### PROXY STATEMENT

This Proxy Statement is furnished to the holders (the "Stockholders") of the outstanding shares of Common Stock \$0.0001 par value (the "Common Stock") of Essex Property Trust, Inc., a Maryland corporation (the "Company"), in connection with the solicitation by the Company's Board of Directors (the "Board") of proxies in the accompanying form for use in voting at the 2001 Annual Meeting of Stockholders of the Company (the "Annual Meeting") to be held on May 15, 2001 at 1:00 p.m., local time, at The Stanford Park Hotel, 100 El Camino Real, Menlo Park, California, and any adjournment or postponement thereof.

#### Form of Proxy Card

This Proxy Statement is accompanied by a form of Proxy Card for use by Stockholders.

#### Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is exercised by delivering to the Company (to the attention of Mr. Jordan E. Ritter) a written notice of revocation or a properly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person.

## Edgar Filing: ESSEX PROPERTY TRUST INC - Form DEF 14A

### Solicitation and Voting Procedures

The solicitation of proxies will be conducted by mail and the Company will bear all attendant costs. These costs will include the expense of preparing and mailing proxy materials for the Annual Meeting and reimbursements paid to brokerage firms and others for their expenses incurred in forwarding solicitation material regarding the Annual Meeting to the Stockholders.

The Company may use the services of Corporate Investor Communications, Inc. to assist in soliciting proxies and, in such event, the Company expects to pay approximately \$5,000 for such services. The Company may conduct further solicitation personally, telephonically or by facsimile through its officers, directors and regular employees, none of whom will receive additional compensation for assisting with the solicitation.

The presence at the Annual Meeting, either in person or by proxy, of Stockholders holding a majority of the shares of Common Stock outstanding on the Record Date (as defined below) will constitute a quorum for the purposes of approving Proposals 1 and 2 at the Annual Meeting. The close of business on February 28, 2001 has been fixed as the record date (the "Record Date") for determining the Stockholders entitled to notice of and to vote at the Annual Meeting. Each share of Common Stock outstanding on the Record Date is entitled to one vote on Proposals 1 and 2. As of the Record Date, there were 18,426,413 shares of Common Stock outstanding.

Shares of Common Stock represented by proxies that reflect abstentions or "broker non-votes" (i.e., shares held by a broker or nominee which are represented at the Annual Meeting but with respect to which such broker or nominee is not empowered to vote on a particular proposal) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum. The affirmative vote of a plurality of the shares of Common Stock present in person or by proxy and entitled to vote is required to elect directors. Accordingly, abstentions or broker non-votes as to the election of directors will not affect the election of the candidates receiving the most votes. Approval of Proposal 2 requires the affirmative vote of a majority of shares of Common Stock who are present or represented by proxy and entitled to vote at the Annual Meeting. For

1

purposes of the vote on Proposal 2, abstentions will have the same effect as a vote against such Proposal and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote on such Proposal.

Stockholder votes will be tabulated by the persons appointed by the Board to act as inspectors of election for the Annual Meeting. The New York Stock Exchange permits member organizations to give proxies, whether or not instructions have been received from beneficial owners, to vote as to the election of directors and also on matters of the type contained in Proposal 2. The shares of Common Stock represented by properly executed proxy cards will be voted at the Annual Meeting as indicated or, if no instruction is given, in favor of Proposals 1 and 2. The Company does not presently know of any other business which may come before the Annual Meeting.

### VOTING SECURITIES AND PRINCIPAL HOLDERS

The following table sets forth the beneficial ownership of shares of Common Stock as of the Record Date for (i) each person known by the Company to hold more than 5% of the outstanding shares of Common Stock, (ii) each director and each of the executive officers named in the Summary Compensation Table below, and (iii) all directors and such executive officers as a group.

