Performance Measures for The Scotts Company LLC Amended and Restated Executive/Management Incentive Plan

The Compensation and Organization Committee (the Compensation Committee) of the Board of Directors of The Scotts Miracle-Gro Company (the Company) on December 20, 2007 established the performance targets under The Scotts Company LLC Amended and Restated Executive/Management Incentive Plan (the EMIP) for the annual cash incentive (i.e., bonus) award payable to employees of The Scotts Company LLC and its subsidiaries participating in the EMIP, including each of the named executive officers of the Company, with respect to the full fiscal year ending on September 30, 2008. A copy of the EMIP was filed as Exhibit 10(b)(2) to the Company s Annual Report on Form 10-K for the fiscal year ended September 30, 2007, filed on November 29, 2007.

Each participant s target incentive opportunity under the EMIP is a percentage of the participant s base salary and the amount of the actual bonus payment could range from zero to two hundred and fifty percent of the target incentive opportunity, based upon the extent to which the pre-established annual performance targets are met or exceeded. The performance measures under the EMIP for the fiscal year ending on September 30, 2008 for corporate level officers consist of Enterprise level (i.e., the Company on a consolidated basis) adjusted net income and Enterprise level modified free cash flow. The performance measures under the EMIP for the fiscal year ending on September 30, 2008 for the business unit level officers consist of Enterprise level adjusted net income, Enterprise level modified free cash flow, EBTA of the business unit (a measure of earnings before taxes and amortization and after a working capital charge-back to the business unit) and net sales growth of the business unit. The target incentive opportunity established for each of the named executive officers are set forth below:

On October 30, 2007, Barry W. Sanders, the Company s Executive Vice President, North America, was granted the right to receive up to 40,000 performance shares in the aggregate, which includes up to 10,000 performance shares for the 2008 fiscal year performance period, up to 10,000 performance shares for the 2009 fiscal year performance period and up to 20,000 performance shares for the 2010 fiscal year performance period. On December 20, 2007, the Compensation Committee revised the performance goal for the 2008 fiscal year performance period. The performance criteria were also revised to allow for performance shares for the 2008 fiscal year performance period to be earned ratably 5,000 performance shares (threshold) would be earned if at least 80% of the 2008 fiscal year EBTA budget for North America Total were achieved and 10,000 performance shares (maximum) would be earned if 99% or more of such 2008 fiscal year EBTA budget were achieved.
