Report of Independent Registered Public Accounting Firm

Medicis Pharmaceutical Corporation

As Plan Administrator of the Medicis Pharmaceutical Corporation 401(k) Plan

We have audited the accompanying statements of net assets available for benefits of Medicis Pharmaceutical Corporation 401(k) Plan as of December 31, 2003 and 2002, and the related statement of changes in net assets available for benefits for the year ended December 31, 2003. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2003 and 2002, and the changes in its net assets available for benefits for the year ended December 31, 2003 in conformity with U.S. generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedules of assets (held at end of year) as of December 31, 2003, and delinquent participant contributions for the year then ended, are presented for the purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, are fairly stated in all material respects in relation to the financial statements taken as a whole.

Medicis Pharmaceutical Corporation 401(k) Plan

Notes to Financial Statements

December 31, 2003

**1. Description of the Plan**

*General*

The Medicis Pharmaceutical Corporation 401(k) Plan, as amended, (the Plan) is a defined contribution plan available to eligible employees of Medicis Pharmaceutical Corporation (the Company or Plan Sponsor). The Plan covers all nontemporary employees who have attained the age 21. There is no service requirement and employees may elect to join the Plan on their initial employment date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). For a more complete description of the Plan's provisions please refer to the Plan document.

*Contributions*

Effective 2002, participants may make pre-tax contributions up to 100 percent of their annual compensation as defined by the Plan, and subject to the annual limits of the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified plans.

Effective April 2002, the Plan Sponsor changed its matching contributions from discretionary to an amount equal to 50 percent of the first 3 percent of the participant's contribution. In addition, the Plan Sponsor may, at its sole discretion, make a profit sharing contribution to the Plan for any Plan year. The amount of employer matching contributions during 2003 was \$457,858.

*Participant Accounts*

Each participant's account is credited with the participant's contributions and the allocation of Plan earnings. The benefit to which a participant is allowed is limited to the vested balance in his account.

*Vesting*

Participants vest immediately in their elective contributions plus actual earnings thereon, and such amounts are nonforfeitable. Vesting in the Company contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 20 percent vested after two full years of service and vests 60 percent after three years and 100 percent after four years. A participant becomes fully vested upon disability or death or reaching normal retirement age, as defined by the Plan.

**1. Description of the Plan (continued)**

*Participant Loans*

Participants may borrow from their accounts a minimum of \$1,000 to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan terms shall be no greater than five years except when used to purchase a primary residence.

*Forfeitures*

Forfeited balances of terminated participants' nonvested accounts are used to pay Plan expenses not paid by the Plan Sponsor and any forfeiture from Plan Sponsor matching or profit sharing contributions will be used to reduce future Plan Sponsor contributions. There were \$634 and \$502 of forfeited nonvested accounts in the Plan as of December 31, 2003 and 2002, respectively.

*Benefit Payments*

Upon termination of service for any reason, a participant's account is generally distributed in a single lump-sum payment upon request. At the Administrative Committee's option, if the account balance is \$5,000 or less, the entire balance may be distributed.

*Plan Termination*

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of a termination of the Plan, participants will become fully vested in their accounts.

*Administrative Expenses*

The Company typically pays the majority of the administrative fees for the Plan.

**2. Significant Accounting Policies**

*Basis of Accounting*

The accompanying financial statements of the Plan have been prepared on an accrual basis.

*Investments Valuation*

All Plan investments are held by The Charles Schwab Trust Company ( Charles Schwab or the Trustee ). Investments in registered investment company mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. Investments in the collective investment trust are valued at fair market value as reported to the Plan by Charles Schwab. The shares of Medicis Pharmaceutical Corporation common stock are valued at quoted market prices at year-end. Participant loans are valued at their outstanding balance, which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

The realized gain or loss on investments is included with unrealized appreciation or depreciation in the current value of investments.

Investment securities are exposed to various risks, such as interest rate, credit and market volatility risks. The Plan's exposure to credit loss in the event of nonperformance of investments is limited to the carrying value of such investments. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

*Use of Estimates*

The preparation of financial statements in conformity with U.S generally accepted accounting principles requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.

## Medicis Pharmaceutical Corporation 401(k) Plan

## Notes to Financial Statements (continued)

**4. Income Tax Status**

The Plan has received a determination letter from the Internal Revenue Service dated September 4, 2003, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (IRC) and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan Sponsor has indicated that it will take the necessary steps, if any, to maintain the Plan's qualified status.

**5. Parties-In-Interest**

Certain Plan investments are shares in mutual funds and collective investment trust funds managed by Charles Schwab. Because Charles Schwab is the Plan's trustee, these transactions qualify as party-in-interest transactions. In addition, certain Plan investments are in Medicis Pharmaceutical Corporation Class A Common Stock. These transactions also qualify as party-in-interest transactions. Still other Plan investments are made in the form of loans to Plan participants. These transactions also qualify as party-in-interest transactions.