## Edgar Filing: ESSEX PROPERTY TRUST INC - Form DEF 14A

Beneficial ownership in the following table is determined in accordance with the rules of the Securities and Exchange Commission ("SEC"). In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of Common Stock subject to options held by that person that are currently exercisable or exercisable within 60 days of the Record Date are deemed outstanding. Such shares, however, are not deemed outstanding for the purposes of computing the percentage ownership of each other person. To the Company's knowledge, except as set forth in the footnotes to this table and subject to applicable community property laws, each person named in the table below has sole voting and investment power with respect to the shares set forth opposite such person's name.

### PROPOSAL NO. 1

#### ELECTION OF DIRECTORS

The Company's Charter divides the Company's directors into three classes. The members of each class of directors serve staggered three-year terms. The Board presently has the following ten directors: Keith R. Guericke, Issie N. Rabinovitch and Thomas E. Randlett who are classified as Class I directors; David W. Brady, Robert E. Larson, Michael J. Schall and Willard H. Smith who are classified as Class II directors; George M. Marcus, Gary P. Martin, and William A. Millichap who are classified as Class III directors. The terms of each of the current Class I, Class II and Class III directors expire at the Annual Meetings of Stockholders to be held in 2001, 2002 and 2003, respectively, and until such directors' respective successors are elected and qualified or until any such directors' earlier resignation or removal.

At the Annual Meeting, the Stockholders will elect three directors: if elected, nominees Keith R. Guericke, Issie N. Rabinovitch and Thomas E. Randlett will serve as Class I directors for three-year terms. The Class I directors will serve until the Annual Meeting of Stockholders to be held in 2004 and until such directors' respective successors are elected and qualified or until such directors' earlier resignation or removal. The Board believes that each such nominee will stand for election and will serve if elected as a director. However, in the event any nominee is unable or unwilling to serve as a director at the time of the Annual Meeting, the proxies may be voted for the balance of those nominees named and for any substitute nominee designated by the present Board or the proxy holders to fill such vacancy, or for the balance of those nominees named without nomination of a substitute, or the Board may be reduced in accordance with the Bylaws of the Company.

The affirmative vote of a plurality of the shares of Common Stock present in person or by proxy and entitled to vote at the Annual Meeting, assuming a quorum is present, is necessary for the election of a director. For purposes of the election of directors, abstentions and other shares not voted will not be counted as votes cast and will have no effect on the result of the vote.

Certain information about each of such nominees is furnished below.

Keith R. Guericke, Vice Chairman of the Board, is the Company's President and Chief Executive Officer and oversees the day-to-day operations and administration of the Company. Mr. Guericke joined the Company's predecessor, Essex Property Corporation, in 1977 and he has been with the Company, or its predecessor, since that date. Since that time, he has actively participated in the acquisition, development, management and disposition of multifamily, retail and office properties. He received his Bachelor of Science degree in Accounting from Southern Oregon College in 1971. Mr. Guericke is a member of the National Association of Real Estate Investment Trusts, the American

Edgar Filing: ESSEX PROPERTY TRUST INC - Form DEF 14A

Institute of Certified Public Accountants, the Urban Land Institute, and the National Multi-Housing Council.

Issie N. Rabinovitch, Director, is a partner at Cheyenne Capital, a venture capital firm. Prior to joining Cheyenne Capital, Mr. Rabinovitch served from 1990 to 1994 as President and Chief Executive Officer of Micro Power Systems, Inc., a company engaged in the designing, manufacturing and marketing of multiple semiconductor products. From 1985 to 1990, Mr. Rabinovitch was President of Berkeley International Capital Corporation, a venture capital firm. From 1983 to 1985, Mr. Rabinovitch was President of Crowntek Software International, a software development and distribution company. Before joining Crowntek, he was employed by the Xerox Corporation in various management roles. Mr. Rabinovitch presently serves on the Board of Directors of The Adderley Group, A.I.P. and Inserve. He received a Bachelor of Science degree from McGill University in 1967 and a Master's of Business Administration degree from Harvard University in 1970.

