority to retain and terminate any search firm to be used to identify Director candidates.

The Board has determined that each Nominating and Governance Committee member is independent in accordance with New York Stock Exchange listing standards.

Finance Committee

Robert A. Peck (Chair), Robert M. Ames and Thomas D. Peschio

The Finance Committee met four times in 2004. It monitors the present and future capital requirements and opportunities pertaining to our business. The Finance Committee reviews and provide guidance to the full Board and management about all proposals concerning our major financial policies, including:

Policies relating to our cash needs, stockholder distributions, share repurchases and investments;

Strategic planning and budgeting;

Adjustments to our capital structure;

Insurance and risk management;

Tax planning and compliance;

Proposed mergers, acquisitions, divestitures and strategic investments;
and

Other transactions or financial issues that management desires to have reviewed by the committee.

The finance committee also has the authority to designate the officers and employees of GPT who can execute documents and act on behalf of GPT in the ordinary course of business pursuant to previously approved banking, borrowing, and other financing agreements.

Real Estate Investment Committee

Richard H. Schwachter (Chair), Philip S. Cottone, Robert A. Peck and Thomas D. Peschio

The Real Estate Investment Committee met four times in 2004. It reviews and approves properties for acquisition by GPT and performs such other functions as may be specified from time to time by the Board. In addition, the committee can authorize management to proceed with any property acquisition that has a purchase price of between \$18,000,000 and \$35,000,000. The acquisition of property having a purchase price in excess of \$35,000,000 requires full Board approval. Acquisitions of properties having a purchase price of less than \$18,000,000 can be approved by management.

Information about current executive officers

Our executive officers are set forth below. There is no significant relationship either by blood or by marriage between our executive officers.

Thomas D. Peschio (age 64)

Mr. Peschio has been our President and Chief Executive Officer since June 2003. His relevant experience is discussed above under Information about the nominees.

Nancy D. Olson (age 53)

Ms. Olson has been our Chief Financial Officer since September 2003. From April 1999 to December 2003, Ms. Olson was the vice president of administration and finance of The Lund Company, where she has been responsible for developing, directing and managing the accounting, human resources and office administration functions of The Lund Company. From August 1998 through April 1999, Ms. Olson was engaged in philanthropic activities. From June 1986 through July 1998, Ms. Olson served as the chief financial officer for the Visiting Nurse Association of the Midlands, an organization with a \$20 million budget and over 450 employees. In that position she established internal accounting standards, oversaw and managed all financial reporting to the financial committee of its board of directors and negotiated all engagements with that organization's outside auditors.

PROPOSAL 2:

Ratification of selection of independent auditors

The Audit Committee has selected the registered public accounting firm of Ernst & Young, LLP as the independent auditors to perform the audit of our financial statements and our internal control over financial reporting for 2005. Ernst & Young were our independent auditors for the year ended December 31, 2004.

We are asking our stockholders to ratify the selection of Ernst & Young as our independent auditors. Although ratification is not required by our bylaws or otherwise, the Board is submitting the selection of Ernst & Young to our stockholders for ratification as a matter of good corporate practice. Even if the selection is ratified, the Audit Committee in its discretion may select a different registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our stockholders.

All services provided by Ernst & Young have been reviewed with our Audit Committee and senior management to confirm that the performance of such services meets regulatory requirements for auditor independence.

On September 2, 2003 we replaced our independent auditors, Zwick & Steinberger, P.L.L.C. (Zwick), and engaged the services of Ernst & Young as our new independent auditors. The Audit Committee recommended, and our Board of Directors approved, the dismissal of Zwick and the appointment of Ernst & Young.

During our fiscal year ended December 31, 2002 and subsequent interim period through September 2, 2003, there are no disagreements between us and Zwick on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Zwick's satisfaction, would have caused Zwick to make reference to the subject matter the disagreement in connection with its reports; and there were no reportable events described under Item 304(a)(1)(v) of Regulation S-K.

The audit reports of Zwick on our consolidated financial statements as of and for the fiscal years ended December 31, 2002 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. During the year ended December 31, 2002 and through the date of Ernst & Young's engagement by us, we did not consult with Ernst & Young with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our consolidated financial statements, or any other matter or reportable events as set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

Zwick furnished us with a letter addressed to the SEC stating its agreement with the statements contained in the preceding three paragraphs.

The following table summarizes the fees we paid to Ernst & Young in 2004 and 2003.

