- (1) Assumes for each \$1,000 in principal amount of the notes a maximum of 22.8343 shares of common stock could be issued upon conversion. This conversion rate is subject to adjustment, however, as described in the prospectus under Description of the Notes Adjustment to Conversion Rate. As a result, the maximum number of shares of our common stock issuable upon conversion of the notes may increase or decrease in the future.
- (2) Represents the maximum number of shares of our common stock issuable upon conversion of all of the holder's notes, based on the initial conversion rate of 22.8343 shares of our common stock per \$1,000 principal amount at maturity of the notes. This conversion rate is subject to

adjustment,  
however, as  
described in the  
prospectus under  
Description of the  
Notes Adjustment  
to Conversion  
Rate. As a result,  
the maximum  
number of shares  
of our common  
stock issuable  
upon conversion  
of the notes may  
increase or  
decrease in the  
future.

(3) John D. Gillespie

Based upon information provided by the selling securityholders, none of the selling securityholders nor any of their affiliates, officers, directors or principal equity holders has held any position or office or has had any material relationship with us within the past three years, other than as described in footnote 5. None of the selling securityholders listed above owned 1% or more of our outstanding common stock either before or after this offering.

Selling securityholders who are registered broker-dealers or affiliates of registered broker-dealers may be deemed to be underwriters within the meaning of the Securities Act. To our knowledge, no selling securityholder who is a registered broker-dealer or an affiliate of a registered broker-dealer received any securities as underwriting compensation.

Information concerning the selling securityholders may change from time to time and any changed information will be set forth in additional supplements to the prospectus if and when necessary. In addition, the conversion rate and, therefore, the number of shares of common stock issuable upon conversion of the notes, are subject to adjustment under certain circumstances.

**See RISK FACTORS beginning on page 4 of the prospectus for information you should consider before buying any securities hereunder.**

**Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or passed upon the adequacy or accuracy of this supplement or the prospectus. Any representation made to the contrary is a criminal offense.**
