The Company may from time to time make written or oral statements, including statements contained in this report which may constitute forward-looking statements within the meaning of Section 27A of the Securities Exchange Act of 1934 (the "Exchange Act"). The words "expect", "anticipate", "intend", "plan", "believe", "seek", "estimate", and similar expressions are intended to identify such forward-looking statements, but other statements may constitute forward-looking statements. These statements should be considered subject to various risks and uncertainties. Such forward-looking statements are made based upon management's belief as well as assumptions made by, and information currently available to, management pursuant to "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995. The Company's actual results may differ materially from the results anticipated in forward-looking statements due to a variety of factors, including governmental monetary and fiscal policies, deposit levels, loan demand, loan collateral values, securities portfolio values, interest rate risk management, the effects of competition in the banking business from other commercial banks, thrifts, mortgage banking firms, consumer finance companies, credit unions, securities brokerage firms, insurance companies, money market funds and other financial institutions operating in the Company's market area and elsewhere, including institutions operating through the Internet, changes in governmental regulation relating to the banking industry, including regulations relating to branching and acquisitions, failure of assumptions underlying the establishment of reserves for loan losses, including the value of collateral underlying delinquent loans and other factors. The Company cautions that such factors are not exclusive. The Company does not intend to update or reissue any forward-looking statements contained in this report as a result of new information or other circumstances that may become known to the Company.