Thomas E. Randlett, Director, is a certified public accountant and has been a director at the Law & Economics Consulting Group, Inc. since 1992. Mr. Randlett's professional specialties include the real estate and construction, financial institutions and transportation industries. Compensation Committee Report on Executive Compensation

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate future filings, including this Proxy Statement, in whole or in part, the following report and the Performance Graph which follows shall not be deemed to be incorporated by reference into any such filings.

The Company's Compensation Committee is responsible for developing, administering and monitoring the compensation policies applicable to the Company's executive officers. The Company's Stock Incentive Plan Committee (collectively, with the Compensation Committee, the "Committees") is responsible for the administration of the Company's 1994 Stock Incentive Plan, under which grants may be made to executive officers and other key employees.

Executive Compensation Philosophy. The Committees believe that the primary goal of the Company's executive compensation program should be related to creating stockholder value. The Committees seek to offer the Company's executive officers competitive compensation opportunities based upon their personal performance, the financial performance of the Company as compared to other REITs and their contribution to that performance. The executive compensation program is designed to attract and retain executive talent that contributes to the Company's long-term success, to reward the achievement of the Company's short-term and long-term strategic goals, to link executive officer compensation and stockholder interests through equity-based plans, and to recognize and reward individual contributions to Company performance. When setting executive officer compensation, the Committees intend to evaluate annually the performance of the Company and to compare the Company's performance and compensation structure with those of other REITs and real estate companies engaged in activities similar to those of the Company.

Key factors considered by the Compensation Committee in 2000 included growth in funds from operations per share, success in the Company's ability to identify growing markets consistent with its strategy, and the Company's success in acquiring or developing properties in those markets.

The Company's compensation program has three principal elements: base salary, performance incentive bonuses and long-term incentive awards.

Base Salaries and Bonus. The base compensation and bonuses for the Company's Named Executive Officers in 2000 was established through negotiations between the Company and each Named Executive Officer. The base salaries will be reviewed annually and may be adjusted by the Compensation Committee in accordance with certain criteria determined primarily on the basis of growth in revenues and funds from operations per share of Common Stock, and on the basis of certain other factors, which include (i) individual performance, (ii) the functions performed by the executive officer, and (iii) changes in the compensation peer group in which the Company competes for executive talent. Although the Compensation Committee considers these factors in determining base salaries and adjustments thereto, the Compensation Committee anticipates that the analysis will be subjective rather than objective and the weight given such factors may vary from individual to individual.

Deductibility of Compensation. Section 162(m) of the Internal Revenue Code denies a deduction for compensation in excess of \$1 million paid to certain executive officers, unless certain performance, disclosure, and stockholder approval requirements are met. Option grants under the Company's 1994 Stock Incentive Plan are intended to qualify as "performance-based" compensation not subject to the Section 162(m) deduction limitation. In addition, the Committees believe that a substantial portion of the compensation program would be exempted from the \$1 million deduction limitation. The Committees' present intention is to qualify, to the extent reasonable, the substantial portion of the executive officers' compensation for deductibility under applicable tax laws. However, the Committees reserve the right to design programs that recognize a full range of performance criteria important to the Company's success, even where compensation payable under such programs may not be deductible.

Chief Executive Officer Compensation. The base compensation of Keith R. Guericke in 2000 was \$275,000, which had been determined through negotiations between the Company and Mr. Guericke. In 2000, Mr. Guericke received a cash bonus of \$450,000. Mr. Guericke's base salary, bonus and long-term incentive awards, if any, will be reviewed by the Committees and adjusted annually based on the criteria for all executive officers discussed above.

#### Stock Price Performance Graph

The following stock price performance graph compares the yearly percentage change in (i) the cumulative total stockholder return on the Company's Common Stock since December 31, 1995 with (ii) the cumulative total stockholder return on (a) the Standard & Poor's 500 Stock Index ("S&P 500") and (b) the Equity REIT Total Return Index prepared by the National Association of Real Estate Investment Trusts, Inc. ("NAREIT"). The stock price performance graph assumes an investment of \$100 in the Company's Common Stock, the S&P 500, and in the NAREIT Equity REIT Total Return Index, on December 31, 1995. ### REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors consists of Messrs. Brady, Martin and Randlett. Each of the members of the Audit Committee is independent (as defined under the NYSE's listing standards).

