PROXY STATEMENT

Annual Meeting of Stockholders

June 18, 2003

INFORMATION RELATING TO VOTING AT THE ANNUAL MEETING

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Broadway Financial Corporation, a Delaware corporation (the "Company"), for use at the Annual Meeting of Stockholders of

Edgar Filing: BROADWAY FINANCIAL CORP \DE\ - Form DEF 14A

the Company (the "Annual Meeting") to be held at the Company's principal executive offices, 4800 Wilshire Boulevard, Los Angeles, California, 90010, at 2:00 p.m., on June 18, 2003, and at any postponement or adjournment thereof. This Proxy Statement and the accompanying form of proxy were first mailed to stockholders on or about May 2, 2003.

The Company was incorporated under Delaware law in September 1995 for the purpose of acquiring and holding all of the outstanding capital stock of Broadway Federal Bank, f.s.b. ("Broadway Federal" or the "Bank") as part of the Bank's conversion from a federally chartered mutual savings and loan association to a federally chartered stock savings bank (the "Conversion"). The Conversion was completed, and the Bank became a wholly owned subsidiary of the Company, on January 8, 1996. Unless otherwise indicated, references in this Proxy Statement to the Company include the Bank as its predecessor.

The Board of Directors has selected April 21, 2003 as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting. A total of 1,818,934, shares of the Company's common stock, par value \$.01 per share (the "Common Stock"), were outstanding at the close of business on that date. A majority of the shares entitled to vote, represented in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Stockholders will be entitled to cast one vote for each share of Common Stock held by them of record at the close of business on the record date on any matter that may be presented at the Annual Meeting for consideration and action by the stockholders. Abstentions will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but as unvoted for purposes of determining the approval of any matter submitted for a vote of the stockholders. A plurality of votes cast is required for election of directors and the affirmative vote of the majority of shares represented and voting will be required to ratify the appointment of KPMG LLP as the Company's independent audit firm. If a broker indicates on its proxy that the broker does not have discretionary authority to vote on a particular matter as to certain shares, those shares will be counted for general quorum purposes but will not be considered as present and entitled to vote with respect to that matter.

All valid proxies received in response to this solicitation will be voted in accordance with the instructions indicated thereon by the stockholders giving such proxies. If no contrary instructions are given, such proxies will be voted FOR the election of the nominees named in this Proxy Statement as directors and FOR approval of the appointment of KPMG LLP as the Company's independent audit firm for the fiscal year ending December 31, 2003. Although the Board of Directors currently knows of no other matter to be brought before the Annual Meeting, if other matters properly come before the Annual Meeting and may properly be acted upon, including voting on a substitute nominee for director in the event that any director nominee named in this Proxy Statement becomes unwilling or unable to serve before the Annual Meeting, the proxy will be voted in accordance with the best judgment of the persons named in the proxies.

Any stockholder may revoke his or her proxy at any time before it is voted at the Annual Meeting by delivering a later signed and dated proxy or other written notice of revocation to Beverly A. Dyck, Secretary of the Company, at 4800 Wilshire Boulevard, Los Angeles, California 90010. A proxy will also be considered revoked if the stockholder executing the proxy is present at the Annual Meeting and chooses to vote in person.

The principal solicitation of proxies is being made by mail. The Company has retained U. S. Stock Transfer Corporation, the Company's transfer agent, to assist in the solicitation of proxies for an estimated fee of \$1,600 plus reimbursement of certain expenses. To the extent necessary, proxies may be

Edgar Filing: BROADWAY FINANCIAL CORP \DE\ - Form DEF 14A

solicited by officers, directors and employees of the Company, or its wholly owned subsidiaries, none of whom will receive additional compensation therefor, and may be solicited by telephone, personal contact or other means. The Company will bear the cost of the solicitation of proxies, including postage, printing and handling, and will reimburse brokers and other nominee holders of shares for their expenses incurred in forwarding solicitation material to beneficial owners of shares.

ELECTION OF DIRECTORS

The Company's Certificate of Incorporation provides that the Board of Directors shall be divided into three classes, with the term of one class of directors to expire each year. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company's current loan policy provides that all loans made by the Company or its subsidiaries to its directors and executive officers must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and must not involve more than the normal risk of collectibility or present other unfavorable features.

On September 30, 1999, the Bank made a \$550,000 loan to Maddox & Stabler LLC. Mr. A. Odell Maddox is a director of the Company and the Bank. The loan is secured by a 24-unit multi-family property located in Los Angeles, California. The terms of the 30-year loan include an initial interest rate of 8% fixed for the first five years. Thereafter the rate will be 2.50% over the one-year Treasury Bill rate. Since inception, payments on the loan have been made as agreed. As of March 31, 2003, the outstanding balance of the loan was \$530,813.

On February 25, 2002, the Bank made a \$300,000 loan to Alvin D. Kang, who is Executive Vice President and Chief Financial Officer of the Bank and Chief Financial Officer of the Company. The loan was secured by a single family residential property located in Torrance, California. The loan earned an interest rate of 5.75%. The loan was paid off on December 3, 2002.

SEVERANCE AGREEMENTS

The Company and the Bank have entered into severance agreements with each of Messrs. Paul Hudson, Kang, Johnson and Heywood. Each agreement provides that if, within three years of any Change in Control (as defined in the agreement), the officer's employment is terminated, either by the officer following a demotion or other specified adverse treatment or by the Company or the Bank other than for Cause (as defined in the agreement), then the officer will receive a severance payment equal to the sum of (A) the officer's unpaid salary and bonus or other incentive compensation for the remainder of the year in which employment is terminated, and (B) a specified multiple of the highest Annual Compensation (as defined in the agreement) paid to the officer in any of the three years preceding termination of employment. The multiple is 2.5 for Mr. Hudson, 2 for Mr. Kang and 1.5 for each of Messrs. Johnson and Heywood. In addition to these payments, any stock options and similar rights held by the officer will become fully vested and exercisable, and the health and other benefits coverage provided to the officer will be continued for one year after termination of employment.

Audit Committee Report

The Audit/CRA/Compliance Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the Company's systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of the audited financial statements with accounting principles generally accepted in the United States of America, their judgments as to the quality, as well as the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under auditing standards generally accepted in the United States of America, including SAS 61. In addition, the Committee has discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures required by Independence Standards Board Standard No. 1, and considered the compatibility of non-audit services provided by the auditor with the auditors' independence.

The Committee discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The Committee meets with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Committee

Edgar Filing: BROADWAY FINANCIAL CORP \DE\ - Form DEF 14A

recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-KSB filed with the Securities and Exchange Commission for the year ended December 31, 2002. The Committee has also recommended to the Board the selection of the Company's independent auditors.