A representative of Ernst & Young will be present at the meeting, will have the opportunity to make a statement and will be available to respond to appropriate questions by stockholders.

Pre-Approval Policy

The Audit Committee has adopted an auditor services pre-approval policy applicable to services performed for us by our independent auditors. In accordance with this policy, the Audit Committee's practice is to approve annually all audit services and, on a case-by-case basis, recurring permissible non-audit services to be provided by the independent auditor during the year. The Audit Committee reviews each non-audit service to be provided and assesses the impact of the service on the auditors' independence.

Vote required

The affirmative vote of a majority of the shares of common stock represented at the annual meeting and entitled to vote is needed to approve the ratification of Ernst & Young LLP as the Company's independent auditors for 2005. Abstentions will have the effect of a vote against this proposal. Broker non-votes will have no effect on the outcome of the vote.

Our Board of Directors unanimously recommends that you vote FOR the ratification of Ernst & Young LLP as the Company's independent auditors for 2005.

Thomas D. Peschio

Mr. Peschio's employment agreement provides that he receives an annual base salary of \$350,000 with minimum annual increases based upon the Consumer Price Index. Mr. Peschio will be entitled to receive annual bonuses of 40%, 60% or 80% of his annual base salary, subject to specified financial performance goals to be established yearly by our compensation committee and Mr. Peschio.

The initial term of Mr. Peschio's employment agreement is five years. After the initial term, the agreement will automatically extend for additional one year periods unless GPT or Mr. Peschio elects not to extend the agreement. If Mr. Peschio's employment ends for any reason, we will pay accrued salary, bonuses and incentive payments already determined, and other existing obligations. In addition, if we terminate Mr. Peschio's employment without cause, if Mr. Peschio is terminated as a result of death or total disability or if Mr. Peschio voluntarily terminates his employment for good reason, we must pay all the amounts due under the employment agreement, including base salary and a bonuses equal to the prior year's bonus, but not less than \$150,000 per year, for a number of years equal to the greater of the remainder of the initial term of the employment agreement or three years. Additionally, in the event of a termination by us for any reason other than for cause, or if Mr. Peschio voluntarily terminates his employment for good reason, including a change in control, all of the unvested restricted shares granted to Mr. Peschio will fully vest. In that event we are obligated to reimburse Mr. Peschio for the cost of any federal excise that is assessed upon him. If Mr. Peschio's employment ends for cause or due to a voluntary termination on the part of Mr. Peschio other than for good reason, then any unvested restricted shares granted to Mr. Peschio will terminate unless otherwise agreed to by us.

If we fail to renew Mr. Peschio's employment agreement upon the expiration of its term, Mr. Peschio will receive a lump sum payment equal to two years of his most recent base salary plus the average of his yearly bonus awards for the previous two years. Additionally, all unvested restricted shares granted to Mr. Peschio will fully vest.

Nancy D. Olson

Ms. Olson's employment agreement provides that she receives an annual base salary of \$130,000 with minimum annual increases based on the Consumer Price Index. Ms. Olson is also eligible to receive annual bonuses as approved by the compensation committee and the Board.

The initial term of the agreement is three years. At the end of the initial three year term, Ms. Olson's employment will automatically extend for additional one year periods unless GPT or Ms. Olson elects not to extend the employment. We may terminate Ms. Olson's employment with appropriate notice with or without cause.

If we terminate Ms. Olson's employment without cause; if Ms. Olson's employment is terminated as a result of her death or total disability or if Ms. Olson voluntarily terminates her employment for good reason, we must pay all the amounts due under her employment agreement, including base salary and a bonus equal to the prior year's bonus. Additionally, in the event of a termination by us for any reason other than for cause, or if Ms. Olson voluntarily terminates her employment for good reason, all of the unvested restricted shares granted to Ms. Olson will fully vest. If Ms. Olson's employment ends for cause or due to her voluntary termination other than for good reason, then any unvested restricted shares granted to Ms. Olson will terminate unless otherwise agreed to by us.

Tax consequences for compensation

Section 162(m) of the Internal Revenue Code generally prohibits a tax deduction to public companies for annual compensation over \$1 million paid to each of the corporation's chief executive officer and four other most highly compensated executive officers, except to the extent such compensation qualifies as performance-based. Provided that our business objectives are met, we intend to structure future incentive compensation arrangements for our executive officers in a manner that will allow such compensation to be fully deductible for Federal income tax purposes.

