If answer is no, identify report(s).
Yes No
- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?
Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

Sunair believes there is a significant change in its results of operations for the fiscal year ended September 30, 2007 (fiscal 2007) compared to the fiscal year ended September 30, 2006 (fiscal 2006) which will be reflected in the statements of operations to be included in the Form 10-K to which this Notice of Late Filing on Form 12b-25 (Form 12b-25 Filing) relates. The reason for some of the of the significant changes are as follows:

On August 1, 2007 we completed the sale of our wholly owned telephone communications subsidiary, Percipia, Inc. (Percipia) in accordance with a Share Purchase Agreement dated as of July 12, 2007. Pursuant to the Share Purchase Agreement we sold all of the issued and outstanding shares of Percipia for approximately \$4.0 million in cash of which \$750,000 was placed in an escrow account pending the resolution of certain tax matters. Approximately \$3.25 million of the proceeds from the Percipia sale was utilized to pay down the revolving line of credit. The 2007 financial statements reflect 10 months of earnings related to Percipia and for 2006 we have reflected the operations of Percipia as discontinued operations as we entered into a plan to sell Percipia during the 3rd quarter of 2007. Thus, the 2007, 2006 and 2005 statement of operations for Sunair reflect changes related to the sale of Percipia and the reclassification of these operations to discontinued operations.

On November 20, 2006, we closed a transaction to sell the real estate property associated with the previously sold high frequency radio business for \$2.7 million in cash and a recognized gain in the amount of \$2.2 million, \$1.4 million net of income taxes. This gain on sale is reflected as part of our discontinued operations.

In addition to the sale of Percipia we also entered into a number of acquisitions throughout 2007 as follows:

November 2006 we acquired substantially all the assets of Archer Exterminators, Inc. (Archer).

February 2007 we acquired substantially all the assets of Valentine s Indoor Pest Management, Inc. (Valentine).

April 2007 we acquired substantially all the assets of David Burke, Inc., D/B/A Florida Exterminating (Florida Exterminating).

May 2007 we acquired substantially all the assets of Summer Rain Fertilization Company (Summer Rain).

August 2007 we acquired substantially all the assets of Howell Environmental, Inc. (Howell).

September 2007 we acquired substantially all the assets of Longboat Key Pest Control, Inc. (Longboat Key).

Edgar Filing: SUNAIR SERVICES CORP - Form NT 10-K

Incremental revenues generated from these acquisitions during fiscal 2007 amounted to \$3.4 million. In addition, we closed on 4 acquisitions during fiscal 2006 and have a full year of revenues reflected in Sunair's financial statements for fiscal 2007 related to those acquisitions.

While we have not finalized all of the analysis related to our year end closing process, we expect to report sales of approximately \$64 million in fiscal 2007 compared to sales of \$50.3 million in fiscal 2006, an increase of approximately 28%. This increase in sales is partially due to additional revenues that Sunair received from the six companies that it acquired during fiscal 2007 and additional revenues from Telecom FM Limited, a wholly-owned subsidiary of Sunair, during this time period. We expect that our loss from continuing operations, before income taxes, will be approximately \$3.8 million for fiscal 2007 compared to \$3.9 million for fiscal 2006.

Sunair's estimates of its operating results for fiscal 2007 which are contained in this Form 12b-25 Filing should be considered preliminary, and are subject to change to reflect any necessary corrections or adjustments, or changes in accounting estimates, that are identified prior to the time Sunair finalizes its audited financial statements for fiscal 2007. Sunair's actual results of operation may differ significantly from the estimates contained herein.

Some of the statements in this Form 12b-25 Filing, including those that contain the words expect, anticipate, believes, and estimates, and other similar expressions, are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Those forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause Sunair's actual results, performance or achievements or those of its industry to be materially different from any future results, performance or achievements expressed or implied by those forward-looking statements. Among the factors that could cause actual results, performance or achievement to differ materially from those described or implied in the forward-looking statements, include but are not limited to the risks that additional or new information may arise during Sunair's completion of its audit for fiscal 2007 which causes Sunair to revise or change the estimates contained in this Form 12b-25 Filing or any other subsequent information which impacts the estimated results reported in this Form 12b-25 Filing, including the review of Sunair's financial statements by Sunair's independent auditors or Audit Committee, any errors or mistakes that were made in preparing any Sunair's financial statements or any other events that would require Sunair to make adjustments to its financial statements for fiscal 2007, fiscal 2006 or any prior periods.