The primary function of the Audit Committee is to assist the board of directors in fulfilling its oversight responsibilities by reviewing financial reports and other financial information provided by the Company to any governmental body or the public, the Company's systems of internal controls regarding finance, accounting, legal compliance and ethics that management and the Board of Directors have established, and the Company's auditing, accounting and financial reporting processes generally. The Audit Committee annually recommends to the Board of Directors the appointment of a firm of independent auditors to audit the financial statements of the Company and meets with such personnel of the Company to review the scope and the results of the annual audit, the amount of audit fees, the Company's internal accounting controls, the Company's financial statements contained in the Company's Annual Report to our stockholders and other related matters. A more detailed description of the functions of the Audit Committee can be found in the Company's Audit Committee Charter, a copy of which is attached to this Proxy Statement as Appendix A.

The Audit Committee has reviewed and discussed with management the financial statements for fiscal year 2000 audited by KPMG LLP, the Company's independent certified public accountants. The Audit Committee has discussed with KPMG LLP various matters related to the financial statements, including those matters required to be discussed by SAS 61. The Audit Committee has also received the written disclosures and the letter from KPMG LLP required by Independence Standards Board Standard No. 1, and has discussed with KPMG LLP its independence. Based upon such review and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2000 for filing with the Securities and Exchange Commission.

## Edgar Filing: ESSEX PROPERTY TRUST INC - Form DEF 14A

The Audit Committee and the Board of Directors also have recommended, subject to stockholder ratification, the selection of KPMG LLP as our independent certified public accountants for the year ending December 31, 2001.

### CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

#### Director and Executive Stock Purchase Program

In September 1999, the Company formed a program in which directors and management of the Company can participate indirectly in an investment in the Company's Common Stock. The participants have entered into a swap agreement with a securities broker whereby the securities broker has acquired, in open market transactions, 223,475 shares of the Company's Common Stock. The agreement terminates in five years at which time the settlement amount is determined by comparing the original purchase price of the stock plus interest at a rate of LIBOR plus 1.5% to the termination date market value of the shares and all dividends received during the investment period. In certain circumstances the participants may be required to provide collateral to the securities broker. The Company has guaranteed performance of the participants with respect to any obligations relating to the swap agreement, which guarantee is released upon termination of the program. For the specific amounts of each directors' and executive officers' participation in this program, see "Voting Securities and Principal Holders."

#### Marcus & Millichap Real Estate Investment Brokerage Company

The Marcus & Millichap Real Estate Investment Brokerage Company ("M&M REIBC") is a commercial real estate brokerage firm that is a subsidiary of The Marcus & Millichap Company ("M&M"). Mr. Marcus, the Chairman of the Company, is the Chairman of M&M. During the year ended December 31, 2000, the Company paid brokerage commission totaling approximately \$289,000 to M&M REIBC with respect to the purchase and sales of real estate.

In connection with the Company's 1994 initial public offering (the "IPO"), M&M REIBC, Essex Portfolio, L.P. (the "Operating Partnership"), the Company and Essex Management Corporation ("EMC") entered into an agreement (the "Brokerage Agreement") that provides that if the Company or the Operating Partnership enters into a transaction with M&M REIBC in which either of them or a third party pays a brokerage commission to M&M REIBC, a percentage of such commission, reflecting M&M REIBC's net profit, will be discounted or paid to EMC. For brokerage commissions paid to M&M REIBC in 2000, an amount of \$4,938 was determined to be payable to EMC pursuant to the Brokerage Agreement. In accordance with the terms of the Brokerage Agreement, the Company submitted the calculation of M&M REIBC's net profit, as defined in such Agreement, to the Company's independent directors for their review.