Compensation Committee report on executive compensation

Our executive compensation program is administered by the Compensation Committee. The Compensation Committee approves compensation objectives and policies as well as compensation plans and specific compensation levels for all executive officers.

Compensation policies

The Compensation Committee seeks to provide a total compensation package that will motivate and retain key employees. The Compensation Committee also seeks to provide incentives to achieve short and long-term business objectives that will enhance the value of our stock. When determining compensation amounts, the Compensation Committee considers (1) the base salary levels of executives with similar responsibilities in companies in a similar line of business, (2) the executive's experience in his or her position and in the line of business as well as his or her performance over a sustained period

of time, (3) the historical and projected financial performance and operating of GPT, and (4) performance of the individual executive. A review of the financial performance includes such measures as revenues, funds from operations, operating margin, net income, return on stockholders equity, return on revenues and total market value. The Compensation Committee makes a subjective determination based upon all such factors. The executive officers compensation has three components: (1) base salary, (2) cash and/or stock bonuses and (3) long-term incentive compensation.

Long-term incentive compensation

Long-term incentive compensation opportunities are possible through stock options, stock appreciation rights, restricted stock awards, phantom stock unit awards, performance share unit awards and other stock bonus awards under our equity incentive plan. To date, there have been awards of restricted stock as bonuses to the CEO and CFO.

Compensation elements for senior executive officers

The key elements of our executive compensation program are:

1. *Base Salary.* The base salaries for our Chief Executive Officer and Chief Financial Officer have been agreed to by the Company in separate employment agreements with the CEO and CFO, respectively. These salaries were established after taking into account competitive market compensation paid by other companies for similar positions and given the particular talents and skills sets of the individuals involved. For further details, see the discussion above under Competitive employment agreements.

2. *CEO Annual Bonus.* Mr. Peschio's bonus for 2004 was based on a proposal by the compensation committee that it be in the form of a grant of the Company's restricted common stock which was then approved by the board in the amount of \$140,000, using the then current market price of the Company's common stock, and it being further agreed that this bonus stock will vest at the termination of Mr. Peschio's employment but not later than January 25, 2009. The \$140,000 worth of restricted stock represents 40 percent of Mr. Peschio's 2004 salary. In approving these terms for Mr. Peschio's 2004 bonus pursuant to his employment contract, the Board recognized Mr. Peschio's efforts during 2004 in recruiting a well-qualified staff for the Company, particularly property acquisition personnel, in publicizing and promoting the Company to the investment community and in developing the Company's reputation and franchise as a unique purchaser nationwide of government leased properties.

For 2005, the Board and Mr. Peschio agreed that his bonus would be determined solely on the basis of the Company's completed property acquisitions in 2005. The amount of his bonus has the potential to be a minimum of 40 percent of base salary increasing to as much as 80 percent of base salary if the aggregate purchase price of properties acquired in 2005 exceeds specific thresholds. The bonus figure as a percent of base salary is prorated between 40 percent and 80 percent to the extent that the aggregate purchase price of the acquired properties falls between specific thresholds.

3. *CEO Perquisites.* Under his employment agreement, Mr. Peschio is provided with perquisites that we believe are reasonable, competitive and consistent with the Company's overall executive compensation program. These perquisites include a car allowance of \$1,200 per month (together with reimbursement for related operating expenses, taxes, insurance and fees); reimbursement for tax preparation and financial planning costs up to \$7,500 annually and payment of premiums for whole life insurance on Mr. Peschio of \$500,000, with Mr. Peschio, or his assignee, as the owner of the policy.

Audit Committee report

As noted above, the Audit Committee consists entirely of independent directors and operates under a written charter adopted by the Board.

Management is responsible for the Company's internal controls, preparation of the Company's consolidated financial statements and the financial reporting process. The independent auditors (an independent registered public accounting firm) are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that the Company's consolidated financial statements for the year ended December 31, 2004 were prepared in accordance with generally accepted accounting principles, and the Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Audit Committee further discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (*Communications with Audit Committees*) as amended.

The independent auditors also provided the Audit Committee the written disclosures required by Independence Standards Board Standard No. 1 (*Independence Discussions with Audit Committees*), and the Committee discussed with the independent auditors that firm's independence.

Based on the Audit Committee's discussions with management and the independent auditors and the Committee's review of the representations of management and the independent auditors, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004 for filing with the Securities and Exchange Commission.
