**Item 2.01. Completion of Acquisition or Disposition of Assets**

On September 1, 2006, the registrant, Matria Healthcare, Inc. (“Matria”) completed its previously reported disposition of Facet Technologies, LLC (“Facet”), a wholly owned subsidiary of Matria, pursuant to the Membership Interest Purchase Agreement dated July 26, 2006, by and among Matria, Facet and Facet Acquisition LLC (the “Purchaser”), an affiliate of Water Street Capital Partners, L.P., a Chicago-based private equity firm specializing in healthcare investments (the “Disposition”). Pursuant to the terms of the Purchase Agreement, Purchaser paid Matria approximately \$122 million in cash as consideration for the Disposition, subject to certain adjustments set forth in the Purchase Agreement.

Attached to this Report as Exhibit 99.1 is an unaudited pro forma condensed balance sheet that is based on the historical financial statements after giving effect to the gain on the Disposition and the repayment of debt with estimated net proceeds. The pro forma condensed consolidated statements of operations are not required for this Form 8-K as the effect of the Disposition has been fully reflected in net income from continuing operations included in the Company’s historical consolidated statements of operations. The unaudited pro forma condensed balance sheet includes specific assumptions and adjustments related to the Disposition. The adjustments are based upon presently available information and assumptions that management believes are reasonable under the circumstances as of the date of this filing. However, actual adjustments may differ materially from the information presented. The unaudited pro forma condensed balance sheet, including the notes thereto, should be read in conjunction with the historical consolidated financial statements and accompanying notes included in Matria’s Annual Report on Form 10-K for the year ended December 31, 2005, and in the Quarterly Report on Form 10-Q for the quarterly period ended June 30, 2006.

The unaudited pro forma condensed consolidated financial information is presented for informational purposes only.