In connection with the IPO, the Company, the Operating Partnership, M&M, M&M REIBC and EMC also entered into an agreement, pursuant to which M&M REIBC agreed to provide, for ten years, real estate transaction, trend and other information to the Company and its direct and indirect subsidiaries, including the Operating Partnership and EMC. In return for the right to receive such

## Edgar Filing: ESSEX PROPERTY TRUST INC - Form DEF 14A

information, the Company provided M&M, the parent company of M&M REIBC, a one-time grant of options to purchase 220,000 shares of Common Stock at the initial public offering price of \$19.50 per share. The option, which began vesting one year after the completion of the IPO, became fully vested in 1999.

### Mountain Vista Transaction

In May 2000, Essex originated a \$14.6 million participating loan to finance the acquisition and redevelopment by Pacific Properties, a real estate company, of the 526-unit Mountain Vista Apartments, located in Fremont, California. Pacific Properties is an affiliate of The Marcus & Millichap Company, whose chairman is George Marcus, who is also the chairman of Essex. Essex funded \$9.5 million of the loan at the acquisition's closing, with the balance to be disbursed as required to fund the \$5.6 million renovation of the property. Prior to year end 2000, Essex converted this loan to preferred equity, which, as was the case with the loan, is subordinate to \$40.5 million in existing and seller-provided financing and senior to the \$5.5 million capital contribution provided by Pacific Properties and other affiliates of The Marcus & Millichap Company. The preferred equity investment matures in four years, with a preferred return at 11.5 percent per annum. In addition, Essex will

17

receive 25 percent of any profits to the extent that such profits exceed 11.5 percent of the contributed equity of Essex and Pacific Properties and other affiliates of the Marcus & Millichap Company. This transaction by Essex was approved by the disinterested directors on its board of directors.

### Property Management

The Company, through the Operating Partnership, owns all of the non-preferred voting preferred stock of EMC. During 2000, EMC received approximately \$236,680 for property and asset management services for properties that are not owned by the Company but in which Mr. Marcus holds a partial ownership interest. The fees charged by EMC with respect to such properties are comparable to the fees it charges for providing property and asset management services for other properties.

### Non-Compete Arrangement with Mr. Marcus

In 1999, the Company entered into a non-compete agreement with George Marcus, the Company's Chairman. Under this agreement, Mr. Marcus and his affiliated entities are to give the Company prior notice of agreements, which they enter into, to acquire multifamily properties that contain more than one hundred units and to provide the Company under certain circumstances with the right to be assigned such agreements. Notwithstanding this agreement, Mr. Marcus and his affiliated entities may potentially compete with the Company in acquiring multifamily properties, which competition may be detrimental to the Company.

### Barkley Apartments Transaction

In April 2000, a partnership, in which Essex Management Corporation is the general partner, acquired the 161-unit Barkley Apartments in Anaheim, California, for approximately \$10.7 million. Essex holds a 30% special limited partnership in the partnership and the remaining 70% limited partnership interests are held by entities in which George Marcus has an approximate 26% aggregate ownership interest. Mr. Marcus is also the Chairman of Essex. The partnership agreement for the partnership that owns the Barkley Apartments provides that these entities can require the partnership to redeem their

## Edgar Filing: ESSEX PROPERTY TRUST INC - Form DEF 14A

interests for cash. Subject to certain conditions, Essex may, however, elect to deliver an equivalent number of shares of its common stock in satisfaction of the partnership's cash redemption obligation. If Mr. Marcus' entire interest in these entities were to be redeemed for shares of common stock, he would receive approximately 23,550 shares of common stock.

