TIMET ANNOUNCES SPECIAL METALS FILING

DENVER, COLORADO March 28, 2002 Titanium Metals Corporation ("TIMET") (NYSE: TIE) announced that it has learned that Special Metals Corporation (NASDAQ: SMCX) and its U.S. subsidiaries have filed voluntary petitions for reorganization under Chapter 11 of the U.S. Bankruptcy Code in Lexington, Kentucky. Special Metals is a New Hartford, New York based manufacturer of high-performance nickel-based alloys.

In 1998, TIMET invested \$80 million in convertible preferred securities of Special Metals. In the fourth quarter of 2001, TIMET recorded an impairment charge related to its investment in Special Metals that reduced the carrying amount of such securities, including accrued dividends and interest, to a then estimated fair value of \$27.5 million. TIMET expects to re-evaluate the estimated fair value of this investment in light of Special Metal's Chapter 11 filing and other developments. Accordingly, TIMET could record an additional impairment charge in the first quarter of 2002.

Titanium Metals Corporation, headquartered in Denver, Colorado, is a leading worldwide integrated producer of titanium metal products. Information on TIMET is available on the world wide web at <http://www.timet.com/>.