### Indebtedness of Management

On April 15, 1996, December 31, 1996, December 31, 1997, December 31, 1998 and December 31, 1999 the Operating Partnership made loans to Keith Guericke, Vice Chairman of the Board, Chief Executive Officer and President of the Company, in the amount of \$75,000 each. Each loan bears interest at 8% per annum, noncompounded, and are due and payable in full, together with all accrued interest, ten years after the date the loans were made. The loans were made to Mr. Guericke to pay certain tax liabilities related to Mr. Guericke's ownership of interests in the Operating Partnership. During 2000, the largest amount of the aggregate principal outstanding under the loans was \$375,000. As of the Record Date, the entire principal amounts of all the loans were outstanding.

On April 30, 1996, December 31, 1996, December 31, 1997, December 31, 1998 and December 31, 1999 the Operating Partnership made loans to Michael J. Schall, Executive Vice President and Chief Financial Officer of the Company, in the amount of \$50,000 each. Each loan bears interest at 8% per annum, noncompounded, and are due and payable in full, together with all accrued interest, ten years after the date the loans were made. The loans were made to Mr. Schall to pay certain tax liabilities related to Mr. Schall's ownership of interests in the Operating Partnership. During 2000, the largest amount of the aggregate principal outstanding under the loans was \$250,000. As of the Record Date, the entire principal amounts of all the loans were outstanding.

## PROPOSAL NO. 2

### RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

KPMG LLP served as the Company's independent auditors for the fiscal year ended December 31, 2000 and has been appointed by the Board to continue as the Company's independent auditors for the fiscal year ending December 31, 2001. In the event that ratification of this appointment of auditors is not approved by the affirmative vote of a majority of the votes cast on the matter, then the appointment of independent auditors will be reconsidered by the Board. Unless marked to the contrary, proxies received will be voted FOR ratification of the appointment of KPMG LLP as the independent auditors for the fiscal year ending December 31, 2001.

A representative of KPMG LLP is expected to be present at the Annual Meeting. The representative will have an opportunity to make a statement and will be able to respond to appropriate questions.

**Audit Fees.** For professional services rendered by KPMG LLP for the audit of the Company's annual financial statements for the fiscal year ended December 31, 2000, and the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q for the fiscal year ended December 31, 2000, KPMG LLP billed the Company fees in the aggregate amount of \$160,000.

**Financial Information Systems Design and Implementation Fees.** For the fiscal year ended December 31, 2000, KPMG LLP did not render professional services to the Company in connection with (i) directly or indirectly

## Edgar Filing: ESSEX PROPERTY TRUST INC - Form DEF 14A

operating, or supervising the operation of the Company's information system or managing the Company's local area network, (ii) designing or implementing a hardware or software system that aggregates source data underlying the Company's financial statements or generates information that is significant to the Company's financial statements taken as a whole or (iii) assessing, designing and implementing internal accounting controls and risk management controls. Therefore, KPMP LLP did not bill the Company fees for such types of services because no such services were rendered.

All Other Fees. For professional services, including tax preparation and advice, other than those described above rendered by KPMG LLP to the Company for the fiscal year ended December 31, 2000, KPMG LLP billed the Company fees in the aggregate amount of \$113,000.

The Audit Committee has considered whether the provision of services described above under "Financial Information Systems Design and Implementation Fees" and "All Other Fees" is compatible with maintaining the independence of KPMG LLP.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE  
STOCKHOLDERS VOTE FOR RATIFICATION OF THE APPOINTMENT  
OF KPMG LLP AS THE COMPANY'S INDEPENDENT AUDITORS  
FOR THE YEAR ENDING DECEMBER 31, 2001

Consistent with this function, the Audit Committee should encourage continuous improvement of, and should foster adherence to, the Corporation's policies, procedures and practices. The Audit Committee is responsible for actively engaging in a dialogue with the independent accountants with respect to any disclosed relationships or services that may impact the objectivity and independence of the independent accountants and for recommending that the Board of Directors take appropriate action in response to the independent accountants report to satisfy itself of the independent accountants' independence.

### II. COMPOSITION

The Audit Committee shall be comprised of three or more directors as determined by the Board, each of whom shall be independent directors, and free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgement as a member of the Committee.
